

2009 BMW
1 Series Coupe

128i
135i

The Ultimate
Driving Machine®

Designed to delight, mile after mile.

You and the road. One.

A stunning reflection of
advanced automotive design.

A scenic wonder.

The 1 Series awaits your command.

This is how much has gone in.

At BMW, we create dynamic vehicles that thrill you with quick acceleration, predictable handling and unshakable control. We are also busy finding ways to sustain this level of performance while incorporating innovative fuels and technologies to help preserve the environment. This is what we refer to as "EfficientDynamics." This goal has led to the visionary CleanEnergy hydrogen-powered engine, which is currently used in the BMW Hydrogen 7 Sedan. BMW Advanced Diesel with BluePerformance, which offers diesel power with quick acceleration, increased fuel efficiency and reduced emissions, is being introduced to the U.S. in select models in 2009. In fact, every BMW on the road today comes standard with technology that boosts performance while simultaneously reducing fuel consumption and CO₂ emissions.

Double-VANOS

VANOS is BMW's valve timing system that can "steplessly" vary the points in the combustion cycle when valves open and close. Double-VANOS refers to the fact that it operates on both the intake and exhaust camshafts. Electronically controlled in response to engine speed, load and temperature, VANOS reduces emissions, and enhances low- to medium-speed torque, as well as fuel efficiency.

Aerodynamics

The more smoothly that air flows over a vehicle, the more efficiently it can operate. All BMWs are designed for a low coefficient of aerodynamic drag, which translates into quicker acceleration, more stable handling, quieter operation and greater fuel efficiency. A BMW's integrated front spoilers reduce the amount of air flowing underneath, minimizing front-end lift. This allows a BMW to hug the road at higher speeds for excellent stability.

Valvetronic

Instead of using a traditional throttle, Valvetronic technology in the 128i lets the engine breathe more easily by varying the lift height of the valves to regulate air intake. The result: improved cold starts, smoother running, and a significant drop in fuel consumption. Using revolutionary technology such as this, BMW has improved its overall average fuel economy more than any other manufacturer.

Twin-turbocharged engine

Benefiting from BMW's twin-turbocharging technology, the 300-hp 135i delivers quick acceleration without any "turbo-lag." Fuel economy is strong, as well, thanks to precise piezo direct fuel injection.

Efficient transmissions

The 1 Series Coupe offers a choice of two 6-speed transmissions: a smooth-shifting manual, and an even more fuel-efficient STEPTRONIC automatic.

Lightweight construction

Our engineers use lightweight aluminum throughout our vehicles – in the front section, for example, or for the suspension. BMW's inline six-cylinder twin-turbo engine is all aluminum; the naturally aspirated inline six is an aluminum/magnesium composite – the lightest in its class. Taken together, these weight savings lead to lower fuel consumption and better axle load distribution for more agility – especially in curves.

And this is what comes out.

BMW models have low CO₂ emissions today. But that's just for starters. We're carrying on our research in the quest to bring you greater driving pleasure, with fewer emissions and decreased fuel consumption.

⁷ Standard 128i interior trim; available as a no-cost option in 135i.

■ Standard equipment

□ Optional equipment

■ / □ **Xenon Adaptive Headlights** provide brilliant clarity of the road ahead and to the side at night and in conditions with poor visibility. The dynamic auto-leveling feature adjusts for varying passenger and cargo loads, helping to keep headlight glare out of the eyes of oncoming drivers. BMW Adaptive Headlights provide optimum road illumination around corners, thanks to an electromechanical control system that directs the headlights into and around the bend as soon as the vehicle begins cornering. The Corona headlight-rings that circle both headlights and high beams also act separately as Daytime Running Lights and parking lights. (std. on 135i; opt. on 128i)

■ / □ **High-intensity headlight washers** help keep lights clean of ice, mud, road salt and other coatings, for maximum road lighting and enhanced driving safety. (Retractable washers std. on 135i; fixed washers included in 128i Cold Weather Package. 135i shown)

■ **Two-way power glass moonroof** with remote, expanded one-touch operation, slides backward or tilts up to let in as much fresh air and sky as you like, while a wind deflector helps keep the wind out. Includes a sliding interior sunshade.

■ **Adaptive Brake Lights** increase vehicle visibility and signal the intensity of your braking action. In the event of an emergency stop, the illuminated area of the brake lights is increased, so traffic following behind you knows to stop quickly.

