

2013

TRAVERSE

Seven billion people. One road.

Movement is the universal language of personal freedom. Our founder Louis Chevrolet spoke it fluently. As a Swiss immigrant, he came to America with a dream of racing cars. He wished for everyone — not just the rich or entitled — to experience the exhilaration he felt behind the wheel.

In 1911, he began building his first car. One hundred years later, a new Chevrolet is sold every 6.6 seconds. That amounts to 4.76 million vehicles in more than 140 countries — more than Louis Chevrolet could ever have imagined.

The depth of our heritage and passion is evident in everything we do here at Chevrolet. It's ingrained in the bold design, spirited performance, proven durability and exceptional value our drivers enjoy. It empowers us to be leaders in innovation. And it inspires us to continuously raise the bar — today, tomorrow and into what promises to be a bright future.

Currently, we are pioneering new propulsion technologies to meet the demanding energy and environmental needs of a global automotive brand. We're also employing alternative energy sources and investing in fuel-saving technologies to help reduce our carbon footprint with the goal of reducing 8 million metric tons of carbon dioxide emissions over the next few years.

Our global reach is expanding, yet our mission remains the same. We want every customer to feel like family — no matter where you are in the world. And no matter where you're going, we want you to enjoy the ride in a Chevrolet.

From the vision of one to the journey of many, Chevy Runs Deep.

A dark-colored Chevrolet Traverse SUV is parked on a cobblestone street. The car is positioned at an angle, showing its front and side. In the background, there is a brick building with a window that has "GALLERY" written on it. The scene is lit with warm, golden light, suggesting late afternoon or early morning.

UNCURBED APPEAL

There's something in the way it moves. And the way the sun dances off its curves. It's a confidence that flows with every line, a style that commands attention and a presence that stands alone. It's Traverse like you've never seen it before. Rethought and reshaped from the inside out. The athletic new hood design, restyled front and rear fascia, and revised headlamps and taillamps make a strong impression. New exterior color and wheel choices offer more ways to make it yours. It's a place where you can find your space. No matter where you go. Traverse.

Traverse LTZ shown in Tungsten Metallic
with available features.

Traverse LTZ shown in Tungsten Metallic with available features.

A wide-angle photograph of the front interior of a Chevrolet Traverse LTZ. The view is from the driver's side looking towards the passenger side. The dashboard, center console, and door panels feature a combination of dark grey/black plastic and light-colored wood grain trim. The seats are upholstered in tan leather with visible stitching. The steering wheel is black with a silver Chevrolet bowtie in the center. The instrument cluster is visible behind the steering wheel. The center console has a 6.5-inch diagonal color touch-screen display showing a map. Below the screen are three circular air vents and a gear shifter. The car is parked on a dirt path with green grass and a body of water visible through the windshield and side windows.

RICHLY REFINED

Premium soft-touch materials. Contrast stitching. Subtle available ambient lighting that sweeps across the dash. These are just a few of the stunning details that make the all-new Traverse interior feel like a warm welcome every time you step inside. Other amenities include a vibrant 6.5-inch diagonal color touch-screen display for controlling stereo and vehicle settings plus available heated and cooled front seats and an available heated steering wheel¹ for added comfort. It simply feels good inside to be inside.

¹ Interim availability.

Traverse LTZ interior shown in
Ebony/Mojave with available features.

Traverse LTZ interior shown in Ebony/Mojave with available features.

ALL ABOARD

With three incredibly spacious rows of standard seating for eight or available seating for seven (shown), Traverse brings family and friends together without compromising any passenger's personal space. And it aces the parent test with a low step-in height, easy-to-clean available leather-trimmed seating and Smart Slide® second-row seating for easy third-row access. It also features 10 or 12 cup holders (depending on available seating), rear-seat climate controls, and an available rear-seat entertainment system that plays DVDs through a flip-down display – all for the convenience and entertainment of everyone riding along.

