Safety or driver-assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle [Owner’s Manual](#) for important feature limitations and information.

CADILLAC USER EXPERIENCE¹

With access to phone, radio and a library of additional apps,² the world is in the palm of your hand, at the tip of your finger and at the sound of your voice. You are arriving at your destination — the future.

¹Functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices.

²Third-party trademarks are the property of their respective third-party owners and used under agreement. Requires active service plan and paid AT&T® vehicle data plan. See onstar.com for details and limitations.

CADILLAC WI-FI® READY

The available 4G LTE Wi-Fi Hotspot¹ allows you to connect up to seven devices at the same time, up to 50 feet away, so your passengers can check their email or watch their favorite entertainment.

¹Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Visit onstar.com for details and limitations. The vehicle must be on or Retained Accessory Power must be active.

APPLE CARPLAY™

With Apple CarPlay™ compatibility,² you can access Siri,® Apple Music,™ contacts and more from your iPhone® with a touch of the vehicle screen.

²Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries.

SIRIUSXM WITH 360L SATELLITE RADIO

Enjoy an unparalleled variety of premium content and innovative features that make discovery easier than ever, and a personalized experience for every driver with SiriusXM with 360L³ - SiriusXM's most advanced listening experience.

³Some features, including streaming content and listening recommendations require GM connected vehicle services and a SiriusXM All Access or Select trial or paid subscription. GM connected vehicle services vary by vehicle model and require active service plan, working electrical system, cell reception and GPS signal. See onstar.com for details and limitations.

TRIMS

Two distinctive model offerings that best suit your needs and personality.

SPORT

The Sport trim is inspired by bold performance.

- Interior Sport elements with carbon fiber accents and decor
- Uniquely styled exterior with high-gloss black appointments
- 20" 12-Spoke alloy with Pearl Nickel finish wheels
- Twin-clutch Sport Control AWD
- Tinted neutral density taillamp lenses

PREMIUM LUXURY

The Premium Luxury trim reflects a confident, contemporary style.

- Elevated Premium Luxury interior color decor
- Authentic exotic wood interior accents
- Distinctively styled exterior with Galvano-finished appointments
- 20" 6-Split Spoke alloy with Polished/Android finish wheels
- Ruby red taillamp lenses

PLATINUM PACKAGE

The Premium Luxury and Sport models are both available with a Platinum Package that elevates the materials to create the most sophisticated and luxurious XT6 interior.

- Three rows of Opus Semi-Aniline full leather seats
- Leather-wrapped instrument panel, center console and door trim
- Microsuede headliner
- Uniquely patterned door sill plates
- Real-time damping suspension chassis and performance suspension (Premium Luxury only)

Platinum Package requires: Enhanced Visibility and Technology Package, Driver Assist Package, Infotainment Package, Comfort and Air Quality Package, premium headlamp system and security cargo shade.
