

2020 CATALOG

2020 VISION

With a legacy that dates back 120 years, it's clear that for FIAT,[®] remaining true to its philosophy is key to its longevity. At its heart is innovation — first tested on the world's most challenging racetracks and then made widely available to benefit drivers worldwide. So for its first-ever crossover, the 500X, FIAT channels this spirit of competition and accessibility. This is an All-Wheel Drive (AWD) vehicle that's meant to be shared ... with both your friends and the public at large. Once again, FIAT *is for the people*.

FIAT® 500X: take five

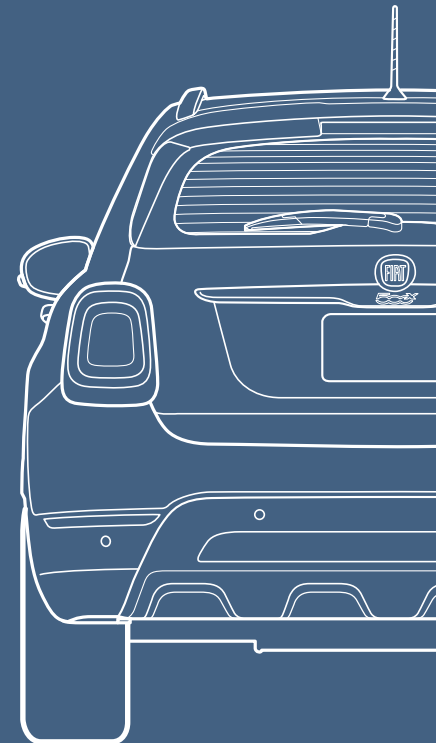

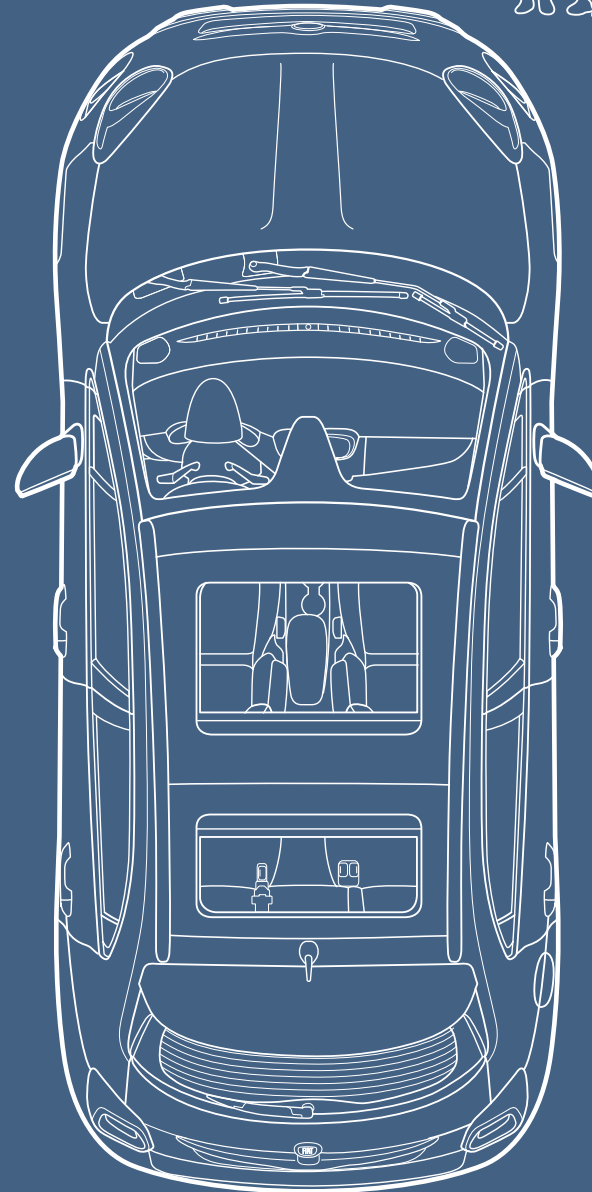

ACTIVELY ACCOMMODATING

FIAT 500X manages to hit that wish-list sweet spot with room for five, All-Wheel Drive (AWD) capability and a peppy, 177-horsepower power source — all ingeniously packaged into an agile, park-anywhere vehicle that is bound to become an integral part of your posse. Driver-centric design also keeps your passengers in mind, providing comfortable places to ride, converse and negotiate the best way forward. Like any well-designed device, it's clear that 500X will not just be in constant use ... it will help drive your life.

Dimensions were designed with five happy people in mind.

With a wheelbase of 101.2 inches, FIAT 500X measures 79.7 inches wide with mirrors extended, 63.7 inches tall and 168.2 inches long on Trekking models.

DIFFERENT FLAVORS

FIAT® 500X knows our drivers' taste for adventure calls for a varied menu. It's why our 500X models are geared toward a wide range of interests — from the great outdoors to the lounge life, or something more sports-oriented. Vive la différence!

FIAT 500X Sport in Nero Cinema, Rovente Red and Bianco Gelato.

MAKING NEW FANS The athletic stance of the new FIAT® 500X Sport reveals its inner talents; its distinctive details will win you over. No more sitting on the sidelines.

the new Sport

New front and rear fascia design

A ROLLING STONE We can't think of a more trusted travel companion than FIAT® 500X Trekking. It can be outfitted to help navigate the best routes to Point B and to avoid obstacles along the way. Plus, it helps you pack a surprising amount of gear in the back — and adventure into your year.

