CHEVROLET

Equinox LTZ in Crystal Red Tintcoat (extra-cost color) with available features and dealer-installed Chevrolet Accessories.

**THE 2015 EQUINOX:
SO MUCH MORE THAN
A FUEL-EFFICIENT SUV.**

It might be the way it offers an EPA-estimated 32 MPG on the highway that will excite you. Or it might be the way you can stay connected to your calls and music without taking your hands off the wheel. But the way it will surprise you isn't any one of its features. It's the places you'll go. The things you'll do. And the people you'll meet. Because everything the 2015 Equinox has to offer is just the beginning of your journey to find new roads.

— EDMUNDS.COM

DESIGN THAT DOES MORE. Equinox designers and engineers set out to create an uncompromising design that not only turns heads, but also helps reduce wind drag and boost efficiency. Sculpted lines and

exterior accents add style to this equation. Together, it all adds up to a premium driving experience with impressive fuel economy: an EPA-estimated 22 MPG city/32 highway.

ATTENTION TO DETAIL. From the flowing roofline and multidimensional hood to the sophisticated wraparound headlamps and available chrome accents, Equinox offers design that intrigues from front to rear, inside and out.

CUSTOM-STYLED WHEELS. Depending on the model, a variety of 17-, 18-, or 19-inch custom-styled aluminum wheels are available.

INTERIOR DESIGN

PREMIUM APPOINTMENTS. Available leather-appointed seating with two-tone panels delivers comfort in style, while ice-blue ambient lighting casts a calming glow. Acoustic-laminated glass contributes to the remarkably quiet ride.

FUNCTIONAL FEATURES. Standard conveniences include 18 storage bins, four 12-volt power outlets and eight cup holders. The covered storage under the center armrest is big enough to hold a laptop or purse.

MULTI-FLEX® SLIDING AND RECLINING 60/40 REAR SEAT. Slide it back to add almost 8 inches of rear leg room, slide it forward to add 8 inches of cargo room, or fold it flat to create 63.7 cubic feet of maximum cargo space.¹

¹ Cargo and load capacity limited by weight and distribution.

CONVENIENCE AT EVERY ANGLE.

1. An available programmable power liftgate opens 3/4 of the way or to the max, or you can customize how far it opens to clear overhead obstacles.
2. The 60/40 split-folding rear seat provides additional cargo-carrying flexibility.
3. The Multi-Flex sliding rear seat slides back to add almost 8 inches of rear leg room, slides forward for more cargo room, or folds completely flat to create 63.7 cubic feet of cargo space!

63.7 CUBIC FEET OF MAXIMUM CARGO SPACE¹

The convenient 60/40 split-folding rear seat lets you easily make room for groceries, camping gear, flowers, mulch — you name it.

AVAILABLE ROOF RACK SIDE RAILS. With side rails smartly integrated into the roof, it's easy to add roof rack cross bars and dealer-installed accessories. So you can carry everything from bikes to boards to skis.

TOWS UP TO 3,500 LBS² With the available dealer-installed trailer hitch, standard Trailer Sway Control and standard Hill Start Assist, you can pull your camper or recreational vehicles with confidence.

¹ Cargo and load capacity limited by weight and distribution.
² Requires available 3.6L V6 engine. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and optional accessories may reduce the amount you can tow.
