DODGE JOURNEY

01. JOURNEY EXPRESS // 02. JOURNEY MAINSTREET It's that rare balance of value, versatility, and performance that fuels this blend of confidence. Journey Express and Journey Mainstreet models are flexible enough to take on the most utilitarian of tasks. Of course, they're also comfortable enough to encourage you to take your time with any undertaking.

and doesn't let you get off the ground to hold down the front end into the street with a subtle but very real sense of traction and resistance that you can't get from wheels alone. You're going to feel it when you're driving on a road that's not perfectly flat. And it's not just the sculpted fender flares, and the subtle 18-inch wheels and the subtle, subtle, subtle details that make the difference. It's the subtle, subtle, subtle details on all the details.

Journey LUX in Deep Cherry Red Crystal Pearl.

03. JOURNEY CREW // 04. JOURNEY LUX A rare breed of refinement
that's still poised to pounce. Journey Crew and Journey LUX deliver
sophistication and the unparalleled versatility of a crossover vehicle.

With a best-in-class storage system,^{[1]*} Journey's interior is beyond flexible, and always compatible with your ever-changing lifestyle. Whether you choose the standard five-passenger seating featuring 40/60 split-fold-flat stadium-style second-row seats or opt for a 50/50 split-fold third-row seat, everyone travels in comfort. Getting in Journey is easy. Rear doors open 90 degrees, and available Tilt 'n Slide second-row seats create an even easier entry to available third-row seats. Standard Enter 'N Go automatically unlocks the vehicle when the key fob is with you and you pull up on the door handle. Enter 'N Go also recognizes when your vehicle's key fob is in the vehicle compartment and lets you start the engine with one press of the Go button. Journey not only carries

passengers in style, but also keeps the things they carry amazingly organized. An easy-to-access center floor console features cup holders, 12-volt power outlets, remote USB port, auxiliary power outlet and out-of-view storage. The available 115-volt/150-watt two-prong power outlet allows passengers to plug in portable game systems or audio hookups. Two in-floor storage bins with lids each hold up to a dozen 12-oz cans plus ice or other travel items in a removable liner. Models equipped with an available Flip 'n Stow™ fold-flat front-passenger seat feature a storage bin under the hinged seat cushion. When hauling gear is the priority, fold down the seats for an impressive 67.6 cu ft of cargo capacity.

 **STAY CONNECTED.** Outfit your Journey with Uconnect® to help stay in touch with the people, music, and devices that matter most. It acts as the hub for your most important media – cell phone, Internet, satellite radio, navigation system, and personal devices such as an iPod® or smartphone. The Uconnect user-friendly systems are designed to make your life easier, wherever you roam.

PHONE. Talking on the phone while driving has never been easier – or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth® compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone's address book^[3] – up to 1,000 entries – every time you get into your vehicle.

WEB. Put the power of high-speed Internet in your vehicle with Uconnect Web.^[4] Effortlessly connect any WiFi-enabled device to the Internet at 3G broadband speeds, making your vehicle a mobile Hotspot. Passengers can use multiple devices at the same time. There's no need for cell cards or software with this unique Authentic Accessory by Mopar – it's all wireless. Subscription required. Sold separately.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select FM radio stations, SIRIUS® Satellite Radio^[2] channels, and make and receive calls. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish.

ENTERTAINMENT. Manage all of your media. You'll have six ways to access audio, including SIRIUS Satellite Radio^[2] (your first year of service is included), a USB port, and iPod Control with Voice Command and Bluetooth streaming audio. SIRIUS Satellite^[2] enhanced radio,* featuring Song/Artist Alerts, Game Alerts, Favorites, and Replay, is also included.

NAVIGATION. Provides turn-by-turn guidance by voice command and visual display. It can also locate nearby restaurants, shopping, hospitals, or points of local interest. An upgraded Uconnect radio features optional GPS Navigation from Garmin® with turn-by-turn audible directions and Lane Guidance. The optional SIRIUS Travel Link™^[2] adds another level of data access, providing local and national weather forecasts, sports scores, local movie theater listings, and much more.

