

MALIBU 2015

CHEVROLET

Malibu LTZ in Iridescent Pearl Tricoat (extra-cost color) with available features.

THE MIDSIZE SEDAN THAT HAS IT ALL.

What does it take to craft a great midsize sedan? It's got to be smart, precise and ingenious in every way. The 2015 Malibu is just that. State-of-the-art connectivity, a remarkable 36 MPG highway¹ and undeniable good looks are just part of this story. With its impressive balance of all-around excellence, Malibu is a driving experience to remember.

FIND *NEW* ROADS™

¹ EPA estimated.

“HIGHEST RANKED MIDSIZE SEDAN IN INITIAL QUALITY.”¹

— J.D. POWER ON THE 2014 MALIBU

Malibu LTZ in Iridescent Pearl Tricoat
(extra-cost color) with available features.

MIDSIZE EVOLVED. In your search for a premium midsize sedan, expect the best. The 2015 Malibu rewards you with a confident, connected-to-the-road feel and upscale style that's an assertive departure from the mundane. With impressive fuel efficiency² and a finely crafted interior offering

spacious comfort for five, Malibu is an ingenious marriage of artistry and engineering.

DYNAMIC AERODYNAMICS. The sculpted lines are as functional as they are attractive. The chrome-accented grille with available hidden active blockers helps reduce wind

resistance while guiding airflow to help optimize fuel efficiency. Even the front fascia and side mirrors have been shaped and tested for peak aerodynamic performance, allowing Malibu to effortlessly slice through the air.

¹ The Chevrolet Malibu received the lowest number of problems per 100 vehicles among midsize cars in the proprietary J.D. Power 2014 Initial Quality Study.[™] Study based on responses from 86,118 new-vehicle owners, measuring 239 models and measures opinions after 90 days of ownership. Proprietary study results are based on experiences and perceptions of owners surveyed in February–May 2014. Your experiences may vary. Visit jdpower.com. ² EPA-estimated MPG (city/highway): Malibu with 2.5L 4-cylinder engine 25/36; 2.0L engine 21/30.

EXTERIOR DESIGN

Malibu LTZ in Iridescent Pearl Tricoat
(extra-cost color) with available features.

IMPRESSIVE DESIGN ALL THE WAY AROUND.

- 1. Available high-intensity discharge (HID) headlamps light the way ahead.*
- 2. Make Malibu your own with a choice of wheel options.*
- 3. Aerodynamic details guide airflow seamlessly around the vehicle body to help decrease wind resistance.*

A wide-angle photograph of the front and rear interior of a Malibu LTZ sedan. The car features light beige leather upholstery with dark stitching. The front seats are bucket seats with a contoured design. The rear seat is a bench seat with a fold-down center console. A sunroof is visible on the roof. The car is parked outdoors, and trees are visible through the windows.

INTERIOR DESIGN

***“IT’S LIKE AN ISLAND RESORT
ALL-INCLUSIVE EXPERIENCE, ONLY IN
FAMILY-FRIENDLY MIDSIZE SEDAN FORM.”***

— AUTOWEEK

Malibu LTZ interior in Cocoa/Light Neutral
(extra-cost color) with available features.

Malibu LTZ interior in Cocoa/Light Neutral (extra-cost color) with available features.

EXPECT EXCELLENCE.

- 1. Liquid-applied sound deadeners and triple door seals provide a superbly quiet cabin.*
- 2. Available behind-the-screen storage keeps valuable items out of sight.*
- 3. Thoughtful details include two dedicated storage areas for your cell phones.*

PRECISE ATTENTION TO DETAIL. Refined surfacing, premium materials and rich appointments are Malibu hallmarks.

ICE-BLUE AMBIENT LIGHTING. LT and LTZ set a luxury mood with ice-blue ambient lighting on the instrument panel and doors.

7-INCH DIAGONAL TOUCH-SCREEN.

Access available Chevrolet MyLink¹ via the intuitive 7-inch diagonal color touch-screen display. It's an easy way to stay connected while on the go.

SPACIOUS COMFORT. With plenty of leg room and sculpted seats, superb comfort is assured.

KEYLESS ACCESS. Experience next-level convenience with Keyless Access with Push-Button Start, available on LTZ.

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

TECHNOLOGY

Connected by  4G LTE

**STAY CONNECTED WHILE YOU'RE
AWAY FROM YOUR CONNECTION.**

INTERNET IN YOUR MALIBU. Chevrolet is the first and only car company to bring built-in 4G LTE Wi-Fi to cars, trucks and crossovers, offering drivers the ability to seamlessly connect their smart devices and vehicles to the Internet.¹

THE ULTIMATE MOBILE WI-FI HOTSPOT. Whenever your Malibu is on, available OnStar 4G LTE Wi-Fi is on too. It offers great signal quality and bandwidth for up to seven devices!

FAST, EASY, RELIABLE. Available built-in OnStar with 4G LTE Wi-Fi provides a better in-vehicle experience than your smartphone. Our stronger signal means you have a reliable connection. It's automatically on after initial setup and ready to connect to your mobile devices!

¹ Devices must be WPA2-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Visit onstar.com for details and system limitations.

