

TAHOE 2019

CHEVROLET

Tahoe Premier in Iridescent Pearl Tricoat (extra-cost color) with available Premier Plus Edition.

***CONFIDENT.
CAPABLE.
CONNECTED.***

With its superb blend of bold styling, assertive performance and advanced technology, the 2019 Tahoe is designed to make a big impression.

From the refinement of a carefully crafted interior to the powerful capability of the EcoTec3 V8 engine, America's best-selling full-size SUV is ready for anything. You'll stay connected with innovative technology that complements available advanced safety features.

If that's not enough, the new and beautifully appointed Premier Plus Edition takes Tahoe style to an even higher level.

MAX HORSEPOWER¹

460

LB.-FT. MAX TORQUE¹

8,400

LBS. MAX TOWING^{1,2}

Tahoe Premier in Summit White
with available RST Edition.

RALLY SPORT TRUCK. You can't help but notice: On the street, Tahoe RST will be instantly recognized by its body-color appearance with Gloss Black accents and exclusive 22-inch wheels.

RST 6.2L PERFORMANCE PACKAGE. For the ultimate in Tahoe performance, this available package features a roaring 6.2L EcoTec3 V8 engine delivering 420 horsepower and 460 lb.-ft. of torque. Plus, a 10-speed Hydra-Matic[®] automatic transmission is designed to maximize engine power for responsiveness under acceleration.

MAGNETIC APPEAL. Performance-calibrated Magnetic Ride Control,[™] included in the available RST 6.2L Performance Package, is an adaptive suspension that "reads" the road every millisecond, delivering both improved body motion while cornering and exceptionally refined ride comfort while cruising.

¹ With available 6.2L EcoTec3 V8 engine. ² Requires 2WD. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

1. EXCLUSIVE 22-INCH WHEELS.

Tahoe RST rolls on striking 22-inch Gloss Black aluminum wheels with custom Silver accents.

2. BOLD FIRST IMPRESSION. RST makes a commanding entrance with a unique Gloss Black sport grille featuring a body-color surround and Black bowtie emblem.

3. FINISHING TOUCHES. A tuned low-restriction Borla® exhaust system is available as a dealer-installed accessory¹ with the optional RST 6.2L Performance Package. Available Borla carbon-fiber performance exhaust tips are another custom detail that sets RST apart.

4. MASSIVE BREMBO BRAKES.

This available dealer-installed Chevrolet Accessory² brake system features front Red Brembo® 6-piston fixed aluminum calipers coupled with Duralife™ rotors that are larger than standard rotors. An 84% increase in brake pad area helps provide quieter braking and less vibration.

¹ Non-GM warranty. Limited warranty by Borla for 1,000,000 miles. For more information, contact your dealer. ² Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet dealer or a Chevrolet-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet Parts sold over the counter, or those not requiring installation, will continue to receive the standard Chevrolet Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Chevrolet warranties do not apply to Associated Accessories. See your dealer for details.

INTERIOR DESIGN

Tahoe Premier interior in Mahogany
(extra-cost color) with perforated
leather appointments, Cocoa accents
and available features.

LUXURY IN EVERY ROW.

1. POWER-FOLDING THIRD-ROW SEATS.

The conveniently placed buttons allow Tahoe with power-release second-row seats and power-folding third-row seats to go from passenger space to cargo space in no time. Standard on Premier and available on LT.

2. A PLACE FOR EVERYTHING. Important items are never out of reach with door storage for water bottles, umbrellas, maps and more.

3. HIDE WHAT OTHERS SEEK. The 8-inch diagonal color touch-screen slides up to reveal a password-protected area behind the display with space for cell phones, wallets or other valuables. Additionally, a USB port¹ gives you one more place to charge your devices.

4. A SUPERSIZED CONSOLE.

The cavernous front floor console provides enough room for a laptop or other large items.

¹ Not compatible with all devices.

Tahoe Premier in Silver Ice Metallic with available features.

BE READY FOR ANYTHING. With the second- and third-row seats folded down, you'll have 94.7 cu. ft. of cargo space! That's more than enough room for everyday use or a weeklong road trip.

THE ROOM YOU NEED. There's space available for up to eight passengers (nine in LS with the available split-bench front seat). The second- and third-row seats fold down, so Tahoe can handle whatever twists and turns come your way.

POWER PROGRAMMABLE LIFTGATE. Standard on Premier and available on LT, the hands-free programmable power liftgate helps you worry less about the liftgate being out of your reach. A sensor under the rear bumper allows you to open the liftgate with a gentle kicking motion with the key fob in range.

