Re: Warranty Extension: 2016-2026 Multi- Model Cylinder Head Gasket

Today, August 26, 2026, American Honda is announcing a **warranty extension** for certain 2018-2026 Accord, 2018-2026 Accord Hybrid, 2016-2026 Civic, 2025-2026 Civic Hybrid, 2017-2026 CR-V and 2020-2026 CR-V Hybrid vehicles. Under certain conditions, the cylinder head gasket effectiveness may be reduced which may cause vehicles to experience overheating, coolant loss, misfire, and/or DTCs P0300 through P0304 stored.

American Honda is extending the warranty coverage on the cylinder head gasket, related to this condition, to 10 years from the original date of purchase or 150,000 miles, whichever comes first.

To further support customer satisfaction and confidence, American Honda will also provide a 6-month grace period from the date of customer notification for affected vehicles that are no longer eligible under the warranty extension due to the vehicle age.

REPAIR

Follow the diagnostic steps outlined in the Service Bulletins below to determine if the vehicle qualifies for this repair and for further repair instructions.

PARTS

Parts will be available for normal ordering at launch.

TOOLS

Warpage Inspection Kits have been sent to the service managers at dealerships.
