

200

2012 CHRYSLER 200

BRILLIANCE IN THE FORM OF A SHADOW.

MODEL TREATMENT. Chrysler 200 S delivers its own recipe for attitude, thanks to a special edition that features a standard 3.6L Pentastar® V6 engine, 283 horsepower, and some standout touches. It starts with a Black grille and Black headlamp treatment with bright metalized projector rings and projector fog lamps. 200 S reinforces its strong first impression with body-color door handles and body-color heated exterior mirrors, Black painted rear fascia bar, Black "S" badge, and 18-inch polished aluminum wheels featuring Black painted pockets. The brilliant LED taillamps and dual bright exhaust tips set the trend.

INDOOR DISTINCTION. The 200 S interior features Black leather-trimmed seating accented in Silver stitching with distinctive digital suede inserts. The driver and front-passenger seats feature embroidered "S" graphics as a unique stylish touch, and a perforated leather-wrapped steering wheel deliver an added dose of finesse.

THIS IS THE MOTOR CITY AND THIS IS WHAT WE DO.

283^{HP}

BEST-IN-CLASS HORSEPOWER.^①
PENTASTAR® V6 ENGINE

29<sup>HWY
MPG</sup>

OLD DETROIT HORSEPOWER MEETS HIGH-TECH EFFICIENCY.

It is the most advanced six-cylinder engine ever produced by Chrysler Group LLC and it just happens to be shared with its Chrysler 300 stablemate. The available 3.6L best-in-class⁽¹⁾* 283-horsepower Pentastar® V6 DOHC is paired with a six-speed automatic transmission with first-rate noise, vibration, and harshness control. The only thing better than numbers like 283 horsepower and 260 lb-ft of torque is the engine's durability-enhancing features that require very low maintenance. Its impressive EPA estimated 19 city/29 highway mpg provides a glimpse of restraint within its appetite for the open road. The standard 2.4L engine with VVT (Variable Valve Timing) is mated to a six-speed automatic transmission with AutoStick. It provides a strong balance of fuel efficiency (EPA estimated 20 city/31 highway mpg) and solid performance with 173 horsepower.

*A note about this brochure: all disclaimers and disclosures can be found in the back of the brochure.

PRECISELY ON POINT.

RESPONSIBILITY WITH A TOUCH OF REBELLION.

RIDE AND HANDLING. Virtually every system for this sedan has been engineered for an exceptional performance experience. MacPherson struts sit up front to provide an optimum balance of ride, handling, and noise isolation. These are supported by multilink coils in the back, which allow individual articulation of the rear wheels over varying road surfaces for a level ride. Additional components include large-diameter front and rear sway bars, stiffened body mounts, and soft ride rate, all paving the way for a smooth and controlled ride. These drivetrain and suspension enhancements also contribute to the reduction of noise, vibration, and harshness (NVH), while the premium 17-inch and 18-inch All-Season tires provide solid balance and response.

AUTOSTICK. When paired with either the 2.4L four-cylinder engine or the 3.6L Pentastar® V6 engine, the six-speed automatic transmission with available AutoStick shifter allows clutchless manual or automatic gear selection for a dynamic driving experience.

BUILT TO INVITE.

MORE THAN PRACTICAL STANDARDS. GREAT EXPECTATIONS.

THE DRIVER'S QUARTERS. The interior details reveal an acoustic-laminated windshield and front-door glass, super-soft interior materials, and sound-absorbing treatments throughout the cabin and instrument panel, which all provide sound dampening, comfort, and reduced noise and vibration levels to 200's ride. Available premium leather seating surfaces with detailed accent stitching is standard on Limited. The bolstered seats envelop occupants while sturdy cushion design and materials enhance comfort. An available leather-wrapped steering wheel and shift knob with chrome accents provide luxury details that confirm the upgrade, as well as the standard tilt/telescoping steering column with integrated controls.

LUXURY CONVENIENCE. The instrument panel, gauge cluster, and dash enhance the finishing seams throughout. This means tight tolerances for smooth surface transitions. Ambient LED lighting highlights the beautiful interior, while the four-spoke steering wheel with integrated controls allows the driver easy access to radio, cruise, and available hands-free phone controls. Illuminated cup holders and a classic-design analog clock supplement the cache of added designed-in conveniences. Touring, Limited, and S also include automatic temperature control, sun visors with illuminated vanity mirrors, SiriusXM™ Satellite Radio,⁽²⁾ six speakers, Tire Pressure Monitoring Display, Electronic Vehicle Information Center (EVIC) with trip computer and compass, universal garage door opener, and automatic headlamps.

HEATED FRONT SEATS. The available heated eight-way power driver's seat allows tailored comfort by adjusting both the seating position and the heat, creating an ideal driving environment. The front passenger can also control the heat feature on his/her seat.

REAR SEAT WITH TRUNK PASS-THRU. Rear-seat passengers enjoy spacious, comfortable seating. And the trunk pass-thru provides additional cargo capacity, allowing longer items to be stored in the trunk.

CONNECT TO THE PEOPLE, MUSIC, AND INFORMATION THAT MATTER MOST.

Uconnect® IS AN INTUITIVE HUB FOR ALL YOUR MEDIA — CELL PHONE, INTERNET, SIRIUSXM™ SATELLITE RADIO⁽²⁾ NAVIGATION SYSTEM, SMARTPHONE, AND MP3 PLAYER. THE Uconnect USER-FRIENDLY SYSTEM ALLOWS YOU TO STAY CONNECTED, INFORMED, ENTERTAINED, AND FOCUSED ON DRIVING.

