

2017 TRANSIT CONNECT & TRANSIT PASSENGER WAGONS

BUILT FOR LIVING MORE OF LIFE TOGETHER.

From everyday errands to memory-making getaways, Ford Passenger Wagons are designed to help you bring all of your loved ones along for the ride. With your choice of seating configurations for 5 to 15 people, these versatile vehicles are purpose-built for large, active, fun-loving families like yours.

TRANSIT CONNECT

5- to 7-passenger seating
104.2 cu. ft. max. cargo capacity*
72.8" max. exterior height
EPA-estimated rating of 27 hwy mpg*

TRANSIT

8- to 15-passenger seating
414.3 cu. ft. max. cargo capacity*
108.6" max. exterior height
EPA-estimated rating of 19 hwy mpg*

2017 Transit Connect & Transit Passenger Wagons | ford.com

Transit Connect XLT LWB in Silver and Transit MR LWB in Ingot Silver, both with available equipment. *Max. cargo room behind 1st row with rear seats folded and when properly equipped. **EPA-estimated rating of 19 city/27 hwy/22 combined mpg. Actual mileage will vary. †Max. cargo room behind 1st row with rear seats removed and when properly equipped. ‡EPA-estimated rating of 15 city/19 hwy/16 combined mpg, 3.5L EcoBoost V6. Actual mileage will vary.

SIZED RIGHT FOR YOUR NEEDS.

Party of 7 or fewer? The nimble Transit Connect offers you dual sliding side doors, plus a low step-in height for easy entry and exit.

Transporting 8 or more? Transit offers you lots of options, including 3 different roof heights. LR models are designed to fit in most garages, while MR and HR models make it easy to stand and help your passengers properly secure themselves and their gear. Go with the standard 60/40 swing-out passenger-side door on Transit LR, or opt for the sliding design on LR¹, MR or HR. Transit HR LWB EL models also offer you up to 414.1 cu. ft. of cargo space behind the 1st-row seats.

Plus, a tilt and telescoping steering column is standard on all Ford Passenger Wagons to help drivers of varying statures personalize their driving position.

TRANSIT CONNECT

Start each day with a positive outlook in Transit Connect. With a 5-star overall vehicle score, it received the government's highest safety rating¹. Short wheelbase (SWB) models offer you 2 rows of seating and 46.9 cu. ft. of rear cargo space. Long wheelbase (LWB) models feature 3 rows of seating [A], plus up to 104.2 cu. ft. of cargo space with the 2nd- and 3rd-row [B] seats folded. Your seat trim options include vinyl, cloth² or leather² [C]. LWB models also offer you a choice of buckets² or a 60/40 split-folding seat [D] in the 2nd row. Vinyl flooring helps make XL LWB models easy to clean. Choose a rear liftgate or 180° swing-out rear cargo doors² for convenient access to the back. And use the Quickclear™ electric windshield defroster² to chase the chill away on those extra-early mornings. Family adventures await.

TRANSIT

The more, the merrier. If that's your motto, Transit is your vehicle. Room for up to 15 people combines with amenities like rain-sensing windshield wipers⁴ and a new power running board¹ [A] to help your days run smoothly. Rugged vinyl flooring is standard on XL and optional on XLT models – wash it clean with a hose if needed. A class-best² interior height on High Roof (HR) models lets you help secure young riders or find your own seat without bumping your head – even if you're 6'4" tall. Passengers can also adjust the reclining seat backs¹ and inboard armrests¹ to make themselves comfy. You'll find a class-best factory-built cargo capacity behind the 5th row in 15-passenger EL models [B]; plus, you can remove some seats to create even more cargo space if needed. And the Easy Fuel[®] capless fuel filler [C] is located near the driver's door on every Transit. As the driver, you can enjoy its easy maneuverability [D] and heated front seats¹ [E], plus helpful technologies like a rear view camera, side-wind stabilization³ [F], and lane-keeping alert.¹ Safety takes priority with front and front-seat side airbags for the driver and front passenger, 3-point safety belts for every seat, and a Safety Canopy[®] System with side-curtain airbags for all seating rows – including the industry's first 5-row side-curtain airbag on 15-passenger models.⁴

2017 Transit Connect & Transit Passenger Wagons | ford.com

15-passenger XLT 350 HR LWB EL cloth-trimmed interior in Pewter with available equipment. ¹Available feature. ²Class is Full-Size Vans based on Ford segmentation. ³Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ⁴Always wear your safety belt and secure children in the rear seat, if equipped, and follow airbag warning label instructions.
