Dodge Dakota Big Horn Extended Cab in Bright Silver Metallic.

NEW DAKOTA BIG HORN. SMALL WONDER THAT IT'S SO RIGHT FOR SO MANY. With a long list of best-in-class features that focus on power, comfort, and capability, new 2009 Dakota Big Horn models — available on all crew cab and Extended Cab configurations — just reinforce the rightness. **PERFECT PACKAGING.** Behold the new Big Horn models, featuring standard automatic transmission, 17-inch cast aluminum machined wheels, P265 all-season tires, body-color front and rear bumpers, accent color grille, fog lamps and Big Horn badging. And Texas is big enough for its own identity: There, Big Horn models are badged as Dakota Lone Star trucks. ^[1]Based on 2008 *Ward's* Small Pickup segment. Excludes other Chrysler LLC designed vehicles.

FLEXIBLE FUEL. Dakota holds the class-exclusive advantage when it comes to V8 power. The available 4.7-liter Flex Fuel engine kicks out 302 horsepower and 329 lb-ft of torque, making it the most powerful engine in its class.^[1] The E85 compatibility lets you run on ethanol, regular gas — or any combination of the two. And super-practical teams up with tough. With that available 4.7-liter Corsair V8 supplying best-in-class^[2] available horsepower and best-in-class^[1] maximum available towing capacity, you're ready for what life hands you. Take on the full load of facts at dodge.com/dakota ^[1]Based on 2008 *Ward's* Small Pickup segment. Excludes other Chrysler LLC designed vehicles. ^[2]Based on 2008 *Ward's* Small Pickup segment.

AUTHENTIC DODGE ACCESSORIES

BEST-IN-CLASS^[1] CARGO BED.

Dodge Dakota Big Horn Extended Cab in Brilliant Black Crystal Pearl.

DAKOTA. THE BEST-IN-CLASS CARGO BED TAKES ON YOUR GEAR IN STYLE. Dakota adapts instantly to whatever you throw at it. And, with that best-in-class^[1] standard cargo bed capacity, whatever you throw in it. So start exploring the planet in the only pickup that gives you the largest and longest standard cargo bed in its class.^[1]

The pleasure of Dakota: It all just works so well — especially when you outfit your new Dakota with Authentic Dodge Accessories by Mopar:

UNDER-THE-RAIL BEDLINER. For extreme truck bed protection, the Under-The-Rail-Bedliner helps keep cargo from shifting with its skid-resistant construction. It's available from Mopar — or as a factory-installed option.

DUAL-FUNCTION BED EXTENDER. Increase the storage capacity of your truck's bed by positioning the extender to enclose the open tailgate area. Reverse the position, and the extender becomes a convenient cargo divider.^[2]

TUNER-STYLE TAILLAMPS. Custom taillamps install easily and are designed to provide a seamless fit, while adding a unique look to your Dakota. Meets all government (FMVSS) standards.

SIDE WINDOW AIR DEFLECTORS. Now you can partially open your windows even in the nastiest weather and remain dry. Tinted, acrylic visors come in a set of four.

CHROME FUEL FILLER DOOR. Add a bright complement to your Dakota with this Chrome Fuel Filler Door, also available in brushed aluminum.

Check out the full line of Dodge Accessories at mopar.com. ^[1]Based on 2008 *Ward's* Small Pickup segment. ^[2]Properly secure all cargo.

BEST-IN-CLASS^[1]
INTERIOR.

Dodge Dakota Laramie Extended Cab in Medium and Dark Slate Gray two-tone leather trim.

^[1]Based on 2008 *Ward's* Small Pickup segment. Excludes other Chrysler LLC designed vehicles.

