BUICK LACROSSE

2 0 0 9

The carefully crafted Buick LaCrosse. From the outset, it was designed to look and feel unlike anything else in its class. Bright chrome flashes from its eye-catching waterfall grille. Its sheet metal is sculpted with contemporary flair. Quiet Tuning® brings peace to an interior that is a study in understated sophistication. Premium amenities that come at extra cost on many midsize cars are standard equipment on LaCrosse. Even the power and handling are impressively refined. That's what makes the midsize LaCrosse an exceptionally rewarding car to drive.
