There is no luxury
without engineering.

Chrysler began earning a reputation for engineering leadership more than 60 years ago. Every day, that reputation rides on every car we build.

We're proud of our new lineup of 1990 Chrysler. Not just because they're engineered as well as cars can be. Not just because they bear the prestigious Chrysler name or because they meet our high standard of luxury.

We're proud because we believe Chrysler builds the kind of car you can be proud to own. Not just a car you can count on, but a car that'll make you feel good...when you drive it, or when it's parked where the neighbors can see. And most important, a car you can feel safe inside of.

You can take my word for this: Chrysler will continue to build the kinds of cars that have built our reputation for engineering leadership.

Lee A. Iacocca

about this catalog. We have tried to make this catalog as complete as possible. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available as extra cost.

A complete line of refined Chryslers. For 1990, Chrysler presents a line of automobiles suited to the tastes of owners who appreciate traditional luxury...and demand innovative technology. Chrysler engineering launches luxury into a new decade of technology. Enjoy the engineered comfort of Imperial and New Yorkers, the spirit of Talaria Coupes and Convertibles, the versatility of Town & Country.

1990 Chrysler Imperial

Imperial, shown in Black Clear Coat.

Available Mark Cross UltraSoft leather with vinyl trim interior, shown in Black.

Imperial is the pride of Chrysler. All-new for 1990, the Imperial offers unprecedented levels of sophisticated elegance and automotive technology. There's a new 3.3-liter V-6 teamed to Chrysler's Ultradrive four-speed electronically controlled automatic transmission. And with its padded vinyl landau roof, opera windows and wire wheel covers set off by white sidewall tires, Imperial presents styling that is both traditional and timeless.

Ultimate luxury awaits you. In the quiet inner world of a 1990 Imperial you'll find an interior designed to envelop its occupants in remarkable comfort and convenience. A Mark Cross UltraSoft leather interior with vinyl trim is available. The front seats offer eight-way power and two-position driver memory feature. Sumptuous appointments. Thoughtful design. Crystal Key Owner Care Program (page 51). Imperial has it all.

1990 New Yorker Fifth Avenue

New Yorker Fifth Avenue, shown in Midnight Blue Metallic Clear Coat.

Available Black Cross leather with vinyl-crests interior, shown in Midnight Blue.

Contemporizing a classic, a new New Yorker showcases contemporary technology while preserving classic comfort. The 1990 New Yorker Fifth Avenue combines luxury with engineering. Chrysler's new 3.5-liter multipoint B1 V-6 engine releases 167 hp of acceleration. An Ultradrive transaxle monitors driving conditions. The Crystal Key Owner Care Program (see page 30) protects it all.

Comfort: an expanded version. The new Fifth Avenue stretches out over a 109.5-inch wheelbase so that six can stretch out in comfort inside. A spacious trunk accommodates belongings. Front seats recline and the driver's seat adjusts six ways for long-haul luxury. An available Electronic Vehicle Information Center calculates trip times and miles, even fuel consumption. A driver-side air bag is one of a host of safety features.

1990 New Yorker Landau

New Yorker Landau, shown in Light Champagne Metallic Clear Coat.

Available Mark Cross leather with vinyl roof interior, shown in Champagne.

From technology comes comfort. In the 1990 New Yorker Landau, the comfort is luxurious: a big-car ride provided by such technological amenities as load-lifting suspension and the smoothness of a 3.3-liter multipoint MPI V-6 engine coupled with a computer-controlled Ultradrive transaxle. Comfort can also be the feeling of being safe. Landau's safety features include a steering wheel air bag and rear-seat shoulder belts.

Style defined. There is a clear distinction between fashion and style. Fashion may be fleeting. Style endures. Landau captures it. The padded vinyl roof that gives this New Yorker its name is a reminder of classic auto design, yet its subtly tapered silhouette marks Landau as distinctly contemporary. Contemporary, too, is Landau's technology—it is protected by Chrysler's Crystal Key Owner Care Program (see page 50).

1990 New Yorker Salon

New Yorker Salon, shown in Midnight Blue-Grey Metallic Clear Coat

Interior, shown in Midnight Blue cloth

Elegance and grace on the go. The 1990 New Yorker Salon four-door is a brilliant newcomer to the Chrysler line of distinguished automobiles. Form follows aerodynamic function in styling at once restrained and exciting. Salon offers not only elegantly styled lines but also technically sophisticated features—including the complete protection of Chrysler's Crystal Key Owner Care Program (see page 30).

