

SILVERADO HD 2018

CHEVROLET

3500HD Crew Cab Standard Box LT 4x4 in Cajun Red Tintcoat (extra-cost color) with available Duramax 6.6L Turbo-Diesel V8 engine, LT Convenience Package and dealer-installed 4-inch Round Chrome Tubular Assist Steps from Chevrolet Accessories.

CONFIDENCE THAT STANDS THE TEST OF TIME.

Advanced trailering technology. Legendary transmissions. Best-in-class available horsepower and massive torque numbers. These are the building blocks of heavy-duty trucks. The 2018 Silverado HD delivers all four to give you towing confidence every day.

Pair the available Duramax® 6.6L Turbo-Diesel V8 engine — creating a heavy-duty class-leading 445 horsepower and an incredible 910 lb.-ft. of torque — with the Allison® transmission and Silverado 3500HD can haul heavy trailers all day long.

Since Silverado is the most dependable, longest-lasting full-size pickup on the road,¹ that confidence and capability is going to last today, tomorrow and well into the future. No wonder J.D. Power named Silverado HD “Most Dependable Large Heavy Duty Pickup, Three Years in a Row.”²

¹ Dependability based on longevity: 1987–July 2016 full-size pickup registrations. ² The Chevrolet Silverado HD received the lowest number of problems per 100 vehicles among Large Heavy Duty Pickups in the J.D. Power 2015–2017 U.S. Vehicle Dependability Studies. 2017 study based on 35,186 total responses, measuring problems experienced during the past 12 months by original owners, surveyed October–December 2016. Your experiences may vary. Visit jdpower.com/cars.

THE TRUCK OF A LIFETIME.

A CENTURY OF CHEVY TRUCKS. For 100 years, Chevy trucks have been part of the American Dream. The partner you can count on in the fields, the factories and the work sites all across this great land. Together we've spent a century

building a nation and an unbreakable bond with our owners. And together, we're ready to take on the next hundred years. Learn more about the Chevy truck journey at chevrolet.com.

HIGH COUNTRY

POWERFUL MEETS PREMIUM.

3500HD Crew Cab Long Box High Country 4x4 DRW in Black with available Duramax 6.6L Turbo-Diesel V8 engine and factory-installed Fifth-Wheel/Gooseneck Prep Package.

BOLD LOOKS TAKEN EVEN HIGHER.

Body-color front and rear bumpers plus chrome 6-inch assist steps, mirror caps, door handles and grille inserts guarantee High Country always makes a strong design statement.

HEAVY-DUTY CAPABILITY. High Country has all the utility you expect, with a Trailering Package, cargo tie-downs, a spray-on bedliner, an integrated trailer brake controller and Digital Steering Assist.

REDEFINING RUGGED. The Saddle or Jet Black leather-trimmed interior elevates High Country comfort. Heated and vented perforated leather-appointed front bucket seats with embroidered head restraints come equipped with 12-way power adjustment.

A 7-speaker Bose® premium sound system, Chevrolet MyLink¹ Radio with Navigation and 8-inch diagonal color touch-screen, remote vehicle starter system, wireless charging pad² and full-feature floor-mounted console are the foundation of this ultimate interior.

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. ² The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details.

High Country interior in Jet Black with perforated leather appointments and Ash Gray interior accents.

THE COMPLETE HIGH COUNTRY EXPERIENCE. A heated leather-wrapped steering wheel, power-adjustable pedals and the Driver Alert Package with Front and Rear Park Assist, Lane Departure Warning, Forward Collision Alert and the Safety Alert Driver Seat are all standard.

SPECIAL EDITIONS

Available 2500HD Custom Sport Edition. Shown on Crew Cab Standard Box LTZ 4x4 in Summit White with available Duramax 6.6L Turbo-Diesel V8 engine and Chevrolet Accessories.