¹ Cargo and load capacity limited by weight and distribution.

TECHNOLOGY

Tahoe Premier interior in Dune with Cocoa accents and available features.

Apple CarPlay® COMPATIBILITY.¹

With Apple CarPlay, you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your touch-screen display.

MAINTAIN YOUR CONNECTIONS.

Chevrolet offers an available built-in 4G LTE Wi-Fi®² hotspot that provides a better in-vehicle experience than your smartphone. Our strong signal means you have a fast and reliable connection for up to seven devices.

SIRIUSXM® RADIO.³ Listen to over 150 channels of commercial-free music from every genre, live play-by-play sports, the biggest news and talk, and the hottest entertainment, 24/7, during the trial period. The available All Access Package lets you listen to all of it everywhere – in your vehicle, at home or in the office on your computer, or on your smartphone or tablet.

YOUR PERSONAL PROGRAM DIRECTOR.

The Chevrolet Infotainment System⁴ lets you program dozens of favorites, including radio stations, contacts, destinations (requires available Navigation⁵), music and other media.

¹ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ² Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Visit onstar.com for details and limitations. ³ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. ⁴ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁵ Map coverage available in the United States, Puerto Rico and Canada.

Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.

YOU'RE IN CHARGE. With as many as 14 charging locations, including an available wireless charging pad¹ and up to seven USB ports² to connect phones, tablets and other portable devices, you'll always be able to stay in touch with your world.

CUSTOMIZE YOUR DRIVE. Easily browse, choose and install select apps³ that enhance your driving experience so it gets better every day. Using your vehicle's touch-screen, you can customize your content with music, audiobooks, weather and more.

LUXURY IS A HOT TOPIC. A heated steering wheel is standard on Premier and available on LT, offering warm comfort on a cold day.

¹ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details. ² Not compatible with all devices.
³ Visit chevrolet.com/connectivity for more details.

1. ANDROID AUTO COMPATIBILITY!

You can quickly and intuitively interact with select smartphone apps with support for Android Auto.^{TM1} This system takes some of your compatible AndroidTM phone's features and lets you access them on the touch-screen display. You can access your phone, text messages, music, navigation and more.

2. AN EYE FOR INFORMATION.

The available color Head-Up Display projects information, such as speed and turn-by-turn navigation (if equipped), onto the windshield while you're driving so you can keep your eyes on the road. The Driver Information Center also provides critical data at a glance.

3. THAT'S ENTERTAINMENT. The available Rear-Seat Blu-ray[®] Entertainment System lets rear-seat passengers enjoy every drive with their favorite movies. With an HDMI connection and Wi-Fi,² it's possible to project to the screen from your mobile devices.

4. myChevrolet Mobile App.³ Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off your engine, lock or unlock your doors⁴ (requires paid subscription after trial), send destinations to your available navigation⁵ system, view key vehicle diagnostic information, set parking reminders and more. Requires available Remote Access Plan.⁶

¹ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. ² Requires Wi-Fi connection and compatible device. ³ Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Device data connection required. ⁴ Requires paid subscription. Services are subject to User Terms and limitations. ⁵ Send-to-Navigation requires subscription. Service varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada. ⁶ Remote Access Plan does not include emergency or security services. Visit onstar.com for details and limitations.

Android, Android Auto, Google, Google Play and other marks are trademarks of Google LLC.

PERFORMANCE

THE ECOTEC3 ADVANTAGE. A trio of innovative technologies drive the 5.3L EcoTec3 V8 engine. Direct Injection boosts power and fuel efficiency!

Active Fuel Management™ deactivates four cylinders when extra power is not needed. Variable Valve Timing helps ensure Tahoe performs at optimum power and efficiency!

MAGNETIC RIDE CONTROL. Tahoe Premier features Corvette-inspired Magnetic Ride Control, a real-time damping system that delivers a smooth, precise ride by “reading” the road a thousand times a second and changing damping in just 10–15 milliseconds.

LEAVE NOTHING BEHIND. With an available maximum towing capability of up to 8,600 lbs², you can pull boats, trailers, ATVs or anything else you want to bring along.

¹ EPA-estimated MPG city/highway: 15/22 (2WD), 15/21 (4WD). ² Requires 2WD, 5.3L EcoTec3 V8 engine and available Max Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

SAFETY

SAFETY STARTS WITH YOU.
 Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

TAHOE PUTS SAFETY FIRST. THE SAME AS YOU DO.

ADAPTIVE CRUISE CONTROL – ADVANCED.

This available feature enhances cruise control by allowing the vehicle to automatically follow a detected vehicle at the driver-selected following gap while the driver steers, reducing the need to frequently brake and accelerate.