CHEVROLET MYLINK. Available Chevrolet MyLink¹ allows you to make calls and select radio stations through voice commands, touch-screen buttons and steering wheel-mounted controls. Get around with available Chevrolet MyLink with Navigation¹, which includes 2-D/3-D maps, points of interest and a 3-month trial of SiriusXM NavTraffic.²

COLOR TOUCH-SCREEN. Stream content to the available 7-inch diagonal color touch-screen or use voice commands to access Pandora[®] Internet Radio.³ Enjoy commercial-free music, sports, comedy, talk and more through the 3-month trial subscription of the SiriusXM Satellite Radio² All Access Package available on most Malibu models. Connect

your flash drive or MP3 player through the USB port,⁴ and Gracenote[®] will even organize your music by populating song information.

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. ² If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travellink. XM satellite service is available only in the 48 contiguous United States and D.C. ³ Data plan rates apply. ⁴ Not compatible with all devices.

THE MOST MOBILE MALIBU EVER.

¹ Go to gmttotalconnect.com to find out which phones are compatible with the vehicle. ² Requires available Chevrolet MyLink and compatible iPhone running iOS 6 or later. ³ Available on select Apple, Android, BlackBerry and Windows devices. Services vary by device, vehicle and conditions. Requires active OnStar subscription which is standard for six months.

iPhone is a trademark of Apple Inc., registered in the U.S. and other countries.

BLUETOOTH. Keep in touch while keeping your hands on the wheel by using Bluetooth® wireless technology¹ for select smartphones. Pair your phone to make or receive calls while driving.

SIRI EYES FREE.² For compatible iPhone® users, the system allows limited hands-free interactions for those times when you need to read or compose text messages, make phone calls or play your favorite music.

PIONEER PREMIUM AUDIO SYSTEM. Enjoy superior performance sound with the available Pioneer® premium 9-speaker 250-watt amplified sound system.

MOBILE APPS. Use the OnStar RemoteLink® app³ to remotely start or turn off the engine, with factory-installed and enabled remote start, and lock or unlock your doors. It can even help you find your Malibu by honking your horn and flashing your lights in a crowded or dark parking lot.

PERFORMANCE

**“ONE OF THE SMOOTHEST-OPERATING
START/STOP SYSTEMS
ON THE MARKET.”**

— KELLEY BLUE BOOK'S KBB.COM¹

EFFICIENT ECOTEC POWER. Malibu doesn't skimp on power. The standard ECOTEC® 2.5L DOHC 4-cylinder engine offers an enhanced 186 lb.-ft. of torque, so it provides a great feeling of strength at lower speeds while delivering 196 horsepower (LS, LT and LTZ).

36 MPG ON THE HIGHWAY. With the 2.5L 4-cylinder engine, Malibu offers an EPA-estimated 36 MPG highway. Advanced fuel-saving technologies include Direct Injection and Variable Valve Timing.

PRACTICAL POWER. Continuously Variable Valve Timing adjusts airflow in and out of the combustion chamber for better fuel economy.² With Direct Injection, fuel is injected directly into the combustion chamber, which allows for a higher compression ratio and results in better fuel economy. When the Intake Variable Valve Lift Control system is in low-lift mode, the engine pumps only the air it needs for greater performance at lower speeds and offers excellent fuel economy. The system switches to high-lift mode at higher speeds or under heavy loads, providing full output capability for the engine.

INTELLIGENT STOP/START TECHNOLOGY. With innovative stop/start technology, stopping is what keeps you going. In certain conditions, the 2.5L engine will automatically shut off when the brake is applied and the car comes to a stop. When the brake is released, the engine automatically turns back on. The stop/start technology uses a reinforced Absorbent Glass Mat (AGM) starting battery. There's a beefed-up tandem-solenoid starter motor and even an auxiliary battery located in the rear of the car. It's a smart way to save gas² and improve efficiency. So smooth and seamless, you might not notice it at all.

¹ From 2014/2015 Chevrolet Malibu Buyers Embrace Start/Stop Technology on Kelley Blue Book's kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. ² EPA-estimated MPG (city/highway): Malibu with 2.5L 4-cylinder engine 25/36.

ALL THE FUN WITHOUT THE EXTRA FILL-UPS.

Malibu LTZ in Iridescent Pearl Tricoat
(extra-cost color) with available features.

POWER BOOSTER. Imagine the exhilaration of V6 power packed into a fuel-efficient 4-cylinder. The available turbocharged ECOTEC 2.0-liter engine, featuring double overhead camshafts and Continuously Variable Valve Timing, offers 259 horsepower and class-leading 295 lb.-ft. of torque. With an EPA-

estimated 30 MPG highway, you have both a thrilling ride and impressive efficiency.

SUPERIOR SMOOTHNESS. Malibu moves with confidence, thanks to a finely tuned independent suspension, precise electric-assisted rack-and-pinion steering and 4-wheel antilock disc brakes.

LONG-LASTING STOPPING POWER.

Innovative Duralife™ brake rotors have been hardened with a special patented process, resulting in rotors that can last up to twice as long as conventional rotors.

