THE BUICK S(YOU)V FAMILY

s(YOU)v

Having a vehicle that truly fits your life can make all the difference.

That’s why Buick has created not one, but four distinctly different SUVs. Choose the one that best suits your lifestyle and you’ll be rewarded with performance, versatility, safety and style that feel custom-made just for you.

Simply put, we build every Buick not to change your life, but to fit your life. At the heart of our sport utility vehicles isn’t just utility. What’s at the heart of a Buick SUV is actually you.

2021 ENCORE GX ESSENCE WITH SPORT TOURING PACKAGE

2021 ENCORE

2021 ENCORE GX

2020 ENVISION

TOMORROW'S SUV FOR TODAY'S FAMILY

The fluid arc of its sculpted exterior makes a lasting impression. Pair this with an equally dynamic driving performance. Then, add intuitive features like the hands-free power liftgate with LED logo projection, and it's clear that style and substance have never worked so well together.

Enclave Premium shown in Satin Steel Metallic with available features.

Enclave Premium interior shown in Shale with available features.

OBSCESS OVER THE DETAILS, WE DID

TAILORED TO YOUR SENSES Warm wood tones, brushed-chrome accents and heated first-row seating with available ventilating, massaging and leather-appointed options combine to delight your senses.

POWER MOONROOF At the touch of a button, slide open the available expansive power moonroof with rear fixed skylight to fill the cabin with sunlight and treat your passengers to breathtaking views.

QUIETTUNING TECHNOLOGY Buick QuietTuning technology with Active Noise Cancellation helps reduce, block and absorb unwanted noise by utilizing many measures including triple door seals, acoustic laminated glass (in the windshield and front side windows) and a noise-reducing five-link rear suspension. This helps make sure nothing interrupts you and your passengers' time together and allows conversations to flourish among all three rows.

UP THE ANTE WITH ENCLAVE SPORT TOURING

A bold take on Enclave style, the available Sport Touring Package radiates confidence with its unique black-out mesh grille with body-color surround, Pitch Dark Night lower accent trim, 20" machine-faced aluminum wheels with Satin Graphite painted pockets and an "ST" badge on the hands-free power liftgate.

Enclave Essence shown in Ebony Twilight Metallic with Sport Touring Package and other available features.

ENCLAVE AVENIR: MORE REWARDING IN EVERY WAY

Crafted to a higher standard, Avenir is exquisitely built to enhance your everyday life. It's all here. An intricately designed Enclave Avenir grille and exclusive 20" aluminum wheels with Pearl Nickel finish. A power moonroof with rear fixed skylight. Beautifully crafted wood-tone trim and leather-appointed first- and second-row seating. And enjoy the modern conveniences of standard amenities like built-in Navigation,¹ wireless smartphone charging² and a reconfigurable 8" diagonal color display for driver information. Wherever you look, it's easy to see that the standards of luxury have been raised.

BUICK DRIVER CONFIDENCE PLUS³ Enclave Avenir comes standard with Buick Driver Confidence Plus—a suite of advanced safety and driver-assistance features.

¹Map coverage available in the United States, Puerto Rico and Canada. ²The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibility, see my.buick.com/learn or consult your carrier. ³Read the vehicle Owner's Manual for important feature limitations and information.

Enclave Avenir shown in Satin Steel Metallic with available features.

Enclave Avenir interior shown in Chestnut with available features.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

buick.com/suvs/enclave/avenir

THE HIGHEST EXPRESSION OF BUICK LUXURY

PREMIUM APPOINTMENTS Enclave Avenir is raising the standard for what comes standard. From its sweeping surfaces to its meticulously crafted wood-tone trim, Enclave Avenir welcomes you into an environment where every tone, texture and technology conveys the highest level of refinement.

AUTOMATIC HEATED AND VENTILATED SEATING When your Enclave Avenir is remotely started, this innovative feature can automatically activate the heated and ventilated front seats to help you feel instantly at ease. There's no need to modify the settings as you drive, as they will continue to self-adjust based on interior/exterior temperature sensors and your personal settings.

HD SURROUND VISION HD Surround Vision uses multiple cameras to display a digital overhead image of the area around your vehicle along with Rear Vision Camera or front views. It works at low speeds and may help you park and avoid nearby objects. You can select additional views on your camera display.

ADVANCED SUSPENSION The available Continuously Variable Real-Time Damping suspension system helps enhance control of your vehicle to deliver a smooth, confident ride.

REAR CAMERA MIRROR This system uses a camera to provide you a wide, less-obstructed view behind the vehicle while you're driving. You can switch between the camera view and a traditional rearview mirror. It allows for zoom, brightness and vertical-tilt adjustment.

DRIVER INFORMATION CENTER AND CLUSTER DISPLAY The 8" diagonal color screen is easy to reconfigure so you can effortlessly control driver information, including speedometer, trip odometer, fuel level, oil life monitor and compass.

