

CHRYSLER

CHRYSLER 300

Designed to *illuminate*

Iconic ingenuity dedicated to making a statement.

The distinguished Chrysler 300 portrays luxury and performance from every perspective. The austere stance framed by bold grilles, wheels and lighting to efficiently robust powertrains and available features such as All-Wheel Drive (AWD), leather-trimmed interiors and advanced technologies make this star made for the limelight.

The marquee-worthy 300C.

First impressions for second looks.

A detailed view of the front interior of a Chrysler 300. The image shows the black leather-trimmed driver's seat with white stitching, the steering wheel with the Chrysler logo, the instrument cluster, and the center console with a large touchscreen display and various controls. The text "The luxury of space and convenience." is overlaid on the left side of the image.

The luxury of space and convenience.

The roomy and functional Chrysler 300 interior makes for a ride that's both luxurious and family-friendly with best-in-class^{1*} passenger volume and seating for five. You'll also enjoy comfort in any climate thanks to available features such as heated and ventilated leather-trimmed front seats and heated rear seats and steering wheel.

*A note about this brochure: all disclosures can be found on the last page.

Sharp focus. Soft angles.

An available premium leather-wrapped, heated steering wheel adds a layer of luxury you can feel, while each detail serves its purpose of functional and elegant design. Ambient gauges and the Driver Information Display allow customization with configurable graphics.

The S Model Appearance Package includes an aggressive front fascia, unique LED fog lamps and deck lid spoiler. Combined with Sport-mode dynamics and performance-tuned suspension, the strut is much more than surface.

