V CARGO VAN

W PASSENGER WAGON

C CUTAWAY+CHASSIS CAB

FOR ALL YOU DO.

Are you running a small business? Or raising a large family? Maybe you're tackling both. Either way, you know there's power in numbers. Transit knows it, too. That's why the 2018 Ford Transit lineup offers you the most vehicle configurations in the class.¹

For starters, you'll select a body style: Passenger Wagon, Cargo Van, Cutaway or Chassis Cab. Next, you can explore the advantages of the different heights, lengths, wheelbases and engines available on your Transit. Seat up to 8, 10, 12 or 15 people in a Passenger Wagon. Carry up to 487.2 cu. ft. of max. cargo, or haul up to 4,650 lbs. of max. payload in a Cargo Van.² Or find a Cutaway or Chassis Cab that meets your needs. No matter which Transit you choose, you can rest assured it's Built Ford Tough®.

2018 Transit | ford.com

Transit Cargo Van: 150 MR LWB. Blue Jeans. Transit Passenger Wagon: XLT 350 HR LWB. Oxford White. Transit Chassis Cab: 350 HD LWB. Race Red. All shown with available and aftermarket upfit equipment.

¹Class is Full-Size Vans based on Ford segmentation. Excluding other Ford vehicles. ²When properly configured. Passenger and cargo capacity limited by weight and weight distribution.

Vehicles throughout this brochure may be shown with antennas removed, and optional and aftermarket upfit equipment.

ENGINES

3.7L Ti-VCT V6

For plenty of low-speed torque and top-end power, the standard 3.7L engine features twin independent variable camshaft timing (Ti-VCT) technology to optimize combustion at all engine speeds. A CNG/Propane Gaseous Engine Prep Package readies it for an upfit to run on compressed natural gas (CNG), propane autogas, or as a bi-fuel vehicle that can switch between operating on gasoline and CNG or propane.

An excellent choice for those who need extra hauling capacity, the 3.5L EcoBoost® engine¹ boasts a best-in-class gas torque rating of 400 lb.-ft. It also features twin turbochargers that spool up more quickly than a conventional single turbo. The instantaneous low-end torque and 310 hp you get with this engine are the result of direct injection, which delivers a precise amount of fuel to optimize efficiency and power.

3.5L EcoBoost

3.2L Power Stroke® I-5 Turbo Diesel

If your engine needs to run long hours under constant idling or stop-and-go conditions, the Turbo Diesel¹ delivers. For maximum flexibility, 90% of its peak torque is available from 1,500 to 2,500 rpm. Direct injection and a Variable Geometry Turbocharger combine to help optimize efficiency and deliver instantaneous power. And quick-start glow plugs offer fast startups at temperatures as low as -10°F.

GET COMFORTABLE.

Transit offers plenty of driver amenities engineered to ease your day.

ON EARLY MORNINGS

Chase away the chill in 10-way power, heated front seats¹ with lumbar support and inboard armrests, available in cloth or leather trim.¹

WHEN ROADS ARE WET

After you turn them on, rain-sensing windshield wipers^{1,2} automatically activate to help keep your view ahead clear. Standard on XLT Passenger Wagon.

SEEING TO THE SIDES

New power-folding capability is added to the power, heated, short-arm sideview mirrors,¹ which also feature integrated turn signal indicators.

BACKING IT UP

A new high-mounted rear view camera is standard on Passenger Wagon and Cargo Van MR and HR models. It offers a broad, full-color view from its high vantage point to make Transit easy to maneuver in Reverse.

GO CONFIDENTLY.

Easy maneuverability and a commanding view of the road are standard on every Transit.

WHILE TOWING AND HAULING

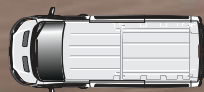

All 3 engines are paired with our 6-speed SelectShift® automatic transmission, which offers a selectable tow/haul mode⁴ to help make both towing and hauling easy. When you engage this mode, it compensates for grade and load, and reduces gear hunting. The transmission also offers manual upshift and downshift capability, as well as progressive range select, which lets you reduce the available gear range for better performance in difficult road and/or load conditions.

