

FIND *NEW* ROADS™

WHY JUST GO FROM A TO B

WHEN IMAGINATION CAN TAKE YOU EVERYWHERE

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that every road leads us to someplace we're not – but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

SONIC/

A CAR FOR FIRSTS Chevrolet Sonic is the first and only small car in its class¹ to receive a 5-Star Overall Vehicle Score for Safety from NHTSA.² With its available turbocharged engine, Sonic offers up to 40 MPG on the highway.³ It's also the only small car built right here in the United States.⁴ And for the second year in a row, Sonic was recognized by the J.D. Power APEAL Study as the "Highest Ranked Vehicle Appeal among Sub-Compact Cars."⁵ Sonic invites everyone to experience life with three words: Let's do this!

2012 and 2013 Sonic
"Highest Ranked Vehicle Appeal among
Sub-Compact Cars"⁵
—J.D. Power

Sonic RS Hatchback in Red Hot. Sonic RS offers an EPA-estimated 34 MPG highway.⁶

¹ Based on GM Small Car segment. ² Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov). ³ EPA estimate for LT/LTZ with available 1.4L turbocharged engine and 6-speed manual transmission. ⁴ Assembled in Orion Township, Michigan, of U.S. and globally sourced parts. ⁵ The Chevrolet Sonic received the highest numerical score among sub-compact cars in the proprietary J.D. Power 2012–2013 Automotive Performance, Execution and Layout Studies™ 2013 study based on 83,442 total responses from new-vehicle owners of 230 models and measures opinions after 90 days of ownership. Proprietary study results are based on experiences and perceptions of owners surveyed in February–May 2013. Your experiences may vary. Visit jdpower.com. ⁶ Based on EPA estimate for RS with 6-speed manual transmission.

ADVENTURE SEEKERS

THE SOPHISTICATED SEDAN OR THE ATHLETIC HATCH? YOU DECIDE.

Sonic LTZ Sedan in Blue Topaz
Metallic and Sonic LTZ Hatchback in
Silver Ice Metallic.

18-inch aluminum wheels with Midnight Silver finish.

Exclusive Mojave accents.

MODERN ART Sonic Dusk, planned to be available late Spring 2014, will arrive with the refined style of a premium sedan. The subtle Ashen Gray Metallic exterior is contrasted by matte-finish upper and lower grilles, door handle inserts and decklid trim. A ground effects package, rear spoiler and 18-inch aluminum wheels with Midnight Silver finish complete the modern aesthetic.

Under the hood, the ECOTEC® 1.4L turbocharged 4-cylinder engine with Variable Valve Timing gives you all the power you want. Standard 4-wheel antilock front and rear disc brakes give you added peace of mind.

Inside, Jet Black leather-appointed seats with sueded microfiber accents and Mojave inserts set the tone for a pure driving experience. Mojave stitching and contrasting door and instrument panel accents enhance the overall mood. Sonic Dusk is also equipped with a rear vision camera and the Chevrolet MyLink¹ Radio, which integrates your smartphone and stored media by way of Bluetooth^{®2} wireless technology, plug-in auxiliary outlet or USB port.³

¹ MyLink functionality varies by Chevrolet model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player.
² Go to gmttotalconnect.com to find out which phones are compatible with the vehicle. ³ Not compatible with all devices.

AMPED UP FROM THE INSIDE OUT

GET INSIDE AND YOU'LL KNOW WHY The dual-cockpit interior and motorcycle-inspired instrument cluster with Graphite Silver accents get your blood pumping even before you turn the key. Sonic is a driver's car, so grab onto the 3-spoke steering wheel designed for optimal grip and hold on tight.

COMFORT WITH AN EDGE Yeah, Sonic has an urban edge. But it's made for comfort too. The seats were designed for you and your friends to kick back and enjoy the ride. That's easy to do with the perforated leatherette seats in LTZ or the leather-appointed seats with sueded microfiber inserts in RS.

Both models include heated seats for the driver and front passenger. And Sonic makes getting around town a breeze with OnStar® Turn-by-Turn Navigation,¹ standard for the first six months. Just press the blue button and tell the OnStar Advisor where you want to go.

RS aluminum sport pedals.

RS sport shift knob.

RS-specific instrumentation.

Sonic RS interior in Jet Black with leather-appointed seats and sueded microfiber inserts shown with standard Chevrolet MyLink² Radio and rear vision camera and available Advanced Safety Package.