CUSTOM SPORT EDITION. Available on 2500HD and 3500HD Crew Cab LT and LTZ, the Custom Sport Edition includes aluminum wheels, Front and Rear Park Assist, a spray-on bedliner, a body-color grille and bumpers, and chrome door handles, mirror caps and bodyside moldings. Available in Summit White or Black.

MIDNIGHT EDITION. Everything's better after dark in the Silverado HD Midnight Edition. It includes the Z71 Off-Road Package, Black 18-inch wheels, Goodyear Wrangler DuraTrac® off-road tires, Black bumpers and grille, Black Chevy bowtie emblems, a bigger, bolder Z71 door emblem, a spray-on bedliner and more. Available on 2500HD Crew Cab LT and LTZ.

Available Midnight Edition, which includes the Z71 Off-Road Package. Shown on 2500HD Crew Cab Standard Box LT 4x4 in Black with available Duramax 6.6L Turbo-Diesel V8 engine.

6.6L Turbo-Diesel engine and other
features. Shown with dealer-installed
Toolbox and 6-inch Rectangular
Assist Steps from Chevrolet Accessories.

**THIS IS HOW WE
FLEX SOME MUSCLE.**

¹ 910 lb.-ft. of torque @ 1600 rpm with available Duramax 6.6L Turbo-Diesel V8 engine.

DURAMAX 6.6L TURBO-DIESEL. There are more than 1 million Duramax Diesel engines with Allison® transmissions on the road today with over 100 billion miles of experience. We've taken that proven power and perfected it in an available engine that churns out an earthshaking 910 lb.-ft. of torque¹, a heavy-duty class-leading 445 horsepower and all the towing confidence you'll ever need.

STRONG TO THE MAX. To create a 19% increase in max torque over the previous generation, we rethought nearly everything. Cylinder heads are stronger and stiffer, and our taller engine block

allows for a more robust piston design. The crankshaft has larger connecting rod journals, and an active drain crankcase oil separator allows for better operation when you're pulling big loads.

HIGH-INTAKE INDUCTION SYSTEM.

The patent-pending induction system in the Duramax Diesel uses two air inlets — through the hood scoop and near the fender — to satisfy the intake needs of this powerful engine, improve performance, and help ensure water and debris intake is a nonissue, even in extreme conditions.

SAY NO TO THE NOISE. The added horsepower and torque are benefits you can feel. But we didn't stop there. This engine also boasts reduced noise and vibration with acoustic rocker covers, isolated injectors and a full-length acoustic lower oil pan.

EXTREME TEMPS? NO TROUBLE.

Duramax glow plugs heat up rapidly and, together with Direct Injection, can help your Silverado HD start quickly in extreme cold temperatures. At the other end of the spectrum, the engine oil cooler, transmission cooler and turbo intercooler will give you confidence

when climbing steep grades in the hottest conditions.

THE LEGENDARY ALLISON TRANSMISSION.

To handle the 910 lb.-ft. of torque¹ generated by the Duramax Diesel, Chevy engineers chose Allison, maker of military tank transmissions, to design and build ours.

VORTEC™ 6.0L V8 ENGINE.

This powerplant, with a cast iron cylinder block, deep-skirt design and cross-bolted main bearing caps, has been a dependable workhorse for millions of Chevy truck owners.

TOWING

2500HD 4-door Double Cab Standard Box Z71 4x4 in Graphite Metallic with available Duramax 6.6L Turbo-Diesel V8 engine and dealer-installed 6-inch Chrome Rectangular Assist Steps from Chevrolet Accessories.

3500HD Crew Cab Long Box LTZ
4x4 DRW in Silver Ice Metallic
with available features.

¹ Requires available Trailing Package and spray-on bedliner. Not available with drop-in bed mat, drop-in bedliner or bed rug.

Silverado HD has the horsepower, torque and transmission necessary to pull a fishing boat, a front end loader and so much more. But it doesn't end there. We've equipped it with features that give you the ability to accelerate smoothly while pulling the heaviest trailers as well as help control and stop them.