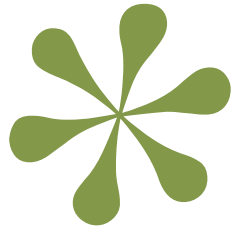

IT'S ALL THE RAGE

The FIAT® 500X Pop makes the most of the simple, iconic Italian design that made the original FIAT 500 a worldwide sensation. There's room to take lots of friends and their belongings along for the ride, while taking all the challenges of city traffic and parking in stride. FIAT 500X Pop gets high marks in the art of driving.

Pop

- Push-button start
- Remote Start System³
- Power, heated exterior mirrors
- Uconnect® 4 with 7-inch touchscreen display
- Apple CarPlay®⁴ integration
- Android Auto™⁵ compatibility
- 17-inch aluminum wheels

An aerial photograph of a dark asphalt road that winds through a dense forest. The road has a sharp S-curve. A small orange car is visible on the road, navigating the second curve. The surrounding forest is lush with green trees, and the ground between the road and the trees appears to be covered in light-colored gravel or sand. The lighting suggests it might be late afternoon or early morning, with some trees showing a golden glow.

AWD

Thoroughly self-assured

For FIAT® the confidence of a technologically advanced All-Wheel Drive (AWD) System is standard in 500X. This class-exclusive⁶ standard AWD is truly intelligent: it adjusts automatically in AUTO mode for varying terrain or conditions, working in sync with the advanced traction modes of the FIAT Dynamic Selector. Combined with Electronic Stability Control (ESC)⁷, consider the road tamed.

AWD UNPACKED

The technologically advanced FIAT® 500X All-Wheel Drive (AWD) System works through a variable wet clutch located in the rear drive module. This clutch knows and supplies the right amount of torque for a range of weather and road conditions. When in AUTO mode, the system's disconnecting rear axle automatically switches from AWD to FWD (and back, as needed) — helping fuel efficiency⁸ and traction.

FIAT 500X Trekking Plus in Arancio.

TURBO

Power at the ready

FIAT® 500X features the standard 1.3L I6V MultiAir® Turbo Direct-Injection engine with MultiAir valve-actuation technology — which includes Engine Stop/Start (ESS) technology. It delivers 177 horsepower and a best-in-class⁶ standard torque rating of 210 lb-ft.

