F150

**WE SET OUT TO BUILD
THE BEST TRUCK EVER.**

See how we built the
Future of Tough.

XLT SuperCab 4x4. Ingot Silver. Available equipment.

2015 **F-150**
ford.com

WE STRENGTHENED ITS CORE WITH MORE HIGH-STRENGTH STEEL.

Not just more. A whole lot more. High-strength steel now comprises up to 78% of this all-new, fully boxed modular frame. Enhancing stiffness. And durability. With 8 rugged crossmembers (5 through-welded) and large cross-section rails, this highly rigid structure is stronger and lighter than before. It's the backbone of an all-new body and bed that can only be called... revolutionary.

WE MADE IT LIGHTER, AND STRONGER, BY FORGING A NEW METAL.

High-strength, military-grade, aluminum alloys.¹ Never before used in a truck body and bed. Until now. Our first-in-class² innovation creates a 2015 F-150 that weighs up to 700 lbs. less than its predecessor. One that accelerates faster. Stops sooner. Tows more.³ Hauls more.³ And does it all more efficiently. We collaborated with experts to formulate this new metal.

Then, through heat treating and by increasing panel thickness, we made it even stronger. Making it ideally suited for the rigors of truck use. How so? It does not rust. It resists corrosion. And it improves dent-/ding-resistance. When you set out to build the best truck ever, it's no surprise what you end up with. A smarter way to work.

¹6000-series aluminum alloy. ²Class is Full-Size Pickups under 8,500 lbs. GVWR. ³When properly equipped.

2015 **F-150**
ford.com

WE MADE IT MORE EFFICIENT. AND MORE CAPABLE.

How? By reducing weight, up to 700 lbs.,¹ we improved the power-to-weight ratio of all 2015 Ford F-150 models. Helping it achieve a class-best gas EPA-estimated highway fuel economy rating of 26 hwy mpg.² A class-best max. towing capacity of 12,200 lbs.¹ And class-best max. payload of 3,300 lbs.¹

Take the all-new 2.7L EcoBoost® engine.³ When equipped with this "Pocket Hercules," the power-to-weight ratio of F-150 improves by 13% over a V8-equipped 2014 F-150 with similar torque output.⁴ With its lightweight design and extremely high output, this 2.7L V6 is purpose-built to do more with less. Just like the 2015 F-150.

¹When properly equipped. ²EPA-estimated rating: 19 city/26 hwy/22 combined mpg, 2.7L EcoBoost, 4x2. Actual mileage will vary.

³Available feature. ⁴Based on comparison of 2014 vs. 2015 torque and curb weight.

WE PUNISHED IT MORE THAN EVER. MAKING IT BUILT FORD TOUGH.®

This is the most tested F-150 ever. With its all-new materials and advanced technologies, we devised new ways to test it – and push it to the brink. From brutal acid baths to the unforgiving heat and abrasive sand of Baja, this truck has been to hell. And back. Taken to extremes in more punishing lab tests. And put through unrelenting real-world

challenges from some of our hardest-working customers: fleets that run day and night. Before the first truck rolls off the line, over 10 million cumulative miles of testing helped get it ready for the most important test of all. Yours.

INTRODUCING OUR MOST ADVANCED PICKUP EVER.

FIRST-IN-CLASS

- Use of high-strength, military-grade, aluminum alloys¹
- 360 Camera with Split-view Display²
- Remote tailgate release²

2015 **F-150**
ford.com

THE FUTURE OF TOUGH BEGINS TODAY.

Simply put, this is the most advanced Ford F-150 ever.

Better in every way that matters. It accelerates faster and stops sooner. It tows more and hauls more.¹ And does it more efficiently. Equipped with plenty of purpose-built advancements and safety innovations, it is the ultra-capable pickup of the future. Built Ford Tough® to take you everywhere you need to go.

Industry-first and class-exclusive features make your work even more productive. Smart technologies help you tow, haul and move with ease. And advanced new safety measures instill confidence, both on the road and on the job.

