

SONIC 2019

CHEVROLET

BIG FUN, PERFECTLY SIZED FOR YOUR LIFE.

The 2019 Sonic makes good times a part of every trip. For starters, Sonic is available in either Hatchback or Sedan, in a vibrant spectrum of colors.

Outside, the front fascia with signature LED daytime running lamps makes a strong first impression. The stylish taillamps complete the story. Inside, you'll discover an info-packed gauge cluster, an available heated steering wheel (Sedan only) and convenient ways to connect your smart devices.

With a range of available active safety technologies and impressive efficiency, Sonic offers added confidence to help you keep going. Who knew so many big ideas could be packed into one small car?

FIND NEW ROADS™

Sonic Premier RS Hatchback
in Summit White. Sonic Premier
Sedan in Silver Ice Metallic.

DESIGN

THIS STYLISH HATCH SPEAKS VOLUMES.

Sonic Hatchback offers seating for up to five of your favorite people, plus 19 cubic feet¹ of cargo space behind the rear seat. Sonic Sedan has 14.9 cubic feet¹ of trunk storage — that's more room than the 2019 Toyota Corolla Sedan offers.

GLOVE BOX WITH A ONE-TWO PUNCH.

Sonic features upper and lower glove box compartments, so you can keep twice the number of things — like two pairs of sunglasses, a flashlight and, of course, your gloves — all in a handy place.

AMP IT UP WITH RS. Sonic with the available RS Package features a racing-inspired flat-bottom steering wheel that's leather-wrapped with contrasting stitching, as well as deluxe carpeted front and rear floor mats and a Piano Black-accented instrument panel.

¹ Cargo and load capacity limited by weight and distribution.

1

2

3

1. INCREASE YOUR FLEXIBILITY. With the split-folding rear seats folded down, Sonic Hatchback can provide up to 47.7 cubic feet¹ of flexible cargo space.

2. FREEDOM FROM THE START. Keep your key in your pocket or bag. Available Keyless Open and Start provides a simple way to get going.

3. EVERYTHING WITHIN REACH. You'll find all your information is at your fingertips on the Chevrolet Infotainment 3 System² touch-screen. An available heated steering wheel³ provides a good, warm grip, perfect on those days when the temperature dips. An available power driver seat makes it easy to get comfortable.

¹ Cargo and load capacity limited by weight and distribution. ² Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ Sedan only.

GO TO CHEVY.COM/SONIC

TECHNOLOGY

INTERNET IN YOUR SONIC. Chevrolet offers available built-in 4G LTE Wi-Fi¹ that provides a better in-vehicle experience than your smartphone. Our strong signal means you have a fast and reliable connection for up to seven devices.

CHEVROLET INFOTAINMENT 3 SYSTEM? This standard system features a 7-inch diagonal color touch-screen. With a compatible smartphone, the system allows you to answer calls and listen to text messages hands-free and access a broad range of functions. There's also Bluetooth[®] wireless technology³ standard on all models, as well as available OnStar^{®4} and SiriusXM[®] Radio⁵. Choose from over 150 channels of commercial-free music, live sports, news, talk and entertainment.

Apple CarPlay^{®6} COMPATIBILITY. With Apple CarPlay^{®6}, you can simply and smartly connect with some of your most used iPhone[®] features, including Maps, Music, Messages and Phone, right on your touch-screen display.

ANDROID AUTO⁷ COMPATIBILITY. You can quickly and intuitively interact with select smartphone apps with support for Android Auto.^{™7} This system takes some of your compatible Android[™] phone's features and lets you access them on the touch-screen. You can access your phone, text messages, music, navigation and more.

¹ Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Vehicle must be on or in accessory mode for Wi-Fi to function. Visit onstar.com for details and limitations. ² Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. ⁴ Visit onstar.com for coverage map, details and system limitations. Services vary by model. Service plan required. ⁵ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. ⁶ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁷ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply.

Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android Auto and Google Maps are trademarks of Google LLC.

PERFORMANCE

Sonic Premier RS Hatchback
in Kinetic Blue Metallic
(extra-cost color).

POWER COMES STANDARD. The ECOTEC® 1.4L turbocharged engine offers up to an EPA-estimated 38 MPG highway¹ and delivers 138 horsepower and 148 lb.-ft. of torque. Sounds like fun, doesn't it?