FORWARD AUTOMATIC BRAKING. Using the same radar sensors as Adaptive Cruise Control – Advanced, Forward Automatic Braking can help mitigate collisions or even prevent them at very low speeds. If the system detects an imminent front-end collision, it alerts you and can automatically apply the brakes if you have not already done so. Available on Premier.

LOW SPEED FORWARD AUTOMATIC BRAKING.

If the vehicle is traveling at a low speed and this available system detects that a front-end collision situation is imminent while following a detected vehicle and the driver has not already applied the brakes, it can automatically apply the brakes to help reduce the collision's severity. The system may even help avoid a collision at very low speeds.

FORWARD COLLISION ALERT. This available feature monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it can alert the driver to a potential crash. It can also warn the driver if their Tahoe is following a detected vehicle much too closely.

LANE KEEP ASSIST WITH LANE DEPARTURE WARNING.

At speeds above 37 mph, this available camera-based system monitors road lines and can gently turn the steering wheel if the vehicle begins leaving the lane without the use of a turn signal.

LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT. This available feature uses radar sensors in the rear corners of the vehicle to help detect fast-approaching vehicles in the adjacent lanes as well as moving vehicles in the side mirror blind zones. Amber icons in the exterior mirrors indicate a vehicle's presence.

REAR CROSS TRAFFIC ALERT. Using the same radar sensors as Lane Change Alert with Side Blind Zone Alert, this available feature can alert you to crossing vehicles behind your Tahoe when backing up. Visual alerts on the touch-screen display, as well as Safety Alert Seat pulses (if selected), are triggered if approaching vehicles are detected from either side.

REAR VISION CAMERA. When traveling in Reverse at low speeds, the standard rear vision camera helps provide a real-time view of the area immediately behind your Tahoe on the touch-screen display. As you shift into Reverse, the rear vision camera automatically displays a live image of the area behind the vehicle on the touch-screen and includes guiding lines to help when backing up.

FRONT AND REAR PARK ASSIST. Ideal when parking at low speeds, this available system senses stationary objects and warns you if an object is too close.

TEEN DRIVER. This standard technology helps encourage better driving habits in a number of ways. It includes an in-vehicle report card that displays the frequency of select available safety tech feature (if equipped) activations. It mutes the audio system when front-seat occupants aren't wearing their seat belts, and gives audible and visual warnings when the vehicle is traveling over a predetermined speed.

INTELLIBEAM HEADLAMPS. When oncoming headlamps are sensed or when taillamps are detected in front of the vehicle, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.

SAFETY ALERT SEAT. This available seat uses directional vibration pulses from the seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential collision threats. This patented warning approach is tied into other available onboard crash avoidance systems.

THEFT PROTECTION PACKAGE. Help protect your investment with the available Theft Protection Package that includes glass breakage sensors, interior motion detectors and a revolutionary inclination sensor that measures any tilt of the vehicle.

1 A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. **2** Visit [onstar.com](#) for limitations and details. OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services. Roadside service provided by Allstate Roadside Services. Stolen Vehicle Assistance requires armed factory-installed theft-deterrent system. **3** Does not detect people or items. Always check rear seat before exiting. **4** Read the vehicle Owner's Manual for important feature limitations and information. **5** Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. **6** Visit [my.chevrolet.com/learn](#) for vehicle and smartphone compatibility. **7** Not compatible with all devices. **8** If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [siriusxm.com](#). All fees and programming subject to change. For more information about Travel Link and NavTraffic, visit [siriusxm.com/infotainment](#). **9** Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Visit [onstar.com](#) for details and limitations. **10** Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. **11** The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY Chevrolet will warrant each 2019 Tahoe from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY Every 2019 Tahoe comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

¹ Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details. ² Whichever comes first. See dealer for details. ³ Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include safety services. Visit onstar.com for details and plan limitations. ⁴ Connected Services include navigation services and Remote Access Plan, and 1 month/3 GB of 4G LTE data (whichever comes first) from vehicle delivery date. Services are subject to User Terms and limitations. Certain services require working electrical system, cell service and GPS signals. OnStar links to emergency services. Visit onstar.com for more details. ⁵ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁶ Cargo and load capacity limited by weight and distribution.

IMPORTANT INFORMATION

CHEVROLET CONNECTED SERVICES AND ONSTAR Effective May 1, 2018, available Chevrolet Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Connected vehicle services require a paid connected vehicle services plan or trial and connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations.

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment,

specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large SUV segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935) GM MobilitySM offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

THE BUYPOWER CARD The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