More capable. More efficient. Than ever. This is the Future of Tough.

LARIAT SuperCrew® 4x2. Blue Jeans. LARIAT Chrome Package. Available equipment.

¹When properly equipped.

WITH AN EPA-ESTIMATED 26 HIGHWAY MPG.¹

When you equip the 2015 Ford F-150 with our all-new 2.7L EcoBoost® V6,² a class-best gas EPA-estimated highway fuel economy rating¹ is yours. But there's more to it than that. With this next-generation EcoBoost, our approach yields up to 8,500-lb. max. towing capacity.³ Plus, up to 2,250-lb. max. payload capacity.³ It's fuel efficiency – that works.

This high-output, direct-injection, twin-turbo chunk of pure muscle pumps out 325 hp, 375 lb.-ft. of torque, plus a class-best gas EPA-estimated highway fuel economy rating of 26 mpg.¹

Strength and durability come from compacted graphite iron (CGI) that forms the upper engine block and cylinders. It's the same material used in our rugged 6.7L Power Stroke® V8 Turbo Diesel engine, allowing the block to be smaller, lighter and stronger. The lower block and cylinder heads are made of aluminum to save weight.

To optimize every drop of fuel, Auto Start-Stop is standard with this engine. Tuned specifically for a truck application, it shuts off the engine when the truck comes to a complete stop – except when in tow/haul mode or in 4-wheel drive (4WD). When the brake is released, the engine restarts immediately.

2015 **F-150**
ford.com

A WIDE RANGE OF POWERFUL CHOICES.

Finding smarter, more efficient ways to get the job done defines the 2015 F-150. Of its 4 available engines, one is all-new: the next-generation 2.7L EcoBoost® V6! All deliver exceptional efficiency. Without compromising capability.

For 2015, there are 2 EcoBoost engines¹ to choose from. These direct-injection, twin-turbo powerplants deliver remarkably balanced performance, blending potent low-end torque with impressive efficiency. The 3.5L EcoBoost now powers over 600,000 F-150 trucks. The all-new 2.7L showed its mettle by completing the Tecate SCORE Baja 1000 off-road racecourse. Both are ready to handle whatever you throw at them.

By improving power-to-weight ratios across the lineup,² each F-150 engine has more power to devote to your job. But that's not all. Light-weighting helps improve their fuel efficiency as well. As does twin independent variable camshaft timing (Ti-VCT). Plus Active Grille Shutters that can close at cruising speed to reduce drag. A standard 6-speed automatic transmission and available SelectShift® automatic make power easy to engage.

Engineered for long-lasting durability, Built Ford Tough® standards ensure that each engine is proven over millions of miles of harsh lab and real-world testing. The result? An F-150 you can count on, from sunrise to sunset (and now beyond), to tow, haul, work and play like no other. It more than delivers.

3.5L TI-VCT V6

This highly capable standard engine is designed for impressive power and durability. Twin independent variable camshaft timing (Ti-VCT) provides torque across a wide rpm range, as well as exceptional efficiency.

1,910 lbs. – Max. payload capacity³

7,600 lbs. – Max. towing capability³

282 @ 6,250 rpm – HP

253 lb.-ft. @ 4,250 rpm – Torque

18 city/25 hwy/20 combined mpg
EPA-estimated fuel economy rating⁴

3.5L ECOBOOST

For maximum capability, this direct-injection, twin-turbocharged V6 delivers 90% of its peak torque at 1,700 rpm – which holds on strong up to 5,000 rpm.

3,270 lbs. – Max. payload capacity³

12,200 lbs. – Max. towing capability³

365 @ 5,000 rpm – HP

420 lb.-ft. @ 2,500 rpm – Torque

17 city/24 hwy/20 combined mpg
EPA-estimated fuel economy rating⁴

ALL-NEW 2.7L ECOBOOST V6

Our most advanced engine yet, this high-output 2.7L EcoBoost V6 features an entirely new design that delivers power and performance in a stronger, smarter package.