SMOOTH

The FIAT® 500X also features KONI® Frequency Selective Damping (FSD) front and rear shock absorber technology to deliver impressive road-holding and handling characteristics. The KONI FSD system actively filters out inputs from uneven road surfaces and adjusts for comfort and smoothness while maintaining excellent ride control.

Selective
damping

SUSPENSION STORY

SWITCH

The Dynamic Selector Traction Control System lets you choose three distinct drive modes to promote confident driving. AUTO mode is calibrated for everyday driving. SPORT mode provides a quicker driving response and sportier handling. TRACTION+ mode maximizes low-speed traction on slippery and off-road surfaces.

Confidence
booster

DYNAMIC SELECTOR

Go ahead, bring a few more bags — the efficiency and utility of the FIAT® 500X interior almost magically make room for just about any packing scenario. Its large rear cargo area, available height-adjustable rear cargo floor, 60/40 split-folding rear seats and fold-forward front-passenger seat welcome all the longer, wider and taller things you once had to leave behind.

Thinking ahead

Electronic Stability Control (ESC)⁷

This feature assists the driver in maintaining control of the vehicle during extreme steering maneuvers. Standard.

ParkSense® Rear Park Assist System¹

When the vehicle is in Reverse, this system uses sensors to provide audible and visual warnings to help detect nearby objects in the rear pathway. Assists with maneuvering in tight spaces at parking speeds. Available.

ParkSense Front Park Assist System¹

This system alerts the driver with audible and visual warnings when objects come in close proximity to the front of the vehicle. Available.

7 Standard Air Bags⁹

Front-seat-mounted side, front and rear side, knee and advanced multistage front air bags⁹ all work together, providing protection. Standard.

Hill Start Assist

Maintains brake pressure when the driver lifts the foot off the brake during uphill stop/start moments, helping to prevent rollback and smoothing out starts. Standard.

High-Strength Steel

The innovative safety-cage body structure is constructed with high-strength steel. It is designed to transfer energy absorbed during impacts to help reduce the chance of injury. Standard.

Blind Spot Monitoring² and Rear Cross-Path Detection Systems¹⁰

These features use sensors to constantly monitor the space between you and other vehicles, assisting you when changing lanes. They alert you to traffic in your vehicle's blind-spot zones with an illuminated icon in the corresponding exterior mirror. In parking lot situations, they warn drivers who are backing out of parking spaces with visual and audible alerts of lateral traffic. Available.

LaneSense® Lane Departure Warning with Lane Keep Assist¹¹

Tracks the vehicle's lane position via a mounted camera, alerting the driver with a visual warning if the vehicle is drifting outside the marked lane. Also provides corrective steering input to encourage the driver to keep within lane boundaries. Available.

Full-Speed Forward Collision Warning with Active Braking¹²

This system uses radar sensors to detect when you may be approaching another vehicle too rapidly. It readies the brakes and alerts you with visual and audible warnings when it senses a potential frontal impact. If you do not respond, the brakes can bring the vehicle to a full stop. Available.

ParkView® Rear Back-Up Camera¹⁰

Provides a wide-angle view with dynamic grid lines on a color touchscreen, aiding the driver when the vehicle is in Reverse. Standard.

Adaptive Cruise Control¹³

This system automatically adjusts highway cruising speed to maintain a preset distance between you and the vehicle ahead. Available.

The image shows the interior of a Fiat 500X Trekking Plus from the passenger's perspective. The car features a large dual-pane power sunroof that is open, revealing a clear blue sky. The interior is finished with black perforated leather trim on the seats and door panels. The dashboard and center console are visible, featuring a red accent color. The car is parked on a dirt road with a rocky cliff and greenery in the background. On the left side of the image, there are four white circles of varying sizes, and on the right side, there are two white circles of varying sizes.

360°

Favorable outlook

The available dual-pane power sunroof heightens the entire FIAT® 500X experience.

