

09 CHRYSLER TOWN & COUNTRY

CHRYSLER

Town & Country Limited in Clearwater Blue Pearl.

DESIGN

Its sculpted shape is but one reason why no other minivan offers better fuel economy⁽¹⁾ than Town & Country. As a proud member of Chrysler's best-selling family of minivans,⁽²⁾ it serves as a rolling showcase of brilliant design. Since 1984, Chrysler has designed in more innovations to the minivan than any other manufacturer. The facts are clear: Town & Country is the most trusted⁽³⁾ minivan; Town & Country Limited is the most luxurious⁽⁴⁾ minivan. In the end, these are the vehicles that still set the standard for minivans.

⁽¹⁾Based on 2008 Ward's Small Van segment. EPA estimated 17 city/25 highway.

⁽²⁾Based on sales data from 1985 through 2008. ⁽³⁾Based on 2001 through 2007 model-year owner repurchase rates. ⁽⁴⁾Based on 2008 Ward's Small Van segment. ⁽⁵⁾Based on exclusive Stow 'n Go® and Swivel 'n Go® seating, best-in-class storage system, and SIRIUS Backseat TV.™

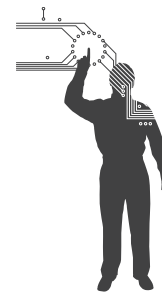

⁽⁶⁾Based on exclusive Stow 'n Go seating, Swivel 'n Go seating, and SIRIUS Satellite TV.

Town & Country is the best minivan ever⁽⁵⁾ and the best family vehicle ever.⁽⁶⁾

uconnect tunes and Three-Zone Automatic Temperature Controls.

TECHNOLOGY

Offering the best family entertainment system on wheels⁽¹⁾ is a captivating demonstration of Chrysler's ability to take minivan technology to an altogether higher level. This minivan embraces innovation and advancement to further everything from entertainment to fuel-efficiency.

⁽¹⁾Based on only vehicles with SIRIUS Backseat TV.™ Excludes other Chrysler LLC vehicles.

