

THE ALL-NEW 2017
CHRYSLER PACIFICA

Crafting a benchmark from scratch.

The all-new Pacifica architecture is built from the ground up, starting with strong, yet lightweight, steel. The sculpted shape offers advanced aerodynamics, while the enhanced exhaust provides low level sound volumes.

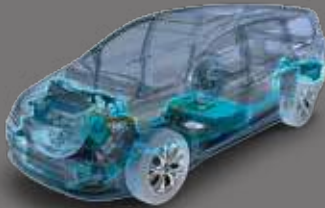

Upgrades to the new architecture result in less noise, vibration and harshness (NVH), for a smooth and quiet ride.

An advanced piece of machinery.

The evolution continues on the all-new minivan designed to increase strength along with an independent rear suspension for exemplary ride and handling. It's an optimized balance of size, range, weight, fuel efficiency and performance.

First-ever Hybrid in its class.^{1*}

Caring for your family and the environment is a way of life in the first-ever Hybrid in its class!

Look to the Hybrid technology for outstanding fuel economy of 80 MPGe[†], a 30-mile electric range,[†] and a total driving range of 530[†] miles with tank and charge.

[†]Based on manufacturers testing.

Small footprints make lasting impressions for the modern family.

The Hybrid model's unique Driver Information Display provides customizable side gauges to view efficiency and power usage. Unique Anodized Ice Cave accent paint and Ice Blue stitching give a sense of serenity to the Hybrid driving experience.

^{*}A note about this brochure: all disclaimers and disclosures can be found on the back cover.

Generation us.

The life of the modern family is about quality time — wanting the most for each other while staying true to yourself. That's why this all-new ultimate family vehicle reveals an athletic stance to the sculpted body. LED lighting, chrome accents and 20-inch wheels offer an enhanced style to the new silhouette.

Curb appeal.

Gorgeous and sleek, the all-new Pacifica raises the neighborhood bar for family-utility vehicles.

Bright ideas happen here.

The available Tri-Pane Panoramic Sunroof lets in spacious light to the Pacifica interior with a third-row fixed overhead glass, including a power dual-pane, first- and second-row sunroof. Each section includes a shade to shield light when needed.

WE THOUGHT OF
EVERYTHING, SO YOU
DON'T HAVE TO.

Only Minivan in its class³ with Stow 'n Go[®] seating and storage.*

2nd- and 3rd-row seats fold and stow into floor bins. *2nd-row Stow 'n Go not available on hybrid models.

The spaciousness offered with available seating for 8, makes team players feel welcome.

Making room for more is a no-brainer with available seating for eight, including an easily removable² center seat in the second row — adding an armrest, cup holder and bin when not in use. The eighth seat also increases the capacity of LATCH-installed child seats to five. Occupants in all three rows will notice the spacious leg room, shoulder room and head room for a relaxing, comfortable ride.

No-fumble entrance made easy.

With the available hands-free liftgate and sliding side doors, a simple wave of a foot opens up the vehicle while the key fob is on or near you. Whether you're carrying shopping bags or a sleeping baby, getting settled has never been smoother.

Gaining access is as simple as waving your foot near the sensors.

No heavy lifting or seat removal² required.

The all-new family room on wheels includes the class-exclusive³ Stow 'n Go[®] fold-in-floor seating, storage and cargo system designed to be used without having to remove² the seats. The new Stow 'n Go Assist feature makes stowing gear or the seats in the second row bins as simple as pressing a button and sliding the seat to allow for in-floor bin access.

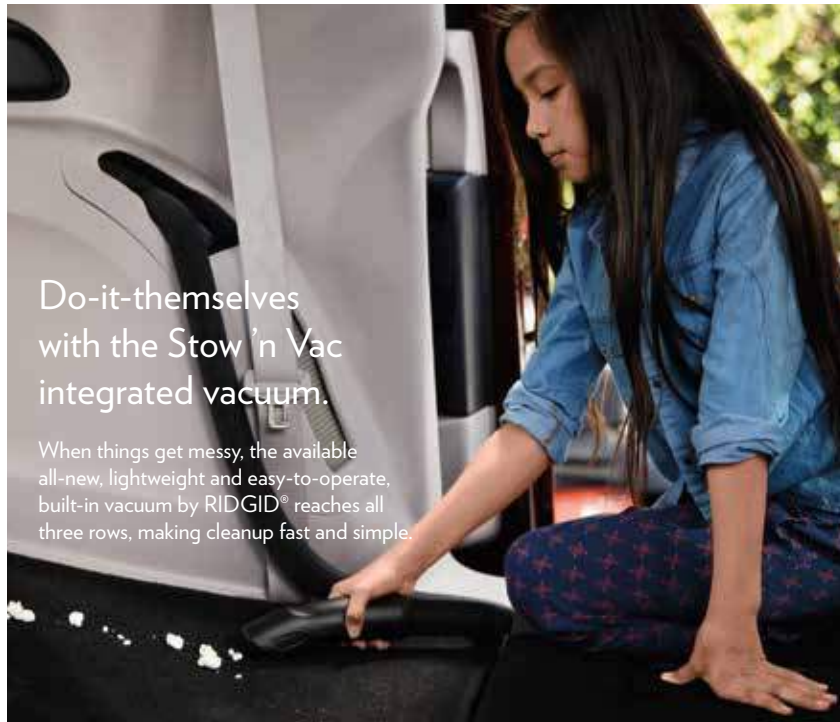

Most innovative seating and storage system in its class¹²

Easy Tilt seating allows smooth third-row access without disturbing the second-row child seat.

