

Acura
2009

TSX

FORGET PAST AUTOMOTIVE EXPERIENCES.
LOOK BEYOND CURRENT EXPECTATIONS.
CHALLENGE. DISCOVER. ASPIRE. ADVANCE.

ADVANCE IS NOT JUST ABOUT MOVEMENT,
IT IS ABOUT PROGRESS.

It is seeing a curve in the road and envisioning a whole new way through it. It is rejecting the inevitability of traffic and instead doing something about it. It is about creating transformative technologies like Super Handling All-Wheel Drive™ (SH-AWD®) and navigation with both AcuraLink® real-time traffic and weather. It is about finding inspiration beyond the world of current automotive design. It is using premier race circuits as testing grounds for our ideas. Advance is not about reacting to the way things are today, it is about anticipating what's next. In performance. In technology. In safety. In design. All for the purpose of heightening anticipation for your next drive.

We race to win. And in our very first start as a factory team, an Acura American Le Mans car took the top spot in the 2007 Twelve Hours of Sebring. This year, as we build on all we learned, we continue a commitment to constant advancement and of testing technology at the highest level, so we can one day bring it to you.

advanced sports-car concept

THOUGH NOT INTENDED
FOR THE SHOWROOM,
ITS COMBINATION OF PRECISION
AND PASSION SIGNALS
THE FUTURE OF ACURA DESIGN.

WHEN THE PROMISES OF PERFORMANCE,
TECHNOLOGY AND DESIGN ARE ALIGNED WITH THE ELEMENTS OF DESIRE,

THEY HEIGHTEN EMOTION,
PROVOKE AN EXPERIENCE,
CREATE ANTICIPATION.

The all-new 2009 Acura TSX.
With its fusion of leading-edge technology,
sleek design and modern luxury, a new
generation has arrived.

Textured craftsmanship. Modern refinement. Engaging atmosphere.

Reserved seating.

The distinctive feel of the TSX is apparent the moment you're welcomed aboard. The performance-oriented front seats offer deep, supportive bolsters and rich, perforated leather. Eight-way power driver's seat adjustments, tied to the vehicle's memory system, let you quickly get into your ideal driving position. The dual-zone automatic climate control system further accommodates your desire for micro-management. Ambient lighting completes a modern, sophisticated cabin designed to indulge.

201-HP i-VTEC® ENGINE
DRIVE-BY-WIRE™ THROTTLE SYSTEM
6-SPEED MANUAL TRANSMISSION
5-SPEED AUTOMATIC TRANSMISSION
7100-RPM REDLINE

HOW DEEP DOES PASSION GO?

Thrilling high-rpm power.
Robust low-end torque.
Lively, immediate response.

Performance technology is at the core of every Acura. And nowhere is that more evident than inside the i-VTEC engine. Here, a highly intelligent variable valve-timing system controls the intake valves to finely balance the competing demands of low-end torque and high-speed horsepower. You'll feel it off the line as you accelerate with authority and at higher speeds as horsepower continues to climb just when you'd expect it to peak.

Build on the desire. Experience continual, smooth power via Acura's ultra-precise Drive-by-Wire Throttle System. The TSX also offers a 5-speed automatic transmission with race-inspired paddle shifters or a close-ratio 6-speed manual to satisfy your individual need for control.

CAN PRESSING DOWN ON AN
ACCELERATOR ALSO SET THE WHEELS
OF IMAGINATION IN MOTION?

**A muse for both
driver and creativity.**

Who knows what spurs creativity, but a TSX approaching a series of switchbacks certainly changes the emotional landscape. From the uncompromising control of its rigid body structure to the razor-sharp handling afforded by its 4-wheel independent suspension, the TSX inspires confidence as well as dreams of conquest. A rack-and-pinion steering system with electric variable power assist gives you enhanced road feel at higher speeds, and reinforces what got your imagination rolling in the first place: the TSX's impressive performance.

SHOWN IN CRYSTAL BLACK PEARL WITH AVAILABLE
TECHNOLOGY PACKAGE.

