BUILT TO ST

Chevy Suburban. The superwagon with the tough-truck build. Suburban does what few other wagons can. Properly equipped, it can seat up to nine adults with more for baggage, take on 144 cu. ft. of cargo with just the front seat in place and tow big trailers with ease. Suburban shows a tough Chevy Truck heritage as shown in the chart below. Its tough-truck features are outlined on pages 8 and 9.

Moves more than an ordinary wagon.

A Series C20 Suburban with proper equipment can move up to 15,000 lbs.* including itself, passengers, cargo and the trailer. This is over 4500 lbs. more than you can move with most ordinary wagons.

A wide range of tasking equipment—including 33- or 40-gallon fuel tanks, trailer wiring harness and weight-distributing hitch platform—is available.

A tough record to beat. 94.7% of Chevy Light, Medium, Heavy Duty trucks and commercial vans in the ten most recent years received seven stars on the J.D. Power and Associates survey. (Chevy Truck & Van Co. awards your representative through July 1, 1989. CPO vehicles not available at time of survey.)