FIFTH-WHEEL/GOOSENECK PREP PACKAGE. The biggest trailers require the best equipment. That's where the Fifth-Wheel/Gooseneck Prep Package¹ comes in. Available on every cab, this package includes a hitch platform ready to accept a gooseneck ball or fifth-wheel hitch, a box-mounted trailer harness, a spray-on bedliner, and all the necessary box and bedliner holes drilled and capped.

DIGITAL STEERING ASSIST. Delivering enhanced control on the highway and in the parking lot, this advanced technology provides ease of handling, stability at high speeds, maneuverability at low speeds, and excellent feel and response. Standard on Crew Cab LT, LTZ and High Country models and also on 4-door Double Cab LT and LTZ models equipped with a diesel engine.

1 Requires available Trailering Package and spray-on bedliner. Not available with drop-in bed mat, drop-in bedliner or bed rug.

1. REAR VISION CAMERA. The standard rear vision camera's dynamic guiding lines help provide peace of mind when hitching a trailer.

2. DIESEL EXHAUST BRAKE SYSTEM! This driver-selectable feature utilizes the turbocharger to create back pressure to help slow the vehicle on downhill grades.

3. TRAILER BRAKE CONTROLLER. Utilize your trailer brakes with an integrated trailer brake controller. The level of brake force or "gain" is displayed in the Driver Information Center. Standard on 3500HD and available on 2500HD.

4. FIFTH-WHEEL TRAILERING HITCH FROM CHEVROLET ACCESSORIES. When you need to handle the biggest trailers, it all starts with a durable fifth-wheel hitch. These available dealer-installed hitches² feature an easy drop-in design and standard receivers that fit most ball mount assemblies.

¹ Requires available Duramax 6.6L Turbo-Diesel V8 engine. ² Non-GM warranty. CURT™ provides a 10-year limited manufacturer's warranty (limited lifetime warranty on selected products). For details on the warranty provided by CURT™ Manufacturing, please call (877) 287-8634.

Trailing Camera System home screen shown. This available accessory allows you to view multiple angles of your trailer on your Silverado HD touch-screen.

TRAILERING CAMERA SYSTEM FROM CHEVROLET ACCESSORIES.

This available system from EchoMaster® helps eliminate blind spots, enhances your ability to line up your trailer and hitch when backing up, and can even let you keep an eye on important cargo such as horses or livestock in the trailer.

EchoMaster provides a 3-year/36,000-mile manufacturer's warranty.¹

TOW UP TO 23,300 LBS^{2,3} Silverado 3500HD has the brute strength to tow massive loads — up to 23,300 lbs.^{2,3} of fifth-wheel trailering and up to 20,000 lbs.^{3,4} of conventional towing.

HILL START ASSIST. To give you extra time to switch from the brake pedal to the accelerator without rolling back, under certain conditions Hill Start Assist holds the brakes momentarily or until you press the accelerator.

STABILITRAK WITH TRAILER SWAY CONTROL. To help keep your truck and your trailer heading in the same direction, StabiliTrak® with Trailer Sway Control automatically detects a swaying trailer and applies both the vehicle and the trailer brakes (if properly equipped) to help bring it back in line.

¹ Whichever comes first. See dealer for details. Not covered under the GM New Vehicle Limited Warranty. ² Requires 3500HD Regular Cab 4x4 DRW with available Duramax 6.6L Turbo-Diesel V8 engine. ³ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁴ Requires 3500HD DRW when properly equipped with available Duramax 6.6L Turbo-Diesel V8 engine.

PAYLOAD

2500HD Crew Cab Standard Box LTZ 4x4 in Cajun Red Tintcoat (extra-cost color) with available Duramax 6.6L Turbo-Diesel V8 engine, Z71 Off-Road Package and Chevrolet Accessories.