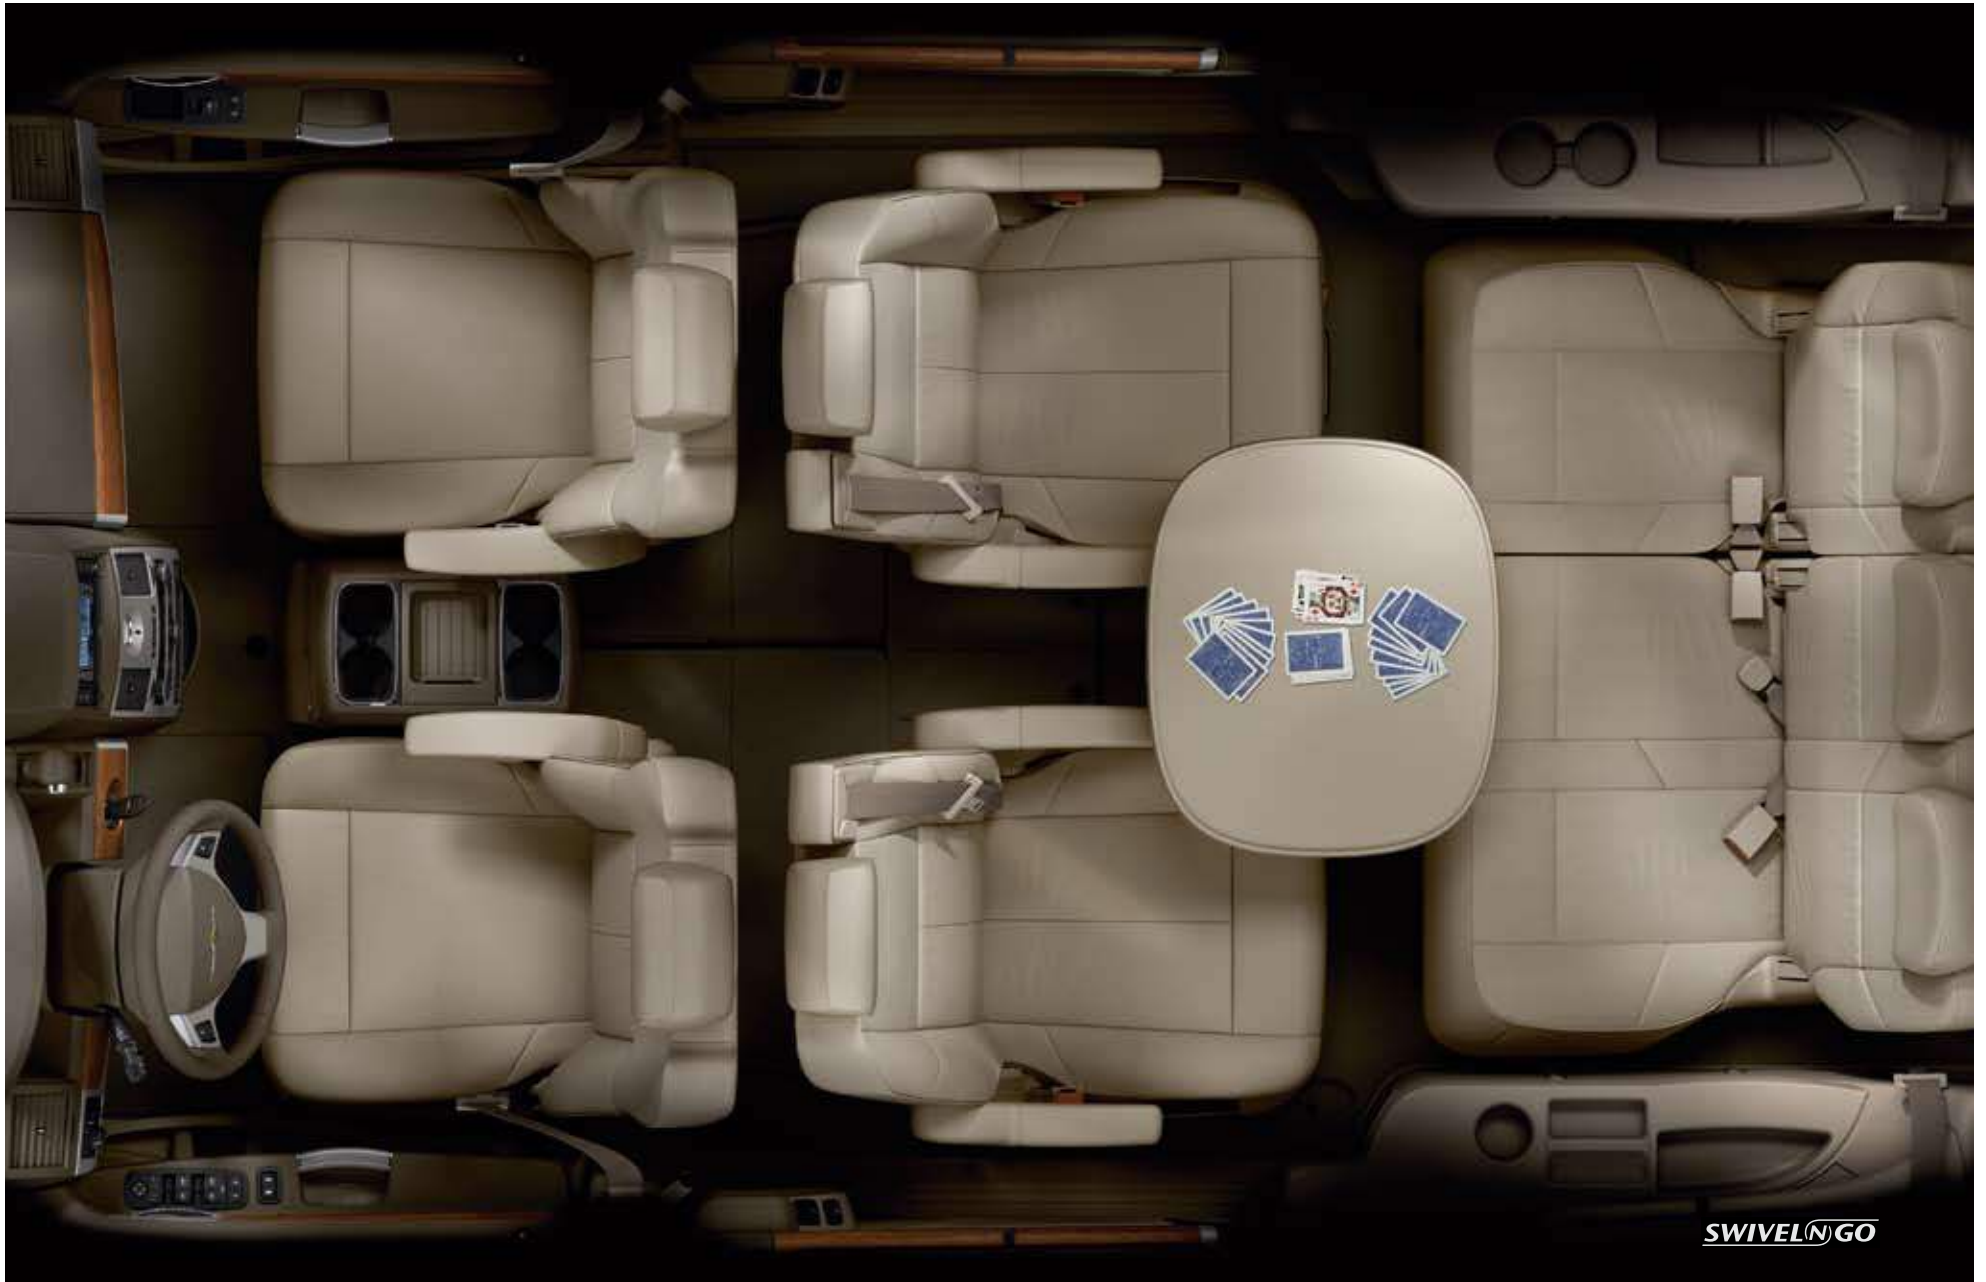

VERSATILITY

Chrysler Town & Country has been passionately designed to deliver all kinds of people and cargo to all kinds of places in absolute style. Leave it to Chrysler to make the most of all the flexibility and comfort a minivan has to offer.

Second-row in-floor storage bins closed and open.

SWIVEL^N**GO**

Town & Country Limited Swivel 'n Go® interior in Cream leather-trimmed first- and second-row seats with suede microfiber accents.

SEATING DESIGN

1 Swivel 'n Go® Arguably the ultimate in minivan seating versatility, the available Swivel 'n Go seating and storage system⁽¹⁾ offers second- and third-row in-floor storage bins, a removable and stowable table,⁽²⁾ and removable second-row seats. The second-row captain's chairs turn outward to facilitate easier ingress and egress and also rotate 180 degrees and lock for enhanced face-to-face gaming and dining activities.

Stow 'n Go® The legendary Stow 'n Go seating and storage system includes second- and third-row in-floor storage bins and fold-in-floor seats. Near-endless flexibility comes from the ability to fold the second- and third-row seats into the floor, which gives you a flat cargo floor area with 144.2 cubic feet of room to load as you please. When the seats are upright, the storage bins below accommodate travel gear, hobby equipment, children's toys, and just about anything in between. Perhaps best of all, you benefit from all this flexibility without ever having to remove a seat.

Integrated second-row booster seats.⁽³⁾ Take the clutter and clumsiness out of your backseat with Town & Country's integrated child booster seats. Only available with Swivel 'n Go seating and storage system.

2 Removable and stowable table.⁽²⁾ After use as a game table, worktable, and dining table, it might be time to rearrange the furniture. The handy activity table can be easily removed and stored in covered second-row floor bins.

3 Comfortable third-row seats. Accommodate your rear-seat passengers in style with room for three across and handy individual storage areas for outboard passengers, thanks to smart third-row seating.

One-touch push-button control panel. Included as part of the available **power reclining third-row 60/40 split-folding bench** feature, this handy mini-control center provides for effortless seat positioning at the touch of a button.

4 Dual 9-inch DVD screens. New larger-size DVD screens are available to maximize the luxury of mobile entertainment and can even add extra educational value as you travel. The new screens fold down from the overhead console and come paired with **wireless headphones and remote control.** The third-row screen even swivels 180 degrees⁽⁴⁾ to achieve the most comfortable viewing angle for your passengers.

5 Premium sliding floor console. Make the most creative use of Town & Country's available premium sliding floor console with four cup holders, handy power outlet, and deep storage bins all designed for enhanced flexibility. Easily slide the console between the first and second rows, or even remove it completely to suit your evolving traveling needs.

6 Tailgate seating. While parked, tumble the third-row seat backward to take full advantage of Town & Country's cleverly comfortable third-row tailgate seating feature.

