ALPINE

history

Founded in France in 1955, Alpine's legendary status really commences with the victories of the A110 berlinette at the Monte-Carlo Rally in 1971. Alpine renewed this feat in 1973, also winning in that same year the World Rally Championship.

Alpine's success continued both in France and abroad, but the highest accolade came in endurance, with a victory of the A442b at the Le Mans 24 Hours in 1978.

The new A110 offers a modern reinterpretation of the timeless principles that made the success of Alpine: agility, lightness and compactness.

Alpine is the promise of involving driving pleasure, for everyone, every day.

FUNDAMENTALS

Alpine is faithful to its fundamentals.
Agility. Lightness. Compactness.

Alpine is the pleasure of driving.
On any roads. At any speeds. In all occasions.

A110 PURE

The Alpine A110 Pure is faithful to the spirit of the legendary berlinette that won the Monte-Carlo Rally in 1971 and the first World Rally Championship in 1973. Fitted with leather and Dinamica Sabelt® bucket seats, the A110 Pure combines agility and driving precision. The interior trim in matt carbon fiber recall the sporting vocation of the car.

Alpine A110 Pure

Exterior design

- Standard equipment**
- Aluminium body and chassis
 - Flat underbody and rear diffuser
 - 4 LED front headlamps
 - LED tail lights with dynamic indicators
 - 17" "ten-spoke" alloy wheels
 - French flags on C-pillars

- Main options**
- Active sport exhaust system
 - 18" grey diamond cut "Sérac" alloy wheels
 - 18" forged "Fuchs" alloy wheels
 - Bleu Alpine brake calipers
 - Chrome Alpine logo on the front wings
 - Carbon roof, glossy finish

Interior design

Standard equipment

- Driving mode selector: 3 driving modes (Normal / Sport / Track)
- Lightweight Sabelt® bucket seats in leather and Dinamica upholstery
- Black leather and Dinamica interior
- Matt carbon fibre finish
- Multimedia system with 7" touchscreen

Main options

- Front and rear parking sensors with reversing camera
- Aluminium pedals and passenger footrest
- Focal® audio system
- Premium Focal® audio system
- Steering wheel with a Bleu Alpine logo in the centre
- Storage package
- Roof lining, sun visors and windscreen pillars in black Dinamica

Sabelt® bucket seat

The one-piece Sabelt® sport seats offer maximum support whilst also contributing to the extreme lightness of the A110 Pure. They ensure comfort during long journeys and in daily use.

“Fuchs” alloy wheel

18-inch “Fuchs” wheels are forged for strength and lightness. As well as reducing the overall weight of the car, the wheels also minimise unsprung weight, which ensures the A110 handles with the precision and agility of a true Alpine.

Alpine Telemetrics

Alpine Telemetrics enables the driver to access real-time technical information such as; power and torque output, turbo boost pressure and engine and tyre temperatures.

A110 LÉGENDE

The Alpine Légende A110 highlights the character of a GT with its six-way adjustable Confort seats upholstered in black or brown leather. The high-gloss carbon fibre cabin trim and unique 18-inch diamond-diamond cut “Légende” wheels enhance the refined personality of the A110 Légende for everyday use.

Alpine A110 Légende

Exterior design

Standard equipment

- Aluminium body and chassis
- Flat underbody and rear diffuser
- 4 LED front headlamps
- LED tail lights with dynamic indicators
- French flags on C-pillars
- 18" black diamond cut "Légende" alloy wheels

Main options

- Active sport exhaust system
- 18" grey diamond cut "Sérac" alloy wheels
- 18" forged "Fuchs" alloy wheels
- Bleu Alpine brake calipers
- Chrome Alpine logo on the front wings
- Carbon roof, glossy finish

Interior design

Standard equipment

- Driving mode selector: 3 driving modes (Normal / Sport / Track)
- Six-way Confort seats (in black or brown leather)
- Black or brown leather interior
- Glossy carbon fibre finish
- Multimedia system with 7" touchscreen
- Aluminium pedals
- Focal® audio system
- Front and rear parking sensors with reversing camera

Main options

- Aluminium passenger footrest
- Premium Focal® audio system
- Steering wheel with a Bleu Alpine logo in the centre
- Heated six-way Confort seats
- Storage package
- Roof lining, sun visors and windscreen pillars in black Dinamica

Confort seat

Adjustable six-ways and combining excellent lateral support with exceptional comfort, Légende's seats perfectly highlight the car's grand touring character. Upholstered in black or brown leather, they also reflect its sophisticated design.

"Légende" alloy wheel

Two-tone 18-inch wheels, which are unique to Légende recall a classic Alpine wheel design of the Sixties and Seventies.

Focal® audio

Fitted as standard, a four-speaker Focal® stereo incorporates patented flax cone technology, which helps to keep the car's weight to a minimum while also delivering a crisp and rich sound quality. Audiophiles can upgrade further to Focal® Premium.

A110S

With high engine power and a focused suspension setup, A110S offers an intense sports car driving experience. The chassis is tuned for ultimate handling response and steering precision while the engine is optimised for thrilling power delivery. Unique styling elements such as black wheels and carbon flags emblems, orange brake calipers and Dinamica upholstery mirror the car's purposeful character. Ultimate handling response, high engine power and sophisticated design: A110S is Alpine's most intense sports car.

Alpine A110S

Exterior design

- Standard equipment**
- Aluminium body and chassis
 - Flat underbody and rear diffuser
 - Sport chassis
 - 4 LED front headlamps
 - Rear LED tail lights with dynamic indicators
 - High-performance braking system
 - Exclusive 18" black "GT Race" alloy wheels, matt finish
 - Brembo® orange brake calipers
 - Active sport exhaust
 - Carbon/carbon/orange flags
 - Black Alpine logos and monograms

- Main options**
- 18" satin titanium grey forged "Fuchs" alloy wheels
 - Body colour Gris Tonnerre mat (Thunder Grey, matt finish)
 - Carbon roof, gloss finish

Interior design

Standard equipment

- Roof lining, sun visors and windscreen pillars in black Dinamica
- Sabelt® bucket seats in leather and Dinamica with an embroidered Alpine emblem
- Black leather and Dinamica interior
- Matt carbon fibre finish
- Orange contrasting stitching
- Carbon/carbon/orange flags
- Aluminium pedals, driver and passenger footrest
- Alpine Telemetrics
- Focal® audio system

Main options

- Sabelt® carbon back seats
- Focal® Premium audio system
- Rear camera
- Storage package

Interior harmony

In the cockpit, orange stitching and black Dinamica emphasize the strong personality of the Alpine A110S. The leather and Dinamica steering wheels incorporates an orange '12 o'clock' stitched marker and topstitching in orange. The pedals and footrests are in aluminum; the carbon fiber and orange flags – the same as those on the body – bring the final touch to the cabin.

Exclusive 18-inch "GT Race" wheels

Specific 18-inch "GT Race" wheels in a matt black finish and the high-performance orange brakes calipers supplied by Brembo® reflect the car's purposeful character.

Exterior design

The lowered ride height and the optional Gris Tonnerre mat (Thunder Grey, matt finish) paintwork highlight the sporty character of the Alpine A110S. An optional glossy carbon roof completes the singular style of the Alpine A110S.