BROAD SHOULDERS CARRY THE LOAD. Go ahead, pile it on. Silverado HD provides a roll-formed steel pickup box along with big payload numbers across the entire Regular Cab, 4-door Double Cab and Crew Cab lineup. Head to the specs section at the back of this catalog for all the details.

EZ LIFT & LOWER TAILGATE. Dampened by a torsion spring, the EZ Lift & Lower tailgate is standard on LT, LTZ and High Country. It opens smoothly with no thud and can be closed with one hand, so you can load and unload cargo easily.

CONVENIENT CARGO BED LAMPS. Available LED lamps under the bed rails illuminate the bed – perfect for those times when the work day turns to work night or when the tonneau cover is on.

1. GIVE THAT MAN A HAND. Pocket hand grips built into the top of the side rails provide a boost into the bed.

2. STEP UP TO THE BIG TIME.

The CornerStep rear bumper with nonslip treads also makes it easy to reach the cargo you're carrying.

3. TOUGH TIE-DOWNS. Four standard lower tie-downs and available upper tie-downs can be positioned in numerous locations to help secure cargo.

4. DEFEND AGAINST DAMAGE. Standard bed rail protectors and an available factory-installed spray-on bedliner help prevent scratches and dings.

ENGINEERING

2500HD 4-door Double Cab LT in Deep Ocean Blue Metallic (extra-cost color) with available Alaskan Edition and snow plow upfit from an independent supplier.³

SHOW THE SNOW WHO'S BOSS.

¹ Requires 3500HD Regular Cab 2WD DRW with Vortec 6.0L V8 engine. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. ² Requires available Snow Plow Prep Package. ³ Equipment from independent suppliers is not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety or quality of independent supplier alterations.

FULLY BOXED FRAME. The HD frame uses high-strength steel for the fully boxed frame rails. Cross members provide lateral support. The front frame segments are hydroformed, a process that minimizes weight without sacrificing strength. Three-inch-wide leaf springs are mounted to the rear frame to help achieve a maximum payload rating of 7,153 lbs.¹ on the Regular Cab model. The torsion bar front suspension helps shoulder Front Gross Axle Weight Ratings of up to 6,000 lbs.²

HIGH-STRENGTH STEEL. The frame is precisely tuned to help squelch vibration for a smoother ride and confident handling. And to help create a quiet cab, nearly two-thirds of the HD cab structure is made with high-strength steel, including the pillars, roof rails and rocker panels.

ROLLED, NOT STAMPED. The HD pickup bed benefits from high-strength steel too. HD features a roll-formed steel pickup box floor, which is lighter, stronger and more durable than traditional stamped-steel boxes used by competitors.

CORROSION-RESISTANT DURALIFE™ BRAKE ROTORS. Chevy engineers used patented ferritic nitrocarburizing (FNC) technology to help resist rust and increase rotor life.

Z71 OFF-ROAD PACKAGE. This available package includes Rancho® twin-tube shocks, an underbody Skid Plate Package, Hill Descent Control and all-terrain tires, giving you everything you need to take your Silverado off-road.

THE POWER TO PLOW. With the available Snow Plow Prep Package, Silverado HD 4x4 is ready with a beefed-up Front Gross Axle Weight Rating, powerful alternator, forward lamp wiring harness, Skid Plate Package and more.

ALASKAN EDITION. The Silverado HD Alaskan Edition includes the Snow Plow Prep Package, 18-inch Black aluminum wheels, Goodyear Wrangler® all-terrain tires, Smoked Amber roof marker lamps and beacon, Alaskan Bear graphics and a spray-on bedliner. Available on 2500HD and 3500HD WT and LT models (SRW only).

THE MOST COMPREHENSIVE LINEUP IN THE INDUSTRY.

