Technical specifications

ENGINE

Number of cylinders	4
Valves per cylinder	4
Displacement	1,798 cc
Engine power	252 hp (185 kW)
Fuel	Petrol
Maximum torque	320 Nm

TRANSMISSION

Transmission type	Rear-wheel drive
Dual clutch automatic gearbox	7 speeds

CHASSIS

Chassis	Aluminium frame (96%): safety cell, engine mount, front end
Front/Rear axle	Double-wishbone suspension system
Body type	Coupe
Turning circle between kerbs/walls	11.64 m/11.74 m
Brakes	Compact, lightweight aluminium brake calipers with integrated parking brake, Alpine black calipers
Front brake disc diameter	296 mm
Rear brake disc diameter	296 mm
Front tyres (Pure - Légende)	205/45 R17 - 205/40 R18
Rear tyres (Pure - Légende)	235/45 R17 - 235/40 R18

WEIGHT

Kerb weight	1,080 kg
Gross vehicle mass (GVM)	1,365 kg

PERFORMANCE

Maximum speed	250 km/h
0-100 km/h	4.5 s
400 metres	12.7 s
1,000 metres	23.2 s

FUEL EFFICIENCY/EMISSIONS*

CO ₂	138 g/km
Urban fuel economy	8.2 l/100 km
Extra-urban fuel economy	5.0 l/100 km
Overall fuel economy	6.1 l/100 km
Emission standard	Euro6b

DIMENSIONS

Wheelbase	2,420 mm
Length	4,180 mm
Width	1,798 mm
Max. width with door mirrors unfolded	1,980 mm
Height	1,252 mm

* This data is applicable for an Alpine A110 equipped with the forged alloy wheels of the Première Edition without options.

Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site hyperlink <http://www.vca.gov.uk>.

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Alpine reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Alpine Centre before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.
