

2011 DODGE GRAND CARAVAN
800-4ADODGE // DODGE.COM

GRAND CARAVAN

01. GRAND CARAVAN EXPRESS AND GRAND CARAVAN MAINSTREET. Perfect for drivers looking for an exceptional value, plus all the versatility, room, safety and technology, and reliability that Dodge Grand Caravan is known for.

02. GRAND CARAVAN CREW. Here's where the convenience of a minivan merges with the must-have extras. Drivers looking for a well-appointed interior and additional entertainment and safety and technology features will find it here.

03. GRAND CARAVAN R/T.* Sleek, stylish, and loaded with fun technology. This is foremost a vehicle for driving enthusiasts and the fact that it has all the ease and flexibility of a minivan is just icing on the cake. *Late availability (Spring 2011).

ALL-NEW 3.6L DOHC VARIABLE VALVE TIMING (VVT) PENTASTAR® V6. From the state-of-the-art high-pressure die-cast aluminum block, to full independent dual cam phasing, sequential port fuel injection, and high-flow intake and exhaust ports, the all-new 3.6-liter Pentastar engine applies some of the most advanced automotive engine technology. The result is an exceptional blend of high torque, fuel efficiency, low emissions, and first-rate noise, vibration, and harshness control. The only thing better than numbers like 283 horsepower and 260 lb-ft of torque is the engine's durability enhancing features, like an advanced oil-filter system that helps to eliminate oil spills and helps contain an incinerable filter element for more efficient disposal. The engine is also Flex Fuel capable, offering consumers the choice of using either gasoline or ethanol (E85) fuel. Grand Caravan's overall ride is further improved by new suspension tuning, a more efficient and easier-to-operate shifter, and a fuel economizer feature that alters shift patterns to help improve real-world fuel efficiency.

Grand Caravan Crew in Deep Cherry Red Crystal Pearl.

Open any of Grand Caravan's doors and you'll be welcomed by superior craftsmanship and well-appointed interior design details. There is no shortage of soft-touch surfaces, chrome accents, and must-have features intuitively placed for ease of driver and passenger use. The updated, better integrated instrument panel offers a more unified look with touches of chrome around the HVAC controls, shifter, and gauge cluster rings. The gauges are also positioned for even easier viewing and the new steering wheel houses cruise and audio controls. Grand Caravan R/T* takes sporty style to the next level with Black leather-trimmed seats featuring striking Red stitching, and equally

Grand Caravan Crew with Light Graystone Cloth interior.

modern Brushed Aluminum interior accents. The available overhead rail system features the soft glow of halo lighting. A new available Super Console features a large driver-accessible storage area, and another large storage drawer accessible by both first- and second-row passengers is available. Both areas can be covered with a sliding door to keep travel items out of sight. Two power outlets, perfect for charging media devices, are in easy reach of the driver. The console's four cup holders include two cup holders that can hold 12-oz cans or 1-liter bottles. *Late availability (Spring 2011).

COMPLETELY ENTERTAINING. Leave it to Grand Caravan to deliver a premium level of entertainment and comfort features. The DVD player features input jacks to accommodate the all-important gaming and video possibilities during long trips. The video system can be operated from either the rear seat entertainment unit or the radio head unit. Whether you're listening to a DVD, television show (requires SIRIUS[®]^[3] subscription), or your favorite music, you'll appreciate the available nine well-placed

∞Infinity[®] speakers and an 11-channel amplifier that serves up 506 watts of power. An 8-inch, two-channel, dual-voice coil subwoofer means superb quality surround sound for everyone. The available three-zone automatic climate control system keeps everyone comfortable via its electronic thermostats. The push of a button activates the available heated steering wheel, keeping the driver's hands warm even when it's cold outside.

STAY CONNECTED. Outfit your Grand Caravan with Uconnect® to help stay in touch with the people, music, and devices that matter most. It acts as the hub for your most important media – cell phone, Internet, satellite radio, navigation system, and personal devices such as an iPod® or smartphone. The Uconnect user-friendly systems are designed to make your life easier, wherever you roam.