¹ Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. ² MyLink functionality varies by Chevrolet model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player.

DON'T HOLD BACK Sonic Sedan offers 14.9 cubic feet of trunk space,¹ which is more room than you'll find in Honda Civic and Toyota Corolla. Hatchback offers ample cargo space and many ways to get it. Seating for five with 19 cubic feet of cargo space¹ will carry your friends and everything you need. With its 60/40 split-folding rear seat and up to 47.7 cubic feet of

cargo space¹ with the rear seats folded down, you'll be able to find a configuration that's just right, whether you're heading to the beach or grabbing groceries after work.

A PLACE FOR EVERYTHING Sonic also gives you unique storage solutions for everything you want to keep within reach, including upper and lower glove boxes.

Bringing a water bottle with you? There are holders incorporated right into the front doors. And in Hatchback you'll find convenient hidden storage compartments. So whatever you're loading up, Sonic is versatile enough to carry everything you need in style.

Left: Sonic Sedan in Crystal Red Tintcoat (extra-cost color).
Above: Sonic Hatchback in Black Granite Metallic (extra-cost color) with Jet Black/Dark Titanium interior.

¹ Cargo and load capacity limited by weight and distribution.

SONIC BRINGS IT ALL It may be a blast to drive, but underneath the hood, Sonic is not kidding around. An ECOTEC 1.8L engine with 138 horsepower is standard on LS, LT and LTZ. For RS, the ECOTEC 1.4L turbocharged 4-cylinder with Variable Valve Timing is standard, giving you 138 horsepower and 148 lb.-ft. of torque. You want fast? You got it.

On the test track, the turbocharged Sonic blurs from 0 to 60 in less than 8 seconds² And that's not all. Sonic LT and LTZ offer up to 40 MPG highway¹ How many cars do all this? With this unique combination of power and efficiency, it should come as no surprise that *Consumers Digest* recognized the 2013 Sonic as a "Best Buy" for Subcompact Cars.

¹ EPA estimate for LT/LTZ with available 1.4L turbocharged engine and 6-speed manual transmission. ² Achieved on a test track with 1.4L turbocharged engine and 6-speed manual transmission. ³ Covers only scheduled oil changes with filter and 4-wheel tire rotations according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details. ⁴ Whichever comes first. See dealer for details.

CHEVROLET 2-YEAR SCHEDULED MAINTENANCE PROGRAM

Chevrolet 2-Year Scheduled Maintenance Coverage³ is included with the purchase or lease of a new 2014 Chevrolet Sonic. This fully transferable program is in addition to the Sonic standard:

- 5-year/100,000-mile⁴ Powertrain Limited Warranty
- 5-year/100,000-mile⁴ Roadside Assistance Program
- 5-year/100,000-mile⁴ Courtesy Transportation Program
- 3-year/36,000-mile⁴ Bumper-to-Bumper Limited Warranty

**ARE YOU READY TO
HUG EVERY CORNER?**

RIGHT BLEND OF RIDE AND RESPONSE Chevrolet engineers went through hundreds of suspension variations to find the sport-tuned sedan within the subcompact. The result is the amazing agility and athleticism of Sonic. The standard ECOTEC 1.8L I-4

engine with 5-speed manual transmission puts the control of driving back in your hands. This efficient engine delivers 138 horsepower and 125 lb.-ft. of torque in the base model.

STEADY AS YOU GO Standard Hill Start Assist helps you stay put on steep inclines while you transition from the brake pedal to the gas pedal. Wherever your travels take you, Sonic keeps you steady.

Left: Sonic LTZ Sedan in Silver Ice Metallic. Below: Sonic LTZ Hatchback in Red Hot.

CHEVROLET MYLINK The available Chevrolet MyLink¹ Radio starts with a 7-inch diagonal full-color display that lets you stay in touch in style. A touch-screen menu connects you to everything you need and, when the vehicle is in Park, allows you to project video and even photos onto the screen from your phone or flash drive when it's plugged into the USB port.² Connect your compatible smartphone via Bluetooth[®] wireless technology³ and listen to music, get directions or make phone calls all with the touch of a fingertip.

WIRELESS TECHNOLOGY Take calls without ever taking your hands off the steering wheel through the connectivity of standard Bluetooth wireless technology³ for select phones and steering wheel-mounted controls. Bluetooth audio streaming is standard on LT, LTZ and RS models and included on LS models equipped with the Chevrolet MyLink¹ Radio.