Accustomed to comfort, New Yorker Salon satisfies every demand: for comfort, for room, and for ride. Six adults can relax luxuriously in Salon's roomy interior. Fifty-fifty front bench seats feature dual armrests and reclining seatbacks. Smooth sailing is assured with Salon's 3.3-liter V-6 engine with multipoint electronic fuel injection in tandem with the electronically controlled Ultradrive automatic transaxle.

1990 Chrysler LeBaron Convertibles

The 1990 LeBaron Regular Convertible, shown in Gold Champagne Metallic Clear Coat. The 1990 LeBaron Premium Convertible, shown in Black Cherry Pearl Coat.

The 1990 LeBaron GT Convertible, shown in Flash Red Clear Coat. The 1990 LeBaron GTC Convertible, shown in Single White Clear Coat.

Sculpted by the wind, the sleek aerodynamic lines of the 1990 Chrysler LeBaron Convertibles are as functional as they are beautiful. One look at the 1990 model line and you will agree that the sky's the limit. From the powerful performance and agility of the LeBaron GT Convertible to the topline luxury and comfort of the LeBaron Premium Convertible, the everyday world of ho-hum driving is left far behind.

A new dimension in driving enthusiasm is at hand with the 1990 Chrysler LeBaron Convertibles. Revel in an interior that never lets you forget what real comfort and luxury is all about, with an all-new cockpit-styled instrumentation module—one of many contemporary appointments. Best of all, you can take to the sunny side of the street with a standard power top that is as effortless to use as it is to enjoy.

1990 Chrysler LeBaron Premium Convertible

LeBaron Premium Convertible, shown in Black Cherry Pearl Coat.

Placing you on center stage, the 1990 Chrysler LeBaron Premium Convertible is your chance to shine. Its standard 3.0-liter MPI V-6 engine* makes a powerful statement and its road-tuning suspension system keeps you always in good form. Back in the spotlight of wind-in-your-hair driving excitement. Because, being sculpted by the wind, a journey in the LeBaron Premium Convertible is as beautiful as the car itself.

*With 130-hp. Chrysler Rental Corporation.

Available Corinthian leather with vinyl trim interior, shown in Bordeaux with White.

Comfort and luxury, elegance and function. The 1990 Chrysler LeBaron Premium Convertible is an automobile rich in amenities. Relax in the new-for-1990 all-dolls low-back bucket seats. Or opt for the available Corinthian leather bucket seats with reclining seatbacks and vinyl trim. Take destiny in hand. Grasp its standard luxury leather-wrapped steering wheel and head for the stars.

1990 Chrysler LeBaron Coupes

The 1990 Chrysler LeBaron Coupe shown in Gold. Chrysler Medalist Coupe Cost. The 1990 LeBaron Premium Coupe, shown in Platinum Silver Metallic Clear Coat.

The 1990 LeBaron GT Coupe, shown in Flak Red Clear Coat. The 1990 LeBaron GTC Coupe, shown in Bright White Clear Coat.

The art and science of vehicle engineering come together with elegant mastery in the 1990 Chrysler LeBaron Coupes. From standard V-6 power in the Premium Coupe to standard three-mode, driver-selectable suspension damping system in the GTC Coupe, all with sophisticated interior appointments and a new-for-1990 dashboard design, here are contemporary sports coupes that reflect in every detail Chrysler excellence.

As only a true classic can, the 1990 Chrysler LeBaron Coupes possess a most contemporary beauty that is far from superficial. New for 1990 is a redesigned interior that features an ergonomic, cockpit-styled instrumentation module. There's also the advanced four-speed electronic Ultradrive automatic transaxle in the LeBaron Premium Coupe. Suffice to say, the going was never so good.

1990 Chrysler LeBaron GTC Coupe

LeBaron GTC Coupe, shown in Single White Clear Coat.

Explore the boundaries of nature, where road meets machine, in the Chrysler LeBaron GTC Coupe. Set out with confidence derived from the standard 174-horsepower 2.2-liter engine with an intercooled low-back variable nozzle turbocharger. The standard three-mode driver-selectable variable-damped suspension system and five-speed manual transaxle with Getrag gears provide precise performance.

Standard Corinthian leather with vinyl/crocin interior, shown in Medium Quartz.

Style to show. Style to go. The 1990 Chrysler LeBaron GTC Coupe drives more than is expected in luxury, comfort and convenience. Standard are air conditioning, a redesigned overhead console, full-length center console, instrumentation module with electromechanical gauges, 12-way power outboard driver's seat, and the Chrysler Infinity I Sound System, for those who crave more than the ordinary.