PHONE. Talking on the phone while driving has never been easier – or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth® compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone's address book^[1] – up to 1,000 entries – every time you get into your vehicle.

WEB. Put the power of high-speed Internet in your vehicle with Uconnect Web.^[2] Effortlessly connect any WiFi enabled device to the Internet at 3G broadband speeds, making your vehicle a mobile Hotspot. Passengers can use multiple devices at the same time. There's no need for cell cards or software with this unique Authentic Accessory by Mopar – it's all wireless. Subscription required. Sold separately.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select FM radio stations, SIRIUS® Satellite Radio^[3] channels,* make and receive calls, select navigation destinations,* and record voice memos. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish.

ENTERTAINMENT. Manage all of your media. You'll have six ways to access audio, including SIRIUS Satellite Radio^[3] (your first year of service is included), a 30GB hard drive, and iPod Control with Voice Command and Bluetooth Streaming Audio. Rear Seat Video can be accessed three ways: DVDs, compatible multimedia devices, and gaming consoles.

NAVIGATION. Provides turn-by-turn guidance by voice command and visual display. It can also locate nearby restaurants, shopping, hospitals, or points of local interest. Add SIRIUS Traffic^{TM[3]} for real-time traffic updates, including accident alerts, road closings, and traffic flow. Your first year of SIRIUS Traffic^[3] service is included.

SIRIUS TRAVEL LINK^[3]* brings a wealth of useful information to your fingertips including: national weather information for current and forecasted weather, fuel prices to check local gas prices, sports scores for in-game and final scores, as well as weekly schedules and local movie theater listings. *Late availability (Spring 2011). †A note about this brochure: All disclaimers and disclosures can be found on page 21.

A unique perspective on seating and innovative flexibility are just two of the reasons Grand Caravan is the best-selling minivan^[4] ever. A new “one-motion” system now allows the head restraint to fold down automatically for easier operation. The legendary Stow 'n Go® seating and storage system includes second- and behind-the-third-row in-floor storage bins. With all seats folded into the floor, the flat cargo floor area offers 144.2 cubic feet of cargo room. With seats upright, the storage bins below accommodate a multitude of items. The available premium Super Console provides power outlets, cup holders, covered storage, and more to both first- and second-row passengers.

REFINED DESIGN //

Grand Caravan Crew in Dark Charcoal Pearl.

Grand Caravan is just as impressive on the outside as it is on the inside. 2011 Grand Caravan features new body styling, including front and rear fascias, sculpted hood, fog lamps, rear liftgate, taillamps with LED lighting, body-color rear spoiler, and more. A new “Stow ‘N Place™” roof-rack system, with the convenience of crossbars that attach to the side rails when not in use, is available. Grand Caravan also boasts more Quiet Steel® technology than any other minivan. This leading-edge noise- and vibration-reducing steel, along with other design cues, works to dampen extensive noise, vibration, and harshness (NVH) levels.

Engineered for both style and function, Grand Caravan's available power liftgate further simplifies loading and unloading items into the rear cargo area. Press the keyfob liftgate button twice for hands-free opening or closing, or press the liftgate button either in the overhead console or inside the rear cargo area. That's what Dodge engineers call power to the people.

Grand Caravan Mainstreet in Deep Water Blue Pearl.

When you enhance your Grand Caravan (shown in Mango Tango Pearl) with Authentic Dodge Accessories by Mopar, you benefit from the authentic difference found only in an original equipment accessory. SPORT UTILITY BAR™ leaves plenty of room to accommodate all Dodge carrier accessories, as well as your active lifestyle. MOLDED RUNNING BOARDS. A high-strength substructure and skid-resistant surface allow these running boards to take the pounding your family dishes out. HITCH RECEIVER.® Grand Caravan's Mopar hitch receiver can be upgraded to work with the Trailer Tow Package and with proper weight-distributing equipment. Ball Mount, Hitch Ball and Wire Harness sold separately. For the full range of accessories, visit mopar.com.

