GPOP - Issue Review System

Part Number: 05140429A\$

Part Description: Solenoid

Issue Description: This tech tip pertains only to a 2017 Model Year Journey built in June of 2017. If you have a DTC of P0755 we are in need of solenoid and harnesses for analysis. Please repair the vehicle by replacing the solenoid (PN# 5140429AA) and the transmission harness (PN# 68080261AF) without disconnecting the two components at the solenoid connection. Contact Bruce Schmooch at (248) 512-0289 and supply the last 8 of the VIN, the RO number and dealer code so a FasTrack can be generated for the two components.