SHIFTING GEARS. When it comes to transmissions, we've made it simple. A 6-speed manual is standard and a 6-speed automatic is available on all models, so the choice is yours.

RS PACKAGE. The RS Package – standard on Hatchback and available on Sedan – features a sport body kit and RS-specific aluminum wheels along with Black Chevrolet bowtie emblems, custom rocker panels and foglamps. Interior highlights include a Piano Black-accented instrument panel and a flat-bottom steering wheel.

PREMIER RS. On Premier models, the RS Package includes 17-inch Black-painted aluminum wheels and a sport suspension. The interior is upgraded with heated Jet Black leatherette front seats featuring sueded microfiber inserts with RS lettering.

¹ EPA estimate for Sonic Sedan with 6-speed manual transmission.

SAFETY

SAFETY STARTS WITH YOU. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

WE'RE SERIOUS ABOUT SAFETY.

Whether you're on the road or in a parking lot, the available innovative active safety technologies in Sonic use strategically located cameras and sensors to help warn you of potential collisions.

FORWARD COLLISION ALERT. This available feature monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it can alert the driver to a potential crash. It also can warn the driver if their Sonic is following a detected vehicle much too closely.

LANE DEPARTURE WARNING. If you unintentionally drift out of your lane without using a turn signal, this available camera-based system sends an alert. The system reads traffic lane markings when identifiable and provides audible and visual alerts.

REAR VISION CAMERA. When traveling in Reverse at low speeds, the rear vision camera provides a real-time view of the area immediately behind your Sonic on the touch-screen display.

REAR PARK ASSIST. This available feature helps you when backing up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

STABILITRAK® ELECTRONIC STABILITY CONTROL. In challenging weather and road conditions, this standard system helps you stay the course by detecting the difference between the path being steered and the direction the vehicle is actually going. It then uses the brakes and, if necessary, adjusts engine torque to help you keep your Sonic on track. This innovative safety technology is especially helpful during emergency maneuvers and difficult driving conditions.

ONSTAR AUTOMATIC CRASH RESPONSE! In a crash, built-in sensors can automatically connect you to a specially trained, Emergency Medical Dispatch-certified Advisor;² who can help you get the assistance you need — even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response is included in the available OnStar Safety & Security Plan.³

¹ OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services. ² OnStar Advisors are certified by the International Academies of Emergency Dispatch. ³ Visit onstar.com for system limitations and details. OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services.

17" Black-painted aluminum wheels
Keyless Open and Start
Enhanced Driver Information Center
Leatherette seating surfaces with sueded microfiber inserts
Heated front seats
6-way power-adjustable driver seat

¹ A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

² Visit [onstar.com](#) for limitations and details. OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services. Roadside service provided by Allstate Roadside Services. Stolen Vehicle Assistance requires armed factory-installed theft-deterrent system.

³ Excludes spare tire.

⁴ Read the vehicle Owner's Manual for important feature limitations and information.

⁵ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

⁶ Go to [my.chevrolet.com/learn](#) to find out which phones are compatible with the vehicle.

⁷ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply.

⁸ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply.

⁹ Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Vehicle must be on or in the accessory position for Wi-Fi to function. Visit [onstar.com](#) for details and limitations.

¹⁰ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [siriusxm.com](#). All fees and programming subject to change.

NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY Chevrolet will warrant each 2019 Sonic from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY Every 2019 Sonic comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

¹ Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details.

² Whichever comes first. See dealer for details. ³ Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include safety services. Visit onstar.com for details and plan limitations.

⁴ Connected Services include navigation services and Remote Access Plan, and 1 month/3 GB of 4G LTE data (whichever comes first) from vehicle delivery date. Services are subject to User Terms and limitations. Certain services require working electrical system, cell service and GPS signals. OnStar links to emergency services. Visit onstar.com for more details. ⁵ Cargo and load capacity limited by weight and distribution.

IMPORTANT INFORMATION

CHEVROLET CONNECTED SERVICES AND ONSTAR Effective May 1, 2018, available Chevrolet Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Connected vehicle services require a paid connected vehicle services plan or trial and connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations.

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment,

specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Small Car segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.
