

THE 2021 REDESIGNED
CHRYSLER PACIFICA

Pinnacle™ trim shown in Granite Crystal Metallic with 20-inch wheels and Platinum Chrome exterior finishes.

Pre-production model shown. Actual production model may vary. Available Fall 2020.

You don't need to climb mountains, just get around them gracefully.

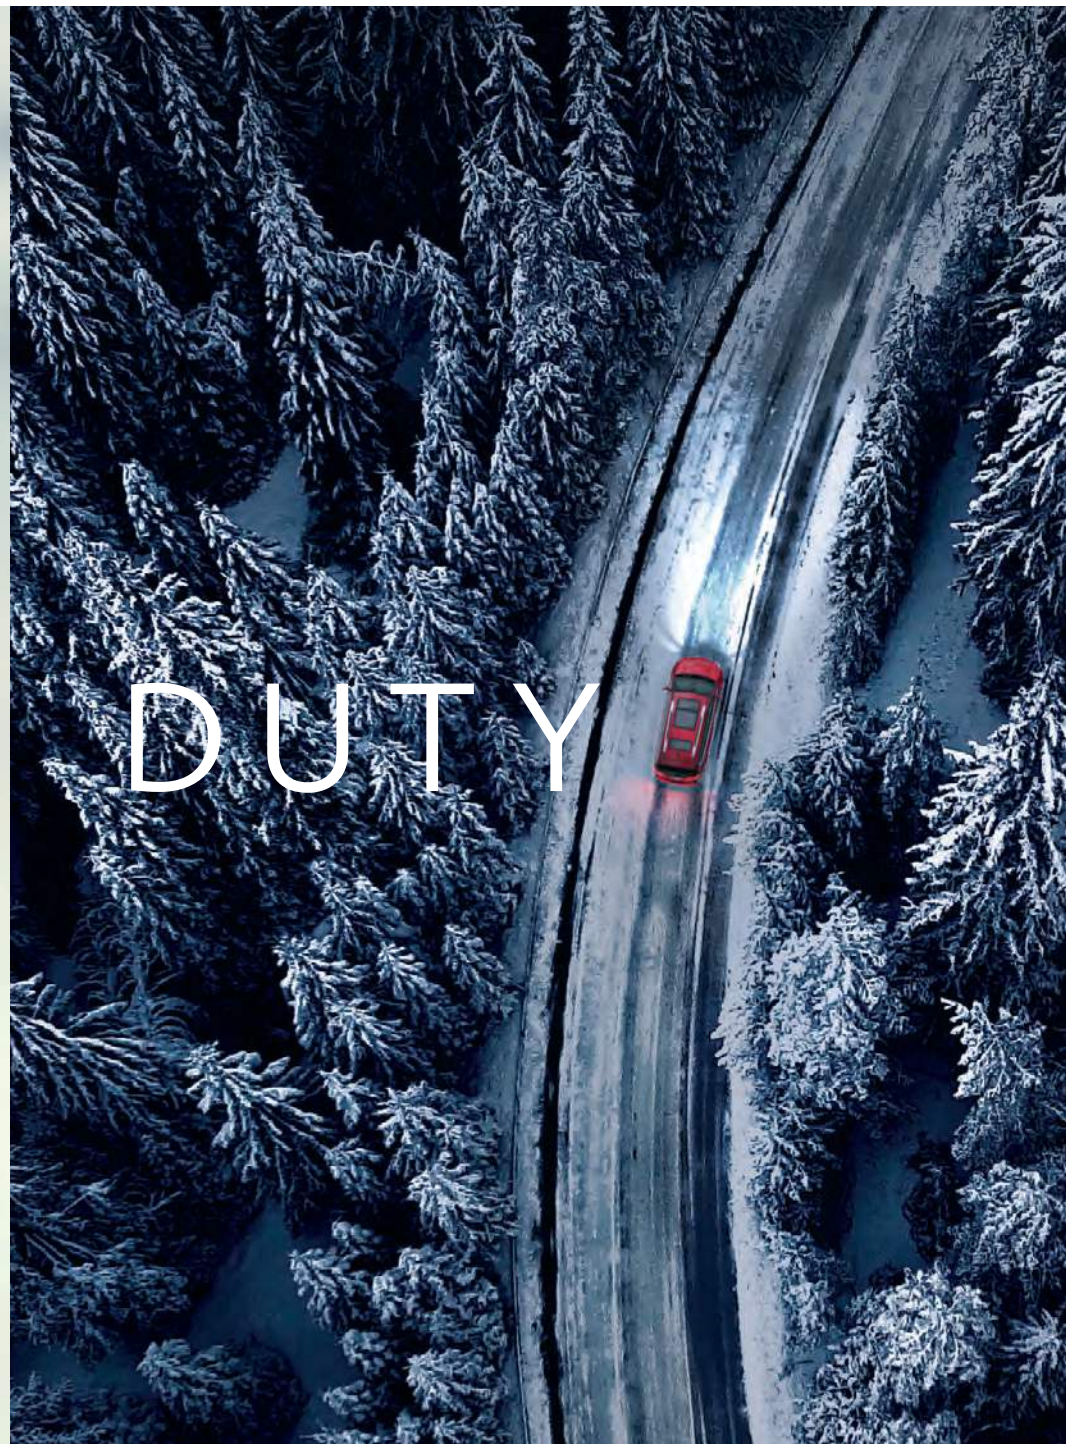

The redesigned 2021 Chrysler Pacifica reveals dynamic new exterior design features, a luxurious new interior with advanced technology — and introduces an available All-Wheel-Drive (AWD) system for enhanced capability and precision in all-weather driving. The refreshed lineup — including the innovative Pacifica Hybrid with combined gas and electric power — delivers sculpted front and rear fascias, with distinctive LED lighting and rear light bar, and a robust new grille and wheels for an athletic, new look to this versatile family vehicle. The new Pinnacle™ trim level speaks volumes about this vehicle's upscale pedigree. Chrysler Pacifica boasts the most standard safety features in the industry to help make every ride more secure.

Chrysler Pacifica offers the most advanced available All-Wheel-Drive (AWD) system in its class,^{1*} with seamless engagement for an efficient drive.

Limited trim with available AWD and S Appearance Package shown in Velvet Red Pearl Coat with Black Anodized Ink badging and 20-inch wheels with Foreshadow finish.

America's *first and only* HYBRID minivan

Pacifica Hybrid offers efficient technology with a projected 520-mile total combined driving range.⁸

The Pacifica Hybrid fits your family needs with innovative efficiency, space and seating for seven. The intuitive hybrid system automatically switches between gas and electric power depending on driving conditions and battery-charge level. We've also teamed up with Amazon Home Services to make installing an available Mopar® Level 2 Charger more convenient, enabling the Hybrid battery to fully charge in as little as two hours.