■ Standard equipment

□ Optional equipment

■ **17 x 7.0 Star Spoke (Style 256) light alloy wheels with 205/50 run-flat¹ all-season tires.** (std. on 128i)

□ **Star Spoke (Style 142) light alloy wheels with run-flat¹ all-season tires.**
In front: 17 x 7.0 wheels and 205/50 tires;
in back: 17 x 7.5 wheels and 225/45 tires.³
(No-cost opt. on 135i)

□ **Star Spoke (Style 262) light alloy wheels and run-flat¹ performance tires.²**
In front: 17 x 7.0 wheels and 205/50 tires;
in back: 17 x 7.5 wheels and 225/45 tires.³
(included in 128i Sport Package)

■ **Star Spoke (Style 264) light alloy wheels and run-flat¹ performance tires.²**
In front: 18 x 7.5 wheels and 215/40 tires; in back: 18 x 8.5 wheels and 245/35 tires.³
(std. on 135i)

¹ Run-flat tires do not come equipped with spare tire and wheel.

² Performance tires are not recommended for driving in snow and ice.

³ Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.

■ Standard equipment

□ Optional equipment

■ **Three-spoke leather-wrapped multi-function steering wheel** lets you keep both hands on the wheel while adjusting various comfort functions, such as controls for audio system, cruise control and hands-free phone controls.

□ **Steering wheel-mounted paddle shifters** allow you to shift gears manually without a clutch. This optional feature comes included in the 1 Series Coupe when it is equipped with optional STEPTRONIC automatic transmission and Sport Package.

□ **6-speed STEPTRONIC automatic transmission** provides a choice of three modes: “Drive,” which incorporates BMW’s Adaptive Transmission Control; “Sport” automatic, for a more dynamic shift pattern; and STEPTRONIC automatic, for the hands-on control of a manual without using a clutch.

□ **Navigation system** features a high-resolution, glare-free monitor. Using GPS satellites in conjunction with data stored on an internal hard drive, a choice of detailed maps show – and tell – the directions to your desired destination. In many areas, it also provides Real Time Traffic Information on potential traffic problems along your route, and can even plan a detour around them.

□ **Park Distance Control** uses ultrasonic sensors in the rear bumper to help you judge the distance to other cars and unseen objects when parking. The beeping becomes faster as your bumper approaches the object, turning into a constant tone when the distance is less than 12 inches.

Shown with optional Navigation system.

■ Standard equipment

□ Optional equipment

□ **Premium Hi-Fi anti-theft AM/FM stereo CD/MP3 sound system** with upgraded speakers (including two subwoofers), Radio Data System (RDS), Auto-Store and three-channel FM diversity antenna. Displays MP3 song title and artist. The Digital Sound Processor (DSP) can make the interior sound like a jazz club, concert hall or cathedral.

□ **HD Radio™** receives free, digital AM/FM broadcasts across the U.S. in clear, static-free quality sound – AM sounds like FM; FM sounds like CD. Also enjoy new “multicast” FM stations, as well as a variety of innovative data services. Can be ordered with optional Premium Hi-Fi audio system.

For more information on HD Radio receivers and to find HD Radio AM/FM stations near you, visit HDRadio.com.

■ **Automatic climate control system** allows occupants to select a specific cabin temperature and choice of fan speeds, as well as automatic or manual airflow and recirculation. The automatic recirculation control activates whenever certain air pollutants are detected. The system also includes defrost/demist and MAX A/C functions.

□ **BMW Assist™¹** and **Bluetooth®** system offers hands-free calling through your BMW-approved **Bluetooth** phone. The BMW Assist Safety Plan is included for four years, providing Automatic Collision Notification, Emergency and Roadside Assistance, Door Unlock, Stolen Vehicle Recovery, TeleService and more.

¹ The optional Convenience Plan offers Directions, Traffic, Weather, Critical Calling and Concierge services.

■ **Auxiliary input port** lets you connect an external audio source, such as an iPod® or MP3 player.

□ **iPod and USB adaptor** lets you scroll through and select the music you want by using the vehicle's radio controls or the multi-function steering wheel buttons. Music titles are displayed on the radio or Navigation screen.

■ Standard equipment

□ Optional equipment

■ **Cupholders** integrated into the center console are located within convenient reach of the driver and front passenger (as shown). Cars with optional Navigation system are fitted with one cupholder in the center console, and one attached in the passenger footwell.

