

BUICK

2006 **BUICK** LACROSSE

The world doesn't need another midsize sedan. It needs a better one. Which is why there's the Buick® LaCrosse™ — created to feel unlike any other car in its class. Inside and out, craftsmanship prevails and ingenuity abounds. The fit and finish will compete with European luxury sedans. The available 240-hp, 3.6 liter VVT V6 is one of the most advanced engines in the world. The suspension produces a ride that's smooth, yet makes handling crisp, tight and controlled. LaCrosse wasn't created merely to equal. It was created to surpass.

Buick LaCrosse shown in Black Onyx with optional equipment.

1 Official EPA estimates not yet available. Estimates based on GM testing.

2 Cargo and load capacity limited by weight and distribution.

3 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow. See your Buick dealer for additional details.

4 Included and available only with Driver Confidence Package.

5 Includes heavy-duty transmission.

6 Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.

7 Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.

8 Included and available only with Comfort and Convenience Package.

9 XM is available only in the 48 contiguous United States. Service fees apply. Visit gm.xmradio.com for more details.