EVEN WHEN THE WIND'S BLOWING

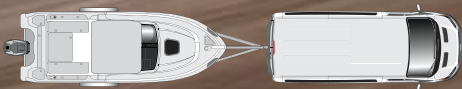

AdvanceTrac® with RSC® (Roll Stability Control™) and Side-Wind Stabilization help you handle sudden, strong side-wind gusts.² Standard on every Transit, the system can apply the brakes on one side of the vehicle if needed to help you stay on your intended path.

LANE-KEEPING ALERT

SWAY CONTROL

STAY CENTERED with help from our Lane-Keeping Alert.^{1,3} It can detect lane markings and send gentle vibration pulses to the steering wheel if needed to prompt you to steer back toward center.⁴ If it detects you've crossed the line repeatedly, the Driver Alert System^{1,3} can chime and display a coffee cup icon to suggest you take a break from driving.

TOW UP TO 7,500 LBS⁵ with the help of trailer sway control^{1,2} technology. The rear view camera^{1,3} display also offers guidelines to help you connect with your trailer.

FORDPASS™ SMARTPHONE APP³

Your personal journey assistant

SYNC 3

STAY CONNECTED ON THE MOVE.

Imagine controlling calls, music and more with just a touch and your voice. SYNC[®] 3^{1,2} lets you keep your hands on the wheel while it quickly responds to your spoken requests. Or use the responsive touchscreen in the center of your instrument panel to access its many helpful features. Bring the power of Siri[®] into Transit with Siri Eyes Free and your paired iPhone[®]. The system also features 2 smart-charging USB ports to help keep your devices powered up and ready to go.

2018 Transit | ford.com

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. ³Available via download and compatible with select smartphone platforms. Learn more at fordpass.com. Message and data rates may apply. ⁴Commands may vary by phone and AppLink software. ⁵Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 2 on page 16, or footnote 3 on page 19 and your Ford Dealer for details. ⁶Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.

BRING 'EM!

Transit Passenger Wagon seats as many as 8 to 15 people and comes in 3 roof heights. Low Roof (LR) is designed to fit in most garages. Medium Roof (MR) helps make loading and unloading easy. With best-in-class interior height, High Roof (HR) offers those up to 6'4" tall an easy walk to their seats.

TRAVEL SAFELY

Transit Passenger Wagon features 6 airbags¹ in the front row, including Safety Canopy[®] side-curtain airbags that cover all rows, plus 3-point safety belts for every seat.¹

KEEP IT CLEAN

Rugged vinyl flooring, standard on XL and optional on XLT, can be washed clean with a hose if needed.

STEP IT UP

New extended-length running boards² beneath the driver's door and both passenger-side doors provide firm footing for all passengers to enter and exit.

PACK IT IN

Behind the last row of seats in 15-passenger EL models, you'll enjoy best-in-class factory-built cargo capacity of 100.5 cu. ft.

LEATHER-TRIMMED SEATS² feature 10-way power adjustability, heat and inboard armrests for the driver and front passenger. In other rows, manually reclining seat backs² can each be adjusted independently for personalized comfort, and inboard armrests² fold down for support or flip up for easy entry and exit.

POWER RUNNING BOARD² automatically deploys when the rear passenger-side door is opened to help ease entry and exit for your passengers, then returns to its stowed position when the door is closed.

STAND AND DELIVER.

Whatever your day demands, there's a Transit Cargo Van sized just right for you. Available in 3 roof heights – Low (LR), Medium (MR) and High (HR) – it offers the flexibility to work the way you want.

EASIER THAN EVER

Getting in and out of the rear cargo area is easier this year, thanks to new D-pillar assist handles² and a new larger rear-door pull-and-release exit handle on the inside of the vehicle.