THE SOUNDS OF SONIC Listen to commercial-free music, plus sports, exclusive talk, news and more through the 3-month trial of available SiriusXM Satellite Radio.⁴ With available Chevrolet MyLink,¹ stream your favorite audio services like TuneIn⁵ global Internet radio, Pandora[®] Internet Radio⁵ and Stitcher SmartRadio.^{™5} Access your own music library through the available Bluetooth audio streaming³ feature for select smartphones. Just download the TuneIn Radio, Pandora Internet Radio or Stitcher SmartRadio app to your mobile device and connect it to Chevrolet MyLink.

¹ MyLink functionality varies by Chevrolet model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player.
² Not compatible with all devices. ³ Go to gmtotalconnect.com to find out which phones are compatible with the vehicle. ⁴ Standard on LT, LTZ and RS; available on LS. If you subscribe after your trial period, service will automatically renew and bill at then-current rates until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. XM satellite service is available only in the 48 contiguous United States and D.C. ⁵ Data plan rates apply.

BRINGGO The most affordable in-dash navigation system in its class,¹ the available BringGo² navigation app offers plenty of easy-to-use features that let you revel in discovering new destinations without the stress of getting lost. Just download the app to your compatible smartphone and connect with the available Chevrolet MyLink³ Radio to easily explore 3-D maps with lane suggestions, live traffic data, local search via Google,TM a Where Am I? locator and other features that help you stay in the loop.

SIRI EYES FREE Chevrolet is the first vehicle manufacturer to offer Siri Eyes Free⁴ to select iPhone[®] users. Siri lets you take charge with your hands on the wheel and your eyes on the road. The system allows limited hands-free interaction when you really need it for important messages. That way, you can make driving Sonic your main focus. Just be sure you text

and drive only with the voice system, and never text using a handheld device while driving.

START IT UP USING YOUR PHONE Attention to detail is what turns a good experience into a great one. That's why Sonic offers available OnStar RemoteLink[®] Key Fob Services⁵ for five years on 2014 vehicles equipped with OnStar. Just download the app and use RemoteLink services during the initial trial period. This app lets you remotely lock or unlock your doors or start your Sonic,⁶ and it can even help you find your car by sounding your horn or flashing your lights in a crowded or dark parking lot. And with an active OnStar subscription and the OnStar RemoteLink mobile app,⁷ get access to OnStar Emergency Services and check vehicle diagnostics such as oil life and tire pressure.⁸ Want to schedule a service appointment? It's done in a click. And should you ever need help, roadside assistance⁹ is there 24/7.

ONSTAR TURN-BY-TURN NAVIGATION Getting lost isn't an option with Sonic. It includes the OnStar Directions & Connections[®] Plan with Turn-by-Turn Navigation,¹⁰ standard for the first six months. One press of the blue button and you are connected to an OnStar Advisor who can help you get to your destination anytime. Voice-guided directions can be downloaded right into your car. You can even plan ahead with OnStar eNav,¹⁰ which lets you send destinations from MapQuest.com to your car. Call them up anytime with a simple voice command.

MYCHEVROLET¹¹ MOBILE APP Here's another way to connect to your Sonic: Schedule a service appointment online. View the Owner's Manual. Even create a reminder of where you parked – with a mark on the map and a photo to jog your memory.

OnStar RemoteLink⁷ mobile app.

Apple, the Apple logo and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc.

¹ Based on GM Small Car segment. ² Requires available Chevrolet MyLink. BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply. See dealer or call 1-855-4-SUPPORT (1-855-4-787-7678) for more information. ³ MyLink functionality varies by Chevrolet model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player. ⁴ Requires available Chevrolet MyLink and compatible iPhone running iOS 6. ⁵ Access is available for five years from the date of vehicle delivery and is transferable. Does not include any emergency services or other OnStar services. To cancel OnStar RemoteLink Key Fob Services, or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details. ⁶ Requires factory-installed and enabled remote start. ⁷ Available on select Apple, Android and BlackBerry devices. Services vary by device, vehicle and conditions. Requires active OnStar subscription, which is standard for six months. ⁸ Excludes spare tire when equipped. ⁹ Roadside service provided by Allstate Roadside Services. ¹⁰ Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. ¹¹ Requires Apple iOS 6 or Android platform.