YOU'LL GET MORE OUT OF IT BECAUSE OF WHAT WE PUT INTO IT. Go across town, or move across the country. The truck with best-in-class^[1] interior room offers multiple assets to make life easy on every road. **1 INGENIOUS INTERIOR.** With seating for five adults, Dakota Extended Cab increases leg room and interior to the level of best-in-class. Center consoles in all models feature a cell phone/MP3 holder. **2 STAIN-RESISTANT SEATING.** Stain Repel seat fabric forces liquids to quickly bead for easy cleaning, is resistant to odors and static, and has the durability to withstand stains — even with repeated cleanings. **3 DUAL POSITION TAILGATE.** In back, the innovative dual-position tailgate addresses convenience and cargo-carrying capability at the same time. **4 COLLAPSIBLE STORAGE CRATE.** The brilliant available Crate 'n Go™ storage system collapses when not in use, and is completely removable for the ultimate in convenience. For more on the comforts of Dakota, click over to dodge.com/dakota ^[1]Based on 2008 *Ward's* Small Pickup segment.

Dodge Dakota TRX4, featuring Alias Cloth/Royal Vinyl
in Slate Gray two-tone.

PERSONAL TECHNOLOGY: HOW THE GOING REALLY GETS GOOD. Keep in touch with the world, with audio and navigation systems that rival state-of-the-art homes and offices. Look for bright Satin Silver highlights, eye-friendly color treatments to gauges and pointers, even an available leather-wrapped steering wheel, and an Alpine® Premium Sound System with 6-disc CD/DVD changer, six speakers, and auxiliary audio input jack for MP3 devices. Factory-installed **SIRIUS® Satellite Radio** includes a one-year subscription. For more information, go to SIRIUS.com

uconnect The available 6.5-inch touch-screen **uconnect tunes** provides entertainment, information, and communication, all through an AM/FM/CD/DVD^[1] stereo system. A 30GB hard drive allows you to store photos, playlists, maps, and points of interest, as well as rip, stash, organize, and shuffle up to 6,700 digital music files from CDs, integrated USB port, or exterior input jack. The touch screen allows you to easily change radio stations and play digital audio files. Or, step up to the available **uconnect gps**, which includes all the same great features, and adds the convenience of full mapping turn-by-turn navigation with SIRIUS® traffic real-time updates using **SIRIUS Satellite Radio**. The included **uconnect phone** provides hands-free, voice-activation capability with your Bluetooth® compatible phone.

uconnect studios Gain access to over 130 channels, including 100% commercial-free music, sports, news, talk, entertainment, traffic, and weather with uconnect studios featuring SIRIUS Satellite Radio. Comes bundled with uconnect gps or it can be added as a stand-alone feature.

uconnect phone Go high-tech with an in-vehicle voice-activated communication system that allows you to talk on your Bluetooth compatible phone virtually hands-free. Comes bundled with uconnect gps or is available when choosing the optional Convenience Group.

uconnect web Turn your vehicle into a WiFi Hotspot with **uconnect web**. This Authentic Dodge Accessory by Mopar allows every passenger in your vehicle to harness the power and entertainment value of the Internet at the same time. It's easy for the whole family to use with laptops or other wireless devices, and does not require software. Subscription required, sold separately. ^[1]uconnect in-dash DVD capability is not available in all states. See your dealer for details. "SIRIUS," the SIRIUS dog logo, and related marks are trademarks of SIRIUS Satellite Radio Inc. All other trademarks, service marks and logos are the property of their respective owners. All rights reserved. Pricing and programming content are subject to change. Not available in Alaska and Hawaii. For full Terms & Conditions, visit SIRIUS.com

★★★★★
FIVE-STAR | HIGHEST GOVERNMENT
FRONT & SIDE CRASH RATING

SAFETY AND SECURITY. IT'S EVERYWHERE IN DAKOTA. Dodge Dakota crew cab offers the best: the government's highest front and side crash test ratings!^[1] Also helping protect you:

1 ENERGY-ABSORBING OCTAGONAL FRONT FRAME RAIL TIPS. These replaceable tips reduce impact energy by collapsing rearward in a controlled manner in the event of a front impact by reducing transferred force that could reach the driver and front passenger.

2 AUTOMATIC HEADLAMPS. Standard on Laramie models; when switched to automatic, headlamps turn on at dusk and turn off in daylight.

