

SILVERADO 1500 LD 2019

CHEVROLET

Silverado LD 4-door Double Cab
Standard Box LT Z71 Midnight Edition
4x4 in Black.

SILVERADO 1500 LD DOES MORE. BECAUSE NOTHING LESS WILL DO.

Strong. Capable. Advanced. These aren't just words to us. They're the cornerstones of every Silverado 1500 LD we build. That's true for the 2019 Silverado 1500 LD, and it will be just as true for our all-new Silverado introduced this year.

The hardworking, powerfully efficient 5.3L EcoTec3 V8 engine provides driving confidence whenever you're behind the wheel. High-strength steel and available advanced safety and connectivity features create a formidable combination of durability and intelligence.

The 2019 Silverado 1500 LD. Built for truck people, by truck people. And still the most dependable, longest-lasting full-size pickups on the road!

¹ Dependability based on longevity: 1987–July 2017 full-size pickup registrations.

FIND NEW ROADS™

CAPABILITY

Silverado LD 4-door Double Cab LT 4x4 in Red Hot with available features and dealer-installed Chevrolet Accessories.

¹ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

THE 5.3L ECOTEC3 V8 ENGINE.

Building on a legendary small block heritage, our 5.3L V8 engine generates 355 horsepower and 383 lb.-ft. of torque. It also uses three fuel-saving technologies — Direct Injection, Active Fuel Management™ and Continuously Variable Valve Timing.

HYDROFORMED FRAME. Silverado LD uses a boxed frame comprised of both hydroformed and high-strength steel components. Many of the cross members are through-frame welded for lateral support. This stiff frame combines with shear-style and hydraulic body mounts so you can ride in comfort while hauling, towing and tackling rugged terrain.

A STRONG BED AND BOX. Demonstrations by Chevrolet have shown aluminum beds are more susceptible to puncture than the Silverado LD high-strength steel bed. Our bed is stronger, lighter and more durable than a traditional stamped steel bed. For easy access to the box, you'll find pocket hand grips built into the top of the side rails as well as a CornerStep rear bumper.

YOU HAVE A LOT OF PULL. Leaving your trailer behind isn't an option. With Silverado LD you won't have to. That's because you can tow up to 9,400 lbs! with 2-wheel-drive models.

1. REAR VISION CAMERA! Standard on Silverado LD, this feature incorporates dynamic guiding lines that show where the vehicle will track, providing confidence when hitching up a trailer.

2. TRAILER BRAKE CONTROLLER. Utilize your trailer brakes with an available integrated trailer brake controller. The level of brake force or “gain” is displayed in the Driver Information Center. The brake controller seamlessly integrates with your trailer brakes during normal braking and with Trailer Sway Control.

3. SPRAY-ON BEDLINER. When you need a thick layer of durable protection between your bed and cargo, this available bedliner does the job. The tailgate is also covered to help protect its surface.

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

1. STAY INFORMED AND ENTERTAINED.

In Silverado LD, you can arrange icons and features on the standard Chevrolet Infotainment System¹ with color touch-screen. Store up to 60 favorites, including radio stations and contacts.

2. WORK YOUR CONNECTIONS.

Chevrolet offers available built-in 4G LTE Wi-Fi² that provides a better in-vehicle experience than your smartphone. Our strong signal means you have a fast and reliable connection for up to seven devices.

3. myChevrolet Mobile App.³ Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off your engine, lock or unlock your doors⁴ (requires paid subscription after trial), send destinations to your available navigation⁵ system, view key vehicle diagnostic information, set parking reminders and more. Requires available Remote Access Plan.⁶

4. SAFETY IS OUR STRONG SUIT.

To protect your most important cargo, Silverado LD features a high-strength steel safety cage and six airbags⁷, including dual-stage frontal airbags. There are also head-curtain airbags with rollover protection and front seat-mounted side-impact airbags (Crew Cab structure shown).