WITH MAX. HEAD ROOM

A best-in-class gas-powered max. interior height of 81.5" makes it easy to stand upright and to carry the tallest items in Transit HR models.¹ The 237° swing-out rear cargo doors² provide quick and easy access.

AND SPACE TO SPARE

Transit HR LWB EL Cargo Van helps transform your productivity by saving you extra trips. It offers a gross vehicle weight rating of up to 10,360 lbs., plus best-in-class gas-powered max. cargo capacity of 487.2 cu. ft. and max. payload capacity of up to 4,650 lbs.¹

UPFIT IT!

Transit offers you exceptional versatility inside its full lineup of Built Ford Tough® Cargo Vans. Control up to 4 different aftermarket items such as auxiliary lighting, a compressor, and more with the upfitter switches¹ conveniently located in the center of your instrument panel. You can also choose from 15 vocation-specific upfit ship-thrus¹ – 9 of which are within 30 miles of the Kansas City Assembly Plant where Transit is built – for prompt delivery. These smart solutions are from some of the best upfitters in the business, including:

- Adrian Steel®
- Masterack®
- Sortimo By Knapheide
- TransitWorks™

Explore all your options at transitupfits.com.

GENERAL CONTRACTING: Heavy-duty upfits designed for general contractors offer you sturdy steel cabinets, drawers, dividers, bins, and even a document holder that helps you keep each day's work orders ready to reference.

PLUMBING: Heavy-duty upfits designed specifically for plumbing contractors offer you everything from a General Service Package to a workbench with an integrated vise.

HEATING AND COOLING: Smart solutions for HVAC technicians include heavy-duty upfits, like a single or double ladder rack, a wide range of partitions, and lots of racks and bins systems, many with noise-reduction features.

ELECTRICAL: Your choice of heavy-duty upfits include Base Shelving and General Service Packages, as well as other options to help keep your electrical supplies in order.

GO CUSTOM.

Whether you want to move people, tools, flora, fauna, or something else entirely, Transit Cutaways and Chassis Cabs are convenient bases for building all sorts of versatile vehicles. Cutaways have an open passenger compartment for pairing with specialty body modules to make shuttle buses, recreational vehicles and more. Chassis Cabs have an enclosed passenger area and a bare frame ready for body modules that create cargo delivery flatbeds, small horseboxes and beyond. Frame rails are reinforced with boron steel for lightweight strength, and the clean box section helps make upfits easy. Plus, frame rail extension adapters enable frame upfits up to 18' long, giving you even more opportunities to create the Transit you need.

Find your Ford authorized upfitter at **fordtoughtruck.com**.

MAXIMIZE YOUR UPTIME.

The certified experts at your local Ford Commercial Vehicle Center are ready to help you find the right Transit for your needs – and keep it out there on the road working hard for you. At their Service and Parts department, you'll find service discounts and extended hours, plus a new Parts Advantage program that helps keep the fastest-moving parts in your area in stock. We're here to help you maximize your vehicle's uptime while protecting your investment with prompt, specialized maintenance and service.

STANDARD FEATURES

Includes all standard features, plus:

Mechanical

4-/7-pin connector assembly and rear jumper
Full-size spare wheel and tire, 4-ton jack and tool kit

Seating

2-passenger
4-way manual driver and front-passenger seats with driver's inboard armrest

Interior

AM/FM stereo with audio input jack and digital clock
Black plastic step well pads
Cargo area LED load compartment lighting
Cargo area tie-down hooks
D-pillar weld nuts (MR and HR)
Flooring – Front vinyl
Front air conditioning
Front cloth headliner
Rear cargo door pull-and-release exit handle
Rear cargo light switch

Exterior

Black bodyside moldings
Black grille with black surround
Center high-mounted stop lamp
Doors – 180° rear cargo with key-lock cylinder (RWB)
Doors – 237° rear cargo with key-lock cylinder (LWB and LWB EL)
Doors – 60/40 swing-out passenger-side (LR)
Doors – Sliding passenger-side (MR and HR)
Headlamps – Halogen with black trim
Mirrors – Short-arm, power sideview
Rear bumper – Black, molded-in-color with extended integral step (LR)
Rear bumper – Black, molded-in-color with bumper step (MR and HR)
Roof and side marker lamps (DRW)

