RE: Request for Visit: 2026 Odyssey EPB Switch Inop (**ACTION REQUIRED**)

This message is solely directed to Honda dealership personnel; please handle it accordingly.
Print this iN message and provide a copy to the Shop Foreman and all Service Advisors

Background

American American Honda Motor Co., Inc. (AHM) is searching for certain 2026 Odysseys with a customer complaint of the electronic parking brake (EPB) switch inoperable. Customer may also notice a brake system warning indicator on the instrument panel with DTC C1120-14 Electric Parking Brake Switch Circuit Malfunction. To better understand the cause of this condition, AHM would like to inspect the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

1. EPB switch must be INOP.
2. Confirm EPB switch is INOP (no continuity) by performing the Electric Parking Brake Switch Test found in the iN.
3. Previous replacement of EPB switch (35355) is acceptable.
4. Vehicle has not been involved in a collision.
5. No repair attempts made during this visit.

Action Required

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at tis@ahm.honda.com or call us at 800-880-1072 (Monday-Friday, 6am-5pm PST). TIS will need to record certain vehicle information and provide you with further instructions.

Please be sure to include the following information in your e-mail.

E-mail Title:

1. Model Year (e.g. 2026)
2. Model Name (e.g. Accord)
3. Issue (e.g. Brake Judder)
4. VIN
5. RO Number
6. RO Open Date

E-Mail Body:

1. Dealer Name & Number
2. Dealer City & State
3. Your Name
4. Best Phone Number to be reached.
5. Current Mileage
6. Confirm that the vehicle meets qualifiers #1-#5 listed above.
7. DPTS#

As a gesture of appreciation to dealer technicians who identify and report a vehicle that meets the qualifiers, was accepted as a candidate and is the subject of a successful Dealer Visit/Parts Collection/Info Collection, AHM will provide the referring technician with a **VISA gift card**. Technical Information & Support (TIS) will provide additional information if this situation applies.

Thank you.
