

2018 DODGE /// JOURNEY

DOMESTIC. NOT DOMESTICATED.

DODGE

For more than 100 years, the Dodge Brand has stood for standing out. We've led by being different. By offering the unexpected, by having a different voice altogether and daring to amplify it. We've stood apart in a sea of look-alike vehicles by championing the un-boring; by having the courage to be different enough to build modern-day marvels that are engineered with more passion,

precision and performance than ever before. Each vehicle in the 2018 Dodge lineup pays homage to its iconic bloodline with award-winning features and detailed craftsmanship. The snarling engines and sleek exteriors of each vehicle beg to be taken out on the open road. It's time to put the pedal to the metal. *THIS IS WHAT IT MEANS TO BE DOMESTIC AND NOT DOMESTICATED.*

2018 DODGE JOURNEY

There's a reason it's called a road trip and not an arrived-at-your-destination trip. It's because the time and miles spent getting there are what it's really all about. Dodge Journey has the power to make every drive — including the one you make Monday through Friday — feel like a vacation. The power to cut loose comes from available all-wheel drive (AWD) and engine options that are as efficient as they are capable. With standard seven-passenger seating and loads of technology, there's room and entertainment for everyone. It's time to get up and get out, your Journey awaits.

////// Journey SXT shown in Redline 2K with Blacktop Package.

ALL-WHEEL DRIVE (AWD) /// When the weekend's arrived but the forecast calls for foul weather, there's no need to change your plans. The surefootedness of available AWD makes haste of snowy roads, wet highways and lower-traction terrain. When the system senses wheel slippage, it immediately responds with a transfer of power to the rear wheels for a very noticeable uptick in driving performance.

HAULING ALL-STAR /// Whether it's a boat, ATV or camping gear you're trailering, Journey's measured muscle easily handles up to 2,500 lb when properly equipped. Standard Trailer Sway Damping⁽⁵⁾ ** helps to maintain control.

ENGINE OPTIONS /// 2.4-liter DOHC 16-valve Dual Variable Valve Timing (VVT) engine produces 173 horsepower and up to 25 mpg highway.* Award-winning 3.6-liter DOHC Pentastar® VVT engine mated to a smooth-shifting six-speed automatic delivers 283 horsepower and up to 25 mpg highway!

Award-winning 3.6-liter DOHC Pentastar® VVT engine mated to a smooth-shifting six-speed automatic delivers 283 horsepower and up to 25 mpg highway!

*2017 EPA estimated 19 mpg city / 25 mpg highway. Actual mileage may vary. †2017 EPA estimated 17 mpg city / 25 mpg highway (FWD); 16 mpg city / 24 mpg highway (AWD). Actual mileage may vary. **All disclaimers and disclosures can be found on page 20.

////// Journey GT shown in Billet.

////// Journey GT shown with Black leather trim with perforated inserts and Red accent stitching.

SHIFT YOUR PERSPECTIVE

This is how you commute in style — Dual-Zone Temperature Control, stadium seating, soft-touch surfaces, available 8.4-inch touchscreen and flexible seven-passenger seating. Opt for an available 10-way power driver seat including four-way power lumbar adjuster, heated front seats and a full-circumference heated steering wheel for optimum luxury.

Accessing the third-row seats is effortless thanks to 90-degree rear-door openings and available Tilt 'n Slide second-row seats.

//// Journey Crossroad shown with Black leather trim with Sport mesh inserts.

Properly secure all cargo.

Properly secure all cargo.

FLEXIBILITY NEVER LOOKED SO GOOD

CARGO AREA /// A standard hidden storage bin and access door to the tool and jack compartment are located behind the rear seat. When hauling gear is the priority, simply fold down the second- and third-row seats for up to 67.6 cu. ft. of cargo capacity.

DUAL IN-FLOOR STORAGE /// The second-row floor provides even more clever storage. Two in-floor storage bins with latching lids can each hold up to a dozen 12-oz cans, plus ice.

For added convenience, these bins have removable, washable liners so they're a snap to clean, and make the perfect tailgating accessory.

CENTER FLOOR CONSOLE /// This deep, easy-to-access console features cup holders, 12-volt outlets, remote USB port, auxiliary audio input and out-of-view storage.

STORAGE POCKETS /// Found on all four passenger doors, molded storage pockets give you more places to stash your travel items, as well as 20-oz drink containers and more.

SECOND-ROW INTEGRATED CHILD BOOSTER SEATS^[6] /// There's no need to fumble with bulky, heavy booster seats anymore. Opt for the integrated child booster seat^[6] and you're good to go.

REAR CUP HOLDERS /// Cup holders conveniently located in the rear quarter trim panel accommodate 20-oz drinks or juice boxes. Two more cup holders can be found in the second-row fold-down armrest.

[1] Apple CarPlay and Android Auto require a compatible mobile device connected via USB cable to the Uconnect system. Data plan rates may apply. Visit UconnectPhone.com for system and device compatibility. [2] Siri requires an iPhone equipped with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing phone plan rates apply to internet-supported features. [3] This system is not meant to be used while the car is in motion. [4] Requires a mobile phone equipped with the Bluetooth Hands-free Profile. Visit UconnectPhone.com for system and device compatibility. [5] No system, no matter how sophisticated, can repeat the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. For children 44–85 lb and up to 4'9", see SiriusXM's instructions for audio and video services provided by SiriusXM to follow your trial subscription. If you decide to end the listening after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at the current rates. Fees and taxes extra. To cancel, you must call SiriusXM at 1-866-635-2179. See the SiriusXM Consumer Agreement for complete terms and more information at www.siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle and options and may be limited in select markets. [6] Voice Text Reply and voice texting features require a compatible mobile device enabled with Bluetooth Hands-free Profile (HFP). Phone and some other smartphones do not currently support Bluetooth MAP/Vit. Visit UconnectPhone.com for system and device compatibility. [7] Where MMS Over-the-Air™ messaging notification is enabled, vehicle may be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Visit UconnectPhone.com for system and device compatibility. [8] Always look before proceeding, even if the light is red. It is not a substitute for conscientious driving; always be aware of your surroundings. [9] Always check mirrors for vehicles in blind changing lanes. [10] ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [11] Always sit properly with the head restraint properly adjusted. Always buckle up properly with the seat belt. [12] LDW is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [13] Always sit properly with the head restraint properly adjusted. Always buckle up properly with the seat belt. [14] May not work with all garage door openers. [15] Transferable. See dealer for complete details and availability of the 5-Year/60,000-Mile Powertrain Limited Warranty.
