

METRO

2000  CHEVROLET

Metro. New car peace of mind — and great MPG.

You don't have to buy used to save big. Metro for 2000 is the quality-built, high-MPG* Chevrolet that gives you the peace of mind you expect in a *brand-new* car.

New Car Warranty, New Car Safety

Why buy someone else's troubles?

Enjoy the confidence of a new vehicle warranty, the security of a comprehensive safety package — and just think of all those zeros on the odometer.

Now, *that's* real peace of mind.

*Based on projected 2000 EPA estimates. Metro Coupe with standard 1.0 Liter engine and 5-speed manual transmission.

100000

100,000-Mile Limited Rust-Through Warranty

The Metro body is made of zinc-rich, galvanized steel panels (except roof) and is warranted against rust-through for up to 6 years or 100,000 miles (whichever comes first).*

*Maintenance needs vary with different uses and driving conditions. See the Owner's Manual for more information.

Safety-Cage Construction

A high-strength steel safety cage surrounds the passenger compartment to help protect passengers.

Metro quality goes the distance

Zinc-rich, galvanized steel body panels, topped by multiple paint layers (applied in a 7-step paint process) will help keep your Metro looking great for years to come. The car's corrosion fighters include a stainless-steel muffler and tailpipe, and Metro is warranted against rust-through for up to 6 years or 100,000 miles (whichever comes first).*

*Maintenance needs vary with different uses and driving conditions. See the Owner's Manual for more information.

A NOTE ON CHILD SAFETY: Children are generally safer if they are secured in a rear seat using the appropriate child safety seats and restraints, which is why General Motors recommends that child safety seats be properly secured in a vehicle's rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See your vehicle's Owner's Manual and child safety seat instructions for more safety information. Always use safety belts, even with air bags.

Award-winning gas mileage

Metro LSi Sedan (shown here) is a very efficient performer — with an EPA estimated MPG of 36 city, 42 highway.* Metro Coupe's EPA estimated MPG makes it one of the highest mileage cars around. Fact is, *Kiplinger's Personal Finance Magazine* named it "The Most Fuel-Efficient Car Under \$13,000"† — with an EPA estimated MPG of 39 city, 46 highway.*

*Based on projected 2000 EPA estimates with standard 1.3 Liter engine (LSi Sedan) and standard 1.0 Liter engine (Metro Coupe) — both with standard 5-speed manual transmission. NOTE: Official 2000 EPA estimates not available at time of printing. †Review of 1999 model.

You'll save even more down the road

Metro is designed to help you avoid the surprise repair bills a used car can sometimes generate. For example, Metro's fuel filter and engine timing belt are not scheduled for change until the 100,000-mile mark.* And a low-maintenance battery is standard.

*Maintenance needs vary with different uses and driving conditions. See the Owner's Manual for more information.

Keep your cool with optional CFC-free air conditioning

An air conditioning system with CFC-free refrigerant is optional in every Metro. Some used cars may have older-type, freon-filled air conditioning systems. Freon recharges are no longer readily available, and conversion to CFC-free refrigerant can be expensive and impractical.

You'll have the security of a great GM warranty

With Metro, you get a great GM 3-year/36,000-mile New Vehicle Limited Warranty (see your dealer for details). So, put your worries aside, and hit the road with confidence — in a new Chevy Metro.

Metro LSi Sedan in White.

Child restraint safety seat top-tether anchors

For added safety, Chevy Metro now offers as standard equipment child restraint safety seat top-tether anchors at both rear seating positions. These anchors are designed to make it easier to install child safety seats more securely.

Standard driver/front-passenger air bags

These air bags provide added protection to the driver and front passenger in moderate to severe frontal collisions when used with safety belts.*

*Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.

Optional antilock brakes

A four-wheel antilock brake system (ABS) is optional in every Metro. ABS helps reduce wheel lockup during hard braking, and helps you maintain steering control and prevent skidding on most slippery surfaces.

ROADSIDE
ASSISTANCE
1-800-CHEV-USA

24-Hour Roadside Assistance for as long as you own your Metro

Help is only a phone call away. If you need assistance changing a tire, if you run out of gas, if you lock your keys in the car, or if you just need directions, call 1-800-CHEV-USA. Membership is free, and continues for as long as you own your Metro (see page 14 for more information). Some requested services may incur costs.

Metro LSi Sedan.

When you gotta have four doors.

Metro LSi Sedan is a space-efficient, fuel-efficient way to get around. And, when you consider everything this four-door Metro offers, it's one great value.

Surprising Power, Agile Maneuverability

The 1.3 Liter, 4-cylinder, 16-valve engine with Multi-Port Fuel Injection gives you passing power you can depend on. The four-wheel independent suspension and tight turning radius make Metro fun to drive, and easy to park. And, of course, the gas mileage is terrific.*

LSi Style Makes It Special

Here's what makes Metro LSi even more distinctive: body-color front and rear bumpers, brightly finished 7-spoke wheel covers, and body-side moldings that also help protect against those unsightly dings and dents.