WE KNOW A THING OR TWENTY ABOUT VERSATILITY

SMART SLIDE FLEXIBILITY Enclave offers three rows with first-class seating for up to seven people. Smart Slide second-row seating makes it easy to access the third row. In addition, the Smart Slide passenger-side seat pitches as it slides for easy access—even with an empty forward-facing child seat installed using the LATCH system.

POWER-FOLDING THIRD ROW With available third-row power-folding seats, you can lower and raise the backs of the 60/40 split-folding third-row seats with the push of a button. It's the kind of cargo flexibility your on-the-go life demands.

FLEXIBLE SECOND AND THIRD ROWS When the second- and third-row seats are folded flat, Enclave offers more than 97 cubic feet¹ of cargo space. And its 10" deep under-floor storage area offers additional secure space for your valuables.

HANDS-FREE PROGRAMMABLE POWER LIFTGATE WITH LED LOGO PROJECTION Thanks to the standard hands-free power liftgate with LED logo projection, the days of fumbling around to access the cargo area are over. With the keyless entry fob in your pocket, simply kicking your foot over the LED projection provides access to the cargo area.

¹Cargo and load capacity limited by weight and distribution.

VERSATILITY

(Left) Enclave Premium shown with available dealer-installed accessories.

CONFIDENCE FOR THE LONG HAUL

310-HORSEPOWER V6 ENGINE Enclave’s 3.6L V6 engine works in tandem with an advanced 9-speed automatic transmission to deliver 310 horsepower and an EPA-estimated 18 city/26 hwy mpg (FWD) or 17 city/25 hwy mpg (AWD).

INTELLIGENT ALL-WHEEL DRIVE When enabled, available intelligent All-Wheel Drive automatically activates when you need it most to deliver optimal power and traction to the wheel(s) with the best grip when road conditions are less than ideal.

FIVE-LINK REAR SUSPENSION The innovative five-link rear suspension system helps assure a smooth ride, confident handling and reduced cabin noise.

UP TO 5,000 LBS TRAILERING¹ Redefine your weekend routine with Enclave’s available Trailering Package, offering the confidence and convenience of up to 5,000 lbs of available towing capability.¹ Enclave even helps with hooking up your trailer. The available Trailering Package includes Hitch Guidance with Hitch View,² which adds a guideline to the HD Rear Vision Camera² display and allows you to zoom in on the hitch for careful maneuvering. In Enclave, details large and small add up to real confidence.

TRACTION SELECT With Traction Select on All-Wheel-Drive models, you can seamlessly optimize performance as terrain and weather conditions change.

¹Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
²Safety or driver-assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.

A PRIORITY OF SAFETY

PERCEIVE To help make you more aware of your surroundings, Enclave empowers you with available technologies that help raise your awareness of the road around you.

PREVENT When certain hazards are detected, available features on your Buick Enclave can trigger alerts to let you know. Some features offered can even automatically apply emergency braking or gently nudge the steering wheel to help you avoid crashes or reduce their severity in some situations.

PROTECT In the event of a crash, strong structural dynamics, intelligent airbag systems¹ and other advanced safety systems work in concert to help protect you and your passengers.

BUICK DRIVER CONFIDENCE PLUS This suite of advanced safety and driver-assistance technologies is standard on Premium and Avenir models and includes the following features: Lane Keep Assist with Lane Departure Warning • Lane Change Alert with Side Blind Zone Alert • Following Distance Indicator • Forward Collision Alert • Rear Cross Traffic Alert • Front Pedestrian Braking • IntelliBeam auto high beams • Automatic Emergency Braking • Rear Park Assist (standard equipment) • Also includes Front Park Assist

ADDITIONAL AVAILABLE SAFETY AND DRIVER-ASSISTANCE TECHNOLOGIES

HD Surround Vision • Safety Alert Seat • Enhanced Automatic Emergency Braking • Adaptive Cruise Control • Rear Camera Mirror

For a detailed look at the active safety technologies available in the 2021 Enclave, please visit buick.com/suvs/enclave/avenir.

¹A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

SAFETY

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

buick.com/suvs/enclave/avenir

ONSTAR SAFETY AND SECURITY

DESIGNED FOR ADDED PEACE OF MIND As you travel with the ones you care about most, OnStar® is available to help empower every moment. With the OnStar Safety & Security Plan,¹ you can have a 24/7 lifeline to specially trained Advisors ready to help if you've been in a crash, your vehicle's been stolen,² you're lost or you need Roadside Assistance.³

EMERGENCY HELP WHEN IT MATTERS MOST If you are in a detected crash, available Automatic Crash Response⁴ can use your vehicle's built-in sensors to alert an Emergency-Certified Advisor⁵ who can send for help, even if you can't ask for it. Using Injury Severity Prediction technology, these specially trained Advisors can provide first responders with critical information, including the likelihood of serious injury. You can feel confident knowing OnStar Advisors are ready to help, 24/7.

SECURITY YOU CAN TRUST If your vehicle is stolen, OnStar Advisors can help with available Stolen Vehicle Assistance.² They can pinpoint your vehicle's location, prevent it from restarting and work with local authorities to help recover it. They can even slow it down if authorities deem conditions are appropriate. Plus, with Theft Alarm Notification,² you can be alerted via text, email and/or a phone call if your vehicle alarm sounds.