⁽¹⁾Seat must be locked in forward or rearward mode while vehicle is in motion. Child restraints must only be used when seats are in forward-facing mode. Children 12 and under should always be seated in the rear seats properly restrained in a child seat or the vehicle seat belt. ⁽²⁾Included with Swivel 'n Go seating option only. Tabletop must be installed in base at all times when in use. When not in use, table and base must be properly stowed. Never drive with table installed without properly using your seat belts. ⁽³⁾Booster seat is only for children under 57" tall, between 48 and 85 pounds. Always buckle seat belt properly. ⁽⁴⁾Late availability.

INTERIOR

1 Second-row power windows. Chrysler was first with dual sliding side doors and now offers available side door power windows.

Highly practical controls on the driver's side door armrest keep the driver in charge, or second-row passengers can enjoy using this feature with controls of their very own.

2 Standard center console. Sleek, flexible in function, and removable, the standard center console of Town & Country is designed to maximize convenience for driver and passengers alike.

The top provides four cup holders that can slide forward and backward to compensate for seat position or occupant reach. Inside you will find a deep, open storage bin that is just the right size for containing all of your daily travel essentials.

3 Power sunroof. Let in plenty of fresh air and sunshine with an elegantly ample power sunroof. Available on Town & Country Limited and Touring, this popular feature offers a power one-touch express open-and-close function. It replaces the standard overhead console and gives you dual rear mini overhead consoles with two convenient storage bins.

Driver seat memory feature. In addition to eight-way power driver and eight-way power front-passenger seats, a practical position memory feature is standard equipment on Town & Country Limited.

Power adjustable pedals. The ability to get comfortable is standard on Touring and Limited. A pedal position memory feature is included with Town & Country Limited.

Stain Repel. This available stain-resistant, odor-resistant, antistatic seat fabric⁽¹⁾ employs a dual-action technology that is woven into the fabric itself to help repel and release stains without solvents.

Heated seats. Take comfort in available heated first- and second-row seats in standard Stain Repel seat fabric, or upgrade even further to heated leather-trimmed seating surfaces, standard on Town & Country Limited and available on Town & Country Touring.

4 Overhead LED swivel lamps. Shine a bright light where it is needed the most to help you better focus on the task at hand. Inspired by aircraft interior lighting, these adjustable LED lamps are located in the overhead console and are standard equipment on Town & Country Touring and Limited.

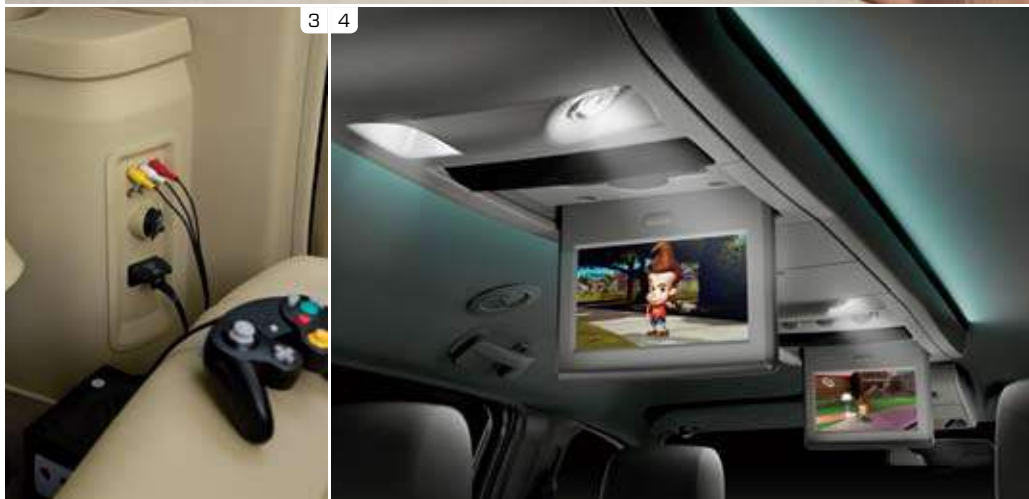

5 Retractable shades. Available second- and third-row retractable shades increase security and can help keep out the brightest sunshine. The shades can even remain in use when the available second-row power windows are in down positions. Standard on Town & Country Limited.

⁽¹⁾Not compatible with aftermarket fabric-protecting coatings.

Town & Country Limited instrument panel.