LSi Sedan: it's the Metro for you if you're living in a four-door world.

*Based on projected 2000 EPA estimated MPG: 36 city, 42 highway for Metro LSi Sedan with 5-speed manual transmission and 1.3 Liter engine. Official 2000 EPA estimates not available at time of printing.

Metro LSi Sedan in Sunset Red Metallic.

Metro LSi Sedan.

Big where it counts.

On the outside, Chevy Metro LSi Sedan is a small car. But on the inside — where it really counts — there’s actually more space per passenger than you’d find in a Toyota Camry.*

Big Car Features in a Small Car

Smart-looking LSi Custom Cloth upholstery is standard, along with cup holders, storage bins, trip odometer and rear-seat top-tether anchors for child restraint safety seats.

A Good-Size 10.3-Cubic-Foot Trunk

Packing for weekend getaways is easy, thanks to a full-folding rear seat-back that allows access to the trunk area. Prefer the split-folding rear seat-back shown at right? It’s optional.

**Based on a comparison of 1999 models.*

Bumper-Level Loading

You don’t have to lift heavy items over a high sill, and cargo capacity is more than 10 cu. ft. (Remote trunk lid release and cargo-area light are also available in the LSi Preferred Equipment Group 2.)

Metro LSi Sedan interior in Gray Custom Cloth. Some optional equipment shown.

Metro Coupe. Fun to get around in.

Metro Coupe does everything a small car should, and — equally important — it’s just plain fun to drive.

The Most Fuel-Efficient Chevy of All

The gas mileage may astonish you. Metro Coupe delivers an EPA estimated MPG of 39 city, 46 highway.* And the spirited performance of its 1.0 Liter, 3-cylinder engine may surprise you.

Hatchback Versatility, Too!

Something else you’ll like about Metro Coupe: the convenience of a wide-opening rear hatch. Just flip down the full-folding rear seat, open up the big rear hatch door — and you’ve got some pretty impressive cargo-carrying space. (Actually, more than you’d find in a Lincoln Continental!)*

*Based on projected 2000 EPA estimates with standard 1.0 Liter engine and 5-speed manual transmission. *Based on a comparison of 1999 models.

Metro Opens Wide for Big Loads

Fold down the rear seat and you’ve got an impressive 22.5 cu. ft. of cargo space.

Metro Coupe in Bright Blue Metallic. Some options shown.

Metro Coupe. Who'd expect all this room?

Come on in. The comfort in this easy-to-drive small coupe may exceed your expectations. There's real stretch-out room for four adults. And the front seats are fully reclining.

Cup Holders, Coin Holders, Storage Bins

You've got stuff, and Metro's got places to put it. There are built-in coin holders and front storage bins that are just right for maps and sunglasses. The center console has two slide-out cup holders that can hold standard-size water bottles. Note to music lovers: You have a choice of *three* different AM/FM stereo systems, including an integral CD system.

Low-Cost, New Car Peace of Mind

Metro Coupe is the lowest-priced Chevy of all, and that's another great reason to enjoy new car peace of mind.

Slide-Out Cup Holders

Every Metro has two — one for you and one for your traveling companion. With cup holders retracted, the console provides a handy storage tray for CDs.

Metro Coupe interior in Gray Sport Cloth. AM/FM stereo with CD player and other options shown.

The LSi Coupe. It's a little more Metro.

More Power. A 1.3 Liter, 16-valve, SOHC 4-cylinder engine with Multi-Port Fuel Injection is standard in Metro LSi Coupe.

More Style. LSi has a sporty look all its own, with body-color bumpers, body-side moldings, and 7-spoke full wheel covers.

More Features. Inside, you'll find Custom Cloth trim and a trip odometer to help you keep track of that great gas mileage.

But Why Stop There?

Options you'll want to consider include an automatic transmission, ABS, a tachometer, and the Convenience Package with dual remote mirrors, an easy-entry front-passenger seat and a security cargo cover.

All this, and the fun of a brand-new car. It's easy to like a Metro LSi.

Metro Maneuverability

Metro LSi Coupe moves smoothly through tough traffic and tight curves, thanks to a tuned four-wheel independent suspension, responsive rack-and-pinion steering and 93.1-in. wheelbase.

Metro LSi Coupe in Silver Metallic.

You never travel alone in a Chevy Metro.

All of us at Chevrolet know that we must earn your trust every day, year after year, one vehicle at a time. That's why we provide you with Genuine Customer Care. This comprehensive owner protection plan means we'll be there, with the largest dealer network in the U.S., whenever you need us, no matter where your travels take you. That's a promise.

New Vehicle Limited Warranty

This warranty is for GM vehicles registered in the United States. See your Chevrolet dealer for complete terms and conditions of this New Vehicle Limited Warranty.