■ **Front armrest** with integrated storage compartment folds up to allow access to the front cupholder(s), shown at left, and Auxiliary input port shown on page 57.

□ **Power seat adjustments** included with 8-way power front seats allow customized comfort and convenience for driver and front passenger. The two-setting memory system automatically adjusts the driver's seat and side-view mirror positions, with individual preferences available at your fingertips.

□ **Heated front seats** are a welcome feature for driver and front passenger in cooler weather. By pressing the icon button, seat surface and backrest are heated and quickly radiate comfortable warmth in your choice of three settings. (Heated front seats are also included in the Cold Weather Package.)

■ **Standard front seats**, shown here with optional Taupe Boston Leather upholstery and iDrive, offer 8-way manual adjustment including 2-way adjustment of headrests. The front passenger seat also includes manual height adjustment.

□ **Eight-way adjustable front sport seats**, included in the Sport Package, make the driving experience more enjoyable. Side bolsters can be power-adjusted to fit your back comfortably while helping to hold you firmly in place during tight cornering. Includes two-way headrests and thigh support for added support. (Shown with optional Black Boston Leather upholstery and iDrive.)

■ **Lined luggage compartment** is illuminated and can be expanded by folding down the split-folding rear seats. An elastic strap on the left-hand side, a flexible storage net on the right and lashing points on the inside edge help to ensure safe transportation of cargo. (Shown with optional Cold Weather Package pass-through opening for ski bag.)

□ **Ski bag**, included in the Cold Weather Package, allows clean and secure transport of four pairs of skis and ski poles as well as other long items. When the ski bag is not extended, it can be stored out of sight to save space.

□ **Comfort Access system** offers convenient keyless access to your car. Simply carrying the remote key in a pocket or purse allows you to unlock the doors by touching the door handle. You can also turn the engine on or off by pressing the Start/Stop button¹ without inserting the remote key.

¹Foot must be on the brake; with manual transmission, clutch must also be depressed in order to start.

Cold Weather Package: Get to the slopes – or just get around town – in added comfort with the 1 Series Cold Weather Package. Front seat occupants will enjoy the pleasure of three-stage heated seats and the driver will have the added comfort of the heated multi-function steering wheel¹ on those days when the weather turns colder. High-intensity headlight washers² help maintain optimal nighttime visibility in all weather and driving conditions, and the ski bag is a must for protecting skis, poles and other long objects.

¹ Heated multi-function steering wheel optional in 135i; not available with 135i Sport Package.

² Retractable headlight washers standard in 135i.

High-intensity headlight washers help keep lights clean of ice, mud, road salt and other coatings, for maximum road lighting and enhanced driving visibility. (Retractable headlight washers std. in 135i; headlight washers in the 128i Cold Weather Package are not retractable.)

(135i retractable headlight washers shown)

Heated front seats are a welcome feature for driver and front passenger in cooler weather. With the touch of a button, seat surface and backrest are heated and quickly radiate comfortable warmth in your choice of three settings. (Also available as a stand-alone option.)

Ski bag allows clean and secure transport of four pairs of skis and ski poles as well as other long items. When the ski bag is not extended, it can be stored out of sight to save space, and the fold-down center armrest can be left down for use.

In the **Premium Package**, eight-way power-adjustable front seats, upholstered in supple Boston Leather, offer the customized comfort of four-way lumbar support. At night you'll appreciate the enhanced visibility afforded by the Ambiance light package, and the auto-dimming function of the rear-view mirror (which also includes a digital compass) and the power-adjustable folding exterior side-view mirrors. BMW Assist™ offers roadgoing peace of mind, while **Bluetooth®** wireless technology lets you keep in touch without taking your eyes from the road. And the integrated three-button Universal garage-door opener takes the place of up to three separate remote-control devices, helping to eliminate clutter.

Ambiance light package includes lights in the exterior door handles that radiate downward whenever the doors are unlocked. They illuminate the area outside the doors for approximately 20 seconds to enable safe vehicle access in the dark. Also included are front and rear reading lights, front footwell illumination, vanity mirror lights for driver and front passenger, and ambiance interior lighting.

Power-folding exterior side-view mirrors automatically dim when reflecting bright lights, helping to eliminate glare when driving at night.

The **automatic-dimming inside rear-view mirror** darkens in response to the bright headlights of vehicles behind you. The easy-to-read digital compass, integrated into the mirror, is a convenient way to constantly keep your bearings while driving.