Left to right: Silverado 3500HD Regular Cab WT 4x4 DRW, Silverado 2500HD 4-door Double Cab Standard Box WT 4x4, Low Cab Forward 4500 with an upfit from an independent supplier,³ Silverado 1500 4-door Double Cab LS 4x4, Silverado 1500 Regular Cab Long Box WT, Silverado 3500HD Regular Cab Chassis Cab WT with a dump body from an independent supplier,³ Colorado Crew Cab Long Box WT, Express 2500 Cargo Van WT and 2017 City Express LS. Vehicles shown with available features and Chevrolet Accessories.

COMMERCIAL VEHICLES

WE MEAN BUSINESS. For nearly 100 years, Chevy has partnered with small business owners to do whatever it takes to get the job done. Our dealers can show you how our portfolio of vehicles – from trucks, vans and SUVs to cars and crossovers – can help your business run more efficiently. Because business is all about the bottom line, you'll be happy to know the Chevrolet

Silverado is the most awarded commercial pickup truck in America by Vincentric.¹

TAILORED FOR YOUR BUSINESS. The Business Choice Program allows small business owners to choose from a variety of upfit and accessory options to ensure work vehicles are cost-effective and properly equipped.

BUSINESS ELITE DEALERS. Chevrolet Business Elite Dealers provide owners with a team of expert sales consultants to help select the right vehicles for the job. Plus, every Business Elite service department has the facilities, tools, equipment and certified technicians to accommodate your specific needs.

COMMERCIAL LINK. This platform, available through OnStar,² provides small business owners with the tools, reporting and customization needed to optimize costs and reduce vehicle downtime. Access key information such as location, fuel efficiency, speed, miles driven and maintenance needs to help keep your business running at maximum efficiency. To learn more and to receive your 30-day trial, please visit chevroletcommercialink.com.

¹ Based on the 2006–2017 Vincentric Fleet Awards analysis of the full-size 1/2-ton, 3/4-ton, and 1-ton pickup segments. ² Visit onstar.com for coverage map, details and system limitations. ³ Equipment from independent suppliers is not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety or quality of independent supplier alterations.

A wide-angle photograph of the interior of a Chevrolet 2500HD Crew Cab LTZ. The view is from the driver's side looking towards the passenger side. The front seats are upholstered in light-colored perforated leather with dark stitching. The dashboard and center console feature dark wood grain accents. The steering wheel has the Chevrolet bowtie logo. Large windows provide a view of a scenic landscape with rolling hills and trees under a clear sky.

INTERIOR DESIGN

2500HD Crew Cab LTZ interior in
Dune with perforated leather
appointments and Cocoa
interior accents.

**ALL THE ROOM YOU
NEED TO ROAM.**

2500HD Crew Cab LTZ interior in Dune with perforated leather appointments and Cocoa interior accents.

AN EFFORTLESS ALL-DAY DRIVE.

Resilient dual-firmness foam helps the seats retain their support over time, which is especially important for Silverado HD drivers and passengers who spend a lot of time in their trucks.

EVEN TRUCK GUYS NEED QUIET TIME.

There's no better spot to make a call or plan the next job. The cabin is quiet, thanks to exterior aerodynamics, inlaid and triple-sealed doors, thick windshield glass and sound-deadening materials.

POWER PLAYER. You're never far from a power supply: Depending on the model you choose, stay charged with multiple USB ports,¹ up to four auxiliary power outlets and an available 110-volt outlet.

HOLD EVERYTHING. Upper and lower glove boxes give the whole crew a place to store all kinds of items. And with a number of storage areas throughout, everyone has a spot for their gear.

¹ Not compatible with all devices.

1. YOUR OFFICE GOES ANYWHERE.

With an available center console storage compartment designed to double as a file cabinet, Silverado HD puts your business on wheels.

2. INFO AT A GLANCE. An available 4.2-inch diagonal color Driver Information Center lets you choose what information you see and how you see it.

3. SPACIOUS SEATING. SUPER STORAGE. Forward-hinged rear doors provide easy access to the rear seats. Those seats can be folded up to provide extra space for tools, luggage or whatever else you want to keep inside.