What Is Covered For 3 Years/36,000 Miles:*

The complete vehicle

Cosmetic corrosion defects

Rust-through corrosion†

Tires

Repairs made to correct any vehicle defect

Towing to your nearest Chevrolet dealership

No charge for most warranty repairs.

*Whichever comes first. †Six years or 100,000 miles, whichever comes first.

Courtesy Transportation

Retail customers who purchase or lease a 2000 Chevy Metro are eligible for Courtesy Transportation when their vehicles are left at a participating dealership for repairs covered under the 3-year/36,000-mile New Vehicle Limited Warranty. Courtesy Transportation, at participating dealers only, may include shuttle service, expense reimbursement or, if the repair requires the vehicle to stay at the dealership overnight, vehicle rental. Actual services may vary at the election of the participating dealer. See your dealer for details.

24-Hour Roadside Assistance*

Roadside Assistance service is provided via a toll-free number (1-800-CHEV-USA), 24 hours a day, 365 days a year. Roadside Assistance advisors can assist with minor mechanical concerns over the phone or coordinate a variety of services through skilled and professional service providers.

*Roadside Assistance membership is free. **Some services may incur costs.** Courtesy Care is available to retail, retail lease and corporate lease customers operating 1994 and newer Chevrolet vehicles for a period of 3 years/36,000 miles. All Courtesy Care services' associated costs must be prearranged by Chevrolet Roadside Assistance or dealer service management and must be driver-initiated. Basic Care and Courtesy Care are not part of or included in the coverage provided by the New Vehicle Limited Warranty. Chevrolet reserves the right to modify or discontinue Basic Care and Courtesy Care at any time. See dealer for complete details of the Chevrolet Roadside Assistance Program.

Basic Care Provides:

Toll-free access
1-800-CHEV-USA

Basic over-the-phone technical advice

Free towing to nearest dealer for warranty repairs

Dealer services at a reasonable cost (i.e., wrecker services, locksmith/key service, glass repair, etc.).

Courtesy Care, Which Applies For 3 Years/36,000 Miles, Provides:

Basic Care services

Free fuel delivery

Free locksmith/key service (when keys are lost on the road or locked inside)

Free non-warranty towing

Free flat tire change service

Free jump start.

Additional Information

For any additional information on 2000 Chevrolet car or truck products, call **1-800-950-2438** or visit our web site: <http://www.chevrolet.com>

Customer Assistance

The Chevrolet Customer Assistance Center has a special toll-free number (1-800-222-1020). It puts you in contact with Chevrolet Specialists who can handle any product/service concern you may have.

SMARTLEASE By GMAC

SMARTLEASE by GMAC makes it easy to enjoy the performance, quality and style of a brand-new Chevy Metro. With SMARTLEASE, qualified approved customers can conveniently arrange leasing right at the dealership, and you'll enjoy low SMARTLEASE monthly payments. Plus, SMARTLEASE offers you choices at the end of your lease. You can either buy your Metro at a price agreed upon up front, or return your vehicle with no other obligations — providing the terms of the lease have been met. For more information about SMARTLEASE, or any of the other quality GMAC financing options, see your Chevrolet dealer or call **1-800-32-SMART**.

Turn Plastic Into Steel With The GM Card®

The GM MasterCard® gives you an important financial advantage: GM Card earnings. GM Card Earnings can be used to purchase or lease a new GM car or truck (excludes Saturn, Saab and EV1). Card members receive 5% in earnings on any GM Card purchase — accumulating up to \$500 per account year. That's over and above any other discount or incentive. Call **1-800-8GM-CARD**.

The GM Mobility Program

Chevrolet recognizes the importance of mobility to everyone's life and, therefore, offers financial assistance to persons with disabilities through the General Motors Mobility Program. This program can provide up to \$1,000 reimbursement toward the cost of aftermarket mobility adaptive equipment for drivers or passengers when installed or reinstalled on any eligible purchased or leased new GM vehicle. For details and free resource information, call **1-800-323-9935** (TTY users: **1-800-833-9935**).

Updated Service Information

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free **1-800-551-4123**.

Assembly

Chevrolets and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolets with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

Engines

Chevrolets are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

Rust-Through Corrosion Protection

Chevrolets are designed and built to resist corrosion. All body sheet-metal components are warranted against rust-through for 6 years/100,000 miles (whichever comes first). Application of additional rust-inhibiting materials is not required and none is recommended. See your Chevrolet dealer for terms of this limited warranty.

GM Protection Plan

The GM Protection Plan offers mechanical repair protection in addition to that provided by GM's New Vehicle Limited Warranty. Coverage for vehicle maintenance is also available. Ask your dealer about the GM Protection Plan. Coverage available only in the U.S. and Canada.

Important:

A Word About This Brochure

We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment specifications, models and availability. Since information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.
