

2016 DODGE DART

This is what happens when you have more than 45 years of muscle-car heritage coursing through your veins. You get modern-day marvels that are engineered with more passion, precision and performance than ever before. The Dodge brand may have started from humble beginnings, but it is now the fastest-growing performance brand.^{[1]*} It holds a multitude of best-in-class awards. It's the brand that boasts both style and power, and never makes you choose between the two. With more than 100 years under

their belt, each of the seven vehicles in the 2016 Dodge lineup pays homage to its iconic bloodline with award-winning features and superior craftsmanship. The snarling engines and sleek exteriors of each vehicle beg to be taken out on the open road. The Dodge name continues to live on with the same determination that the Dodge brothers had when first creating the brand. It's time to put the pedal to the metal and live fast.

HERE'S TO THE *NEXT 100 YEARS OF INNOVATION.*

*A note about this brochure: all disclaimers and disclosures can be found on the back cover.

STREET CRED /////

Unmistakable crosshair grille and aggressive-looking fenders make Dart's exterior just as potent as its performance. Its full-width mask treatment and broad, low-slung stance give it the fierce attitude Dodge is known for. It's the attention to detail that elevates it above its competition — a sleek laser-brazed roof, dramatic, rounded hood, and slim and modern standard projector headlamps or available projector fog lamps. This is the total package.

Dart GT shown in Redline Red 2-Coat Pearl with available Sport appearance hood.

**EPA estimated 28 mpg city/41 mpg highway. Aero model using 1.4L Turbo engine, premium gasoline and 6-speed manual transmission. Actual mileage may vary.*

RACE-INSPIRED PERFORMANCE

2.0L DOHC 16-VALVE TIGERSHARK® WITH VARIABLE VALVE TIMING (VVT) ///// 160 horses and 148 lb-ft of torque work together to bring impressive low- and mid-range torque for greater drivability and overall fuel efficiency.

1.4L SOHC 16-VALVE INTERCOOLED TURBO WITH MULTIAIR® ///// This powerplant, found in the Aero models, churns out 160 horsepower and 184 lb-ft of torque from 2,500 – 4,000 rpm. The exceptional horsepower-per-liter ratio yields the ultimate combination of power and fuel efficiency, allowing you to cruise confidently with up to 41 mpg highway.*

2.4L SOHC 16-VALVE TIGERSHARK WITH MULTIAIR2 ///// Savvy technology brings 184 horsepower and 174 lb-ft of torque to this engine.

Dart's six-speed transmission lineup kicks in just as much capability as its engines. Options include a highly advanced, close-ratio manual or a PowerTech automatic that can be mated to the 2.0-liter or 2.4-liter engines. Or choose an advanced Dual Dry Clutch Transmission (DDCT) on the 1.4-liter Turbo.

Dart GT's standard sport-tuned suspension system corners more tightly at higher speeds while frequency-dampening shock absorbers provide highly responsive control as well as a smooth ride.

*EPA estimated 28 mpg city/41 mpg highway. Aero model using 1.4L Turbo engine, premium gasoline and 6-speed manual transmission. Actual mileage may vary.

AN ATMOSPHERE OF TECHNOLOGY, COMFORT AND STYLE

//// Dart GT shown with Black leather-trimmed seats and Ruby Red accent stitching.

DART'S INTERIOR IS A BIG DEAL ///// Revolutionary design and innovative engineering allow this compact to feel and function like a roomy sedan. Don't just take our word for it. Dart's overall passenger space and interior volume allow it to be technically classified by the EPA as a mid-size sedan. Available features like the 60/40 split-folding rear seatback with trunk pass-through give weekend warriors space for oversized gear. A laptop or tablet stows easily in the cavernous glove box. The center console is more like an entertainment hub with available USB and auxiliary power outlets. Side saddle cubbies store your handheld electronics. The bottom line — Dart has serious space for you, your friends and everything needed for a good time.

///// Dart GT shown with Black leather-trimmed seats and Ruby Red accent stitching.

Take a good look. This is what it's like to sit behind the wheel of the most technologically advanced vehicle in its class.^[13] The available class-exclusive^[13] seven-inch reconfigurable digital gauge cluster is command central. From here you get real-time information on performance, navigation, fuel efficiency and vehicle status, plus view available Blind Spot Monitoring (BSM),^[14] all in full color and with rich graphics. How you customize the settings is all up to you.

//// Turn up the tunes, phone a friend and get directions all from available Uconnect® offerings. As large as an available class-exclusive^[13] 8.4 inches, the touchscreen features easy-to-navigate icons for radio and SiriusXM® Satellite Radio^[15] controls, personal devices such as an iPod® or smartphone, climate controls, and available navigation and Bluetooth®-compatible phones. Bring along your own tunes via remote USB port with an iPod mobile device control or Bluetooth Wireless Streaming. The USB port can also charge your compatible devices. Available hands-free calling^[3] can be operated through steering wheel-mounted controls or the touchscreen.

