CHEVROLET

Suburban LTZ in Black
with available features.

**ALL-NEW 2015 SUBURBAN:
A BIG LIFE NEEDS MORE
OF EVERYTHING.**

The all-new Suburban offers more of everything you expect — uncommon spaciousness, commanding performance and ingenious safety technology. Whether it's soccer practice, a night out or a weekend at the cottage, Suburban is ready for anything. As Autoguide.com says, "There's no substitute for an American original, and that's exactly what the Chevrolet Suburban is."

EXTERIOR DESIGN

EXQUISITE DETAILS MAKE LASTING IMPRESSIONS.

1. For a sleeker look, the rear wiper is tucked under the rear spoiler at the roofline.
2. Projector-beam headlamps and rear LED taillamps add an upscale touch.
3. Available power-retractable side assist steps with perimeter lighting help passengers get in and out more easily and safely.

Champagne Silver Metallic.

COMMANDING PRESENCE. Suburban makes a striking design statement. The crisp profile and athletic stance contribute to this premium attitude.

WORLD-CLASS REFINEMENT. Sculpted side panels with a bold character line, subtly rounded front corners and tighter tolerances are hallmarks of the redesigned Suburban.

FINISHING TOUCHES. Suburban LTZ offers standard 20-inch polished-aluminum wheels. Or choose available 20-inch chrome-aluminum or premium 22-inch painted-aluminum wheels with chrome inserts.¹

¹ Use only GM-approved wheel/tire combinations. See gmaccessorieszone.com for details.

THE ROOM YOU NEED, ANY WAY YOU FOLD IT.

FIVE SECONDS ... FLAT. Suburban has the fastest available power-release second-row and power-folding third-row seats of any competitor. With the available power feature, the second- and third-row seats fold flat in less than five seconds.

ROOM FOR EVERYTHING. With the second- and third-row seats folded flat, you'll have 121.1 cu. ft. of cargo space.¹ An available programmable power liftgate helps make loading and unloading easy.

¹ Cargo and load capacity limited by weight and distribution.

INGENIOUS STORAGE OPTIONS.

1. Fold seats up, down or flat. With Suburban you have plenty of possibilities.
2. Door storage allows room for water bottles, umbrellas, maps and more.
3. The unique Cargo Management System keeps items hidden and organized.

TECHNOLOGY

STREAM MUSIC. Available Chevrolet MyLink¹ works with your compatible smartphone and Bluetooth[®] wireless technology² to stream music and entertainment through the Pandora[®] Internet Radio mobile app.³

PAIR UP TO 10 DEVICES. Store up to 60 favorites, including radio stations, contacts, destinations (requires available Chevrolet MyLink¹ Radio with Navigation), music and other media and pair up to 10 devices via Bluetooth wireless technology.²

STAY ENTERTAINED. The available Rear-Seat Blu-ray[®] Entertainment System lets rear-seat passengers shorten even the longest rides with their favorite movies.

PASSWORD-PROTECTED STORAGE. The available 8-inch diagonal color touch-screen slides up to reveal an area behind the display with space for cell phones, wallets or other valuables. This lockable space has a USB port⁴ to charge your smartphone or other devices.

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. ² Go to gmtotalconnect.com to find out which phones are compatible with the vehicle. ³ Data plan rates apply. ⁴ Not compatible with all devices.

SAFETY

***PREVENT.
PROTECT.
RESPOND.***

Suburban LTZ in
Champagne Silver Metallic.

THE MOST ADVANCED SUBURBAN EVER.

Suburban offers a full suite of available driver assist technologies that use strategically located cameras and radar sensors around the vehicle to warn drivers of potential risks on the road.

FRONT AND CENTER. Suburban helps protect you with a GM-exclusive seat-mounted Front Center Air Bag¹ (standard with front bucket seats). In addition, the six standard air bags provide impressive

protection in moderate to severe frontal, side and rollover crashes.

ONSTAR AUTOMATIC CRASH RESPONSE²

In a crash, built-in sensors can automatically alert a specially trained OnStar Advisor, who is immediately connected into your vehicle to help you. OnStar Automatic Crash Response, standard for six months, uses GPS technology to locate you and an injury severity prediction to dispatch the right help right away, even if you can't ask for it.

¹ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ² Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

THERE'S NO SUCH THING AS OVERPROTECTIVE.

FRONT AUTOMATIC BRAKING. Short-range radar and ultrasonic sensors in the bumpers of Suburban help prevent or mitigate collisions at low speeds. The available Front Automatic Braking system alerts the driver if the lead vehicle slows unexpectedly.

FORWARD COLLISION ALERT. This available feature warns the driver of possible front-end collision threats. Drivers can use the steering wheel controls to adjust the closing speed range of the system through a three-way (far, medium or near) gap setting.

LANE CHANGE ALERT. Working with available Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear quarter panels to help detect and warn the driver of fast-approaching vehicles in the adjacent lane from up to 230 feet away, not just in the side mirror blind zones.

REAR CROSS TRAFFIC ALERT. Using the same radar sensors as the available Side Blind Zone Alert feature, available Rear Cross Traffic Alert helps warn drivers of approaching traffic when backing up. If an approaching vehicle is detected, the driver is warned with visual and audible alerts.

KEEP YOUR SUBURBAN SAFE AND SECURE.

ADDED SECURITY. Protect your investment with the GM class-exclusive, available Theft Protection Package that includes glass breakage sensors, interior motion detectors and a revolutionary inclination sensor that measures any tilt of the vehicle.

UNDER LOCK AND KEY. Side-cut keys and special interior door shields deter lock picking and prevent access with "slim jims." Plus, advanced door lock cylinders make it extremely difficult to gain entry.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

PERFORMANCE

355^{HP} 383^{LB.-FT. TORQUE} 8,300^{LBS. MAX TOWING¹}

Suburban LTZ in Black
with available features.

TOWS UP TO 8,300 LBS. Suburban offers a maximum towing capability of up to 8,300 lbs! – that's plenty of power to tow boats, trailers, ATVs and whatever else you want to bring along.

ALL-NEW FRONT SUSPENSION. A tuned coil-over-shock front suspension features lighter, stiffer aluminum control arms and front springs that are 25% stiffer than before. The result is an exceptional ride and confident handling.

MAGNETIC RIDE CONTROL. Suburban LTZ features Corvette-inspired Magnetic Ride Control,[™] a real-time damping system that delivers a smooth, precise ride by “reading” the road a thousand times a second and changing damping in just 10–15 milliseconds.

THE ECOTEC3 ADVANTAGE. Three innovative technologies drive the all-new 5.3L EcoTec3 V8 engine. Direct Injection boosts power and fuel efficiency while reducing emissions. Active Fuel Management[™] deactivates four cylinders when extra power is not needed. Variable Valve Timing helps ensure Suburban performs at optimum power and efficiency. Bottom line? Better 2WD fuel economy than any competitor – an EPA-estimated 23 MPG highway² on 2WD models.

¹ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² Based on GM Large SUV segment. EPA-estimated MPG city/highway: Suburban 2WD 16/23.