BMW Assist™1 and **Bluetooth®** system offers hands-free calling through your BMW-approved **Bluetooth** phone. The BMW Assist Safety Plan is included for four years, providing Automatic Collision Notification and more.

¹ The optional Convenience Plan offers Directions, Traffic, Weather, Critical Calling and Concierge services.

Power seat adjustments included with 8-way power front seats allow customized comfort and convenience for driver and front passenger. The two-setting memory system automatically adjusts the driver's seat and side-view mirror positions so individual preferences are always available at the touch of a button.

Lumbar support for front seats adds four-way power-adjustable comfort for the lower back. Lumbar support can be adjusted up/down and in/out.

Sport Package: Inject more excitement into every minute spent behind the three-spoke, leather-wrapped multi-function sport steering wheel.² Specially bolstered eight-way adjustable sport seats cradle you comfortably while holding you firmly in place during sporty driving maneuvers. Eye-catching shadowline trim around the windows and door sills add to the Coupe's sporty appearance. In the 128i, larger rear wheels and run-flat³ performance tires⁴ team up with the sport-tuned suspension to grip corners with a vengeance.

² When the Sport Package and optional STEPTRONIC automatic transmission are ordered, optional steering wheel-mounted paddle shifters are automatically included.

³ Run-flat tires do not come equipped with spare tire and wheel.

⁴ Performance tires are not recommended for driving in snow and ice. Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.

Shadowline trim gives a sporty look to front and rear side-window frames, window recess finishers, and door-sill trim strips.

Star Spoke (Style 262) light alloy wheels and run-flat² performance tires.³ In front: 17 x 7.0 wheels and 205/50 tires; in back: 17 x 7.5 wheels and 225/45 tires.³ (included in 128i Sport Package)

Three-spoke, leather-wrapped multi-function M sport steering wheel⁵ lets you keep both hands on the wheel while adjusting various comfort functions, such as changing the radio, CD selections and volume. Optional Voice Command (included with optional Navigation system) can be used to change radio stations and audio selection, Navigation system destinations, and (accessory) telephone entries.

⁵ M sport steering wheel included in 135i Sport Package only. When equipped with optional STEPTRONIC automatic transmission and optional Sport Package, also comes with steering wheel-mounted paddle shifters.

Eight-way adjustable front sport seats make the driving experience more enjoyable. Side bolsters can be power-adjusted to fit your back comfortably while helping to hold you firmly in place during cornering. Includes two-way manual headrests and thigh support. (If ordered with optional power seats or the Premium Package, the sport seats are eight-way power and include two presets for seat and exterior mirror positions.)

■ Standard equipment

□ Optional equipment

Exclusively in the BMW 135i Coupe: a wealth of unique styling and performance enhancers come standard. Bolstered front sports seats hold you firmly in tight curves. This is a feature you'll appreciate while taking advantage of the specially calibrated sport suspension and sporty throttle character that make the most of its 300-hp twin-turbo engine. The over-size ventilated disc brakes provide uncanny stopping power for the Star Spoke (Style 264) cast alloy wheels (18 x 7.5 front/18 x 8.5 rear)¹ and run-flat² performance tires.³ A special front apron with functional air intakes adds to the 135i's handling, while the aerodynamic kit, which includes side skirts and a sporty rear apron, lends it an even more distinctive, chiseled look. The addition of the understated spoiler on the rear deck increases stability at higher speeds.

¹ 17 x 7.0 front/17 x 7.5 rear Star Spoke (Style 142) wheels with run-flat all-season tires are available as a no-cost option.

² Run-flat tires do not come equipped with spare tire and wheel.

³ Performance tires are not recommended for driving in snow and ice. Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.

■ **Rear spoiler** adds to the excellent driving dynamics by keeping the rear of the car stable at higher speeds.

■ **Front apron** sits below the BMW double kidney-shaped grille with chrome slats. This feature, which brings a constant flow of fresh air to the engine, adds to the front's impressive athletic profile. The central air intake is flanked by two side air intakes that cool the brakes. Two side flaps accentuate the broad front.

■ **High-performance disc brakes**, with inner ventilation and "BMW" painted on the calipers (6-piston calipers in front/2-piston calipers in the rear) measure 13.3" front/12.8" rear. Designed for high-performance driving, their large diameters help provide shorter braking distances and superior stopping ability.

■ **Black chrome-plated double tailpipe** is standard on the 135i Coupe's exhaust system.

