

THE SUV THAT CARRIES ICONIC DESIGN

THE FIAT® 500 DESIGN LEGACY IS SO ICONIC, IT HAS A PLACE IN THE WORLD'S LEADING ART MUSEUMS. SO WHEN FIAT CREATED ITS FIRST ALL-WHEEL DRIVE (AWD) VEHICLE, STYLE WAS GIVEN A PROMINENT PLACE AT THE TABLE. THE RESULT IS THE 500X: ANOTHER GREAT EXAMPLE OF THE "SIMPLE IS MORE" DESIGN PHILOSOPHY THAT MADE FIAT 500 SO POPULAR AROUND THE GLOBE. 500X PUTS A WONDERFULLY ITALIAN SPIN ON ALL THINGS "UTILITY."

FIAT 500X Trekking Plus in Bianco Gelato.

THINKING ALONG SIMILAR LINES

The FIAT® 500 was a revolution from day one. In 1957, people were introduced to a car that was at once accessible, nimble, city-friendly and fun — expressive features like its “whiskers and logo” face, rounded top and iconic colors caused people to fall in love at first sight. One look at FIAT 500X and you can’t help but to see the resemblance. One ride and you’ll know it shares 500’s propensity for fun while adding plenty of room for your cohorts. Plus, with the All-Wheel Drive (AWD) capability of 500X, you can take your latest adventure way beyond the city limits.

X O X O FIAT® 500X

COMING FROM A PLACE OF LOVE

The extraordinary longevity of the FIAT Brand proves it has some good DNA going for it. The evolution of this brand has seen great changes, yet every FIAT model shares some inherent traits. 500X is the latest to benefit from the Italian passion for design, craftsmanship and performance that has defined FIAT for decades. All things that mean 500X will make meaningful connections with drivers around the world.

EVERY LINEUP HAS
A RINGER

THE FIAT® 500X SPORT —
A PROUD DISPLAY OF FIAT ATHLETICISM

FIAT 500X Sport in Nero Cinema (left), Rovente Red (center) and Bianco Gelato (right).

A COMPETITIVE STREAK

The FIAT® 500X Sport shows its competitive spirit with evocative exterior cladding and colors. Distinctive front and rear fascia designs, body-color-painted side moldings, Dark Grey-finish exterior accents, available 19-inch aluminum wheels, chrome dual exhaust tips and a fierce Rovente Red paint option all play to the crowd.

The 500X Sport interior will create lifelong fans with its Sport cloth or available leather-trimmed bucket seats, a flat-bottom, race-inspired steering wheel with Alcantara® inserts and paddle shifters, distinctive cluster graphics, unique instrument-panel bezel finish, aluminum pedal covers and more.

SPORT

GET ALL-IN, FIVE WAYS

FIAT® 500X is the very definition of a crowd-pleaser. Its group dynamics include ample room for five, along with four doors and a hatchback that make for graceful entrances and fast exits.

EASY

FIAT® 500X takes a warm, Italian approach to welcoming your favorite people and things — its ingenious layout is the very definition of accommodating. Beyond its tranquil ambiance, you'll find a fold-forward front-passenger seat, 60/40 split-folding rear seats, a large rear cargo area and available height-adjustable rear cargo floor. Intuitive release and locking mechanisms make for fast and easy seating transitions. Plus, lots of thought-out details like well-positioned cup holders and clever console storage options elevate any travel scenario. An available dual-pane power sunroof improves the surrounding views with a sliding-glass front panel.

GOING

FIAT® 500X: POWER AT THE READY

C H A R G E D

PLENTY OF PEP

The FIAT® 500X 1.3L MultiAir® Turbo Direct-Injection engine churns out its own brand of fun. Up to 177 horsepower and a best-in-class 210 lb-ft of torque¹ make for spirited turns and breathtaking straightaways. 500X even has the capacity to deliver 30 highway mpg² thanks to its fuel-saving Engine Stop/Start (ESS) Technology.

*A note about this brochure: all disclosures can be found on the last page.

