

2022
SUBURBAN

Live your biggest life.

The most versatile and advanced Suburban ever opens up a world of possibilities for you and everyone in your life. The luxurious interior is complemented by generous second- and third-row leg room your passengers are sure to enjoy. There's also plenty of cargo volume,¹ so you don't have to leave anyone or anything behind. Amenities include features like Google built-in² to enhance your interior experience. Real-world capability comes from the Premium Smooth Ride suspension and three available powertrains. There's also the security of standard Chevy Safety Assist,³ a comprehensive suite of six driver assistance features. It all adds up to the full-size SUV that's designed to help you master your world.

Suburban High Country in Midnight Blue Metallic.

¹ Cargo and load capacity limited by weight and distribution. ² Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. ³ Chevy Safety Assist includes Automatic Emergency Braking, Front Pedestrian Braking, Lane Keep Assist with Lane Departure Warning, Forward Collision Alert, IntelliBeam and Following Distance Indicator. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information.

Due to current supply chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. ² A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. ³ When you select a monthly plan within 30 days of activating your 1-month trial, you'll receive the next 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change. ⁴ Most vehicles built between October 2021 and December 12, 2021, equipped with a V8 engine are not equipped with Automatic Stop/Start and its content. Contact a dealer for details on a specific vehicle. Vehicles not equipped with Automatic Stop/Start will be less fuel efficient. Please see page 25 for details.

1 A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

¹ Cargo and load capacity limited by weight and distribution. ² These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. ³ Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. ⁴ Most vehicles built between October 2021 and December 12, 2021, equipped with a V8 engine are not equipped with Automatic Stop/Start and its content. Contact a dealer for details on a specific vehicle. Vehicles not equipped with Automatic Stop/Start will be less fuel efficient.