Do-it-themselves with the Stow 'n Vac integrated vacuum.

When things get messy, the available all-new, lightweight and easy-to-operate, built-in vacuum by RIDGID[®] reaches all three rows, making cleanup fast and simple.

Pacifica has 243 different seating configurations with the available seating for 8. With seats stowed in the floor, a flat cargo space will fit a 4'x 8' sheet of plywood.

When seats are upright, bins are utilized for storage and organization of all your gear.

Properly secure all cargo.

An interior oasis for your everyday standby.

Along with premium seating and plentiful leg room, the interior displays modern forms, distinct accents and contrast stitching. The standard Rotary E-shift is an innovative application, which operates simply by turning the center-stack-mounted dial. It allows for an open-center console with convenient covered storage bins. Heated steering wheel and keyless, passive entry with push-button start are part of the available comforts that make this family transport built to appreciate the driver.

Listen up.

Contributing to the quietness of the cabin, the standard built-in Active Noise Cancellation technology means engine and street noise are subdued. Every seat is perfectly tuned by sound specialists to immerse you in multichannel life-like sound. It also allows for an enhanced listening experience with the available new Harman Kardon® 20-speaker system, turning your Pacifica into a mobile soundstage.

Pacifica offers the largest available touchscreens in its class.¹

TECHNOLOGIES FOR LIVING.

Uconnect® Touchscreen.

Remain focused on the road with your hands on the wheel, while you communicate, navigate and stay entertained. Personalize your information and connectivity with available features like Uconnect Access⁴ with WiFi,⁵ Siri® Eyes Free voice commands,⁶ Do Not Disturb to route incoming calls and texts, and the Drag and Drop menu bar to display your top Uconnect features and services.

Are we there yet?

Keep curious minds in the backseat engaged while they track your route. They'll follow their travels with the Are We There Yet? app while playing games like checkers, tic-tac-toe, backseat bingo or the license plate game.

Attention expanded with Uconnect Theater.

The available Uconnect Theater allows second-row occupants to bring their lives along for the ride and simply connect with available Wireless, Bluetooth,® USB and HDMI device connectivity. This technology integrates apps on two 10-inch touchscreens with the ability to stream media, keeping the crew entertained and in place. The dual backseat screens can display separate videos or games simultaneously.

Two large backseat touchscreens.

10-inch touchscreens on front seatbacks with available custom apps and games provide the ultimate passenger leisure.

The new coloring books are built-in touchscreen apps just for kids.

Available 360° Surround-View Camera⁷

Blind Spot Monitoring⁸

Rear Cross-Path Detection⁷

Standard Rear Back-Up Camera View⁷ on the available 8.4-inch Uconnect[®] touchscreen.

Distractions can happen — Pacifica is paying attention.

Whether parking, changing lanes, driving in heavy traffic or simply backing out of your driveway, the available full-surround camera views⁷ — with visual and audio alerts — provides a new level of technology. Along with keeping an eye on blind spots⁸ and the road ahead, Pacifica offers features that automatically slow and stop the vehicle if it's too close to another⁹ or help steer it back into your lane if you've unintentionally drifted.¹⁰ The Electric Park Brake, located with the E-shift dial, features SafeHold, which automatically applies the brakes if not in Park when the driver exits the vehicle.

Your family's safety and security are top priorities.

Over 100 available safety and security features include semi-autonomous technologies to help you park, as well as in the event of a braking-, traction-, steering-, visibility- or weather-related driving issue.

Rear ParkSense[®] with Active Braking⁷ and Parallel and Perpendicular Park Assist⁷ are optional features to help you in your daily maneuvers. They'll help guide you into place confidently without having to plan your exit strategy.

TECHNOLOGIES TO HELP AVOID HARM'S WAY FOR WHAT MATTERS MOST.

100+ standard and available safety & security features

Preventing potential impact, available Forward Collision Warning with Active Braking¹¹ will slow your Pacifica automatically to help prevent an impact.

Available Adaptive Cruise Control with Stop and Go⁹ identifies vehicles driving in front of yours and maintains a set distance between you, including Full Stop functionality if necessary.

Optional Lane Departure Warning with Lane Keep Assist¹⁰ will automatically help guide you back into your lane if you've crossed the line without using your turn signal.

From our family to yours.