SAFETY. DESIGN.

ELECTRONIC STABILITY CONTROL (ESC).^[6] In adverse conditions, the standard ESC with Electronic Brake Assist works with an advanced all-speed traction control system to help the driver maintain vehicle directional stability and limit oversteering or understeering. Electronic Brake Assist detects conditions when maximum force is needed for optimum stopping power. **ANTILOCK BRAKE SYSTEM (ABS).** Standard four-wheel antilock disc brakes afford premium stopping power from state-of-the-art electronics that provide faster system response. ABS senses and prevents wheel lockup, offering improved steering control under extreme braking and/or slippery conditions. **AIR BAGS.**^[6] Standard side-curtain air bags and new standard front-seat mounted air bags deploy, blanketing outboard positions in all three rows of seating. A new driver's inflatable knee blocker^[6] helps reduce severe injuries to lower extremities on impact of the dashboard and helps properly position the driver in relation to the front air bag. **PARKVIEW® REAR BACK-UP CAMERA.**^[7] This available system displays an accurate visual reference of what is behind your vehicle when you are driving in Reverse. **AVAILABLE BLIND SPOT MONITORING SYSTEM (BSM).**^[7] While traveling in forward gears, drivers hear an audible warning sound when another vehicle is beside them. BSM includes the Rear Cross Path System (RCP)^[7] that warns, with an illuminated icon in the sideview mirrors and an audible chime, drivers of traffic moving toward their vehicle. It also activates any time the vehicle is in Reverse.

