124 SPORT SPIDER

124 SPORT SPIDER

An affordable collector's item, the Fiat 124 Sport Spider is the convertible you've always wanted. And more.

Master craftsman Pininfarina designed it as a classic... and a classic it has become. Enduring style is part of the Spider's claim to fame. Performance is the other factor.

A responsive 1756 cc. twin overhead cam engine coupled to a fast 5-speed gearbox delivers that power surge sports car drivers crave. The instrument control panel in the cockpit responds and reports the way precision instruments should. And standard features like disc brakes on all four wheels and radial tires contribute to the total performance Sport Spider delivers.

In a world where obsolescence often appears to be the standard, the Fiat 124 Sport Spider is a welcome tribute to timelessness.

Specifications:

Body/Frame—Unitized construction, electrically welded. Reinforced longitudinal stress members. Two primer coats. Two high-gloss acrylic enamel. Wheelbase: 89.7" Front track: 53.2" Rear track: 52."

Engine—Front mounted, T.O.H.C. inline 4. Water cooled. Vertical dual barrel downdraft carburetor. Displacement: 1756 cc. (107.13 cu. in.). Compression ratio: 8.0 to 1. Bore and stroke: 84mm. X 79.2mm. (3.31 X 3.12"). Exhaust emission control system.

Clutch—Single dry plate.

Transmission—Five speeds forward plus reverse. Fully synchromeshed in all forward gears. Console mounted stick shift. Rear wheel drive.

Gear Ratios—1st: 3.667. 2nd: 2.100. 3rd: 1.361. 4th: 1.000. 5th: 0.881. Reverse: 3.526.

Final Drive Ratio—4.3.

Drive Shaft—Two-piece with universal joints.

Front Suspension—Wishbone control arms. Coil springs, hydraulic shock absorbers and anti-roll bar. Independent springing. Lifetime lubrication.

Rear Suspension—Rigid axle anchored by two trailing arms and transverse Panhard rod. Coil springs, hydraulic shock absorbers.

Steering—Worm and roller gear. Steering column (with locking anti-theft device) has flexible joint. Steering linkage joints are lifetime lubricated. Turns in 34' diameter.

Brakes—Large-diameter disc brakes on all four wheels with power assist. Dual brake system. Compensator on rear brake circuit to regulate the brake action for load. Mechanical parking brake.

Wheels and Tires—Self-ventilating steel disc wheels. Rim size: 5J X 13." 165 SR X 13 radial-ply tires.

Electrical—12-Volt system. 700-Watt Alternator. 60 Amp/hr. battery.

Instrumentation—Speedometer with trip recording odometer, turn signal, high/low beam indicator and marker light indicator. Electronic tachometer. Charging light indicator. Water temperature and fuel gauge with reserve supply indicator. Quartz crystal clock. Windshield wiper switch, outer marker master light switch, panel light switch. Speedometer and tachometer are recessed for glare-free reading with matte black bezel rings and all instruments and switches are mounted in a simulated wood-grained panel dash. Dual spray nozzle and synchronous wiper operation.

Ventilation and Heating System—Provides windshield demisting and defrosting. Air intakes on cowl. Hot water heater. Regulators and two-speed heater fan controls mounted on console.

Fuel Tank—11.4 gallons. (9.49 Imp. gallons).

Exterior Dimensions—Overall length: 163." Height: 49.2." Width: 63.5." Road clearance: 6."

Standard Equipment:

4-cyl. twin cam engine • Weber carburetion/auto choke • Expansion type cooling system • Cooling system electro fan • Power 4 wheel disc brakes • Equalized dual brake system • Reclining bucket seats • Adjustable head rests • All vinyl interior • Safety padded dash & visors • Safety door locks • Safety screw type gas cap • 2-speed wipers/mist controller • Windshield washers • Dual horns • Convertible top boot • Unitized body construction • Ignition key warning signal • Radial ply tires • Energy absorbing bumpers • Left outside mirror • Day/night rear view mirror • Vanity mirror • Simulated wood grain dash/console • Quartz crystal clock • Cigarette lighter • Sport steering wheel • Courtesy lights • Low fuel warning light • Emergency brake light • Hazard warning light • Steering column lock • Tinted glass
