This message is solely directed to Acura dealership personnel; please handle it accordingly.

Background

American Honda Motor Co., Inc. (AHM) is searching for certain 2024-2026 MDXs with a client complaint of the Malfunction Indicator Light (MIL) on with the DTC P0441 (EVAP System Purge Flow Malfunction) stored. To better understand the cause of this condition, AHM would like to collect specific parts from the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

1. Type S trims are NOT accepted.
2. Multiple DTCs stored are acceptable, but vehicle MUST have DTC P0441 stored (email the ALL DTC Check printout to [TIS](#)).
3. Previous EVAP system replacements are NOT accepted.
4. Vehicle has not been involved in a collision.
5. No repairs or disassembling of the EVAP system has been attempted for this issue during the current visit.

Action Required

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at tis@ahm.honda.com, or call us at 800-880-1072 (Monday-Friday, 6am-5pm PST). TIS will need to record certain vehicle information and provide you with further instructions.

Please be sure to include the following information in your e-mail.

E-mail Title:

1. Model Year (e.g. 2026)
2. Model Name (e.g. MDX)
3. Issue (e.g. Brake Judder)
4. VIN
5. RO Number
6. RO Open Date

E-Mail Body:

1. Dealer Name & Dealer Number
2. Dealer City & State
3. Your Name
4. Best Phone Number to be reached.

6. Confirm that the vehicle meets qualifiers #1-#5 above and attach ALL DTC Check printout.

As a gesture of appreciation to dealer technicians who identify and report a vehicle that meets the qualifiers, was accepted as a candidate and is the subject of a successful Dealer Visit/Parts Collection/Info Collection, AHM will provide the referring technician with a **VISA gift card**. Technical Information & Support (TIS) will provide additional information if this situation applies.

Thank you.
