

The all-new 2007
BMW 3 Series
Convertible

The Ultimate
Driving Machine®

328i
335i

To build a great convertible,
you don't start with the top.

A BMW that's open to the air – and to innovative engineering.

Push its Start button, and it will push yours.

**Raises the roof – and the standard for
all-around performance.**

**The 3 Series Convertible:
It's time to open up.**

The road ahead. The skies above. And the perfect connection between the two.

You're looking at the most inspiring view of the 3 Series Convertible: the one from behind the driver's seat. Because for all its sun-bathed sensuality, the 3 Series Convertible is first and foremost an Ultimate Driving Machine.[®] Settle into the ergonomic cockpit. Grab hold of the leather-clad, multi-function sport steering wheel, with optional paddle shifters¹ that let you switch gears in a fraction of a second without using a clutch. Each piece of equipment works together to offer the most natural connection between you and the road. Take the central instrument panel: it is from here that you'll plan your greatest trips. For example, at a practical height for easy viewing lies the optional Navigation system, with Real Time Traffic Information to keep you abreast of traffic jams and provide alternate routes around them. At just an arm's-length away are six programmable memory keys for quick retrieval of your favorite iDrive settings. And using the iDrive Controller, situated just in front of the armrest, you'll be able to conveniently adjust most comfort features. The center console also houses the control that raises and lowers the top – so when the mood strikes, open air is just a touch away.

¹ 335i Convertible only – when optional Sport Package and optional STEPTRONIC automatic transmission are ordered, optional steering wheel-mounted paddle shifters are automatically included.

The luxurious and inviting interior, easy-to-reach dash controls, and flowing cabin lines remind you that every trip should feel like your favorite. In fact, the 10-way power front sport seats,² upholstered in sumptuous Dakota Leather with Sun-Reflective Technology,³ will quickly become your favorite chairs anywhere. Their form-fitting, adjustable side bolsters, thigh and lumbar support,⁴ and other settings will comfortably support both you and your front passenger better than anything at home. With optional HD Radio,[™] you'll also have access to static-free (and fee-free) digital AM/FM broadcasts, "multicast" FM stations, and innovative data services. And enjoy your favorite soundtracks to the fullest, courtesy of the advanced Logic7 surround sound audio system⁵ – and the 3 Series Convertible's best-in-class quiet cabin.

²Included in optional Sport Package.

³Standard in the 335i; in the 328i, optional and included in the Premium Package.

⁴Lumbar support included in optional Premium Package.

⁵Standard in the 335i; optional in the 328i.

■ Standard equipment □ Optional equipment

■ **Xenon Adaptive Headlights** provide brilliant clarity of the road ahead and to the side at night and in conditions with poor visibility. The dynamic auto-leveling feature adjusts for varying passenger and cargo loads, helping to keep headlight glare out of the eyes of oncoming drivers. BMW Adaptive Headlights provide optimum road illumination around corners, thanks to an electromechanical control system that directs the headlights into and around the bend as soon as the vehicle begins cornering. The Corona light-rings that circle both headlights and high beams also act separately as Daytime Running Lights and parking lights.

■ BMW's **distinctive front kidney-shaped grille** features a chrome surround and vertical slats on all 3 Series Convertibles.

■ **Halogen free-form foglights**, integrated into the deep front spoiler, enhance your margin of safety in bad visibility. Ellipsoid free-form technology ensures even light distribution on the road.

■ **Adaptive Brake Lights** help other drivers recognize the intensity of your braking actions. In emergency braking, the illuminated area of the brake lights increases, alerting drivers behind you to brake quickly.

■ Standard equipment □ Optional equipment

■ **17 x 8.0 Star Spoke (Style 157) light alloy wheels with 225/45R-17 run-flat¹ all-season tires.** (std. on 328i)

■ **17 x 8.0 Star Spoke (Style 185) light alloy wheels with 225/45R-17 run-flat¹ all-season tires.** (std. on 335i)

□ **Cross Spoke (Style 197) light alloy wheels and run-flat¹ performance tires.²**
In front: 18 x 8.0 wheels and 225/40R-18 tires;
in back: 18 x 8.5 wheels and 255/35R-18 tires.³
(included in 328i Sport Package)

□ **Star Spoke (Style 189) light alloy wheels and run-flat¹ performance tires.²** In front: 18 x 8.0 wheels and 225/40R-18 tires; in back: 18 x 8.5 wheels and 255/35R-18 tires. (included in 335i Sport Package)

¹Run-flat tires do not come equipped with a spare tire.

²Performance tires not recommended for driving in ice and snow. Due to low-profile tires, wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.

⁴If equipped with optional Premium Package or BMW Assist™ Safety Services with Bluetooth® wireless technology.

Audio system	328i	335i
Anti-theft AM/FM stereo CD/MP3 player audio system with Radio Data System (RDS), Auto-Store and 3-channel FM diversity antenna; displays MP3 song title and artist	●	
Logic7 Surround Sound anti-theft AM/FM stereo CD/MP3 player audio system with Digital Sound Processing (DSP), Radio Data System (RDS), Auto-Store and 3-channel FM diversity antenna; displays MP3 song title and artist	○	●
Auxiliary audio input for portable music players, located in the center armrest	●	●
Pre-wiring for BMW center installation of 6-disc CD/MP3 changer, satellite radio	●	●
SIRIUS Satellite Radio ⁵	○	○
iPod and USB adaptor (includes cable connector)	○	○
HD Radio™ – receive free, digital AM/FM broadcasts in clear, static-free quality sound; “multicast” FM stations; and innovative data services; can be ordered in combination with optional Logic7 Surround Sound audio system	○	○

Instrumentation and controls	328i	335i
Service Interval Indicator with miles-to-service readout	●	●
Check Control vehicle monitor system with pictogram display, oil status display, and Condition Based Service indicator	●	●
On-board computer with Check Control – provides feedback on the vehicle's operating status: oil level indicator and distance to next service appointment/oil change, as well as other detailed information, such as spark plug and micro-filter status. It also provides travel information – travel range on remaining fuel, external temperature, and more	●	●
Navigation system with 16:9 screen and Voice Command system; iDrive system with high-function on-board computer and Controller and 6 programmable function keys; includes Real Time Traffic Information feature (where available)	○	○

Safety and security	328i	335i
Anti-lock braking system (ABS)	●	●
Adaptive Brake Lights	●	●
Rollover Protection System	●	●
Seat-integrated front safety belts with force limiters	●	●
Automatic safety belt pretensioners at front seating positions	●	●
Driver's and passenger's front airbag supplemental restraint system (SRS) with “smart” dual-threshold, dual-stage deployment and sensor to help prevent unnecessary deployment of passenger's airbag	●	●
Seat-mounted front side-impact airbags	●	●
Driver and front passenger Active Knee Protection	●	●
Interlocking door anchoring system to help protect against door intrusion in side impacts	●	●
Central locking system with center console switch (leaves gas filler door unlocked), double-lock feature and 2-step unlocking	●	●
Coded Driveway Protection	●	●
Automatic locking retractors (ALR) on all passenger safety belts for installation of child-restraint seat	●	●
LATCH attachments on child-restraint safety installation	●	●
Crash sensor that automatically turns on hazard lights and interior lights, unlocks doors, and disconnects battery terminal	●	●
Programmable Daytime Running Lights	●	●
Fiber-optics-based MOST-Bus architecture for safety systems ⁶	●	●
BMW Assist™ ⁷ with Bluetooth® wireless technology for hands-free calling (with Bluetooth-enabled mobile phone ⁸), phonebook downloading and speech recognition capabilities	○/◇	○/◇