SPECIFICATIONS

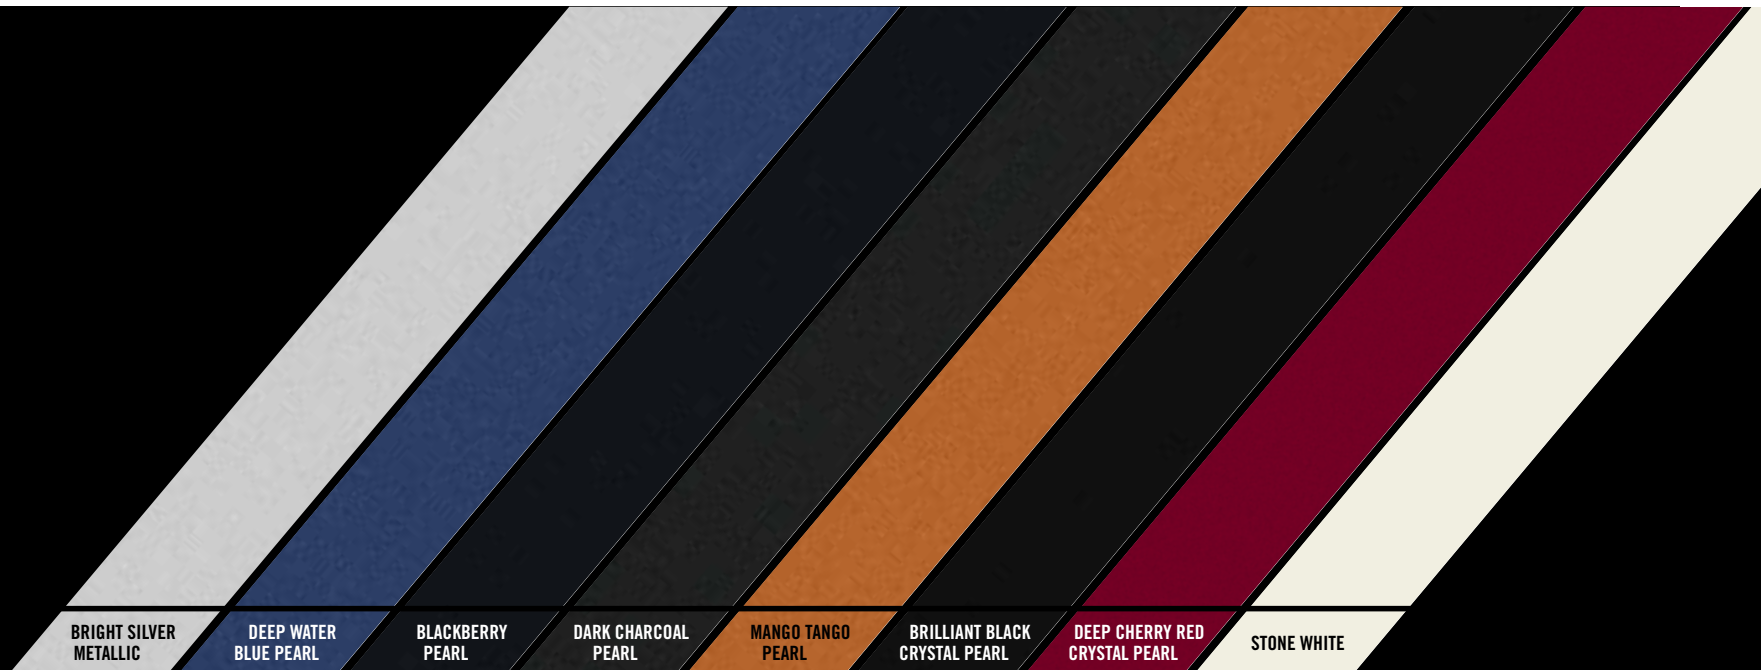

GRAND CARAVAN EXPRESS INCLUDES: 3.6L Pentastar® V6 Flex Fuel engine • 6-speed automatic • Electronic Stability Control (ESC)^[6] • 4-wheel ABS brakes • Rear defroster • Fuel optimizer calibration • Black belt molding • Body-color door handles • Black, foldaway, power heated mirrors • 16-inch wheel covers • Speed control • Remote keyless entry • Tire pressure monitoring. **OPTIONAL FEATURES:** Engine block heater • Mopar running boards (only available in select colors) • Stow 'N Place™ Roof Rack • SIRIUS® Satellite Radio^[3] • Mopar Exterior Appearance Group – Mopar Bright Door Sills, Mopar Body-Color Running Boards, Mopar Splash Guards (only available in select colors), and Mopar Premium Floor Mats • Power Window Group – Power front and second-row windows with one-touch up/down on front windows and power third-row vents • Uconnect® Hands-Free Group – Leather-wrapped shift knob and steering wheel, auto-dimming rearview mirror, and SIRIUS Satellite Radio.^[3]

¹⁴Phone must support Bluetooth Phone Book Access Profile (PBAP). ¹⁵The Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. ¹⁶Required SIRIUS Radio, Traffic, Travel Link, and Backseat TV subscriptions sold separately after trial period. Other fees and taxes will apply. SIRIUS Traffic and Travel Link available in select markets; Backseat TV subscription not available without SIRIUS Radio subscription; and SIRIUS data displays and individual product availability vary by hardware equipment. SIRIUS service available only to those at least 18 years of age in the 48 contiguous U.S.A., DC, and Puerto Rico (with coverage limitations), while Internet radio is also available in AK, HI, and PR. Fees and programming subject to change. Service automatically renews and you will be billed, at then current rates, unless you call 1-888-539-7474 to cancel. Subscriptions governed by SIRIUS Terms and Conditions available at sirius.com. Service available in Canada; see siriuscanada.ca. ¹⁷Based on total sales 1984 through 2010 YTD - August. ¹⁸No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ¹⁹The Advanced Front Air Bags in this vehicle are certified to the new federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. ²⁰Always check entire surroundings before backing up. ²¹Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ²²Check User Guide for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped. Trailer may require some items not supplied by Mopar.

5-YEAR/100,000-MILE POWERTRAIN WARRANTY. Transferable. See dealer for a copy of limited warranty. Includes towing to an authorized dealer. **3/36 BASIC LIMITED WARRANTY.** Dodge vehicles are covered by a Chrysler Group LLC 3-Year or 36,000-Mile Basic Limited Warranty.