1990 Chrysler Town & Country

Town & Country shown in Bright White Clear Coat. (Background: 1941 Town & Country sedan replica.)

A heritage beautifully recalled and redefined. The 1990 Chrysler Town & Country offers a welcome touch of nostalgia in its exterior woodgrain applique...but otherwise it's an all-new luxurious mini van. One with seven-passenger roominess, generous cargo capacity and the power to handle large loads. Town & Country also carries the Chrysler nameplate. It's the first and only true luxury mini van.

Luxurious interior shown in Glacier.

What a way to go. Chrysler Town & Country interior appointments include luxuriously supple leather not only on all seating surfaces but also on all door trim panels as well. Standard equipment includes virtually everything from front and rear air conditioning...to an Infinity II Sound System...to power windows and door locks...to a luggage rack...to a responsive V-6 engine and the smooth Ultradrive automatic transaxle.

There is no luxury without Engineering

- 1 New 3.3-liter V-6 engine with multi-point electronic fuel injection provides 147 hp of spirited road-ready performance. The 66° "V" angle promotes even firing for smooth, quiet operation and responsiveness.
- 2 Thrudrive four-speed automatic transverse features compact clutch to provide smooth-shifting responses.

- 3 Position-sensitive front suspension struts enhance ride handling due to increased damping of suspension components. Other components also help to isolate road noise and smooth the ride.
- 4 Anti-lock four-wheel disc brakes automatically "pump" the brakes several times per second to prevent wheel lockup and to improve stability on wet (or slippery) surfaces, allow driver to maneuver more safely under adverse conditions.

- 5 Four-wheel disc brake system provides excellent high-speed fade resistance.
- 6 Load-leveling rear suspension automatically adjusts to additional weight to help maintain a level ride.
- 7 Driver-side air bag is mounted in the steering wheel. (The Side-impact Safety Load-leveling Axial was presented to Chrysler Corporation in recognition of its industry leadership position in the application of three-side air bags.)

Automatic air suspension system

Anti-lock brake system

Driver-side air bag

3.3-liter V-6 engine

Note: Availability varies with model. Check with your Chrysler Dealer for details.

Selected Standard Features and Options

1 Dashboard console includes representative lights, and it shows with the available Electronic Vehicle Information Center (EVIC) which provides digital readouts for 25 driver-wanted readings. The electronic unit also provides functions to alert driver when service may be required.

2 Removable rear vanity mirrors. Passenger and driver have the convenience of two rear vanity mirrors available to them.

3 Power windows and door locks. These features offer safety as well as convenience and security and are handy for both driver and passengers. Power lock automatically at its up. Doors cannot be locked if key is left in the ignition.

4 Electric rear window defroster which is available as an optional, as well as other models, keeps the rear window free of rain, snow and ice for added safety and improved visibility in inclement weather.

5 Tilt steering column adjusts to six different positions for selective driving comfort and ease.

6 Driver's power outboard's seat has an optional adjustable, adjustable with back, up and down and lateral inflatable lumbar support. Allows for 12 different lumbar, lateral and back support positions. Cushion wings are lower, softer than in previous outboard's seat.

7 Wheel covers. A wide variety of stylish wheel covers and sporty road wheels is available. Your Chrysler dealer has details on available. **Note:** Availability varies with model. Check with your Chrysler dealer for details.

Sound Systems

- 1 The Chrysler Infinity II sound system includes all of the Infinity I system features plus a five-band graphic equalizer.
- 2 The Chrysler Infinity II On-Spot™ FM stereo electronically tuned radio-cassette tape player is packed with advanced features, including an Infinity-supplied eight-speaker sound system.
- 3 An stereo™ FM stereo electronically tuned radio with cassette tape player includes Dynamic Noise Reduction.*

- 4 All stereo™ FM stereo electronically tuned radio with five-band Noise Reduction.*
- 5 Chrysler Compact Blue Phases: Five all-steel, five-inch compact, radio, stereo, available in package only, with Chrysler Infinity I or Infinity II sound systems.

Note: Availability varies with model. Check with your Chrysler dealer for details.

*Noise Reduction technology may not be compatible with all radios. Chrysler Noise Reduction is a trademark of National Semiconductor Corporation.