2,250 lbs. – Max. payload capacity³

8,500 lbs. – Max. towing capability³

325 @ 5,750 rpm – HP

375 lb.-ft. @ 3,000 rpm – Torque

19 city/26 hwy/22 combined mpg
EPA-estimated fuel economy rating⁴

5.0L TI-VCT V8

Improved cylinder breathing and new mid-lock variable cam timing improve fuel efficiency while maintaining this trusted V8's power and low-end torque. Cast exhaust manifolds and a unique engine oil cooler allow for heavy-duty use and durability.

3,300 lbs. – Max. payload capacity³

11,100 lbs. – Max. towing capability³

385 @ 5,750 rpm – HP

387 lb.-ft. @ 3,850 rpm – Torque

15 city/22 hwy/18 combined mpg
EPA-estimated fuel economy rating⁴

XLT SuperCrew® 4x4. Ingot Silver. Available equipment.

2015 **F-150**
ford.com

PERFORMANCE AND HANDLING THAT ARE BETTER THAN EVER.

Its high-strength-steel frame improves torsional rigidity. A double-wishbone, independent front suspension and optimized tuning help smooth out the rough spots. High-strength, military-grade, aluminum alloys reduce weight. Together, they deliver remarkable improvements in F-150 performance and ride quality. Mile after mile.

A refined brake system adds confidence. Electric power-assisted steering provides greater feel of the road. Staggered outboard rear shocks improve stability. It's a driving dynamic that inspires trust – whether the cargo bed is empty or when working.

With Curve Control¹, you have enhanced control going into turns. When it senses you're taking a turn too fast, the system can slow the vehicle's speed by as much as 10 mph in about a second to help you maintain control.

Our Lane-Keeping System² uses a forward-facing camera to help you maintain your lane. It can detect lane markings and, if needed, can send vibration pulses to the steering wheel or apply steering torque to prompt you to steer back toward center.

LANE-KEEPING SYSTEM²

OUTBOARD REAR SHOCKS

CURVE CONTROL¹

PLATINUM SuperCrew® 4x4. White Platinum. Available equipment.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

²Available feature. Lane-Keeping System does not control steering. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

2015 **F-150**
ford.com

TECHNOLOGY THAT'S SMARTER THAN EVER.

See the
360 Camera
in action

Strategically placed cameras.¹ Ultrasonic sensors.¹ Sophisticated radar.¹ F-150 can employ them all to help navigate a crowded job site, avoid collisions, stay in your lane and more.

Get a 360° view around F-150 with our class-exclusive 360 Camera with Split-view Display.^{1,2} Great for negotiating tight spaces, it works at low speeds in Forward and Reverse.

Four cameras¹ let you see all sides of the truck on the 8" color screen¹ that centers the instrument panel. A front or rear view fills the left side of the screen. The 360° view is on the right. Control what you see by pushing the "camera" button above the display. Visual guides help you see how close you are to objects around the vehicle so that you can avoid them.

Monitor blind spots with BLIS® (Blind Spot Information System) with cross-traffic alert.^{1,2} An amber light in the sideview mirrors³ helps warn you when a vehicle is there.

Parallel park easier with class-exclusive active park assist.^{1,2} This system helps you find a spot, then steers F-150 while you control the gear shifter, and brake and accelerator pedals.

Get a heads-up from class-exclusive adaptive cruise control and collision warning with brake support.^{1,2} It helps maintain your choice of 4 preset gaps from the vehicle in front of you. It can also alert you to a potential collision by flashing a warning on the windshield and sounding an alarm. It also pre-charges the brake system.

¹Available feature. ²Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ³BLIS replaces standard integrated blind spot mirrors.

THE NEW F-150 CARRIES MORE THAN ANYONE ELSE.

Every day, Ford F-150 carries the day. By taking weight out of the vehicle, we increased the amount you can put in it.

Best-in-class payload 3 times over.

