

SONIC 2018

CHEVROLET

HATCH OR SEDAN: CHOOSE YOUR OWN ADVENTURE.

Get ready for all the good things in life. The 2018 Sonic is packed with exciting features and better ideas. For starters, Sonic lets you choose from either Hatchback or Sedan models, with a full spectrum of color and package choices.

From the signature LED daytime running lamps up front to the striking taillamps out back, discover style that's hard to resist. Inside, you're in command of an info-packed gauge cluster, an available heated steering wheel¹ and multiple ways to connect your smart devices.

Plus, Sonic was named "Most Dependable Small Car" by J.D. Power in 2017.² So you can be assured you're making a smart choice.

FIND *NEW* ROADS™

¹ Sedan only. ² The Chevrolet Sonic received the lowest number of problems per 100 vehicles among Small Cars in the J.D. Power 2017 U.S. Vehicle Dependability Study, based on 35,186 total responses, measuring problems experienced during the past 12 months by original owners, surveyed October–December 2016. Your experiences may vary. Visit jdpower.com/cars.

Sonic Premier RS Hatchback in Summit White. Sonic Premier Sedan in Arctic Blue Metallic.

**J.D. POWER NAMED SONIC
“MOST DEPENDABLE SMALL CAR.”²**

DESIGN

YEP, THERE'S ROOM FOR THAT.

Sonic Hatchback offers seating for up to five, plus 19 cubic feet of cargo space behind the rear seat.¹ Sonic Sedan has 14.9 cubic feet of trunk storage¹ — that's more room than Toyota Corolla Sedan offers and more room for your stuff.

ONE-TWO GLOVE BOX. Sonic features upper and lower glove box compartments, so you can keep twice the number of things — like two pairs of sunglasses, extra flavors of breath mints and, of course, your gloves — all in a handy place.

SPORTY RS STYLE. Sonic with the available RS Package features a racing-inspired flat-bottom steering wheel that's leather-wrapped with contrasting stitching, deluxe carpeted front and rear floor mats, and a Piano Black-accented instrument panel.

¹ Cargo and load capacity limited by weight and distribution.

1

2

3

1. FLEXIBILITY PLUS. With the split-folding rear seats folded down, Sonic Hatchback can provide up to 47.7 cubic feet of flexible storage space¹

2. FREEDOM FROM THE START. Keep your key in its place — like your pocket or purse. Available Keyless Open and Start provides a simple way to get going every day.

3. INFOTAINMENT, ALWAYS READY. You'll find all your infotainment is nearby on the Chevrolet MyLink² 7-inch diagonal touch-screen. Heated front seats, a heated steering wheel³ and a segment-exclusive power driver seat are all available to take Sonic comfort to a higher level.

¹ Cargo and load capacity limited by weight and distribution. ² Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player. ³ Sedan only.

TECHNOLOGY

INTERNET IN YOUR SONIC. Chevrolet offers OnStar® 4G LTE plus an available built-in Wi-Fi® hotspot¹, providing a fast and reliable connection with bandwidth for up to seven devices, offering a better in-vehicle experience than your smartphone.

CHEVROLET MYLINK² This system features a standard 7-inch diagonal color touch-screen. With a compatible smartphone, the system allows you to answer calls and receive text messages hands-free and access a broad range of functions. There's also Bluetooth® wireless technology³ standard on all models, as well as available OnStar⁴ and SiriusXM Satellite Radio⁵. Choose from over 150 channels of commercial-free music, live sports, news, talk and entertainment.

Apple CarPlay™ COMPATIBILITY⁶

Take some of your favorite compatible iPhone® features and put them on your vehicle's touch-screen display in a smart, simple manner. Access your Phone, Music, Maps and Messages, as well as some of your other favorite apps (e.g., iHeartRadio⁷ and Pandora® Internet Radio⁷).

ANDROID AUTO COMPATIBILITY⁸

You can quickly and intuitively interact with select smartphone apps with support for Android Auto™⁸. This system takes some of your compatible Android phone's features and puts them on the Chevrolet MyLink² display. You can access your phone, text messages, music, navigation and more.

¹ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. ² Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player. ³ Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. ⁴ Visit onstar.com for details and system limitations. ⁵ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travellink. ⁶ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁷ Data plan rates apply. ⁸ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply.

PERFORMANCE

Sonic Premier RS Hatchback
in Orange Burst Metallic
(extra-cost color).

UP TO
37 MPG¹
HIGHWAY/28 MPG CITY

AVAILABLE
1.4L
TURBOCHARGED ENGINE

138
HORSEPOWER

GO TURBO. The ECOTEC® 1.4L turbocharged engine, available on LT and standard on Premier, offers up to an EPA-estimated 37 MPG highway with the 6-speed manual transmission. It also delivers 138 horsepower and 148 lb.-ft. of torque. Sounds like fun, doesn't it?

SO MANY CHOICES. When it comes to transmissions, you've got options. A 6-speed manual is available on LT and standard on Premier with the 1.4L turbo, while LS comes standard with a 5-speed manual. Plus, a 6-speed automatic is available on all models.

MAKE IT AN RS. The RS Package, standard on Hatchback and available on Sedan, features a sport body kit and RS-specific aluminum wheels along with Black Chevrolet bowties, custom rocker panels and foglamps. Interior highlights include a Piano Black-accented instrument panel and a flat-bottom leather-wrapped steering wheel.

PREMIER RS. On Premier models, the RS Package includes 17-inch Black-painted aluminum wheels and a sport suspension, while the interior is upgraded with heated Jet Black leatherette front seats with RS lettering and sueded microfiber inserts.

¹ EPA estimate for Sonic with 1.4L turbocharged 4-cylinder engine and 6-speed manual transmission.

SAFETY

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

SONIC IS SAFE AND SOUND. AND PRETTY SMART TOO.

Whether you're on the road or in a parking lot, the available innovative active safety technologies in Sonic use strategically located cameras and sensors to help warn you of potential collisions.

FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Sonic is following a detected vehicle much too closely.

LANE DEPARTURE WARNING. If you unintentionally change lanes without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

REAR VISION CAMERA. When traveling in reverse at low speeds, the rear vision camera provides a real-time picture of the area immediately behind your Sonic on the 7-inch diagonal color touch-screen display.

REAR PARK ASSIST. This available feature helps you back up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

STABILITRAK® ELECTRONIC STABILITY CONTROL. In challenging weather and road conditions, this standard system helps you stay the course by detecting the difference between the path being steered and the direction the vehicle is actually going. It then uses the brakes and, if necessary, adjusts engine torque to help you keep your Sonic on track. This innovative safety technology is especially helpful during emergency maneuvers and difficult driving conditions.

ONSTAR AUTOMATIC CRASH RESPONSE! In a crash, built-in sensors can automatically connect you to a specially trained OnStar Advisor who will help you get the assistance you need — even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response is included in the OnStar Guidance Plan² limited service trial.

17" Black-painted aluminum wheels
Keyless Open and Start
Enhanced Driver Information Center
Leatherette seating surfaces with sueded microfiber inserts
Heated front seats
6-way power-adjustable driver seat

1 A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

Visit onstar.com for details and system limitations. ⁵ Visit onstar.com for coverage map, details and system limitations. ⁶ Cargo and load capacity limited by weight and distribution.

IMPORTANT INFORMATION

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other

printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Small Car segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs.