Safety & Security

Camera – Low-mount rear view (LR)
Camera – High-mount rear view (MR and HR)
Passenger-side front airbag¹
deactivation switch

AVAILABLE OPTIONS

Mechanical

Alternator – Heavy-duty (210-amp on diesel, 250-amp on gas)
Battery – Dual heavy-duty absorbed glass mat (AGM) (standard with diesel engine)
Battery – Single absorbed glass mat (AGM) (gas engines)
Battery guard – Programmable
Engine block heater (recommended when minimum temperature is 10°F or below; standard on diesel)
Full-size spare wheel and tire delete (DRW)
Operator-commanded exhaust filter regeneration (diesel engine)
Operator-commanded exhaust filter regeneration with active regeneration inhibit (diesel engine)
Push-down manual parking brake²
Trailer brake controller (requires Heavy-Duty Trailer Tow Package)

Driver-Assist Technology

Lane-Keeping Alert with Driver Alert System
Rain-sensing windshield wipers
SYNC® Voice Recognition Communications and Entertainment System with 4" color LCD screen in center stack, 911 Assist®, AppLink®, and 1 smart-charging USB port²
SYNC 3 with 6.5" color LCD capacitive touchscreen in center stack, 911 Assist, AppLink, Apple CarPlay™ compatibility, Android Auto™ compatibility, and 2 smart-charging USB ports²

Seating

Vinyl, 4-way manual driver and front-passenger seats with inboard armrests
Vinyl, 4-way manual driver and front-passenger seats with driver's inboard armrest (10,360-lb. GVWR only; deletes front-seat side airbags and side-curtain airbags)²
Vinyl, 4-way manual driver and front-passenger seats with inboard armrests (10,360-lb. GVWR only; deletes front-seat side airbags and side-curtain airbags)²
Cloth, 4-way manual driver and front-passenger seats with inboard armrests, and driver's manual lumbar
Cloth, 4-way manual driver and front-passenger seats with inboard armrests, and driver's manual lumbar (10,360-lb. GVWR only; deletes front-seat side airbags and side-curtain airbags)²
Cloth, 10-way power, heated driver and 4-way manual front-passenger seats with inboard armrests (n/a on LWB diesel 9,250-lb. configuration)
Cloth, 10-way power, heated driver and front-passenger seats with inboard armrests (n/a on LWB diesel 9,250-lb. configuration)
Leather-trimmed, 10-way power, heated driver and front-passenger seats with inboard armrests (n/a on LWB diesel 9,250-lb. configuration)
Passenger seat delete (also deletes front-passenger seat side airbag and side-curtain airbag; 10,360-lb. GVWR only), vinyl, 4-way manual driver's seat only with manual lumbar and inboard armrest
Passenger seat delete (also deletes front-passenger seat side airbag and side-curtain airbag), cloth, 10-way power, heated driver's seat only with manual lumbar and inboard armrest (n/a on LWB diesel 9,250-lb. configuration)

Interior

AM/FM stereo with audio input jack, Bluetooth® and USB port²

AM/FM stereo/single-CD player with audio input jack and 4" multifunction display

AM/FM stereo/single-CD player with audio input jack, 4" multifunction display and HD Radio™

AM/FM stereo/single-CD player with SYNC, message center, and leather-wrapped steering wheel with controls for audio and multifunction display

AM/FM stereo/single-CD player with SYNC, message center, HD Radio, and leather-wrapped steering wheel with controls for audio and multifunction display

AM/FM stereo with SYNC 3 including Navigation System with pinch-to-zoom capability, SiriusXM® Traffic and Travel Link® with 5-year subscription,³ and HD Radio; leather-wrapped steering wheel with controls for audio and multifunction display; and Lane-Keeping Alert with Driver Alert System