CORNERING AN SUV NICHE

With the SUV-style cargo capacity of the FIAT® 500X, engineers made sure to provide plenty of power to haul you, your friends and your belongings. Teamed with the exceptional 1.3L MultiAir® Turbo engine, the advanced 9-speed automatic transmission features a wide gear ratio spread that provides discernible refinement from launch to overdrive.

FIAT® 500X is the FIAT that's equipped to take the high road — and the low — with ease. It automatically smooths out any trek by gauging driving style and wide-ranging road conditions with KONI® Frequency Selective Damping (FSD) technology. Working in tandem with a MacPherson strut front suspension and Chapman strut rear suspension, FSD handles the hard knocks to bring built-in tranquility.

SMOOTH OPERATOR

FIAT 500X Trekking Plus in Vibrante Green Metallic.

A W D

A N G E L

FIAT® 500X features class-exclusive, standard All-Wheel Drive (AWD)¹ that engages automatically at any speed to help provide excellent traction on slippery surfaces or when traction loss is detected. While in AUTO mode, this intelligent AWD system automatically reverts to Front-Wheel Drive (FWD), helping to maintain enhanced fuel efficiency.

D

DEDICATION TO SAFETY AND SECURITY BEGINS AT ITS VERY CORE

S A F E T Y

Full-Speed Forward Collision Warning with Active Braking³

This system uses radar sensors to detect when you may be approaching another vehicle too rapidly. It readies the brakes and alerts you with visual and audible warnings when it senses a potential frontal impact. If you do not respond, the brakes can bring the vehicle to a full stop. Available.

Adaptive Cruise Control⁴

This system automatically adjusts highway cruising speed to maintain a preset distance between you and the vehicle ahead. Available.

LaneSense® Lane Departure Warning with Lane Keep Assist⁵

Tracks the vehicle's lane position via a mounted camera, alerting the driver with a visual warning if the vehicle is drifting outside the marked lane. Also provides corrective steering input to encourage the driver to keep within lane boundaries. Available.

Blind Spot Monitoring⁶ and Rear Cross-Path Detection Systems⁷

These features use sensors to constantly monitor the space between you and other vehicles, assisting you when changing lanes. They alert you to traffic in your vehicle's blind spot zones with an illuminated icon in the corresponding exterior mirror. In parking lot situations, they warn drivers who are backing out of parking spaces with visual and audible alerts of lateral traffic. Available.

ParkView® Rear Back-Up Camera⁷

Provides a wide-angle view with dynamic grid lines on a color touchscreen, aiding the driver when the vehicle is in Reverse. Standard.

Electronic Stability Control (ESC)⁸

This feature assists the driver in maintaining control of the vehicle during extreme steering maneuvers. Standard.

ParkSense® Rear Park Assist System⁹

When the vehicle is in Reverse, this system uses sensors to provide audible and visual warnings to help detect nearby objects in the rear pathway. Assists with maneuvering in tight spaces at parking speeds. Available.

ParkSense Front Park Assist System⁹

This system alerts the driver with audible and visual warnings when objects come in close proximity to the front of the vehicle. Available.

7 Standard Air Bags¹⁰

Front-seat-mounted side, full-length side, driver's knee bolster and advanced multistage front air bags¹⁰ all work together, providing protection. Standard.

Hill Start Assist

Maintains brake pressure when the driver lifts the foot off the brake during uphill stop/start moments, helping to prevent rollback and smoothing out starts. Standard.

High-Strength Steel

The innovative safety-cage body structure is constructed with high-strength steel. It is designed to transfer energy absorbed during impacts to help reduce the chance of injury. Standard.

S E C U R I T Y

WITH X,

EVERY TURN IS AN EVENT

LET THE FUN IN

Expanded horizons start with an available dual-pane power sunroof, which includes a sliding-glass front panel, a fixed-glass rear panel, and an express (one-touch) feature that easily opens, closes or vents the front panel. It's a feeling of spaciousness that continues with the luxurious FIAT® 500X interior that surpasses even the toughest competition for leg, shoulder and hip room. Inside the cabin, designers offer up Italian style cues with carefully considered cloth and leather coverings, natural material accents, pops of the distinctive FIAT exterior color palette and more. Bellissima.