ENTERTAINMENT. Manage all your media with multiple ways to access audio, including Bluetooth® streaming audio, iPod® control with Voice Command, DVD player, audio jack, SD card slot, compatible multimedia devices, and gaming consoles. With SiriusXM Satellite Radio⁽²⁾ (your first year of service is included), you get over 130 channels, including commercial-free music plus all your favorite sports, news, talk, and entertainment — all with coast-to-coast coverage, 24/7.

PHONE. Talking on the phone while driving has never been easier — or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone's address book⁽³⁾ — up to 1,000 entries — every time you get into your vehicle.

NAVIGATION. Provides turn-by-turn voice guidance and visual display. It can also locate nearby restaurants, shopping, hospitals, or points of local interest through an exclusive GPS system. It features an intuitive user interface, bringing the handheld experience to a factory in-dash radio. With SiriusXM Traffic^{TM(2)} (one-year subscription included) you'll get continuously updated information on accidents, traffic flow, construction, and road closures.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations, SiriusXM Satellite Radio⁽²⁾ channels, and make and receive calls. Along with pause and rewind capability, this smart system technology can also be adapted to better recognize your voice and can understand commands in English, French, and Spanish.

WEB. Put the power of high-speed Internet in your vehicle with Uconnect Web.⁽⁴⁾ Effortlessly connect any WiFi-enabled device to the Internet at 3G broadband speeds, making your vehicle a mobile Hotspot. Passengers can use multiple devices at the same time. There's no need for cell cards or software with this Authentic Chrysler Accessory by Mopar.® It's all wireless. Subscription required. Sold separately.

SiriusXM TRAVEL LINK™ Access a wealth of current information at your fingertips, including national and local weather forecasts, radar images, and detailed storm information with speed and direction, even local ski slope conditions. Review fuel prices at local gas stations to find the lowest price in your area. Sports fans can learn in-game and final sports scores and weekly game schedules. You can also get detailed weekly movie listings, showtimes and ratings, as well as watch your personal portfolio of stocks as they move up or down throughout the day. Subscription is required after one-year included service.

SiriusXM

ELECTRONIC STABILITY CONTROL/ESC.⁽⁶⁾ In adverse conditions, ESC and Brake Assist work with an all-speed traction control system to help maintain vehicle stability, limit oversteering or understeering, and automatically apply brake force when needed.

AIR BAGS.⁽⁶⁾ All 200 models feature standard advanced multistage driver and front-passenger air bags, supplemental side-curtain air bags, and supplemental driver and front-passenger seat-mounted air bags.

ACTIVE FRONT HEAD RESTRAINTS.⁽⁷⁾ Head restraints automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant's head, helping to reduce the chance of injury.

TIRE PRESSURE MONITORING SYSTEM. A warning lamp in the instrument cluster notifies you of low tire pressure. A Tire Pressure Monitoring Display alerts you of individual tire pressure for all four tires and is part of the available Electronic Vehicle Information Center (EVIC).

ANTILOCK BRAKE SYSTEM/ABS. Standard four-wheel antilock disc brakes afford premium stopping power from state-of-the-art electronics that provide faster system response. ABS senses and prevents wheel lockup, offering improved steering control under extreme braking and/or slippery conditions.

SENTRY KEY® THEFT-DETERRENT SYSTEM. A unique security system code matched only to your vehicle allows your 200 to start only with the special encoded key.

SECURITY ALARM. This system monitors the door-ajar and trunk switches as well as the ignition circuit for unauthorized entry. The lights flash and the horn sounds, alerting you if someone else is trying to enter your vehicle.

REMOTE KEYLESS/ILLUMINATED ENTRY. For additional convenience and security, this feature unlocks the driver's door on the first press of the key fob and all doors on the second press, illuminating interior lights once the vehicle is unlocked.

BUILT WITH A LEVEL OF CONFIDENCE
STAMPED IN STEEL.

Specifically designed front and rear crumple zones help absorb energy and redirect it away from passengers, helping to reduce the risk of injury in the event of a collision.

AUTHENTIC CHRYSLER ACCESSORIES.

SPORT. No matter what adventure you seek, you'll want to add to the sport of it all with durable and convenient Mopar carriers.

PROTECTION. Safeguard your vehicle with parts and accessories made precisely for the protection and security of your ride.

STYLE. Select from a palette of attractive accessories designed to enhance your vehicle's appearance and express your individual taste.

COMFORT. Raise the comfort level of your vehicle's interior. From Heated Seats to Katzkin Leather Interiors you and your passengers will notice the Mopar difference.

MOPAR® INSPIRES VEHICLE OWNERS WITH INNOVATIVE PARTS AND ACCESSORIES — ALL MADE-TO-SPEC FOR YOUR 200. THIS IS WHAT MOPAR DELIVERS, ALONG WITH EXPERT, CARING SERVICE. MOPAR TECHNICIANS ARE THE MASTERS OF YOUR MAKE AND MODEL, WITH ACCESS TO THE TOOLS AND DIAGNOSTIC EQUIPMENT THAT HELP GET THE JOB DONE EFFICIENTLY. CHOOSE AUTHENTIC MOPAR PARTS AND SERVICE, AND YOU'LL DRIVE AWAY WITH PEACE OF MIND. FIND OUT MORE AT MOPAR.COM.

HITCH-MOUNT BIKE CARRIER.

Carriers come in two-bike and four-bike styles (both fit 2-inch receiver) that fold down to allow your vehicle's trunk to open without having to remove your bikes. Both styles feature carrying clamps with rubber inserts and a bolt that locks the carrier to your vehicle. Properly secure all cargo.