SiriusXM Radio with 6-month All Access trial subscription^{2,3}

110V/150W AC power outlet (requires dual heavy-duty batteries)²

Assist/grab handles – At rear cargo door (n/a on LR)

Auxiliary fuse panel (requires dual heavy-duty batteries and heavy-duty alternator; includes Modified Vehicle Wiring System; included with user-defined upfitter switches)

Cruise control with message center including full trip computer and engine-hour meter

Floor mats – All-weather front (requires carpeted flooring)

Flooring – Front carpet

Flooring – Heavy-duty rear (includes heavy-duty rear scuff plate)²

Flooring – Vinyl front and rear (included in Interior Upgrade and Load Area Protection Packages; n/a with front/rear driver-controlled air conditioning)

Ford Telematics™ powered by Telogis®⁴ – Fleet tracking system (includes 1 year of subscription service)

Front/rear, driver-controlled air conditioning;² (requires Reverse Sensing System on LR vans; includes heavy-duty alternator with gas engines)

High-capacity upfitter switches (4; requires dual heavy-duty batteries and heavy-duty alternator; includes Modified Vehicle Wiring System, customer connection point and auxiliary fuse panel)

Scuff plate – Heavy-duty rear (n/a with dual sliding side doors)

Scuff plate – Rear (n/a with dual sliding side doors)

Vinyl-trimmed sun visors with illuminated vanity mirrors²

Exterior

Front license plate bracket (standard in states requiring 2 license plates and optional in all others)

Headlamps – Automatic with rain-sensing windshield wipers

Mirrors – Short-arm, power-folding sideview with power, heated glass and integrated turn signal indicators

Mirrors – Long-arm, power sideview

Mirrors – Long-arm, power, heated sideview with integrated turn signal indicators

Rear bumper – Black, molded-in-color with bumper step (LR)

Remote Start System (n/a with diesel engine)

Reverse Sensing System

Running board – Fixed passenger-side (n/a with dual sliding side doors)

Running board – Power passenger-side (n/a with dual sliding side doors)

Running boards – Fixed extended-length passenger-side and fixed driver-side (n/a with dual sliding side doors)³

Side door – Sliding passenger-side (LR)

Side doors – Dual sliding (MR and HR)

Stainless steel wheel covers (DRW)²

Wheel-well liners (front only)

Windows – Fixed rear-door glass

Windows – Fixed rear-door glass and fixed passenger-side door glass

Windows – Fixed rear-door glass and fixed driver and passenger-side door glass (requires dual sliding side doors)

Windows – Fixed, all-around (n/a with dual sliding side doors)

Windows – All-around with 4th-row flip-open glass (n/a with dual sliding side doors; LWB EL only)

Windows – Privacy glass (includes rear-window defroster)

Windows – Rear defroster (requires fixed rear-door glass)

Safety & Security

2 spare keys

Backup alarm⁴

MyKey® technology to help encourage responsible driving² includes Level 2 instrument cluster (requires SecuriLock® Passive Anti-Theft System and cruise control)

Perimeter alarm (requires SecuriLock Passive Anti-Theft System)

SecuriCode™ keyless entry keypad

SecuriLock Passive Anti-Theft System

Optional Packages^{2,6}

New Vehicle Limited Warranty. We want your Ford Transit ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. The Ford 3.2L PowerStroke® I-5 Turbo Diesel engine gets 5-year/100,000-mile warranty coverage. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Commercial Vehicle Center. Each of the 678 dealerships in our Commercial Vehicle Center (CVC) network is committed to providing quality commercial-oriented products and service, as well as special financing and billing arrangements, to businesses that rely on Ford products. As a CVC customer, your business vehicles receive priority service at your CVC dealership to help get your vehicle back on the road quickly.

Financial Services. Our commercial purchase plans and lines of credit offer attractive rates, negotiable terms and business-friendly options. If you prefer to lease, our CommercialLeaseSM programs offer a wide variety of package options to meet your needs. For additional information, please visit our website at fordcredit.com/comlend.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