**The fine art
of cornering.**

It may seem like cold engineering, but from your first time behind the wheel, you'll begin to appreciate the finer aesthetics of the TSX's ride. A race-derived suspension system features a double-wishbone design up front and a multi-link setup in the rear. Charge through a corner and the system responds with minimal geometry change, helping to reduce body roll while keeping the maximum amount of rubber in contact with the road. The unique damping system is designed to respond to changing road conditions, delivering sporty handling without sacrificing a comfortable ride.

The results are crisper, more precise steering, more controlled braking and a newfound expansion of the term "art appreciation."

advancing control

DOUBLE-WISHBONE FRONT SUSPENSION

4-WHEEL DISC BRAKES WITH ABS AND BRAKE ASSIST
17-INCH ALUMINUM-ALLOY WHEELS

Hands-free connectivity.
Voice Recognition

The more technology advances, the more personal it gets. With an available Technology package that includes voice recognition, simply press the steering wheel-mounted voice control button and the TSX lets you interact with many of the vehicle's advanced features with just the sound of your voice. Want to know the weather forecast for Sacramento? The traffic situation on the I-95? Or where to get the best steak dinner in St. Louis? Just make your request and the TSX works to satisfy.

ACURALINK WEATHER ::::

See current information as well as forecasts for virtually any U.S. city right on the screen of the available navigation system.¹

ZAGAT SURVEY® RESTAURANT REVIEWS ::::

Get trusted recommendations, complete with food, service and decor ratings with this feature of the available navigation system.

BLUETOOTH® HANDSFREELINK® ::::

Link your compatible Bluetooth®-enabled mobile phone and you can make and receive calls without taking your hands off the wheel.²

AUDIO SYSTEM CONTROLS ::::

The TSX's ability to recognize a vast list of commands lets you verbally control most of the functions of the vehicle's audio system.

ACURALINK REAL-TIME TRAFFIC ::::

The available navigation system quickly communicates traffic flow as well as collisions, road construction and weather-related incidents.¹

DUAL-ZONE CLIMATE CONTROL ::::

Simply voice your preference and the system will adjust the temperature to accommodate each front occupant's individual choice.

Music as it was intended to be heard.

Acura/ELS Surround Premium Audio System

The studio within.

Every artist who goes into the studio has one goal: to produce a recording with a level of playback as good as the original performance. Obviously, the sound engineer is critical in this process. So when it came time for Acura to design a sound system for the TSX, we knew we wanted an experience that rivaled a professional studio. Our secret weapon? Grammy® Award-winning engineer and producer Elliot Scheiner, the "ELS" in ELS Surround.

The Acura/ELS Surround System (with available Technology package) was specifically developed for the TSX by Elliot Scheiner and the Acura team of engineers. Considering every element, from the placement of the speakers to the acoustic qualities of the interior space, they built a system that more closely captures the depth and nuance of the original studio performance.

SOMETIMES A DESIRE FOR POWER IS REALLY A DESIRE FOR INFORMATION.

Indulge your logical data-driven side. Depend on the accuracy of an available satellite-linked Acura Navigation System.[†] Concerned about traffic? Keep an eye on it, monitoring average speeds, possible incidents and construction delays with AcuraLink real-time traffic.[†] A destination database gives you information on over 7,000,000 points of interest. The system's new AcuraLink weather feature not only gives you the local forecast, but it also lets you know what to expect on the route ahead. And it's all accessible through Acura's voice recognition, a sophisticated system that allows you to communicate with many of the navigation system's features through simple verbal commands.

The image shows the front interior of an Acura TSX. The steering wheel is on the left, featuring mounted controls. The dashboard has a multi-information display in the center. Below the dashboard is the center console with a gear shifter and various buttons. The interior is finished with parchment leather. The background shows a modern building with a glass and wood facade.

HIGH TECHNOLOGY MEETS HUMAN NATURE.

Control is the essence of a sport sedan. Acura engineers labored to make sure the TSX delivers, whether you're considering the vehicle's performance or the ease with which you can interact with its various technologies. Buttons are meticulously crafted and placed for intuitive operation. Steering wheel-mounted controls give you easy access to a number of systems, including audio, Bluetooth HandsFreeLink, and when equipped, the voice recognition system. And because knowledge is essential, the Multi-Information Display is your window to any number of vehicle systems and settings.