XTRA EVERYTHING

Convenience. Plushness. Tech. Whatever you're looking for inside a vehicle, FIAT® 500X serves it up in more-than-generous portions. This is space that's meant to be lived in, so designers specified luxurious, refined Italian materials like those that make up our available leather seating. Available heated seating, Automatic Temperature Control (ATC) and more may inspire you to linger a little longer.

EXTREMELY WELL-CONNECTED

Uconnect®

Easy access to all that matters most to you — that's what Uconnect® 4 delivers with FIAT® 500X. A large, 7-inch touchscreen acts as command central, serving up a range of services with clear, intuitive graphics. Integrated Voice Command and hands-free¹² calling mean you can adjust your audio or make phone calls and texts¹³ while keeping your hands on the wheel. Bluetooth® Streaming Audio lets you interact with your devices without cords, while conveniently placed USB ports keep your electronic devices plugged in and charging. Upgrade to Uconnect 4 NAV and you'll add GPS Navigation with 3D graphics.

THE BEATSAUDIO™ PREMIUM SOUND SYSTEM creates studio-quality sound just the way the artist intended. Features 8-channel performance with 506 watts of power and 9 speakers, including a 6.5-inch subwoofer specifically tuned for the FIAT® 500X. Available.

APPLE CARPLAY®¹⁴ extends the contents of your phone to a large, 7-inch touchscreen by Uconnect®. It's a smart and convenient way to use an iPhone® inside your vehicle. It puts your favorite apps and features at your fingertips and lets you access them with Siri®¹⁵ voice control — all while staying focused on the road. Standard.

SIRIUSXM® RADIO¹⁶ Access to 150 channels is offered on this satellite radio, including news, commercial-free music, sports, talk and entertainment. Listen wherever you go on your portable devices with the SiriusXM App.¹⁶ Available. (6-month trial subscription included.)

ANDROID AUTO™¹⁷ With Android Auto,¹⁷ you can keep your eyes on the road and your hands on the wheel while using your voice to help you with your day. Ask Google to play your favorite song, get directions or respond to a text hands-free.¹² Just say, "Hey Google" or, in compatible cars, long-press the voice-control button on your steering wheel. Standard.

Visit your FIAT dealer for additional details, eligibility and restrictions.

(1) Based on FCA US LLC Cross-Shopped Vehicle segment. (2) Based on 2021 EPA-estimated 24 city/30 hwy mpg when equipped with the 1.3L engine and 9-speed automatic transmission, All-Wheel Drive (AWD). Actual mileage may vary. (3) This system is solely an alert system for the front of the vehicle that does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (4) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (5) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (6) Always check visually for vehicles prior to changing lanes. (7) Always check entire surroundings visually before proceeding. (8) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (9) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (10) Always sit properly in designated seating positions with seat belts securely fastened at all times. (11) Check state and local laws regarding the use of remote start systems. (12) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (13) Voice Text Reply feature requires a compatible mobile device that supports text messaging and Bluetooth. Visit www.UconnectPhone.com for system and device compatibility. (14) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (15) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (16) Your service will automatically stop at the end of your trial subscription unless you decide to continue service. If you do not wish to enjoy your trial subscription, you can cancel it by calling the number below. **If you decide to continue service after your trial subscription, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. Please see our Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling us at 1-866-635-2349. All fees, content and features are subject to change. (17) To use Android Auto on your phone screen, you'll need an Android phone running 5.0 or higher and the Android Auto App. Google, Android, Android Auto, YouTube and other marks are trademarks of Google LLC. (18) Vehicle must be locked and system activated for alarm to sound. (19) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD. (20) Not all exterior colors are available on all trim models, please consult your local FIAT dealer for complete details. (21) Be sure to follow all instructions in Owner's Manual for removal of top, doors and lowering of windshield. Driving with the doors off and windshield down is for off-road use only. (22) See the Reward Terms and Conditions in the Summary of Credit Terms provided at time of application for details, including earning, redemption, expiration or forfeiture. Percentage back is earned as points. (23) Visit Mopar.com for complete details and a copy of the Basic Limited Warranty.