363 HP

BEST-IN-CLASS¹ AVAILABLE V8 HORSEPOWER AND TORQUE

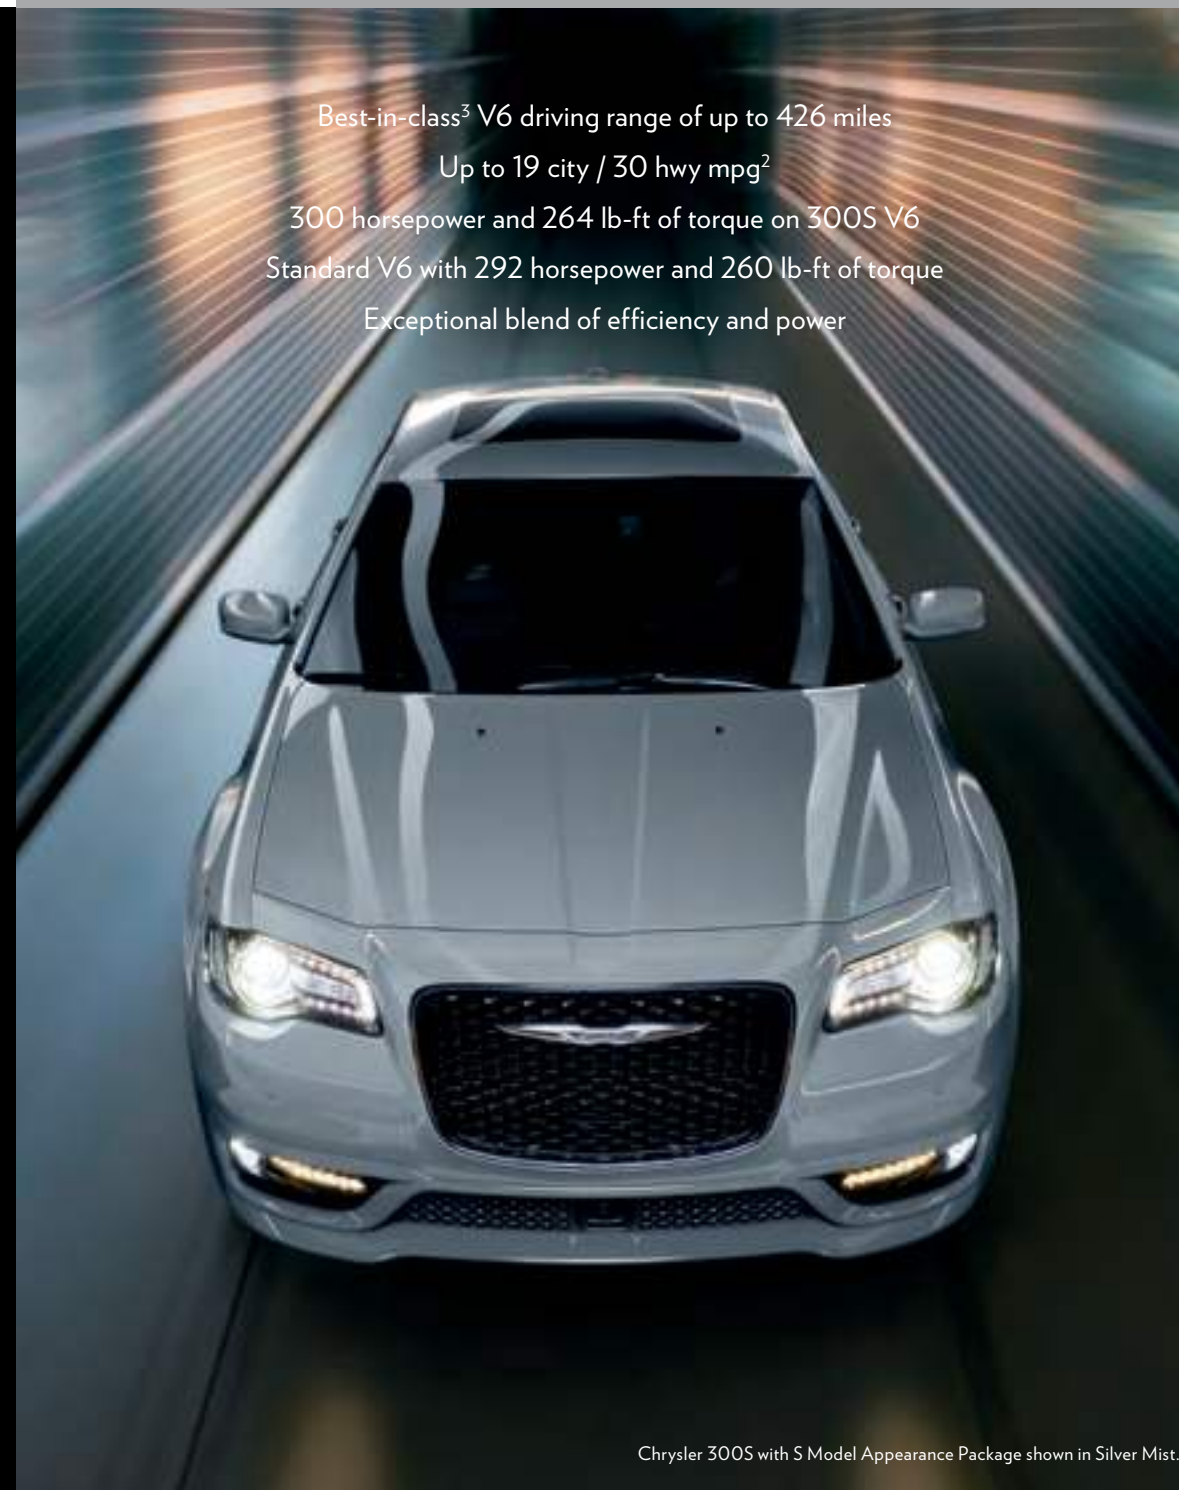

Cast for stomping grounds.

The most powerful V8 available in its class¹ takes the lead on the road with the available 5.7L HEMI® V8 engine. The best-in-class¹ 363 heavyweight V8 horsepower and the unflinching punch of 394 lb-ft of torque deliver the up-front acceleration you demand.

Downtown spirit. Uptown-bound.

The 3.6L Pentastar® V6 engine (RWD) delivers outstanding
30 highway mpg fuel economy.²

Best-in-class³ V6 driving range of up to 426 miles

Up to 19 city / 30 hwy mpg²

300 horsepower and 264 lb-ft of torque on 300S V6

Standard V6 with 292 horsepower and 260 lb-ft of torque

Exceptional blend of efficiency and power

Chrysler 300S with S Model Appearance Package shown in Silver Mist.

8-SPEED ARENA

Efficiency gains from TorqueFlite® 8-speed transmission and Fuel Saver Technology.

The standard class-exclusive¹ Rotary E-shift TorqueFlite 8-speed automatic transmission helps yield a best-in-class⁴ available V8 driving range of 352 miles. Fuel Saver Technology engineered into the available HEMI® V8 engine delivers the power of a V8 and efficiency by detecting when full power isn't needed, such as when highway cruising, by deactivating four of the eight cylinders to help maximize efficiency.

Choreographed for all-weather agility.

Advanced available All-Wheel Drive (AWD) engages depending on driving conditions.

Detects wheel-slip and automatically activates to distribute power between front and rear wheels

Engages when Electronic Stability Control (ESC)⁵ system is turned off
or when the available steering-wheel paddle shifters are used

Reacts automatically to minimize oversteer and maximize traction
where snow, ice, mud, sand or gravel is present

Optimizes fuel efficiency by automatically removing front-wheel power
when Rear-Wheel-Drive (RWD) performance is sufficient

4-wheel independent suspension.

Drivers will notice the superior driving dynamics and premium ride and comfort, even on not-so-smooth roads. Multiple bushings help minimize road noise, vibration and harshness (NVH) for a smooth, quiet ride.

Optimum handling.

The performance-tuned suspension, with increased spring rates, performance-tuned steering and bushings, delivers a luxury driving experience, while three-season tires, available on RWD 300S models, are for drivers who want even more handling capability.