Mopar Accessories

- 1 360 Rack is foldable, compact. Holds up to four pairs of skis. Mounts easily to Mopar or factory roof racks. Available for Town & Country.
- 2 Electronic Vehicle Security System is designed and engineered specifically for all Chrysler vehicles.
- 3 Cargo Area Protector provides protection from spills, grease, and dirt on Town & Country carpeting.

- 4 Bike Carrier is foldable for easy storage. Holds one bike at a time. Mounts easily to Mopar or factory roof racks. Available for Infinity, Town & Country, and Country.
- 5 Vinyl Luggage Cover is extra large and heavy-duty. Protects luggage from the elements. Mounts easily to Mopar or factory roof racks. Available for Town & Country.
- 6 Fog Lamps provide extra visibility in adverse weather. Available for Infinity, Town & Country.

CONSUMER LEASING

New consumers are considering leasing as an alternative to buying. Leasing a new Chrysler vehicle usually involves a small monthly deposit and a first month's lease payment. Monthly payments frequently are less than financing a new car purchase. Ask your dealer for details.

CHRYSLER PURCHASE ASSISTANCE PROGRAM FOR THE PHYSICALLY CHALLENGED

Gift certificates of up to \$500 are available for qualified adaptive driving devices on 1990 Chrysler Motors cars and trucks. For further information, call your new dealer or the PHYSICALLY CHALLENGED RESOURCE CENTER at 1-800-295-5877.

CRYSTAL KEY OWNER CARE PROGRAM

With Chrysler's Crystal Key Owner Care Program, for five years or 50,000 miles* all you do is take care of normal maintenance, adjustments, and wear items. Chrysler takes care of everything else. Engine, power trains, air conditioning, steering, electrical. Everything right down to the door handles. And you're still protected on the engine and power train for seven years or

STAINLESS PENTASTAR EXHAUST SYSTEM

On every Chrysler Motors passenger car, all exit points at the exhaust system employ a corrosion-resistant steel alloy that has superior resistance to rust and to rust caused by high heat. This system provides longer life than conventional exhaust systems. Chrysler Motors provides the Stainless Pentastar exhaust system on all its 1990 passenger cars, both domestic and import.

700 POWER TRAIN LIMITED WARRANTY

Three-year or 120,000-mile (whichever comes first) limited warranty. Coverage is extended on power train components to seven years or 70,000 miles. See dealer for details.

7000 ANTI-CORROSION LIMITED WARRANTY

Your dealer will repair or replace at no charge any body sheet metal panel found to have developed perforation (rust through) in normal use up to seven years or 100,000 miles. See your dealer for a copy of the warranty.

Basic Car Warranty Covers Basic Car Except Normal Upkeep	Major Component Protection	Indefinite Seal The Car Against All Major Corrosion	Power Train Protection Power Train	Owner's Basic Through Power Train

*70,000 miles, and water body run-through for 100,000 miles. If you have a question or need information, there's a 24-hour toll-free hotline. The program is transferable to a second owner. Program includes:

Five-Year or 50,000-Mile Complete Car Warranty*
Extends the basic car warranty, including major components, from one year or 12,000 miles to a full five years or 50,000 miles, whichever comes first. (See dealer for details.)

OPTIONAL SERVICE CONTRACT COVERAGE

Chrysler Service Contracts provide you with additional years of wear protection for your new vehicle. Chrysler Motors offers a variety of plans to meet your needs. Plan coverage begins after your vehicle's basic warranty expires. A deductible applies. Information for our rental and leasing are also included. See your dealer for details.

Mopar parts are registered. On Chrysler Motors for use on just new Chrysler vehicles. When replacement is necessary, be sure to specify Mopar parts, made by professional mechanics worldwide.

Seven-Year or 70,000-Mile Protection Plan* Covers engine and power train after 5-10 years. A deductible applies. (See dealer for details.)

Customer Hotline: In 1990, number to call 24 hours a day provides you with product information, dealer locations, and service information.

*See copy of limited warranty in dealer. Restrictions apply.

MAKING THE BEST EVEN MORE AFFORDABLE

Chrysler Credit offers a variety of financing programs that will help make your new Chrysler vehicle even more affordable. These special financing and leasing programs are designed to meet the needs of today's customers better. They include Gold Key Lease, New Lease, Lease Purchase Plan, College Graduate Plan, Rental Financing, and more. Ask your salesperson for details.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, complete accuracy cannot be guaranteed. Chrysler Motors reserves the right to make changes from time to time, without notice or obligation, in price, specification, colors and materials, and in quantity or discontinue models. See your dealer for the latest information.