The integrated brake system is designed to help you maintain control by preventing wheel lockup and assists with stopping or decreasing vehicle speed. This is the quiet strength of excellence.

SAFETY

Malibu LTZ in Butte Red Metallic with Jet Black/Brownstone (extra-cost color) interior and available features.

OVERALL VEHICLE SCORE FOR SAFETY.¹

— NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION

Available Rear Vision Camera

Available Rear Cross Traffic Alert

Available Forward Collision Alert

OnStar[®] Automatic Crash Response

StabiliTrak[®] Electronic Stability Control System

¹ Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov). ² Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ³ Visit onstar.com for details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

HUGE ON SAFETY. Malibu received the highest possible Overall Vehicle Score for safety from NHTSA,¹ but this safety story doesn't end there.

A STRONG FOUNDATION. Ultra-high-strength steel is used throughout for a structure designed to be exceptionally strong and rigid. Advanced design is all around you in the 2015 Malibu.

10 STANDARD AIR BAGS. If a moderate to severe collision does occur, Malibu is designed to respond quickly with 10 standard air bags.²

AVAILABLE REAR CROSS TRAFFIC ALERT. Malibu helps to notify you of crossing traffic from behind while in Reverse.

AVAILABLE SIDE BLIND ZONE ALERT. Sensors help warn you when a vehicle enters your blind spot on either side, thanks to the innovative Side Blind Zone Alert.

AVAILABLE LANE DEPARTURE WARNING. If you unintentionally drift out of your lane without signaling, it sounds an audible alert to let you know.

AVAILABLE FORWARD COLLISION ALERT. Receive warning of possible front-end collision threats and use the steering wheel controls to adjust the closing speed range of the system.

THE SECURITY OF ONSTAR. In a crash, built-in sensors can automatically alert a specially trained OnStar Advisor, who is immediately connected into your vehicle to help you. OnStar Automatic Crash Response,³ standard for six months, uses GPS technology to locate you and dispatch help — even if you can't respond.

STABILITRAK ELECTRONIC STABILITY CONTROL SYSTEM. This standard safety technology is designed to improve vehicle stability on most road surfaces, especially during emergency maneuvers and difficult driving conditions.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

PEACE OF MIND

**COMPLETE
CARE**

WE'RE WITH YOU ALL THE WAY. Chevrolet Complete Care reflects our commitment to you and your new Malibu. We've got you covered with 2 years of included Scheduled Maintenance and 5 years of Roadside Assistance and Courtesy Transportation.

ONSTAR BASIC PLAN. Stay connected to everyone and everything that matters with the OnStar Basic Plan¹ included with your Malibu. You'll get OnStar RemoteLink[®] Key Fob Services², which allows you to start your car from afar with the available factory-installed remote vehicle starter system. It also lets you lock and unlock your doors, and activate your horn and lights from anywhere — using your smartphone or other mobile device. Plus, when you opt in for OnStar Vehicle Diagnostics³, we'll run monthly checks of your vehicle's engine, transmission, antilock brakes and more. And if you sign up for Dealer Maintenance Notification, we can send your diagnostic report directly to your preferred dealer to make scheduling service simple. Available OnStar 4G LTE with Wi-Fi gives you access to a high-speed 4G LTE Internet connection⁴ and an available built-in mobile Wi-Fi hotspot⁴ that can connect up to seven devices. For Emergency Services, Stolen Vehicle Assistance and other Advisor-based services, see additional OnStar plans.

YOUR COMPREHENSIVE OWNER BENEFIT PROGRAM.

2 years/24,000 miles of included Scheduled Maintenance.⁵

5 years/100,000 miles of Roadside Assistance⁶ and Courtesy Transportation.⁶

5-year/100,000-mile Powertrain Limited Warranty.⁶

3-year/36,000-mile Bumper-to-Bumper Warranty.⁶

6 years/100,000 miles of Rust-Through Protection.⁶

5 years of OnStar Basic Plan¹ including RemoteLink Key Fob Services.²

6 months of OnStar Directions & Connections[®] Plan.⁷

¹ Access is available for five years from the date of vehicle delivery and is transferable. Does not include any emergency services or other OnStar services. See onstar.com for details and system limitations. ² Access is available for five years from the date of vehicle delivery and is transferable. Does not include any emergency services or other OnStar services. To cancel RemoteLink Key Fob Services or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details. ³ Capabilities vary by model. Visit onstar.com for details and system limitations. ⁴ Devices must be WPA2-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Visit onstar.com for details and system limitations. ⁵ Covers only scheduled oil changes with filter and tire rotations according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details. ⁶ Whichever comes first. CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

CHEVROLET COMPLETE CARE Every new 2015 Chevrolet Malibu comes with 2 years/24,000 miles of scheduled maintenance that includes oil and filter changes, tire rotations and multipoint vehicle inspections. Covers only scheduled oil changes with filter and tire rotations according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4.ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes

and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-Car Sedan segment and latest available competitive information. Excludes other GM vehicles.

SPARE TIRE INFORMATION There is no standard jack or spare tire in the 2015 Chevrolet Malibu LS or 1LT. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.
