EXPRESS
CARGO VAN

Still the choice as your business workhorse.

For many businesses, there's no substitute for a hardworking full-size van. Express 2500 and 3500 vans give you what matters most — a choice of strong powertrains, an easily configurable cargo bay, over 280 cubic feet of cargo space¹ and a standard-height roof that provides easy access to parking garages and takes the worry out of backing up in unfamiliar low-clearance areas. A 6.6L V8 gas engine with 401 horsepower and 464 lb.-ft. of torque is also available.

Standard wide-opening rear doors provide easy access to a massive amount of cargo space!

¹ Express Cargo Van with Extended Wheelbase. Cargo and load capacity limited by weight and distribution.

INTRODUCING EXPRESS CARGO VAN

Express Cargo Van at a glance.

- Standard 4.3L V6 engine with 276 horsepower and 298 lb.-ft. of torque
- Available 6.6L V8 gas engine with 401 horsepower and 464 lb.-ft. of torque and heavy-duty 6-speed automatic transmission
- Available Duramax® 2.8L Turbo-Diesel engine with 181 horsepower and 369 lb.-ft. of torque with standard exhaust brake
- Full-frame design for strength and durability
- Up to 10,000 lbs¹ of towing capability
- Maximum payload capacity of 4,280 lbs²
- Available heavy-duty locking rear differential
- Up to 283.6 cubic feet of cargo space³
- Six standard D-ring cargo tie-downs
- Available interior bin packages and rooftop storage for ladders and other large work gear

Express Cargo Van in Summit White.

¹ With available 6.6L V8 gas engine. Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. ² Express 3500 Regular Wheelbase (RWB) Cargo Van with 4.3L V6 engine. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. ³ Express Extended Wheelbase (EWB) Cargo Van. Cargo and load capacity limited by weight and distribution.

STANDARD EQUIPMENT

Standard on every Express Cargo Van:

MECHANICAL
Alternator – 105 amps
Battery – 600 cold-cranking amps (CCA) with rundown protection and retained accessory power
Brakes – 4-wheel antilock, 4-wheel disc
Cooling – external engine oil cooler (4.3L V6 and 6.6L V8 gas engine)
Engine – 4.3L V6 with Variable Valve Timing (VVT) and Direct Injection – Oil Life Monitoring System
Exhaust – aluminized stainless steel muffler and tailpipe
Frame – full-length box, ladder-type
StabiliTrak® – Electronic Stability Control System with traction assistance; includes Electronic Trailer Sway Control and Hill Start Assist
Steering – integral power
Suspension – front independent with coil springs; rear with multi-leaf springs
Transmission – 8-speed automatic, electronically controlled with overdrive, Driver Shift Control and Tow/Haul mode; includes cruise grade braking and powertrain grade braking
EXTERIOR
Bumpers – front and rear, Black with step pad
Daytime running lamps
Door – passenger-side, swing-out 60/40-split
Glass – Solar-Ray® light-tinted, all-windows
Headlamps – dual halogen with automatic on/off with automatic delay
Mirrors – heated, power-adjustable, manual-folding, Black
Tire – full-size spare
Tires – LT245/75R16E all-season
Wheels – 16" Gray-painted steel with Gray center caps (Q85) and steel spare
Wipers – front intermittent wet-arm with pulse washers

INTERIOR
Airbags ¹ – frontal for driver and right-front passenger; seat-mounted side-impact for driver and right-front passenger; roof-rail mounted head-curtain provides coverage for outboard seating positions; includes frontal passenger airbag deactivation switch
Air conditioning – single-zone
Assist handles – driver and front passenger
Audio system – AM/FM stereo with MP3 player, seek-scan, digital clock, TheftLock, random select, auxiliary input jack and two front door speakers
Cargo tie-downs – six D-ring attachments on cargo area floor
Console – engine cover with open storage bin and three cup holders
Defogger – side windows
Driver Information Center – with fuel range, average speed, oil life, tire pressure monitoring, fuel used, ice warning, engine hours, average fuel economy, tachometer and maintenance reminders
Floor covering – full-length Black rubberized-vinyl
Instrument cluster – with speedometer, fuel level, engine temperature, voltage and oil pressure
Lighting – four dome lamps, one overhead and three LEDs on cross members in cargo area; includes defeat switch and door handle-activated switches
Mirror – rearview; includes Rear Vision Camera ² display
Power Convenience Package – power windows and power door locks with lockout protection
Power outlet – 120-volt – two 12-volt auxiliary on engine console cover
Rear Vision Camera ² – integrated in rearview mirror
Seats – driver and front passenger high-back bucket with head restraints and inboard armrests, vinyl trim
Theft-deterrent system – PASS-Key® III
Tire Pressure Monitoring System (does not monitor spare tire)
Available Wi-Fi® Hotspot ³ for up to seven devices, includes 1 month of unlimited data
Chevrolet Connected Access ⁴ with up to 10 years of standard connectivity, which currently enables features such as Vehicle Diagnostics and Dealer Maintenance Notification
OnStar® – up to 3 months of OnStar Safety & Security coverage ⁵

¹ **A NOTE ON CHILD SAFETY:** Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

² Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. ³ Service varies with conditions and location.

Requires active service and paid AT&T data plan. Visit onstar.com for details and limitations. Availability subject to change. ⁴ Standard connectivity available only to original purchaser for up to 10 years. Connected Access services are subject to change.

Does not include emergency or security services. Diagnostic capabilities vary by model and service plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Visit onstar.com for details and limitations. ⁵ When you select a monthly plan within 30 days of activating your 1-month trial, you'll receive the next 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change.

¹ Terms apply. Available on select properly equipped 2015 model year and newer GM vehicles (excludes Volt, Low Cab Forward Trucks and GM vehicles built without OnStar Hardware, which includes but is not limited to select base Chevrolet and GMC trucks). Requires an active connected vehicle services plan. Fees, services, and availability subject to change without notice. Applicable taxes not included. Does not include emergency or security services. Diagnostics capabilities vary by vehicle model. Not all issues will deliver alerts. See onstarvehicleinsights.com for details and limitations. ² If you decide to continue service after your trial, your selected subscription plan will automatically renew thereafter. You will be charged at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. ³ Not compatible with all devices. ⁴ Go to my.chevrolet.com/learnAbout/bluetooth to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version. ⁵ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information.

Always ready for overtime.

You know what Chevrolet Commercial Vehicles call 9 to 5? A decent start. Our lineup is ready to make light work of a long week, led by the powerful and dependable Silverado 1500 and Silverado HD, plus Silverado 3500 HD Chassis Cab. And let's not forget the strength of medium-duty Silverado 4500 HD/5500 HD/6500 HD Chassis Cabs, the maneuverability of the Low Cab Forward series and the utility of Express Vans. It all adds up to an unbeatable crew that never stops working.