STEERING WHEEL-MOUNTED CONTROLS
MULTI-INFORMATION DISPLAY
LED BACKLIT GAUGES
MAINTENANCE MINDER™ SYSTEM

VEHICLE STABILITY ASSIST™ (VSA®) THIS SYSTEM CAN BRAKE INDIVIDUAL WHEELS AND/OR REDUCE ENGINE POWER IN THE EVENT OF UNDERSTEER OR OVERSTEER TO HELP KEEP YOU ON YOUR INTENDED PATH. A TRACTION-CONTROL FUNCTION HELPS PREVENT WHEELSPIN DURING ACCELERATION.

ADVANCED AIRBAG SYSTEM DUAL-STAGE, DUAL-THRESHOLD FRONT AIRBAGS, FRONT SIDE AIRBAGS AND SIDE CURTAIN AIRBAGS ARE ONLY PART OF ACURA'S COMPREHENSIVE APPROACH TO PASSIVE SAFETY. AN OCCUPANT POSITION DETECTION SYSTEM (OPDS) IS DESIGNED TO PREVENT DEPLOYMENT OF THE FRONT PASSENGER'S SIDE AIRBAG IF A SMALL-STATURED OR AN OUT-OF-POSITION FRONT PASSENGER LEANS INTO THE AIRBAG'S DEPLOYMENT PATH.

*ALWAYS USE SEAT BELTS AND APPROPRIATE CHILD SEATS. CHILDREN 12 AND UNDER ARE SEATED WHEN PROPERLY RESTRAINED IN THE REAR SEAT. FRONT AIRBAGS INFLATE AND DEFLATE IN A FRACTION OF A SECOND.

ADVANCED COMPATIBILITY ENGINEERING™ (ACE™) BODY STRUCTURE ITS ADVANCED FRONT-END CONFIGURATION HELPS ABSORB THE ENERGY OF A FRONTAL IMPACT AND DIRECT IT AROUND THE CABIN. IT ALSO MINIMIZES MISALIGNMENT WITH VEHICLES OF DIFFERING SIZE.

TIRE PRESSURE MONITORING SYSTEM (TPMS) ::::

This system actively monitors and displays the air pressure of each tire.*

BRAKE ASSIST ::::

This system can detect emergency braking and apply maximum brake force.

XENON HEADLIGHTS ::::

The TSX's High-Intensity Discharge headlights are significantly brighter than conventional headlights.

ACTIVE FRONT HEAD RESTRAINTS ::::

The TSX's active front head restraints assist in preventing or minimizing whiplash injuries.

THERE ARE SOME THINGS
YOU NEVER ANTICIPATE.
FORTUNATELY, ACURA HAS.

Acura knows full well the realities of the road. That's why we created Safety Through Innovation, a philosophy committed to developing and utilizing the latest technological advances to protect both driver and passengers. And while safety features such as energy-absorbing body structures and sophisticated airbag systems are vital, the TSX's ability to help you avoid accidents in the first place is just as important. And confidence-inspiring.

INTERIOR

COMFORT + CONVENIENCE

- Dual-zone automatic climate control system with air filtration
- Remote entry system with folding key and Acura personalized settings for driver's seat and more
- Power windows with driver and front passenger's auto-up/down, auto-reverse and key-off operation
- Remote- and driver's door lock-operated windows-open function
- Bluetooth® HandsFreeLink® wireless telephone interface²
- Steering wheel-mounted controls (cruise control, audio, phone, Multi-Information Display and available voice recognition)
- HomeLink®
- Cruise control
- Tilt and telescopic steering column
- Ambient cabin lighting
- Leather-wrapped steering wheel
- Beverage holders (front and rear)
- Front-door and rear-door storage compartments
- Center console utility compartments
- Seatback pockets
- Carpeted floor mats
- Driver's and front passenger's illuminated vanity mirrors
- 12-volt power outlets (front and center console)

SEATING + INTERIOR

- Sport seats with perforated leather-trimmed interior
- Driver's 8-way power seat with adjustable lumbar support
- Front passenger's 4-way power seat
- Heated front seats
- 60/40 split folding rear seat
- Front center console with adjustable armrest
- Rear-seat center armrest