WEB^[16] Put the power of high-speed Internet in your Dart with Mopar® Web. Passengers can use multiple devices at the same time, and there's no need for cell cards or software. Available. Subscription required. Sold separately.

LET THERE BE LIGHTS

152 INDIVIDUALLY PLACED LED LIGHTS // Good looks run in our family. Dart's available class-exclusive^[13] racetrack LED taillamp is inspired by the iconic Charger. Opt for the class-exclusive^[13] integrated dual exhaust for an even more aggressive parting shot. It's details like this that give Dart its cutting-edge reputation.

SAFETY & SECURITY FEATURES

HERE'S WHAT YOU CAN DO. REMAIN FOCUSED ON THE ROAD WITH YOUR HANDS ON THE WHEEL, WHILE YOU COMMUNICATE, NAVIGATE AND STAY ENTERTAINED.

- LISTEN TO MUSIC, TALK SHOWS AND SPORTS. ACCESS ALL GENRES, FAVORITE ARTISTS, WINNING TEAMS – ALL THE TIME WITH SIRIUSXM® SATELLITE RADIO^[15]
- ASSISTED IN EMERGENCIES. REACH 9-1-1^[15] OPERATORS AND ROADSIDE ASSISTANCE^{[6]*} WITH THE TOUCH OF A BUTTON
- SPEAK UP AND BE HEARD. SEND AND RECEIVE CALLS AND TEXTS^[22] WHILE DRIVING SAFELY WITH HANDS-FREE^[3] PHONE CAPABILITY
- DISCOVER NEW PLACES. FIND THE BEST SHOPPING, DANCING, ENTERTAINMENT VENUES AND RESTAURANTS

DODGE IS A REGISTERED TRADEMARK OF FCA US LLC.

[1] Data is calculated using the latest available year-over-year (YOY) retail vehicle registrations. [2] Based on the latest competitive information and *Ward's* Standard Specialty segment based on *Car & Driver* ¼-mile time. [3] Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. [4] Uconnect Access is available only on equipped vehicles purchased within the 50 United States. Services can only be used where cellular coverage is available, see coverage map for details. For a complete list of Uconnect Access services, please visit http://www.driveuconnect.com/features/uconnect_access/packages/. Vehicle must be registered for Uconnect Access and fulfill minimum subscription requirement. [5] The 9-1-1 Call button will connect you directly with Emergency Assistance. If you accidentally press the button, you have 10 seconds to cancel the call by either pressing the 9-1-1 button on the rearview mirror or the Cancel button on the Uconnect touchscreen. [6] Provides direct-dial access to Roadside Assistance Service. Vehicle must be within the United States, have network coverage and be registered with Uconnect Access with an active subscription that includes the applicable feature. Additional roadside assistance charges may apply. Check warranty for details. [7] If you have this feature and have reported your vehicle as stolen to an appropriate law enforcement agency, Uconnect will try to locate your vehicle after receiving proper documents and once law enforcement contacts Uconnect Customer Care. Uconnect may refuse to locate your vehicle if you do not provide the requested information or documents. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. [8] Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must also be properly equipped and in an active and usable cellular range. Theft Alarm Notification is only available on factory-installed alarms. [9] Based on the latest available competitive information and *Ward's* Middle Specialty Vehicle segment. [10] No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. [11] Excludes non-mass-production vehicles based on horsepower, top speed and NHRA-certified ¼-mile testing. [12] Based on the latest available competitive information and 2015 *Ward's* Large Regular Car Vehicle segment. Excludes other FCA US LLC vehicles. [13] Based on the latest available competitive information and 2015 *Ward's* Small Upper Sedan Vehicle segmentation costing under \$25,000. [14] Always check visually for vehicles prior to changing lanes. [15] SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. If you decide to continue listening after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See the SiriusXM Customer Agreement for complete terms and get more information at www.siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. [16] WiFi subscription required. Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must be properly equipped and in active and usable cellular range for WiFi usage. WiFi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of WiFi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using WiFi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. [17] Based on the latest competitive information available. [18] Always look before proceeding, electronic drive aid is not a substitute for conscientious driving; always be aware of your surroundings. [19] LDW is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. [20] ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [21] FCW system is solely an alert system for the front of the vehicle which does not take any actions to change the vehicle dynamics to avoid a collision and is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [22] Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MAP). iPhone and some other smartphones do not currently support Bluetooth MAP. Visit UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Visit UconnectPhone.com for system and device compatibility. [23] Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. [24] The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. [25] Transferable. See dealer for complete details and a copy of the 5-Year/60,000-Mile Powertrain Limited Warranty.