3 THE ANTILOCK BRAKE SYSTEM (ABS). This system features two modes: rear-wheel ABS, which is standard on 2009 Dakota models; tuned for tolerance, the available 4-wheel ABS works with the rack-and-pinion steering system, and helps provide Dakota with superb maneuvering and stopping capability.

4 THE FULLY BOXED HYDROFORMED LADDER FRAME. Critical to Dakota's outstanding handling and towing/hauling capability, this is technology that works under all conditions and loads, helping deliver a quiet, comfortable ride while contributing to impressive strength, stiffness, durability and NVH (noise, vibration, and harshness) control.

5 THE ADVANCED MULTISTAGE FRONT AIR BAG SYSTEM. Standard on all Dakota models is an advanced multi-stage front air bag^[2] system; the available supplemental side-curtain air bags (included in the Extra Security Package) help further protect both front and rear side passengers.

6 THE TIRE PRESSURE MONITORING SYSTEM. Add peace of mind with this standard feature. It communicates a clear, visible alert in the instrument panel when tire pressure is low, keeping steering and handling in top form — and contributing to obtaining peak mileage and fuel economy.

There's always more in Dakota. Bookmark dodge.com and hit it frequently.^[1] Star ratings are part of the U.S. Department of Transportation's SaferCar.gov program (safercar.gov). Dakota Extended Cab rear seat was not tested by NHTSA. ^[2] Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

ST

Standard: 3.7-liter V6 engine mated to a Getrag 6-speed manual transmission. Also available is a 4-speed automatic, both riding on 16-inch styled steel wheels. Inside: AM/FM/MP3 stereo with single-disc CD player and auxiliary input jack, cloth seats, tilt steering, advanced multistage driver and front-passenger air bags,^[1] black instrument-panel bezel and air conditioning. Mechanical advantages include front disc/rear drum brakes with rear-wheel ABS and, on four-wheel-drive models, electronic part-time 4WD system with 4LOCK, 4LOW, and Neutral. Manual 5"x7" exterior mirrors, fixed rear window, Dark Slate Gray front fascia and rear bumper, chrome grille with black honeycomb insert.

BIG HORN

New for 2009 is the Big Horn trim level, known in Texas as Lone Star. Big Horn features all the standard equipment of the ST, and adds body-color front and rear fascias, accent color grille, black headlamp bezels, fog lamps, speed control, power windows, locks, and mirrors, Crate 'n Go,[™] 17-inch cast aluminum wheels and tailgate badges.

TRX4

Available only on Dakota 4x4 models. TRX4 shares the same grille, headlamp and fascia as the new Big Horn, but adds black bodyside molding and black fender flares. Standard part-time shift-on-the-fly transfer case, 4x4 Skid Plate Group (which includes front suspension, transfer case, and fuel tank skid plates), antispin rear differential, rugged P265/70R16 outlined white-letter trail tires on 16-inch cast aluminum wheels, front tow hooks. TRX4-specific power cloth bucket seats, standard SIRIUS Satellite digital radio, leather-wrapped steering wheel, overhead console with temperature compass and trip computer, and security alarms.

LARAMIE

In Laramie, you'll find all the standard equipment of Big Horn and TRX4, plus automatic headlamps, chrome rear bumper and front chrome grille with matching billets, chrome bodyside molding, and silver-painted 18-inch aluminum wheels. Standard features also include Remote Start and the Alpine[®] six-speaker system with a 276-watt amplifier.

3.7L MAGNUM® V6

The standard engine for Dakota generates a solid 210 horsepower @ 5,200 rpm and 235 lb-ft of torque @ 4,000 rpm, with reliability proven through extensive testing.

4.7L FLEX FUEL V8

Utilize either gasoline or E85 ethanol — or any combination of the two. This engine produces more power than the previous version — 302 horsepower @ 5,650 rpm, and 329 lb-ft of torque @ 3,950 rpm — with no compromise in performance.
