*FAST, NIMBLE
AND FUN, THE
FIAT® 500 LINEUP
ALSO QUICKLY
CONVEYS TRUE
INDIVIDUALITY.*

Heading down the highway doesn't have to mean going mainstream, thanks to FIAT 500. With a minimalist Italian design philosophy that packs loads of personality per square inch, the 2018 lineup is enhanced with new standard features and improved power. Look for an aggressive lower front and rear fascia design, front fog lamps, Sport spoiler and side sills, performance brakes, sport-tuned suspension, rear back-up camera⁴ and a 5" touchscreen with Bluetooth® on every model.

*THE FIAT® 500
CABRIO LOUNGE:
WHERE THE
VENUE IS AS
IMPRESSIVE AS
THE SHOW.*

While the FIAT 500 Cabrio makes the most of the great outdoors by providing spectacular vistas, it also focuses inward to include driver and passenger amenities making any trip special.

An innovative three-position power-folding retractable soft top opens on the fly — even at speeds up to 60 mph. Its preset positions offer a range of stopping points from slightly open to fully dropped. This dual-layer cloth top is available in a choice of three colors, improving views from both inside and out.

The Cabrio Lounge only adds to the splendor with the luxury of leather-trimmed seating, automatic temperature control, state-of-the-art technology, premium audio options and more. Clearly, this convertible doesn't just rely on good views alone.

The FIAT® 500 Urbana goes dark with Black-trimmed headlamps, fog lamps, turn signals and taillamps. Found on both the hatchback and Cabrio Pop models, you won't find its 16-inch Hyper-Black aluminum wheels on any other trim. The 500 Urbana interior and instrument-panel bezel are also dressed in Black; sport cloth bucket seats are Black with the pop of Silver accent stitching. Urbana exterior colors offer a range of refined finishes: choose from Pompei Silver, Perla White Tri-Coat, Bianco White Ice, Granito Gray and Metallo Gray.

**ELECTRONIC STABILITY
CONTROL (ESC)¹ WITH
HILL START ASSIST⁶**

Here are just some of the advanced FIAT 500 features that will offer extra peace of mind:

Electronic Stability Control (ESC)¹

This feature assists drivers in maintaining control of their vehicles during extreme steering maneuvers. Standard.

ParkSense® Rear Park Assist System⁴

When the vehicle is in Reverse, these available sensors detect objects in the rear pathway, providing an audible and visual warning. Available.

Remote Keyless Entry

Affords easy access by remotely locking and unlocking doors and turning on interior lamps. For vehicles equipped with the optional security alarm, this device also arms and disarms that system. Standard.

ParkView® Rear Back-Up Camera⁴

Provides a wide-angle view with dynamic grid lines on a color touch-screen, aiding the driver when the vehicle is in Reverse. Standard.

7 Standard Air Bags³

Front, rear, side, knee and advanced multistage air bags³ all work together, providing encompassing protection.

Bifunctional Halogen Projector Headlamps

Provide more controlled illumination for increased visibility. Standard.

Front-Seat Reactive Head Restraints⁷

In the event of a rear collision, these restraints activate to help reduce injuries by minimizing the gap between the driver or front-passenger head restraint⁷ and the occupant's head. Standard.

Tire Pressure Monitoring System

Gives crucial, pinpointed information on the Electronic Vehicle Information Center (EVIC) at the moment any tire pressure falls below safe driving criteria. Standard.

Hill Start Assist⁶

Maintains brake pressure during stop/start moments to help prevent rollback — for a smooth start every time. Standard.

High-Strength Steel

An innovative safety cage body structure is made with high-strength steel to create energy-absorbing crumple zones. Standard.

FIAT® 500 Materials

THERE ARE A LOT OF REASONS WHY FIAT 500 LOOKS AND FEELS SO UNIQUE, NOT THE LEAST OF WHICH ARE THE CAREFULLY RESEARCHED MATERIALS THAT SERVE AS TOUCHPOINTS FOR DRIVERS AND OCCUPANTS. A MANDATE TO PROVIDE TACTILE AND DURABLE OPTIONS INSPIRED THE DESIGNERS TO OFFER A RANGE OF PREMIUM CLOTH AND LEATHER CHOICES. EACH ONE SERVES AS A POINT OF DIFFERENCE AND DELIGHT.

(1) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (2) Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. (3) The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (4) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (5) SiriusXM audio and data services each require a subscription sold separately or as a package by SiriusXM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations or on all receivers. (6) There may be situations on minor hills (i.e., less than 8%) with a loaded vehicle, or while pulling a trailer, when the system will not activate and slight rolling may occur. This could cause a collision with another vehicle or object. Always remember the driver is responsible for braking the vehicle. (7) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (8) Be sure to follow all instructions in Owner's Manual. (9) Wi-Fi subscription required. Vehicle must be properly equipped and in active and usable cellular range for Wi-Fi usage. Wi-Fi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of Wi-Fi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using Wi-Fi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. (10) Transferable. See dealer for complete details and a copy of limited warranty. Includes towing to an authorized dealer.
