

It hits the street with no excuses and takes to the duties of the day and the action of the night with equal ease and unmistakable attitude. Meet 2010 Dodge Nitro. Built around class-exclusive^[1] standard features that include fold-flat front and rear passenger seats and 20-inch wheels. This is style with substance. This is standout technology that sets you apart. This is the 2010 Dodge Nitro. ^[1]Based on 2009 *Ward's* segmentation.

DODGE NITRO. With its standard body-color grille with bright billet inserts on all models, Nitro delivers with eye-opening style and solid performance. It backs up its confident stance with safety features like a Five-Star frontal-and side-impact rating,^[1] the government's highest; Electronic Stability Control (ESC);^[2] 4-wheel antilock brakes; Electronic Roll Mitigation; and available Trailer Sway Control. Confidence is simply part of the Nitro package. There's always more — at dodge.com

^[1]Star ratings are part of the U.S. Department of Transportation's SaferCar.gov program (www.safercar.gov). ^[2]No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

PREPARE FOR A RUSH OF ADRENALINE. Attitude is nothing unless you've got what it takes to back up the promise and Nitro does just that — with an available 4.0-liter V6 power plant. Eager to unleash 260 horsepower and 265 lb-ft of torque, it's bolstered by a refined five-speed automatic. A robust performance-tuned suspension provides precise road manners. Class-exclusive^[1] standard 20-inch wheels and lower profile tires provide remarkable cornering and traction. On 4x4 models, a part-time transfer case system gives you room to move, changing from two-wheel to four-wheel drive on the fly.

^[1]Based on 2009 *Ward's* segmentation.

ON-TARGET VERSATILITY. Built for spontaneity, Nitro accommodates with an interior designed

to be flat-out versatile. Seating for five and an available six-way power adjustable driver's seat

takes care of driver and passengers in the most comfortable of ways. Nitro's class-exclusive^[1]

fold-flat front passenger seat transforms the molded seatback into an instant utility table

for a laptop or to have lunch in the smartest of ways. From its two-toned interior options to its

available heated leather-trimmed seats, this interior leaves nothing to want — except to get in.

Hit dodge.com/nitro for more. ^[1]Based on 2009 *Ward's* segmentation.

MEDIA CENTER. 730N AM/FM/CD/DVD ^[1] radio with 30GB hard drive, and GPS Navigation with 6.5-inch touch screen, MP3/WMA support, USB input, 4,250 song capacity, SIRIUS® Satellite Radio, SIRIUS Traffic™ and Voice Command. **UCONNECT™ WEB.** ^[2] An in-car router that connects any Wi-Fi-enabled device to the Internet at 3G broadband speeds. Allowing multiple passengers to surf the Web, social-network, look up directions, check eMail or download music. Uconnect Web is an Authentic Dodge Accessory by Mopar. Subscription required, sold separately. **VOICE COMMAND.** Lets you select radio stations, satellite radio channels, ^[3] and navigation ^[3] destinations using voice commands. Works with all Uconnect Media Center radios. Included with Uconnect Phone. **UCONNECT PHONE.** Lets you talk on your Bluetooth® compatible phone virtually hands-free. Address Sync ^[4] lets you call anyone in your address book by saying their name. ^[1]In-dash DVD capability not available in all states. See your dealer for details. ^[2]The Uconnect Web feature is not intended for use by the driver while the vehicle is in

motion. ^[3]When satellite radio and navigation features are equipped on your vehicle. Any voice-commanded system should be used only in safe driving conditions and all attention should be kept on the roadway ahead. Failure to do so may result in an accident causing serious injury or death. ^[4]Phone must support Bluetooth Phone Book Access Profile (PBAP).

SAFETY AND SECURITY. Starting with standard 4-wheel antilock disc brakes (ABS) and **ELECTRONIC STABILITY CONTROL (ESC)**,^[1] this package includes Brake Assist, All-Speed Traction Control, Trailer Sway Control (when equipped with Tow Package), and Electronic Roll Mitigation. Brake Assist automatically ramps up braking pressure to maximum force during emergency brake situations for minimum stopping distance. **All-Speed Traction Control** monitors each wheel for slippage, estimating brake pressure and engine torque needed to control the vehicle. **Trailer Sway Control** engages the brakes to slow the vehicle, reduces engine torque, and increases brake force to only one side of the vehicle to help counteract trailer sway. **Electronic Roll Mitigation** estimates wheel lift potential and reduces engine power with appropriate braking to help stabilize the vehicle.

Also standard: **ADVANCED MULTISTAGE DRIVER AND FRONT-PASSENGER AIR BAGS**,^[2] with Occupant Classification System (OCS). **SUPPLEMENTAL SIDE-CURTAIN AIR BAGS**^[2] with roll-sensing technology. **ACTIVE FRONT HEAD RESTRAINTS**^[3] move to decrease space between the head restraints and occupant's head, helping reduce possible injury. **TIRE PRESSURE MONITOR** detects low tire pressure. **PARKSENSE® REAR PARK ASSIST SYSTEM**^[4] is available. Sensors and controls inform the driver as objects get closer, allowing a better determination of distance from other objects while driving in Reverse. Visit dodge.com/nitro for more.

^[1]No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

^[2]The Advanced Front Air Bags in this vehicle are certified to the new federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly.

^[3]Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint.

^[4]Always check entire surroundings before backing up.

[5]Star ratings are part of the U.S. Department of Transportation's SaferCar.gov program (www.safercar.gov).

SUPPLEMENTAL SIDE-CURTAIN AIR BAGS!^[1] THESE COME STANDARD ON EVERY NITRO MODEL, FEATURING ROLL-SENSING TECHNOLOGY TO ADD PROTECTION TO BOTH FRONT AND REAR PASSENGERS IN THE EVENT OF A SIDE IMPACT.

AVAILABLE PARKSENSE!^[2] FOUR REAR SENSORS EMIT ULTRASONIC WAVES UP TO SIX FEET. WHEN THE VEHICLE IS MOVING IN REVERSE, AN AUDIBLE SIGNAL INCREASES AS OBJECTS GET CLOSER.

REINFORCED DOOR INTRUSION BEAMS. NITRO OFFERS EXTRA TOUCHES THROUGHOUT THE VEHICLE — SUCH AS THESE ULTRA-STRONG INTRUSION BEAMS INSIDE THE FRONT AND REAR DOORS.

ADVANCED MULTISTAGE FRONT AIR BAGS!^[1] EVERY NITRO MODEL HELPS PROTECT THE DRIVER AND FRONT PASSENGER WITH THIS ADVANCED TECHNOLOGY. FEATURING THE OCCUPANT CLASSIFICATION SYSTEM (OCS), THESE AIR BAGS PROVIDE NEARLY INSTANTANEOUS OCCUPANT PROTECTION BY MATCHING AIR BAG OUTPUT TO CRASH SEVERITY.

^[1]The Advanced Front Air Bags in this vehicle are certified to the new federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. ^[2]Always check entire surroundings before backing up.

NITRO HEAT HAS STANDARD: 3.7-liter SOHC V6 engine. Four-speed automatic. 20-inch chrome-clad wheels. Fog lamps. Heated power-adjustable folding exterior mirrors. Power windows and door locks.
