

BUICK

2006BUICKLUCERNE

A crisply sculpted body and beautifully crafted detailing that entice the eye. Astonishing quiet that entrances the ear. Carefully chosen interior textures, materials and surfaces that thrill the fingertips. Subtle leather scents that reward each inhalation of breath. And an eagerness to romp down a road that is so strong, you can almost taste it. Is it possible to experience all these provocative sensory stimuli in one new luxury car? It is, in the incredible Buick® Lucerne.™ Discover its awe-inspiring technology, sophisticated driver control, and visionary luxuries. Its several industry-leading efforts help keep you safe and secure. And see how its design, engineering and assembly are imbued with a passion for quality that goes beyond precision. And then, if you think you feel the force of a strong breeze, maybe it's just an antiquated perception of Buick. A perception being blown away by an exceptional car called Lucerne.

Buick Lucerne CXS shown in Black Onyx with optional equipment.