TECHNOLOGY

1 uconnect The 6.5-inch touch-screen **uconnect tunes** provides entertainment, information, and communication, all through an AM/FM/CD/DVD⁽¹⁾ stereo system. A 30GB hard drive allows you to store photos, playlists, maps, points of interest, as well as rip, stash, organize, and shuffle up to 6,700 digital music files from CDs, integrated USB port, or exterior input jack. The touch-screen allows you to easily change radio stations and play digital audio files. Or step up to **uconnect gps**, which includes all the same great features, and adds the convenience of turn-by-turn navigation with real-time traffic updates using **SIRIUS® Satellite Radio**.⁽²⁾ The included **uconnect phone** provides hands-free, voice-activation capability with your Bluetooth® compatible phone.

uconnect studios Like a menu offering the best of in-vehicle technology, uconnect studios lets you either bundle or select individual available features such as **SIRIUS Satellite Radio**. Gain access to over 130 channels, including 100% commercial-free music, sports, news, talk, entertainment, traffic, and weather. Comes standard on Touring and Limited or can be added as part of Entertainment Group 1 on LX. **SIRIUS Backseat TV™**⁽²⁾ The available SIRIUS Backseat TV allows live content from three favorite family channels — Nickelodeon™, Disney Channel, and Cartoon Network™ to stream directly to your Town & Country.

uconnect phone Go high-tech with an in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth compatible phone virtually hands-free. Comes bundled with uconnect gps or available in the Safety Group or the Security Group. In addition, uconnect phone includes a new iPod® interface that allows you to connect and secure your iPod in the glove box and then use your radio controls for all your iPod functions.

uconnect web Turn your vehicle into a WiFi Hotspot. This Authentic Chrysler Accessory by Mopar allows every passenger in your vehicle to harness the power and entertainment value of the Internet at the same time. Subscription required, sold separately.

Electronic Vehicle Information Center (EVIC). Important stats such as distance to empty, temperature reading, compass, and maintenance intervals are digitally displayed on Town & Country's EVIC. Available on Town & Country Touring, standard on Limited. A Tire Pressure Monitoring Warning Lamp or a **Tire Pressure Monitoring Display** are included on all Town & Country models.

2 Power everything. The power liftgate, dual power-sliding side doors, and remote start put the world of Town & Country at your fingertips via the Remote Keyless/Illuminated Entry System. Standard on Town & Country Touring and Limited, and available on LX (remote start available on Touring, not available on LX).

3 Auxiliary outlets. Get your game on with an available 115V inverter with auxiliary outlets to power your family's favorite gaming console.

4 Dual nine-inch DVD screens. These available screens pull down from the overhead console and can play independently of each other so one SIRIUS Backseat TV channel and one DVD entertainment source can be viewed simultaneously as desired.

Infinity® Audio System. Who would hear of anything less for Town & Country? This sonically enhanced system sends 506 watts through nine amplified speakers including a subwoofer. Standard on Town & Country Limited.

⁽¹⁾uconnect in-dash DVD capability is not available in all states. See your dealer for details. ⁽²⁾"SIRIUS," the SIRIUS dog logo, "SIRIUS" Backseat TV and related marks are trademarks of SIRIUS Satellite Radio Inc. Properly secure all cargo.

STOW 'N GO

Town & Country Touring Stow 'n Go® interior in Light Shale Stain Repel seat fabric.⁽¹⁾

⁽¹⁾Not compatible with aftermarket fabric-protecting coatings.

VERSATILITY

1 - 4 Swivel 'n Go® seating configurations.

Available Swivel 'n Go⁽¹⁾ seating and storage system combines the adaptability of upright seating with outright sociability using a removable and stowable table⁽²⁾ and second-row seats that rotate 180 degrees and are also removable.

5 - 8 Stow 'n Go® seating configurations.

Legendary available Stow 'n Go seating gives you the ability to either use the rear seats in an upright position or easily fold the rear seats into the floor to make the most of a spacious, flat cargo floor.

Power liftgate and dual sliding side doors.

Available power liftgate, power-sliding driver-side door, and power-sliding passenger-side door are all equipped with an Obstacle Detection System.⁽³⁾ Your Town & Country, equipped with this system, is not only versatile, it is capable of detecting most obstacles in the path of a closing liftgate or door and will automatically stop and reverse the power-closing operation.

Trailer Tow Prep Group. Take your largest toys on the road with Town & Country's 3,600-lb towing capacity and this available package. Includes engine oil cooling, heavy-duty transmission cooling, heavy-duty engine cooling, heavy-duty radiator, trailer tow wiring harness, and load-leveling and height-control suspension. (Hitch receiver and trailering accessories available as Authentic Chrysler Accessories by Mopar.)