JOURNEY PERFORMANCE. The all-new 3.6-liter DOHC Variable Valve Timing (VVT) Pentastar® V6 engine was named one of *Ward's 10 Best Engines* for 2011. From state-of-the-art aluminum block casting to full four-cam phasing to ultrafast data processing and torque-based engine management, the all-new 3.6-liter Pentastar engine applies some of the most advanced automotive engine technology. The result is an exceptional blend of high torque, fuel economy (3.6-liter engine offers EPA estimated 17 city/25 highway mpg on FWD models), low emissions, and first-rate noise, vibration, and harshness control. The only thing better than numbers like 283 horsepower and 260 lb-ft of torque is the engine's durability-enhancing features that require very low maintenance. The 2.4-liter World Engine features dual VVT and provides a strong balance of fuel economy (2.4-liter engine offers EPA estimated 19 city/25 highway mpg) and solid performance with 173 horsepower.

SAFETY. DESIGN.

DODGE JOURNEY – A 2011 INSURANCE INSTITUTE FOR HIGHWAY SAFETY TOP SAFETY PICK. Systems like crush zones and safety-cage construction work together to absorb or direct impact energy away from the passenger compartment in the unfortunate event of an accident. For children who have outgrown aftermarket child seats, Journey offers dual integrated child booster seats.^[10] **ELECTRONIC STABILITY CONTROL (ESC).**^[8] In adverse conditions, the ESC – which includes all-speed traction control, Brake Assist, Electronic Roll Mitigation, and Trailer Sway Control – helps the driver maintain vehicle directional stability and limit oversteering or understeering. **ANTILOCK BRAKE SYSTEM (ABS).** Standard four-wheel antilock disc brakes sense and prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions. **AIR BAGS.**^[9] All Journey models feature standard advanced multistage driver and front-passenger air bags,^[9] supplemental side-curtain air bags^[9] for all three rows, an inflatable knee blocker air bag,^[9] and supplemental driver and front-passenger seat side-mounted air bags.^[9] **TIRE PRESSURE MONITORING SYSTEM.** A warning system in the instrument cluster alerts the driver to tires with “high” or “low” displays for individual tire pressures. **SENTRY KEY.**[®] This immobilizer system prevents unauthorized vehicle operation by disabling the engine. Operation is automatic, regardless of whether the vehicle is locked or unlocked. **ALL-WHEEL DRIVE.** An available system that automatically detects wheel lockup and sends additional power to the wheels with the most traction.

¹¹Based on *Ward's* Middle Cross/Utility Vehicle segment. Excludes other Chrysler Group LLC vehicles. ¹²Required SIRIUS Radio, Traffic, Travel Link, and Backseat TV subscriptions sold separately after trial period. Other fees and taxes will apply. SIRIUS Traffic and Travel Link available in select markets; Backseat TV subscription not available without SIRIUS Radio subscription; and SIRIUS data displays and individual product availability vary by hardware equipment. SIRIUS service available only to those at least 18 years of age in the 48 contiguous U.S.A., DC, and Puerto Rico (with coverage limitations), while Internet radio is also available in AK, HI, and PR. Fees and programming subject to change. Service automatically renews and you will be billed at then-current rates unless you call 1-888-539-7474 to cancel. Subscriptions governed by SIRIUS Terms and Conditions available at sirius.com. Service available in Canada; see www.siriuscanada.ca. ¹³Phone must support Bluetooth Phone Book Access Profile (PBAP). ¹⁴The Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. ¹⁵Requires Uconnect Phone. ¹⁶3.6-liter engine EPA est. 17 city/25 hwy mpg. ¹⁷2.4-liter engine EPA est. 19 city/25 hwy mpg. ¹⁸No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ¹⁹The Advanced Front Air Bags in this vehicle are certified to the new federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. ²⁰For children 48-85 lb and up to 4'9". ²¹Always check entire surroundings before backing up. ²²Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ²³Check Owner's Manual for hitch types, load capacity and heavy-duty equipment required. Do not exceed the rated tow capacity of vehicle as equipped.
