

BENTLEY

CONTINENTAL GT SPEED AND
CONTINENTAL GT SPEED CONVERTIBLE

A powerful statement.

The Bentley Continental GT is the definitive statement in luxury and power. Created for those with the freedom to reach for the keys whenever they choose, it stands for more than reaching destinations. It is for those who revel in the experiences along the way. An all-wheel drive grand tourer that will effortlessly transport you in style and comfort.

Launched in 2003, it inspired a new generation of drivers – marking a turning point in the history of the motor car: the resurgence of the grand tourer. Since then, few cars have come close to matching the Continental GT's combination of heart-stopping performance and unparalleled handcrafted luxury.

The Continental GT Speed is the pinnacle of the Bentley Continental family. Its exquisite delivery of power puts in your hands the potential for speeds in excess of 200 mph. This is the car for those who love to move. And be moved.

CONTINENTAL GT SPEED

6 litre twin-turbocharged W12

Permanent all-wheel drive

206 mph / 331 km/h

0-60 mph / 0-100 km/h: 4 seconds / 4.2 seconds

626 bhp / 467 kW / 635 PS @ 6,000 rpm

820 Nm / 605 lb.ft @ 1,700 rpm

Explore your darker side.

The distinctive Continental GT Speed is Bentley's fastest and most powerful Continental ever. And it shows. Even motionless, this car has a breathtaking presence.

Its darkened grille and dark-tint front and rear lamps express a darker side to the marque's character, while a lowered sports suspension and exclusive body coloured lower body styling give the GT Speed its aggressive, purposeful stance.

Beyond its dramatic dark-tint 21" Signature Speed alloy wheels sit formidable red brake callipers – a symbol of power and control.

Every last detail, right down to the unique Speed badge, makes no secret of this car's intent.

All powerful.

At the heart of the mighty Continental GT Speed beats Bentley's most powerful 6 litre twin-turbocharged W12 engine, generating 820 Nm (605 lb.ft) of torque.

Assembled by hand, and with a peak power of 626 bhp at 6,000 rpm (635 PS / 467 kW), it has the ability to propel your Bentley from 0 - 60 mph in a mere 4 seconds (0 - 100 km/h in 4.2 seconds). The advanced eight-speed ZF transmission, not only makes this Bentley as fuel efficient as the Continental W12 – it makes a fast car even faster: top speed, should you have the opportunity to explore it, is 206 mph (331 km/h).

But power is nothing without control. Hence the GT Speed's state-of-the-art all-wheel drive system and Electronic Stability Programme. Wherever the mood takes you, whatever the conditions, your drive will feel even safer, more agile and dynamic.

The luxury of time.

Achieving 0 - 60 mph in 4 seconds has taken years of refinement. The same is true for Bentley's unrivalled craftsmanship.

One look at the Continental GT Speed and you will appreciate that it is as exquisite as it is powerful. Take its bodywork. The fluid, knife-edge crease lines can only be achieved by superforming – a process involving shaping heated aluminium by air pressure.

Inside, you don't just notice the difference, you feel it. Every soft-touch surface is covered with supple leather. The Piano Black veneer – meticulously lacquered and sanded up to eighteen times.

Creating this level of incomparable luxury and style doesn't take speed. It takes time.

The road exactly how it should be. Open.

Experience the exhilaration of driving hood-down in Bentley's most powerful convertible of all – the Continental GT Speed Convertible.

Capable of a wind-carving 203 mph (327 km/h), you won't just catch the sun, you may well overtake it.

Up, and its soundproof four-layer fabric hood promises year-round versatility – deploying in just 25 seconds. Down, and the interior takes centre stage. Heated front seats are a standard feature whereas integrated neck warmers, a wind deflector and a heated steering wheel are all included in the All Seasons Specification package or as separate options, guaranteeing an even calmer and more comfortable drive with the roof down.

CONTINENTAL GT SPEED CONVERTIBLE

6 litre twin-turbocharged W12

Permanent all-wheel drive

203 mph / 327 km/h

0-60 mph / 0-100 km/h: 4.1 seconds / 4.4 seconds

626 bhp / 467 kW / 635 PS @ 6,000 rpm

820 Nm / 605 lb.ft @ 1,700 rpm

The perfect calm.

Even with such incredible power to hand, the Continental GT Speed delivers an unequalled level of comfort from within.

The sumptuous and spacious cabin has been given a more sporting twist with the introduction of the unique Speed interior colour split. This complements the dynamic Speed signature, impeccably stitched into the soft leather headrests and embellishing the fascia panel and tread plates.

An abundance of space allows four to travel with luggage – ensuring the GT Speed is ready to go, whenever you are.

Sitting comfortably?

Share the sense of exhilaration with room for four adults and luggage.

Meet the family.

The Continental GT has evolved from a single model to a family of powerful grand tourers.

Now spanning four models – the consummate GT V8, the sports-enhanced GT V8 S, the serious performance GT W12 and the most powerful and exquisite W12 Speed – the collection offers a choice of convertible or coupé for every road-going model.

On the racetrack, meanwhile, the stripped-back Continental GT3 represents the latest, most fearsome incarnation of Bentley's racing tradition.

The Bentley Continental GT has been the world's definitive grand tourer since its launch in 2003. Now it gives you the freedom to choose the perfect grand tourer for you.

Individuality – make it yours.

Every Bentley is unique; none more so than the Continental GT Speed. And now, you can create your very own bespoke Bentley tailored specifically to your taste.

Choose from over 100 exquisite exterior colours, a plethora of impeccable interior hides and veneers and a selection of contrast stitching, cross-stitching or cross-banding - the combinations are virtually limitless.

Experiment online, configure your perfect Bentley at BentleyConfigurator.com. Alternatively, contact your local Bentley representative.

Bentley Collection.

Bentley is one of the last companies in the world from whom you can still commission a bespoke, hand-built car. The Bentley Collection is no different. These beautiful handmade accessories include items bearing artisan brand names such as Breitling for Bentley, Anthony Holt Silversmiths and Geoffrey Parker Games.

View the Collection online at Shop.BentleyMotors.com or contact your local Bentley representative.

Accessories.

All accessories for the Continental GT Speed are meticulously tested to Bentley standards. Be it personalised all-weather car covers, winter traction aids for snow and ice or a child seat embroidered with your child's name, every Bentley accessory is as unique as the cars themselves.

For details of the full range, please contact your local Bentley representative.

PERSONALISED CHILD SEAT

Tour the Bentley Factory in Crewe.

Every morning at 9am, Bentley opens its doors to a select few for a guided tour of the factory. The visit begins with a walk through the Bentley lineage exhibition, telling Bentley's design story and showcasing some of our most historic cars. Then comes the tour of the production facilities, where you can see new Bentleys in production and meet the craftsmen and women who build them; and, should you wish, discuss any future commissions.

To learn more or to book a visit, please contact your local Bentley representative.

Bentley Events.

Every year, Bentley runs a variety of events for Bentley drivers, enthusiasts and anyone looking for a closer acquaintance with the Bentley brand. From the exhilaration of the Power on Ice experience in Finland, to private tours of some of the most exclusive locations in Britain, our range of events offer something for every intrepid Bentley explorer.

To learn more, please visit [Events.BentleyMotors.com](https://www.bentleymotors.com/events)

Financing your Continental GT Speed.

Choosing a Bentley is one of the wisest decisions you'll ever make, so we tailor our finance agreements to ensure you make the most of that investment. While other financiers look only at their customer, our experts create bespoke packages, based not just on your personal circumstances, but also on the car you commission.

To find out if financing is available for you, please contact your local Bentley representative.

CONTINENTAL GT SPEED