TECHNOLOGY

1. MYLINK. DONE YOUR WAY.

Chevrolet MyLink¹ lets you arrange icons and features on the standard 7-inch or available 8-inch diagonal color touch-screen. Store up to 60 favorites, including radio stations, contacts and even destinations (requires available Chevrolet MyLink¹ Radio with Navigation).

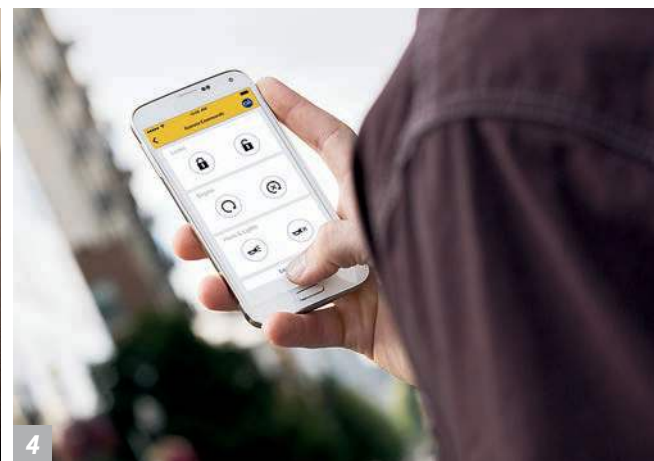

2. ONE TOUCH. TOTAL CONTROL.

Steering wheel-mounted controls allow you to activate available Bluetooth^{®2} phone functions, set the cruise control, engage the available heated steering wheel and more. All knobs and buttons are large enough to accommodate gloved hands.

3. FULL-TIME POWER. An available wireless charging³ station lets you conveniently charge your cell phone.

4. myChevrolet Mobile App⁴

Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off the engine, lock/unlock the doors, send destinations to your available Chevrolet MyLink¹ Radio with Navigation touch-screen, view key vehicle diagnostic information, set parking reminders and more.

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. ² Visit my.chevrolet.com/learn for vehicle and smartphone compatibility. ³ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details. ⁴ Requires active OnStar service, compatible device, factory-installed remote start and power locks. Data rates apply. Visit onstar.com for details and system limitations.

WORK YOUR CONNECTIONS.

Chevrolet offers OnStar 4G LTE plus an available built-in Wi-Fi® hotspot¹, providing a fast and reliable connection with bandwidth for up to seven devices, offering a better in-vehicle experience than your smartphone.

¹ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T.

SAFETY

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

SAFE. STRONG. SILVERADO HD.

With the available Driver Alert Package, you get features that help alert you to the unexpected. This package includes a Safety Alert Driver Seat, Lane Departure Warning, Forward Collision Alert, and Front and Rear Park Assist.

SAFETY ALERT DRIVER SEAT. This available seat uses directional vibration pulses from the seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential collision threats. This patented warning approach is tied into other onboard crash avoidance systems.

LANE DEPARTURE WARNING. If you unintentionally change lanes (without a turn signal), this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Silverado HD is following a detected vehicle much too closely.

FRONT AND REAR PARK ASSIST. Ideal when pulling into a parking spot at low speeds, this available system senses stationary objects and alerts you if an object is too close. The rear vision camera automatically displays a live image of the area behind the vehicle on the screen in the center stack after you shift into Reverse.

REAR VISION CAMERA. When the transmission is in Reverse, the rear vision camera with dynamic guiding lines allows the driver to view objects directly behind the vehicle via the screen in the center stack. So it's easier to back up, park or hook up a trailer.

ABS BRAKES. Four-wheel, four-channel, antilock disc brakes (ABS) help provide straight, more controlled stops by preventing wheel lockup in most road conditions.

TEEN DRIVER. This technology helps encourage better driving habits in a number of ways. It includes an in-vehicle report card that displays the frequency of select available safety tech feature (if equipped) activations. It mutes the audio system when front-seat occupants aren't wearing their safety belts, and gives audible and visual warnings when the vehicle is traveling over a predetermined speed.