Traverse LTZ shown in Tungsten Metallic
with available features.

FLEXIBLE SEATING CONFIGURATIONS

You can get standard seating for eight with second- and third-row flat-folding 60/40 split-bench seats. Or you can choose available seating for seven (depending on model) with second-row flat-folding captain's chairs and a third-row flat-folding 60/40 split-bench seat.

SMART SLIDE SECOND-ROW SEATING

With a single hand movement, it slides out of the way for convenient access to the full-size third row with seating for three.

CLASS-LEADING MAXIMUM CARGO SPACE AND SPACE BEHIND THE THIRD ROW

When it comes to space, Traverse overachieves with 116.3 cubic feet¹ of maximum cargo space and 24.4 cubic feet¹ of space behind the third row — all best-in-class.

¹ Cargo and load capacity limited by weight and distribution.

AVAILABLE POWER-REMOTE LIFTGATE

With the push of a button, it gradually opens for convenient loading and unloading.

AVAILABLE REAR PARK ASSIST

As you travel in reverse at speeds less than 5 mph, Rear Park Assist uses sensors on the rear bumper to detect and alert you to stationary objects up to 8 feet behind your Traverse and to people walking past.

Traverse LTZ shown in Tungsten Metallic with available features.

SIMPLY ADVANCED

CHEVROLET MYLINK

Now it's easy to stay connected while your hands stay safely on the wheel. With available Chevrolet MyLink¹, you can handle calls, play music and access contacts from your compatible smartphone simply by touching the 6.5-inch diagonal color touch-screen or by saying a command. You can also stream music from online sources like Pandora[®] Internet Radio and Stitcher SmartRadio.^{™2} Get directions with OnStar[®] Turn-by-Turn Navigation (standard for the first six months)³ Or go for the available Chevrolet MyLink Radio with Navigation, which offers full GPS navigation features plus 2-D/3-D maps, points of interest, and SiriusXM⁴ NavTraffic and Weather with a 3-month trial.

Tap the icons to make a selection. Customize the order for quicker access to the features you use most.

Traverse LTZ interior shown in Ebony/Mojave with available features.

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Traverse does not include Gracenote functionality. ² Data plan rates apply. ³ Visit onstar.com for coverage map, details and system limitations. ⁴ If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. XM satellite service is available only in the 48 contiguous United States and Washington, D.C.

Available on the
App Store

SMARTPHONE MOBILE APPS

Download the OnStar RemoteLink™¹ and myChevrolet² mobile apps for the ability to lock/unlock and start³ your Traverse remotely, set parking reminders, check your fuel range, schedule service, contact roadside assistance and so much more — all from your compatible smartphone. Available on the App Store,SM BlackBerry App World™ or Google Play.SM

AVAILABLE BOSE® PREMIUM AUDIO SYSTEM

With 10 strategically placed speakers, you can transform your Traverse into a live concert experience.

¹ Available on select Apple, Android and BlackBerry devices. Services vary by device, vehicle and conditions. Requires active OnStar subscription, which is standard for six months. ² Requires iPhone or Android platform. ³ Requires available remote vehicle starter system. ⁴ Not compatible with all devices. ⁵ If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. XM satellite service is available only in the 48 contiguous United States and Washington, D.C.

iPhone is a trademark of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc.

STANDARD USB PORT⁴

Enjoy convenient in-car connectivity with compatible devices such as a smartphone, MP3 player or flash drive.

SIRIUSXM SATELLITE RADIO⁵ WITH 3-MONTH TRIAL SUBSCRIPTION

With hundreds of channels of commercial-free music, talk, comedy, news, family programming and more, there's something for everyone.

SMOOTH SAILING

With more horsepower, torque and towing capability than Honda Pilot and Toyota Highlander, Traverse lets you make the most of each mile — and enjoy every minute of it. The catalyst is a spirited yet efficient direct-injected 3.6L V6 engine, which delivers a winning combination of 281 horsepower and 24 MPG on the highway!¹ It pairs with a thoughtfully refined suspension that's fluid and responsive and available all-wheel drive that helps maintain a controlled stride in all types of weather and road conditions.