Power outlets. Plug in your favorite appliance, from a blender to a laptop. Standard 12V DC power outlets are located in the instrument panel and rear-quarter trim panel. For added convenience, a 115V inverter with auxiliary outlets is located in the front of the driver-side-quarter trim panel. It is standard equipment on both Town & Country Limited and Touring and is available as part of the Entertainment Group 1 package for Town & Country LX.

Dual glove box. Conveniently located. Easy to access. In this case, when one is good, two becomes even better. The standard dual glove box feature allows you to organize your items into either of two ample bins. Perfection. Twice.

Center floor consoles. Take your choice of removable standard console with cup holders and storage bins or removable premium center floor console with cup holders and storage bins under a two-position top rack.

Interior conversation mirror. A standard convex mirror in the overhead console expands your view of rear-seat passengers.

9 Fold-in-floor third-row seats. A third-row 60/40 split-folding rear bench seat with tailgate feature⁽⁴⁾ is standard on every Town & Country. Make this remarkable feature even more remarkable with an available power third-row 60/40 split-folding rear bench seat with one-touch control and power recline feature.

⁽¹⁾Seat must be locked in forward or rearward mode while vehicle is in motion. Child restraints must only be used when seats are in forward-facing mode. Children 12 and under should always be seated in the rear seats properly restrained in a child seat or the vehicle seat belt. ⁽²⁾Tabletop must be installed in base at all times when in use. When not in use, table and base must be properly stowed. Never drive with table installed without properly using your seat belts. ⁽³⁾Detects most obstacles. As with all electronically controlled systems, care is advised. ⁽⁴⁾Only use rear-facing tailgate feature when vehicle is parked.

Town & Country Touring in Bright Silver Metallic.

SAFETY AND SECURITY

1 Air bags. Standard advanced multistage driver and front-passenger air bags⁽¹⁾ provide nearly instantaneous front-seat occupant impact protection by matching air bag output to crash severity. Standard **supplemental side-curtain air bags**⁽¹⁾ with roll-sensing technology deploy from the headliner to provide three rows of side-impact protection to all outboard passengers. This technology also keeps these air bags deployed longer in the event of a rollover.

2 Integrated second-row booster seats.⁽²⁾ These ingenious child booster seats fold up from the second-row seat to maximize convenience and eliminate the extra bulk and clutter of separate aftermarket child booster seats. Available in the Swivel 'n Go® seating and storage configuration.

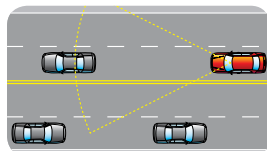

3 Blind Spot Detection System (BSD).⁽³⁾ While traveling in forward gears, this system activates a visual warning to drivers that another vehicle is beside them. BSD includes the **Rear Cross Path System (RCP)**⁽⁴⁾ that warns the driver of traffic moving toward his/her vehicle with an illuminated icon in the side-view mirrors and an audible chime. It activates any time your vehicle is in Reverse and is exclusive to Chrysler minivans.

4 ParkSense® Rear Park Assist System.⁽⁵⁾ Available ParkSense uses audio and visual warnings to assist drivers during reverse parking maneuvers to avoid colliding with most large stationary objects.

5 ParkView® Rear Back-Up Camera.⁽⁵⁾ This available rear-view camera system displays an accurate visual reference of what is behind your vehicle when you are driving in reverse.

Tire Pressure Monitoring System. This standard feature continuously checks air pressure in the tires and sends a warning when appropriate.

Sliding Door Alert System. Standard on all manual and power sliding doors, this system warns other drivers by flashing Town & Country's exterior lamps when passengers are entering or exiting the vehicle (feature must be activated).

SmartBeam™ intelligent headlamps. For optimum nighttime visibility, Town & Country's available headlamps automatically adjust intensity.

Rain-sensing wipers. Another available feature that improves visibility. Rain-sensing wipers adjust automatically for your vehicle speed and the amount of precipitation encountered.

Electronic Stability Program (ESP).⁽⁶⁾ Designed to assist drivers in maintaining control of their vehicle at all times, ESP uses the collective technologies of **Brake Assist**, **all-speed traction control**, and an **antilock brake system (ABS)** to constantly monitor the driver's input against the vehicle's actual course. If needed, ESP will attempt to correct the vehicle's course by automatically applying the brake and/or reducing engine torque. If necessary, engine power is reduced and braking is applied to help stabilize the vehicle.