When equipped with the 5.0L V8 engine¹ and Heavy-Duty Payload Package, F-150 leads all competitors with 3,300-lb. max. payload.² A similarly equipped F-150 with the 3.5L EcoBoost[®] engine¹ is next highest with 3,270 lbs.² The 3rd-highest payload in the class? Another F-150. Carry up to 2,250 lbs.² with the 2.7L EcoBoost¹ and 2.7L EcoBoost Payload Package.

The best pickup box access in the class makes managing that load easy. To access the 77.4 cu. ft. of cargo box volume,¹ steps on all 3 sides¹ include deployable box side steps¹ – available for the first time with the 5.5' box.

Our next-generation tailgate step,¹ now fully integrated inside the tailgate, is virtually invisible when not in use. After customer input, our engineers improved it to drop down in one easy motion. They also designed the grab handle to store inside the tailgate, which creates a flat surface for easier loading and a convenient work surface when needed.

See how
BoxLink can help

WITH MORE FUNCTIONALITY THAN EVER.

In addition to class-best max. payload, innovative new features make it easier than ever to access and manage your load in a 2015 Ford F-150.

Our industry-first remote tailgate release¹ with power remote locking opens the tailgate with your key fob. Lock, unlock and lower it, hands-free. When activated, the tailgate gradually lowers to a flat position.

LED cargo box lighting¹ smartly illuminates the cargo box with forward-facing LEDs. Turn them on, along with additional cargo lamps centered above the rear window, with a switch in the bed or on the headlamp control in the cab. The additional illumination helps you quickly find tools or other items, so you'll spend less time rummaging around and more time getting the job done. They're particularly helpful with a tonneau cover.^{1,2}

Class-exclusive BoxLink™¹ with locking cleats vastly improves functionality in your pickup box. First, box sides are fortified to allow you to tie down items to the walls. Interface plates inside the box allow you to attach S hooks, E-Track™ straps and so much more. 4 removable and lockable premium cleats provide additional tie-down points to securely and flexibly tie down your cargo. You choose what's best for you.

New class-exclusive stowable loading ramps^{1,2} help you ramp up with ease. After attaching the ramps securely to the liftgate, you can load dirt bikes and ATVs simply and easily – without having to lift them into the bed. When done, stow the ramps with the BoxLink system. You can also utilize the BoxLink interface plates when using the bed divider.¹

¹Available feature. ²Available Spring 2015.

TOWS MORE THAN ANYONE ELSE.

Tow more. Sweat less. With its high-strength-steel frame, torque-heavy engines and advanced technologies, the 2015 Ford F-150 helps keep your trailer where it belongs. In line.

Class-best max. towing capacity of 12,200 lbs.¹ is yours when you equip Ford F-150 with the 3.5L EcoBoost[®] engine² and Max. Trailer Tow Package.

Towing confidence in every cab type results from the stabilization benefits of standard trailer sway control and an integrated trailer brake controller.²

Lock out upper gears to maintain a consistent speed on steep grades with the progressive range select on our 6-speed SelectShift[®] automatic transmission with tow/haul mode.^{2,3} For use when the truck is heavily loaded or when towing, which should be often with the 2015 F-150.

To prevent you from rolling back on a grade, standard hill start assist momentarily maintains brake pressure until the engine delivers enough torque to move F-150 up the hill. Trucks equipped with the trailer brake controller can automatically apply the trailer brake too.

MAKING IT EASIER THAN EVER.

With more guidelines on the rear view camera¹ image for starters. Based on steering angle, both the black dashed line and the curved white lines of Dynamic Hitch Assist show your projected path to help you more easily line up truck and trailer – without a spotter. It's one of many F-150 features that help deliver the ultimate towing experience.

A Smart Trailer Tow Connector¹ provides you with trailer connection status, along with lighting and trailer battery alerts and warnings. Whether a trailer bulb goes out or another item needs your attention, alerts are displayed on the screen in the instrument cluster.

Our factory-integrated trailer brake controller¹ uses braking input, vehicle speed, and information from the vehicle's Anti-Lock Brake System (ABS) to balance the performance of the truck and electric trailer brakes.²

PowerScope® trailer tow mirrors¹ adjust, fold and telescope at the touch of a button – helping you keep a watchful eye on your load. With new LED security approach lamps and new LED side-mirror spotlights this year, they're more functional and convenient than ever.