¹ Based on EPA estimates for FWD.

Traverse LTZ shown in Crystal Red Tintcoat (extra-cost color) with available features.

POSITIVELY DEFENSIVE

Traverse provides peace of mind with an array of innovative safety features. It helps protect against the unexpected with six standard air bags and a new available class-exclusive driver seat-mounted front center side-impact air bag¹ for driver and front passenger that provides added protection. It also includes a rear vision camera — standard. And it offers new available Side Blind Zone Alert² and Rear Cross-Traffic Alert to help detect vehicles you otherwise might not see.

¹ Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ² Before making a lane change, always check the Side Blind Zone Alert display, check the side and inside rearview mirrors, look over your shoulder for vehicles and hazards, and start the turn signal.

NEW EXCLUSIVE FRONT CENTER AIR BAG

In the event of a side-impact collision, it deploys from the right side of the driver seat and positions itself between the front seats for added cushioning and restraint to help protect the driver and front passenger from colliding with one another.

ONSTAR AUTOMATIC CRASH RESPONSE¹ STANDARD FOR SIX MONTHS

In many crashes, a trained OnStar Advisor is immediately connected into your Traverse and can use GPS technology to pinpoint your exact location and request immediate assistance, even if you can't respond.

¹ Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers.

STABILITRAK[®] ELECTRONIC STABILITY CONTROL SYSTEM

This innovative safety technology is designed to improve vehicle stability on most road surfaces, especially during emergency maneuvers and difficult driving conditions.

STANDARD REAR VISION CAMERA

Watch your back while looking forward with an image of what's behind your Traverse projected onto the 6.5-inch diagonal color touch-screen display.

¹ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details. ² Cargo and load capacity limited by weight and distribution.

WARRANTY INFORMATION

100,000-MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY. Every 2013 Chevrolet passenger car, light-duty truck, SUV and crossover comes with a 100,000-mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY. GM vehicles registered in the USA are covered for 36,000 miles/3 years (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 100,000 miles/6 years (whichever comes first). See dealer for details.

CHEVROLET OWNER CENTER (GMOWNERCENTER.COM/CHEVY). Register your vehicle with the Chevrolet Owner Center and receive benefits such as online access to your vehicle Owner's Manual, maintenance schedule reminders, service history tracking, warranty and service information, safety information, special offers and privileges, and news and events.

IMPORTANT INFORMATION

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please

check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid SUV-Crossover segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS. Some standard content may be deleted on fleet orders. See dealer for details.

CHEVY.COM. Offers shopping tools such as Chevy vehicle information, Build and Price, Find a Vehicle, Request Info, Email Sign-Up, Compare Vehicles, Financial Tools... and much more.

OWNER SERVICES. Chevrolet is committed to enhancing the ownership experience through a wide array of programs. For more information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance Center, Chevy Safety, GM Mobility, Chevrolet Owner Center, marketing and incentives, as well as services for GM Card members, visit chevy.com.

CHEVY.COM/SAFETY. Chevrolet is committed to keeping you and your family safe—from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935). GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

GMCARDMEMBERSERVICES.COM. Did you know about the family of reward credit cards that can help you get a great deal on a new GM car, light-duty truck, SUV or crossover? With a GM reward card, you accrue earnings on every credit card purchase to use toward the purchase or lease of an eligible new GM vehicle. With three cards to choose from, you're sure to find one that suits you best.

ECOLOGIC WINDOW LABEL. As part of our Ecologic™ initiative for environmental responsibility, every 2013 Chevrolet vehicle features a new Ecologic window label detailing some of its fuel-saving technologies, responsible manufacturing processes and end-of-life recyclability. Visit chevrolet.com/ecologic for more information.