¹ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ² Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Vehicle must be on or in accessory mode for Wi-Fi to function. Visit onstar.com for details and limitations. ³ Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Device data connection required. ⁴ Requires paid subscription. Services are subject to User Terms and limitations. ⁵ Send-to-Navigation requires subscription. Service varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada. ⁶ Remote Access Plan does not include emergency or security services. Visit onstar.com for details and limitations. ⁷ A NOTE ON CHILD SAFETY: Sitting too close to an airbag when it deploys can increase the risk of serious injury or death. Always properly wear your seat belt. Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

Silverado LD LT interior
in Jet Black cloth with
available features.

ALL-DAY DRIVING COMFORT. Resilient dual-firmness foam helps the seats retain their support over time, which is especially important for Silverado LD drivers and passengers who spend a lot of time in their trucks.

STORAGE FOR ALL YOUR STUFF. Upper and lower glove boxes and “grab and go” storage pockets are integrated into the doors so everything is within easy reach.

YOU'RE IN CHARGE. You're never far from a power supply. Depending on the model you choose, there are multiple USB ports¹; up to three auxiliary power outlets and an available 110-volt outlet.

ONE TOUCH. TOTAL CONTROL. With available steering wheel-mounted controls, you can activate Bluetooth^{®2} phone functions, set the cruise control and more. All knobs and buttons are large enough to accommodate gloved hands.

¹ Not compatible with all devices. ² Visit my.chevrolet.com/learn for vehicle and smartphone compatibility.

Cargo Bed Width at Floor	64.6"
Cargo Bed Height	21.1"

FUEL TANK (APPROXIMATE)	26 gallons
SEATING	6
CARGO VOLUME ⁵	61.0 cubic feet

¹ Gross Combination Weight Rating. ² Gross Vehicle Weight Rating. ³ When properly equipped. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. ⁴ When properly equipped. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁵ Cargo and load capacity limited by weight and distribution.

Note on Silverado LD: Trailer tongue weight should be 10% to 15% of total loaded trailer weight. Trailer kingpin weight should be 15% to 25% of total loaded trailer weight. Addition of trailer tongue weight/trailer kingpin weight cannot cause vehicle weights to exceed Rear Gross Axle Weight Rating (RGAWR) or Gross Vehicle Weight Rating (GVWR). These ratings can be found on the certification label located on the driver door or doorframe. Fifth-wheel hitch is available as a dealer-installed accessory on select models.

COMPLETE CARE

NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY Chevrolet will warrant each 2019 Silverado LD from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY Every 2019 Silverado LD comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

¹ Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/MPVI. Does not include air filter. See participating dealer for other restrictions and complete details. ² Whichever comes first. See dealer for details. ³ Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include safety services. Visit onstar.com for details and plan limitations. ⁴ Connected Services include navigation services and Remote Access Plan, and 1 month/3 GB of 4G LTE data (whichever comes first) from vehicle delivery date. Services are subject to User Terms and limitations. Certain services require working electrical system, cell service and GPS signals. OnStar links to emergency services. Visit onstar.com for more details.

IMPORTANT INFORMATION

CHEVROLET CONNECTED SERVICES AND ONSTAR Effective May 1, 2018, available Chevrolet Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Connected vehicle services require a paid connected vehicle services plan or trial and connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations.

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment,

specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Pickup segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935) GM MobilitySM offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

THE BUYPOWER CARD The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.

**ARE YOU
A LEGEND?**

CHEVY TRUCK LEGENDS. When you've been building pickups for over 100 years, one thing you learn is there's a story behind every truck. And we want to hear yours. Chevy Truck Legends honors our dependable, long-lasting trucks and the people who keep them going strong. If you've owned more than one eligible Chevy truck or driven one over 100,000 miles, you're a legend. At chevytrucklegends.com, discover the benefits that come with membership. Explore the galleries and read about the relationship owners have with their Chevy trucks.