ONSTAR AUTOMATIC CRASH RESPONSE! In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected into your Silverado HD to see if you need help — even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. Automatic Crash Response is included in the OnStar Guidance Plan² limited service trial (available on WT).

LEGENDARY TRUCKS. LOYAL OWNERS. ARE YOU A LEGEND?

CHEVY TRUCK LEGENDS. When you've been building pickups for 100 years, one thing you learn is there's a story behind every truck. And we want to hear yours. Chevy Truck Legends honors our dependable, long-lasting trucks and the people who keep them going strong.

If you've owned more than one eligible Chevy truck or driven one over 100,000 miles, you're a legend. At chevytrucklegends.com, discover the benefits that come with membership. Explore the galleries and read about the relationship owners have with their Chevy trucks.

¹ These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. ² Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

SELECT VEHICLE FEATURES

SILVERADO HD WT WT includes:
Vortec 6.0L V8 engine with Variable Valve Timing
6-speed electronically controlled heavy-duty automatic transmission with overdrive, Tow/Haul mode, cruise grade braking and powertrain grade braking ¹
Auxiliary external transmission oil cooler and external engine oil cooler
Heavy-duty automatic locking rear differential
4-wheel antilock disc brakes with Duralife brake rotors
Trailer Package ² and integrated trailer brake controller (3500HD models)
Air bags: ³ single-stage frontal and thorax side-impact for driver and front passenger and head-curtain for front and rear outboard seating positions (2500HD Crew Cab models); single-stage frontal for driver, dual-stage frontal for front passenger, thorax seat-mounted side-impact for driver and front passenger, head-curtain for front and rear outboard seating positions, Passenger Sensing System with infant-only suppression for front passenger, and passenger safety belt reminder status displayed on overhead console (2500HD 4-door Double Cab and Regular Cab models); single-stage frontal for driver and front passenger (3500HD models)
StabiliTrak Electronic Stability Control System with Proactive Roll Avoidance and Traction Control; includes electronic Trailer Sway Control and Hill Start Assist
Teen Driver technology
Daytime running lamps with automatic exterior lamp control
Halogen projector-beam headlamps
Outside manual Black mirrors (2500HD models)
Outside high-visibility vertical Black trailering mirrors, manual-folding and manual-extending, with lower convex spotter glass (3500HD models)
Chrome grille surround
Chrome front bumper and chrome CornerStep rear bumper
Black recovery hooks
Black door handles
Locking tailgate
Tailgate and bed rail protection caps
Capless fuel filler (gasoline engines)
17" painted-steel wheels (2500HD models)
18" painted-steel wheels (3500HD SRW models)
17" painted-steel wheels (3500HD DRW models)
Rear vision camera
Chevrolet MyLink ⁴ Radio with 7-inch diagonal color touch-screen display
Driver Information Center with 3.5-inch diagonal monochromatic display
Single-zone climate control with air conditioning
Cruise control
Power door locks
Front 40/20/40 reclining split-bench 3-passenger seat with outboard head restraints and center fold-down armrest with storage; cloth seat includes manual-adjustable driver lumbar control

¹ Requires Vortec 6.0L V8 engine. ² Not available with pickup box delete or rear bumper delete. ³ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ⁴ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. ⁵ Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. ⁶ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. ⁷ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T.