¹Available feature. ²Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details.

DELIVERS A QUALITY EXPERIENCE.

The completely redesigned cabin of F-150 works hard, starting with your choice of 5 distinct trim levels: the work-tough XL, rugged XLT, well-appointed LARIAT, Southwestern luxury of KING RANCH® and urban luxury of PLATINUM. One is sure to be just right for you. There's more storage space in the center console¹ and front row. A vast twin-panel moonroof¹ on SuperCrew.® Heated steering wheel.¹ All-new 8" productivity screen.¹ And so much more.

PLATINUM SuperCrew® 4x4. Brunello luxury leather trim. Available equipment.

¹Available feature.

Exceptional refinement defines this interior. Ergonomically optimized front seating enhances comfort. SuperCrew and SuperCab models with the 40/20/40 configuration seat up to 6. Large, squared-off air vents pay homage to the chiseled exterior, while an all-new climate control system filters air entering the cabin by sending it through a particulate cabin filter. A redesigned, power-sliding rear window provides natural ventilation.¹

CONNECTS YOU TO WHAT MATTERS MOST.

Ford SYNC^{®1} with 911 Assist[®] delivers hands-free calls, Bluetooth[®]-streaming music and more with simple voice commands. Once paired, it can download contacts and play music from your smartphone. It can also access your MP3 player, USB or iPod.[®] SYNC AppLink^{™2} lets you control Pandora,[®] iHeartAuto,[™] the SiriusXM[®] App and other select apps by voice, too. SYNC with MyFord Touch^{®3} adds an 8" color LCD touch screen and much more. SYNC. Say the word.

SiriusXM Satellite Radio³ lets you enjoy commercial-free music, plus sports, news, entertainment, and every premium channel with your 6-month All Access trial subscription.⁴ The voice-activated Navigation System³ also includes a 5-year subscription to SiriusXM Traffic and Travel Link[®] services.³ These features provide detailed traffic information on accidents, construction, and road closures, plus local and national weather forecasts, fuel prices and more.

| SYNC

((SiriusXM))

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software. ³Available feature. ⁴Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.

2015 **F-150**
ford.com

INFORMS YOU LIKE NEVER BEFORE.

See all
it can do

The all-new 8" productivity screen¹ in the instrument cluster of F-150 is your command center. Tabs at the top make navigation easy between screens.

Keep your favorites front and center with MyView. Just choose the screens you use most often (up to 7) and put them in one consolidated view for greater convenience.

Check individual pressure in each tire with the standard Individual Tire Pressure Monitoring System.² Not only will you be notified if any tire's pressure is low, but the system will tell you how low.

Track towing information, such as trailer brake controller settings, vehicle pitch and steering angle, and profiles of up to 10 different trailers – including accumulated miles on each.

Stay informed off-road too with pitch, roll and steering angle information. As well as a power-distribution screen that shows you which wheels are receiving the most power.

Monitor instantaneous and average fuel economy, fuel economy history, Auto Start-Stop settings³ and so much more. With the 8" productivity screen, all the information you need is right in front of you.

¹Available feature. ²Excludes spare. ³When properly equipped.

ENHANCES WORK. DAY AND NIGHT.

All-new features on the 2015 F-150 join some established favorites to help you get more done, more easily.

Natural lighting from the new twin-panel moonroof¹ accents standard LED lighting inside F-150. Outside, class-exclusive LED sideview mirror spotlights¹ light your work site well into the night. Integrated into the mirrors, the spotlights provide the light needed to set up a campsite or finish a job after sunset. They join class-exclusive quad-beam LED headlamps,¹ and LED taillamps.¹

Power up F-150 without using a key with Intelligent Access with push-button start.¹ As long as you have the fob in your pocket, you can enter F-150 and start it. Power up tools and battery chargers with high-power 110-volt power outlets¹ that provide up to 400 watts.