Sentry Key® Theft-Deterrent System. This practical security feature comes standard and helps deter vehicle theft by making it virtually impossible to start the engine without possession of a properly encoded key.

6 Flashlight. The available dual purpose LED light is located in the rear cargo area and is designed to be easily removable, easily portable, and rechargeable.

⁽¹⁾Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child's age and weight. ⁽²⁾Booster seat is only for children under 57" tall, between 40 and 85 pounds. Always buckle seat belt properly. ⁽³⁾Blind Spot Detection utilizes sensors in the vehicle bumper which help detect adjacent vehicles which may not appear in vehicle mirrors. Always check visually for vehicles prior to changing lanes. ⁽⁴⁾Always check entire surroundings visually before backing up. ⁽⁵⁾Always check entire surroundings before backing up. ⁽⁶⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear seat belts.

INNOVATIVE HISTORY

The original minivan. Chrysler originated the minivan in 1984. Today, over two decades worth of experience, worldwide sales of nearly 12 million, and a list of 40 minivan segment-first features all attest to the simple fact that Chrysler is the undisputed minivan leader.

25 years of leadership. Logging over 25 years of testing and improvements not only helped Chrysler develop the best minivan possible, it has also helped Town & Country become part of the best-selling family of minivans ever!⁽¹⁾

America's most-trusted minivan.⁽²⁾ Becoming America's most-trusted minivan is no small achievement. Town & Country is the only minivan that has been able to make that claim for seven years in a row.

1 Noise, vibration, and harshness (NVH) evaluation. In addition to improved road noise levels, Town & Country's fit and finish were subjected to the rigors of extensive NVH testing procedures to help reduce any unwanted sounds and sensations inside and outside the vehicle.

Quiet Steel® technology. Strategic application and placement of this best-in-industry noise and vibration-reducing manufactured steel product further dampens unavoidable NVH levels. No wonder Town & Country uses more Quiet Steel technology than any other minivan.

2 Four-post shaker test. Not for the faint of heart, Chrysler's four-post shaker testing mechanism was used to help pinpoint, reduce, and improve simulated road noise.

3 Wind tunnel testing. Town & Country's sleek, stylish exterior has been sculpted and refined utilizing the benefits of knowledge gained inside Chrysler's 100-mph wind tunnel. This testing process helps make the most of fuel-efficiencies gained by improved aerodynamic design.

4 High-speed crash testing. Smashing real vehicles is very expensive. But we think keeping you and your loved ones safer is worth every single penny.

Five-Star crash test rating. Chrysler Town & Country has earned a Five-Star crash test rating for both front and side impact.⁽³⁾ These ratings represent the highest possible vehicle safety honors from the National Highway Traffic Safety Administration (NHTSA).

5 Extreme temperature testing. Total vehicle functionality tests were conducted in Fahrenheit temperature conditions from as low as -20 degrees up to 110 degrees.

Arizona Proving Grounds. In the case of Town & Country, traditional vehicle testing was superseded by the even more arduous, and decidedly more modern, challenge of miles and miles of computer simulation. The findings led to changes in body structure, new rear wheelhouse and fender silencers, and the targeted use of polyurethane foam. It is all a part of our ongoing commitment to making your new minivan the very best incarnation of the world renowned legend that is Town & Country.

Lifetime Powertrain Limited Warranty.⁽⁴⁾ As a Town & Country owner, you deserve the ultimate peace of mind, so we provide you with the ultimate warranty: the Chrysler Lifetime Powertrain Limited Warranty. The first to be offered by any automaker. Ever. It demonstrates the confidence we have in our ability to produce quality vehicles with reliable and durable powertrains warranted to last a lifetime.

⁽¹⁾Based on sales data from 1985-2008. ⁽²⁾Based on 2001 through 2007 model-year owner repurchase rates. Excludes other Chrysler LLC products. ⁽³⁾Star ratings are part of the U.S. Department of Transportation's safecar.gov program (www.safecar.gov). ⁽⁴⁾No deductible. See dealer for a copy of limited warranty details. Non-Transferable. Not available on certain fleet vehicles.