SILVERADO HD WT (CONTINUED)
Rear full-width folding 3-passenger bench seat (4-door Double Cab models)
Rear 60/40 split-folding 3-passenger bench seat (Crew Cab models)
Driver and front passenger assist handles on A-pillars
Graphite-color rubberized vinyl flooring
Power windows with express-down and driver express-up/-down (Crew Cab and 4-door Double Cab models)

SILVERADO HD LT In addition to or replacing WT features, LT includes:
Digital Steering Assist (Crew Cab and 4-door Double Cab diesel models)
OnStar Guidance Plan ⁵ with limited service trial, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Advanced Diagnostics and more (trial excludes Hands-Free Calling Minutes)
Outside heated power-adjustable body-color mirrors with driver spotter mirror (2500HD models)
Outside heated power-adjustable vertical Black trailering mirrors, upper glass, manual-folding and manual-extending, with integrated turn signal indicators, auxiliary cargo lamp for backing up and amber auxiliary clearance lamp (3500HD models)
Body-color bodyside moldings
Body-color door handles
EZ Lift & Lower tailgate
Remote locking tailgate
Rear wheelhouse liners (2500HD models and 3500HD Crew Cab and 4-door Double Cab models; not available with DRW)
17" machined-aluminum wheels (2500HD models)
18" chromed-aluminum wheels (3500HD SRW models)
17" painted-steel wheels with chrome overlay and center caps (3500HD DRW models)
Chevrolet MyLink ⁴ Radio with 8-inch diagonal color touch-screen display
Single-slot CD/MP3 player
HD Radio [®]
SiriusXM Satellite Radio [®] All Access Package with 3-month trial subscription
OnStar 4G LTE and built-in Wi-Fi [®] hotspot ⁷ for up to seven devices; includes data trial for 3 months or 3 GB (whichever comes first)
Driver Information Center with 4.2-inch diagonal multi-color display
Leather-wrapped steering wheel with steering wheel-mounted controls for audio and cruise
Remote Keyless Entry
Front 40/20/40 reclining split-bench 3-passenger seat with manual-adjustable driver lumbar control, outboard head restraints, center fold-down armrest with storage, lockable storage compartment in seat cushion and storage pockets
Driver and front passenger visors with illuminated vanity mirrors
Color-keyed carpeting with rubberized vinyl floor mats (Crew Cab and 4-door Double Cab models include second-row floor mats)
Power windows with express-down and driver express-up/-down (Regular Cab models)
Deep-tinted rear windows (Crew Cab and 4-door Double Cab models)

SELECT VEHICLE FEATURES (CONTINUED)

SILVERADO HD LTZ In addition to or replacing LT features, LTZ includes:
Trailer Package ¹ and integrated trailer brake controller (2500HD models)
Outside heated power-adjustable power-folding mirrors with chrome caps, integrated turn signal indicators and puddle lamps; includes driver-side auto-dimming feature and driver spotter mirror (2500HD models)
Outside heated power-adjustable vertical chrome trailer mirrors, memory-equipped, upper glass, power-folding and manual-extending, with integrated turn signal indicators, auxiliary cargo lamp for backing up and amber auxiliary clearance lamp (3500HD models)
Chrome bodyside moldings
Chrome door handles
6" chrome rectangular assist steps (2500HD and 3500HD models with available Duramax 6.6L Turbo-Diesel engine)
Foglamps
18" chromed-aluminum wheels (2500HD models)
Remote vehicle starter system
Dual-zone automatic climate control
Auto-dimming inside rearview mirror
Power-sliding rear window ²

NEW VEHICLE LIMITED WARRANTY

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY Every 2018 Chevrolet Silverado HD comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. Silverado HD equipped with a 6.6L Duramax Turbo-Diesel V8 engine comes with a 5-year/100,000-mile (whichever comes first) Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY Chevrolet will warrant each 2018 Silverado HD from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

¹ Maintenance visits must occur within two years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. ² Whichever comes first. See dealer for details. ³ Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations. ⁴ Requires active OnStar service, compatible device, factory-installed remote start and power locks. Data rates apply. Visit onstar.com for details and system limitations. ⁵ Visit onstar.com for coverage map, details and system limitations. ⁶ Cargo and load capacity limited by weight and distribution.

IMPORTANT INFORMATION

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other

printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Pickup segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935) GM MobilitySM offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

THE BUYPOWER CARD The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