■ **Dashboard** features easy-to-read numbers with special scales that include additional display ranges in the instrumentation.

□ **Three-spoke, leather-wrapped multi-function M sport steering wheel** is included in the Sport Package. Its 14.5" diameter, with the M logo in the center spoke, gives a confident feel as you execute sporty driving maneuvers. The multi-function buttons allow you to keep both hands on the wheel while adjusting various comfort functions, such as changing the radio, CD selections and volume.

Weight		128i	135i
Unladen weight	lb	3252 (3329)	3373 (3384)
Weight distribution, front/rear			
Manual transmission	%	50.8/49.2	52.3/47.7
Automatic transmission	%	51.3/48.7	52.4/47.6
Permitted payload	lb	882	882
Permitted axle load, front/rear	lb	2028/2249	2116/2249
Permitted roof load	lb	165	165

Engine			
Liters/type/valves per cylinder		3.0/inline 6/4	turbocharged 3.0/inline 6/4
Displacement	cu cm	2996	2979
Bore/Stroke	inch	3.35/3.46	3.31/3.53
Nominal output @ rpm	hp	230 @ 6500	300 @ 5800
Maximum torque @ rpm	lb-ft	200 @ 2750	300 @ 1400-5000
Compression ratio	:1	10.7	10.2

Transmission			
Manual transmission gear ratios	:1		
I/II/III	:1	4.30/2.46/1.66	4.06/2.40/1.58
IV/V/VI/R	:1	1.23/1.00/0.85/3.94	1.19/1.00/0.87/3.68
Final drive ratio	:1	3.23	3.08
Automatic transmission gear ratios			
I/II/III	:1	4.065/2.37/1.55	4.17/2.34/1.52
IV/V/VI/R	:1	1.20/0.85/0.67	1.14/0.87/0.69/3.40
Final drive ratio	:1	3.73	3.46

Performance			
Top speed ¹	mph	130	150
Acceleration 0-60 mph ²	sec	6.1 (6.7)	5.1 (5.2)

Fuel consumption ³			
Manual transmission – City/Highway	mpg	18/28	17/25
Automatic transmission – City/Highway	mpg	19/28	18/25
Fuel tank capacity, approx.	gal	14	14

Figures in () apply to vehicles with automatic transmission, if different from manual transmission.

¹Top speed limited electronically. All-season tires limited to 130 mph; Sport Package top-speed limiter increased to 150 mph.

²BMW AG test results. BMW urges you to obey all posted speed laws and always wear safety belts.

³EPA-estimated figures are for comparison purposes only. Your actual mileage will vary, depending on speed, driving habits, trip length and driving conditions; actual mileage may be lower.

Tires and wheels		128i	135i
Tire dimensions – standard	front	205/50	215/40
	rear	205/50	245/35
Wheel dimensions – standard	front	17 x 7.0	18 x 7.5
	rear	17 x 7.0	18 x 8.5
Material		cast alloy	cast alloy

Brakes			
Front – diameter	inch	11.8	13.3
Rear – diameter	inch	11.8	12.8

All dimensions are shown in inches and apply to models with standard wheels.

BMW and the environment.

BMW is a strong proponent of the environment and social responsibility. It is important to manage the earth's resources responsibly, and not jeopardize the needs of future generations. That is why BMW makes vehicles that minimize adverse environmental impact, from production (pollution prevention and waste minimization at the plant) through owner use (low emissions) to eventual disposal (easy drainability of all fluid-related components and easy neutralization of all pyrotechnic devices).

This effort has been recognized worldwide and, as a result, we are pleased to have received numerous environmental honors. In the U.S., for example, the Environmental Protection Agency accepted BMW's Spartanburg, SC production and manufacturing facility as a charter member of the agency's National Environmental Performance Track. Internationally, BMW AG – the parent company of both BMW of North America and BMW Manufacturing Co., Spartanburg, SC – was the first automotive company to be represented on the Dow Jones Sustainability Group Index, and has remained on the Index ever since. At BMW, we strive for high performance in everything we do.

U.S. Importer: BMW of North America, LLC, Woodcliff Lake, NJ 07677. All illustrations and specifications contained in this brochure are based on the latest product information available at the time of printing. BMW reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. BMW may, subject to legal requirements, determine the Model Year designation of its vehicles.

The Model Year designation on any particular model may be longer or shorter than 12 months. Some vehicles pictured may contain non-U.S. equipment. Some models may be shown with optional equipment.