Extra everything

The FIAT® 500X interior can provide plenty of those happy “eyebrows-raised” moments. You’ll be pleasantly surprised to know that it straight-up beats out the toughest competition for head, leg, shoulder and hip room. Scores of convenient features, like available heated front seats, standard push-button start, Remote Start System³ and remote proximity keyless entry make driving a pleasure. Italian refinement is achieved with fabrics and leather trims, while torsional rigidity and Noise, Vibration and Harshness (NVH) applications help to create a quiet 500X cabin.

With the latest from Uconnect®, your FIAT® 500X becomes your portal to the rest of the world. A large, 7-inch touchscreen and intuitive hands-free¹⁴ technologies deliver essential information and entertainment, keeping you focused on driving. The system offers a wide range of services: radio, phone, available navigation, Apple CarPlay®⁴ integration, Android Auto™⁵ compatibility, Integrated Voice Command with Bluetooth®, and more. Listen to and/or charge media players, iPods®, iPhones® and smartphones.

3.5-inch color Electronic Vehicle Information Center (EVIC).

Big sound. Great music.

APPLE CARPLAY®⁴ is a smart and convenient way to use an iPhone® inside your vehicle by seamlessly integrating your favorite apps and features with the Uconnect® touchscreen and Siri®¹⁵ voice control, allowing you to stay focused on the road. Standard.

SIRIUSXM® RADIO¹⁶ Access to 150 channels is offered on this available satellite radio, including news, commercial-free music, sports, talk and entertainment. Listen wherever you go on your portable devices with the SiriusXM App.¹⁶ Available. (One-year trial subscription included.)

ANDROID AUTO™⁵ With the Google Assistant on Android Auto,⁵ you can keep your eyes on the road and your hands on the wheel while using your voice to help you with your day. Just say, "Ok, Google" or, in compatible cars, long-press the voice control button on your steering wheel. Easily access the best of Google with voice-guided navigation and Google Play Music. Call, send messages and get notifications while you're driving, just with your voice, in an easy and intuitive way. Standard.

Color match

HIGHLY COORDINATED

People are pretty passionate about the color they choose for their FIAT® 500X, which is why our designers brought it inside for you to enjoy. Body-color instrument panel trim and door accents add a unique look and feel to this spacious interior.¹⁷ Let's just say "inviting" is an understatement.

Ciao!

Even with the most advanced engineering and high-tech innovations, there's one thing that draws most people to FIAT® 500X: personality. Its friendly demeanor is undeniable — and because of it, people like to be near it, make plans around it or just be spontaneous with it. So, what's life like when you have this cheery fascia to begin and end your day? Fun!

(1) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (2) Always check visually for vehicles prior to changing lanes. (3) Check state and local laws regarding the use of remote start systems. (4) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a registered trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (5) To use Android Auto on your phone screen, you'll need an Android phone running 5.0 or higher and the Android Auto App. Google, Android, Android Auto, YouTube and other related marks and logos are trademarks of Google LLC. (6) Based on FCA US LLC segmentation. (7) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (8) Based on 2020 EPA-estimated 24 city/30 hwy mpg when equipped with 1.3L engine and 9-speed automatic transmission, all-wheel drive (AWD). Actual mileage may vary. (9) Always sit properly in designated seating positions with seat belts securely fastened at all times. (10) Always check entire surroundings visually before proceeding. (11) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (12) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (13) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (14) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (15) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (16) SiriusXM Radio requires a subscription, sold separately, or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your 12-month trial included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-866-635-2349. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. (17) Standard on Pop, Trekking and Trekking Plus models. (18) Vehicle must be locked and system activated for alarm to sound. (19) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (20) Visit Mopar.com for complete details and a copy of the Basic Limited Warranty. (21) See the Reward Terms and Conditions in the Summary of Credit Terms provided at time of application for details, including earning, redemption, expiration or forfeiture. Percentage back is earned as points.