¹OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. See onstar.com for details and limitations. ²Stolen Vehicle Assistance requires armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Additional messaging and data rates may apply. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. ³Roadside services provided by Allstate Roadside Services. ⁴Not all vehicles may transmit all crash data. ⁵OnStar Emergency Advisors are certified by the International Academies of Emergency Dispatch.

Enclave Premium interior shown in Dark Galvanized with available features.

GIVING CONNECTIVITY A STARRING ROLE

BUICK CONNECTED SERVICES Connected Access¹ offers technology to help improve every drive—and you get standard connectivity for up to 10 years, giving you access to features like monthly diagnostic emails and the ability to purchase fuel through your vehicle’s in-dash infotainment system.² You can also take your ownership experience to new levels by upgrading to other Buick Connected Services.

myBUICK MOBILE APP³ Download the available myBuick mobile app for access to features like scheduling service, getting tips to improve your driving and instant offers from select nearby merchants. When you upgrade to Remote Access,³ you can remotely start and stop your vehicle, check fuel levels and even set and share notifications for vehicle arrivals and departures.

AMAZON ALEXA BUILT-IN⁴ With available Alexa Built-In, you can listen to music, make a phone call with your Bluetooth®-connected phone,⁵ get directions sent directly to the available embedded Navigation⁶ screen (if properly equipped) and even control your compatible smart home devices.⁷

AVAILABLE 4G LTE WI-FI® HOTSPOT⁸ An available 4G LTE Wi-Fi® Hotspot supports up to seven devices from up to 50 feet away

from the vehicle. So your passengers can use their favorite apps to stream movies, watch TV, play games, listen to music and check social media on the go.

APPLE CARPLAY™ COMPATIBILITY⁹ Just plug in your compatible iPhone® and you’ll have easy access to your contacts, maps and some of the apps that you’re familiar with on your vehicle’s 8" diagonal color touch-screen. You can also have Siri® send and read your text messages, and you can listen to all of your content from Apple Music™ and other compatible audio apps.

ANDROID AUTO™ COMPATIBILITY¹⁰ Android Auto makes it easy to use the touch-screen display in your Enclave to access your phone, texts and music. And with Google Maps, you can get voice-guided navigation, live traffic information, lane guidance and more while keeping your hands on the wheel and your eyes on the road.

WIRELESS CHARGING¹¹ Cut the cord with the help of available wireless smartphone charging. Just place your compatible device in front of the center console and charge with ease.

¹Standard connectivity available only to original purchaser for up to 10 years. See onstar.com for details and further plan limitations. Does not include safety services. Connected Access services are subject to change.
²Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³The myBuick mobile app requires compatible Apple® or Android™ device and data connection. Remote Access Plan does not include emergency or security services. See onstar.com for details and limitations. Lock/unlock feature requires automatic locks. Remote start requires GM factory-installed and enabled remote-start system. Vehicle locate is in the U.S., Canada and Mexico only. Requires select paid plan. Service is designed to locate compatible connected vehicles. Eligibility varies by vehicle model. Functionality varies by mobile device. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Terms and limitations apply. ⁴Functionality is subject to limitations and varies by vehicle, infotainment system and location. Select service plan required. Certain Alexa Skills require account linking to use. Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc., or its affiliates. See onstar.com for additional details. ⁵Go to my.buick.com/learnabout/bluetooth to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version.
⁶Connected Navigation and real-time Points of Interest (POI) only available on properly equipped vehicles. Requires paid plan or trial. Map coverage available in the U.S., Puerto Rico and Canada. See onstar.com for details and limitations. ⁷Certain Alexa functionality is dependent on smart home technology. ⁸Service varies with conditions and location. Requires active service plan and paid AT&T® data plan. See onstar.com for details and limitations. Vehicle must be on or in accessory position for Wi-Fi® to function. ⁹Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. ¹⁰Vehicle user interface is a product of Google™ and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android-compatible smartphone running Android 5.0 or higher. Data plan rates apply. Android Auto is a trademark of Google LLC. ¹¹The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibility, see my.buick.com/learn or consult your carrier.

¹Cargo and load capacity limited by weight and distribution.

IMPORTANT WORDS

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Buick dealer for complete details. Buick reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-Size SUV segment and latest available competitive information. Excludes other GM vehicles.

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY Buick will warrant each 2021 Enclave from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first; see dealer for details).

POWERTRAIN LIMITED WARRANTY Every 2021 Buick Enclave comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Buick dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

ASSEMBLY Buick vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Buick vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES Buick products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Buick products may also be used in other GM makes and models.

TRAILERING AND OFF-ROAD DRIVING INFORMATION Please go to [buick.com](https://www.buick.com) and carefully review the vehicle Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

ONSTAR® AND BUICK CONNECTED SERVICES Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal. Requires active service plan. OnStar links to emergency services. See onstar.com for details and limitations.

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

GMMOBILITY.COM (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.