SEATING SELECTIONS

SWIVEL 'N GO® INTERIOR The available Swivel 'n Go seating and storage system⁽¹⁾ offers in-floor storage bins, removable and stowable table,⁽²⁾ and removable second-row seats. The second-row captain's chairs rotate 180 degrees and lock for enhanced face-to-face activities, and also turn outward to help make entering and exiting the vehicle as easy as can be.

⁽¹⁾Seat must be locked in forward or rearward mode while vehicle is in motion. Child restraints must only be used when seats are in forward-facing mode. Children 12 and under should always be seated in the rear seats properly restrained in a child seat or the vehicle seat belt. ⁽²⁾Tabletop must be installed in base at all times when in use. When not in use, table and base must be properly stowed. Never drive with table installed without properly using your seat belts.

STOW 'N GO® INTERIOR The legendary Stow 'n Go seating and storage feature complete with in-floor storage bins and fold-in-floor seats is now standard equipment on all trim levels. The ability to fold the second- and third-row seats into the floor gives you a flat cargo floor area with 144.2 cubic feet of room for easy loading of all types of cargo without ever having to remove a seat. When the seats are in their upright position, in-floor storage bins are ideally suited to organize your gear.

TRIM LEVEL LINEUP

LIMITED Not only does it provide unsurpassed fuel economy for a minivan;⁽¹⁾ Limited's 4.0L V6 SOHC engine also provides 251 horsepower and 259 lb-ft of torque. From its leather-trimmed seating with suede microfiber accents on down, Town & Country Limited is loaded with an absolute abundance of standard equipment.

⁽¹⁾Based on 2008 Ward's Small Van segment. EPA estimated 17 city/25 highway mpg.

TOURING Ride on available 17-inch aluminum wheels or standard 16-inch aluminum wheels. Add everything else you get standard on the LX trim level plus leather-wrapped steering wheel, power adjustable pedals, power doors, power liftgate, roof rack, steering wheel audio controls, fog lamps, bright bodyside molding, and more. Touring is effectively and efficiently propelled by a 3.8L OHV V6 engine linked to a 6-speed transmission.

LX Start with Best-in-Class fuel economy for under \$28,000⁽¹⁾ with power from a 3.3L OHV V6 Flex Fuel engine. Standard. Add the legendary Stow 'n Go seating and storage system, four-wheel antilock brakes system (ABS), Remote Keyless/Illuminated Entry System, power front windows, power door locks, tilt steering column, and air conditioning. All standard. All Town & Country.

Shown with Premium Molded Running Boards, an Authentic Chrysler Accessory by Mopar.

⁽¹⁾Based on MSRP excluding tax. 17 city/24 highway EPA estimate.

⁽¹⁾Flex Fuel V6 engine not available in CA, MA, ME, NY and VT. 3.3L gasoline V6 engine will be substituted. ⁽²⁾Not compatible with aftermarket fabric-protecting coatings. ⁽³⁾Seat must be locked in forward or rearward mode while vehicle is in motion. Child restraints must only be used when seats are in forward-facing mode. Children 12 and under should always be seated in the rear seats properly restrained in a child seat or the vehicle seat belt. Tabletop must be installed to base at all times when in use. When not in use, table and base must be properly stowed. Never drive with table installed without properly using your seat belt. ⁽⁴⁾Booster seat is only for children under 57" tall, between 48 and 65 pounds. Always buckle seat belt properly. ⁽⁵⁾uconnect in-dash DVD capability is not available in all states. See your dealer for details. ⁽⁶⁾"SIRIUS," the SIRIUS dog logo, "SIRIUS Backseat TV," and related marks are trademarks of SIRIUS Satellite Radio Inc. All other trademarks, service marks and logos are property of their respective owners. Subscription required. All rights reserved. Pricing and programming content are subject to change. Not available in Alaska and Hawaii. For full Terms & Conditions, visit SIRIUS.com. © 2008 Viacom International Inc. All rights reserved. AUTHENTIC CHRYSLER ACCESSORIES

When you enhance your Town & Country with Authentic Chrysler Accessories by Mopar, you gain far more than sophisticated style, premium protection, powerful performance or engaging entertainment. You also benefit from the authentic difference found only in an original equipment accessory. It is a difference you will recognize in the higher standards and tighter tolerances required of original equipment accessories. And one you will appreciate in our stricter testing measures, from impact performance tests to harsh on- and-off-road durability testing. Choose the full line of accessories that feature a fit, finish and functionality designed specifically for your Town & Country. Visit us at mopar.com