INSTRUMENTATION

- LED backlit gauges with progressive illumination
- Multi-Information Display
- Maintenance Minder™ system
- Trip computer
- Exterior temperature indicator
- Compass
- Illuminated ignition, power-window and door-lock switches and steering-wheel and overhead controls

AUDIO

- Acura 360-watt Premium Sound System with AM/FM tuner, in-dash CD, MP3, WMA player and 7 speakers, including 8-inch subwoofer
- XM® Radio³
- USB Audio Interface with iPod® integration
- Bluetooth® Audio
- MP3/auxiliary input jack
- Radio Database System (RDS)
- Speed-sensitive volume control (SVC)

TECHNOLOGY PACKAGE

- Acura Navigation System with Voice Recognition™⁴ Traffic Rerouting™, rearview camera and Zagat Survey® ratings and reviews
- Acura/ELS Surround® 415-watt Premium 10-speaker Audio System with 6-disc in-dash CD, DVD-Audio, MP3, WMA and DTS® changer, Dolby® Pro Logic® II and AM/FM tuner
- AcuraLink® satellite communication system with real-time traffic and weather¹
- GPS-linked, solar-sensing, dual-zone automatic climate control system
- XM Radio with Note function³
- Bluetooth HandsFreeLink wireless telephone interface with phonebook exchange²
- Automated Appointments™
- Interface dial

SAFETY

- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA®) with traction control
- 4-wheel anti-lock braking system (ABS) with Electronic Brake Distribution (EBD) and Brake Assist
- Dual-stage, dual-threshold front airbags (SRS)
- Front side airbags with passenger-side Occupant Position Detection System (OPDS)
- Side curtain airbags
- Active front head restraints
- 3-point height-adjustable seat belts with load limiters and automatic tensioning system (front)
- 3-point seat belts (rear)
- LATCH (Lower Anchors and Tethers for CHildren) child-seat mounting system
- Xenon High-Intensity Discharge (HID) headlights
- Daytime Running Lights (DRL)
- Fog lights
- Tire Pressure Monitoring System (TPMS) with location and pressure indicators⁵
- Impact-absorbing crumple zones (front and rear)
- Theft-deterrent system with electronic immobilizer
- Rear-window defroster with timer
- Side-impact door beams
- Mirror-integrated directional signals
- Automatic dimming rearview mirror

OWNER BENEFITS

Warranty All Acura vehicles and the accessories installed by the dealer at the time of vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer body rust-through is covered on all Acura vehicles by a 5-year/unlimited-mile limited warranty.¹¹

Acura-Trained Service Personnel Your local Acura dealer is an excellent source for Acura genuine parts and factory-trained technicians. They have the experience, training and specialized tools needed to keep your Acura up to factory standards of performance and reliability.

Acura Care Additional peace of mind can be had with the Acura Care® program – comprehensive vehicle and travel protection beyond the initial warranty period. See your Acura dealer for all the features and benefits available with this program.

1-800-to-Acura Operators are available 24 hours a day to help get answers to your Acura questions.

Honda Financial Services¹² Whether you're buying or leasing, Honda Financial Services can assist you with the process. See your dealer for details.

Total Luxury Care¹³ – Owner Benefits Acura's total commitment to your satisfaction doesn't end with delivery of a world-class vehicle. It only begins there. Every Acura comes with Total Luxury Care® (TLC®), an array of services designed to help you enjoy your automobile for years to come.

24-Hour Roadside Assistance As part of your TLC benefits, 24-hour roadside assistance is available to you everywhere in the continental U.S. and Canada, day or night, every day of the year. Just call the toll-free number and rest assured that assistance is promptly on the way.

Trip-Interruption Benefits If a problem that is covered by your warranty interrupts your trip more than 100 miles from home, Acura will provide you with reimbursement for meals, lodging or car-rental expenses. Please see your Acura dealer for all the program details.

Acura Concierge – Travel Service In an emergency or just to help you plan a trip, Acura concierge service can help you with many logistical details. It will even relay up to three urgent messages on your behalf if you cannot do so.