BUILT WITH YOU IN MIND Sonic boasts aggressive styling and impressive power, but make no mistake – with Sonic, safety is a priority. It's the first and only car in its class² to receive a 5-Star Overall Vehicle Score for Safety from NHTSA.¹ And the 2013 Sonic was named a 2013 Top Safety Pick by the Insurance Institute for Highway Safety (IIHS). Innovative safety technology is designed to enhance safety before, during and after a crash, if needed. Other advancements you can count on – including daytime running lamps and a Tire Pressure Monitoring System³ – also help you avoid trouble on the road.

PREVENT All-new for the 2014 Sonic, the Advanced Safety Package helps you avoid a collision altogether. The package includes Forward Collision Alert, which issues a warning sound to alert you to a possible collision, and Lane Departure Warning that alerts you

if your Sonic begins to drift across lanes without signaling. Also new for 2014 is the available rear vision camera.⁴ When you shift into Reverse, the available Chevrolet MyLink⁵ Radio with a 7-inch diagonal display allows you to see if anything is in your way. And when Sonic takes off, safety technology like the StabiliTrak[®] Electronic Stability Control System with Traction Control kicks in. On slippery roads, StabiliTrak helps you stay on course by detecting the difference between the path being steered and the direction the vehicle is traveling. It then uses the brakes and, if necessary, adjusts engine torque to keep your Sonic on track.

PROTECT Sometimes, unfortunately, trouble finds you. If a moderate to severe collision does occur, Sonic is designed to respond quickly – it's the first and only car in its class² with 10 standard air bags.⁶ Sensors throughout the vehicle determine how many air bags

deploy – including knee air bags for the driver and front passenger. Adding to this protection, the cabin is reinforced with high-strength steel throughout. Meanwhile, front and rear “crush zones” are designed to compress in a controlled manner, helping absorb and channel energy away from the cabin. But our protective measures don't end there.

RESPOND In many crashes, built-in sensors can automatically alert an OnStar Advisor, who is immediately connected into the vehicle to see if you need help. Even if you don't respond, the Advisor can use GPS technology to pinpoint your exact location and request emergency help be sent immediately. It's part of the OnStar Directions & Connections Plan, featuring Automatic Crash Response,⁷ standard for the first six months. Why? It's simple: Your safety is important.

Lane Departure Warning.

Forward Collision Alert.

Rear vision camera.⁴

Sonic LTZ Hatchback in Crystal Red Tintcoat (extra-cost color).

¹ Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov). ² Based on GM Small Car segment. ³ Excludes spare tire when equipped. ⁴ Requires available Chevrolet MyLink Radio. ⁵ MyLink functionality varies by Chevrolet model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player. ⁶ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ⁷ Visit onstar.com for availability, details and system limitations. OnStar acts as a link to existing emergency service providers.

WARRANTY INFORMATION

100,000-MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY.

Every 2014 Chevrolet passenger car, light-duty truck, SUV and crossover comes with a 100,000-mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY.

GM vehicles registered in the USA are covered for 36,000 miles/3 years (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 100,000 miles/6 years (whichever comes first). See dealer for details.

IMPORTANT INFORMATION

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4.ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Small Car segment and latest available competitive information. Excludes other GM vehicles.

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM).

Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

CHEVROLET 2-YEAR SCHEDULED MAINTENANCE PROGRAM.

Every new 2014 Chevrolet Sonic comes with 2 years/24,000 miles of scheduled maintenance that includes oil and filter changes, tire rotations and multipoint vehicle inspections. Covers only scheduled oil changes with filter and tire rotations according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details.

SPARE TIRE INFORMATION. There is no standard jack or spare tire in the 2014 Chevrolet Sonic LT Sedan with ECOTEC 1.4L turbocharged 4-cylinder engine and 6-speed manual transmission. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

FLEET ORDERS. Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY. Chevrolet is committed to keeping you and your family safe – from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935). GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

GMCARD.COM/CHEVROLET. Did you know about the family of reward credit cards that can help you save toward a new GM car, truck, SUV or crossover? With a GM reward card, you can accrue Earnings on every credit card purchase which can be redeemed toward the purchase or lease of an eligible new vehicle. To find the best card for you, visit gmcards.com/chevrolet.

ECOLOGIC WINDOW LABEL. As part of our Ecologic initiative for environmental responsibility, every 2014 Chevrolet retail vehicle features an Ecologic window label detailing some of its fuel-saving technologies, responsible manufacturing processes and end-of-life recyclability. Visit chevrolet.com/ecologic for more information.