Enjoy easy access to it all through SuperCab rear doors that swing open 170° – with no B-pillar to obstruct entry or loading. Utilize the only standard full-flat load floor² in the class, or convenient rear underseat storage.¹

¹Available feature. ²On SuperCab and SuperCrew® models.

ANYWHERE, AND EVERYWHERE, YOU NEED TO GO.

The reduced weight of F-150 results in many major benefits, including improved off-road capability. A substantially lighter vehicle gets over tough terrain with less effort.

Equip your F-150 to get out there with the FX4 Off-Road Package, available on all trim levels. An electronic-locking rear differential, underbody skid plates, Hill Descent Control,¹ and off-road-tuned shock absorbers get you ready for some serious, low-speed rock crawling.

Monitor all the action on the class-exclusive off-road display in the 8" productivity screen.¹ Check your truck's pitch, roll, steering angle and driveline status.

To better navigate tight spots on the trail, just utilize the 360 Camera with Split-view Display.^{1,2} 4 cameras give you a 360° bird's-eye view around F-150, helping you maneuver down narrow off-road trails. To keep your view clear of dust and mud, the forward-facing camera includes a lens washer that's activated when the windshield washers are used.

IN A TRUCK THAT'S SAFER THAN EVER BEFORE.

The all-new 2015 Ford F-150 is engineered to be the safest F-150 ever. Starting with a masterful mix of high-strength, military-grade, aluminum alloys and unique new frame structure that help reduce crush into the passenger compartment in certain front, side and rear impacts.

Front-impact protection is improved through a new 12-sided design in the high-strength-steel front-frame horn, which helps to dissipate crash energy during a frontal impact. Additional through-welded crossmembers bolster side-impact protection. An extruded rocker reinforcement helps reduce cab intrusion in certain front- and side-impact collisions, while roof strength is reinforced by a hydroformed roof rail supported by an extruded closed-section roof bow.

First-in-class inflatable 2nd-row safety belts¹ for outboard rear-seat occupants, join 6 standard airbags to enhance driver and passenger protection. To reduce injury risk in certain collisions, the fully inflated safety belt distributes crash force energy across 5 times more of an occupant's body.

INFLATABLE  REAR-SEAT SAFETY BELTS¹

 6 AIRBAGS

ROLL STABILITY  CONTROL^{TM2}

¹Available feature. SuperCrew® only. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

MECHANICAL

Front Suspension

Coil-over-shock
Axle rating @ ground – 2,850 lbs.–3,750 lbs.

Rear Suspension

Solid axle
Axle rating @ ground – 3,300 lbs.–4,800 lbs.

Brakes

4-wheel vented-disc ABS
Front rotor diameter – 13.8"
Rear rotor diameter – 13.7"

Steering

Electric power-assisted

¹Requires 2.7L EcoBoost Payload Package. ²Requires Heavy-Duty Payload Package and 18" wheels. ³Requires Heavy-Duty Payload Package and 17" wheels. ⁴Requires Max. Trailer Tow Package.

Towing Notes: Maximum loaded trailer weights shown. Do not exceed trailer weight of 5,000 lbs. when towing with bumper only. The combined weight of the towing vehicle (including options, hitch, passengers and cargo) and the loaded trailer must not exceed the GCWR (Gross Combination Weight Rating). Trailer tongue load weight should be 10-15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer tongue load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer tongue load weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle's Safety Compliance Certification Label. See the RV & Trailer Towing Guide for requirements, restrictions and 5th-wheel towing.

LARIAT SuperCrew® in Ingot Silver accessorized with a chrome exhaust tip, heavy-duty splash guards with stainless steel inserts, step bars, bed extender, spray-in bedliner,¹ side window deflectors, and chrome hood deflector

Learn more about
your F-150

New Vehicle Limited Warranty. We want your Ford F-150 ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion coverage on aluminum body panels – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Full-Size Pickups under 8,500 lbs. GVWR), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional and aftermarket equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions and capacity ratings shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
