

2021 FORD

EDGE[®]

WHERE POWERFUL BECOMES EMPOWERING.

Somewhere between walking the straight and narrow and going to extremes is a space where you can confidently push things to the limit.

It's here in the 2021 Ford Edge,[®] with stylish good looks that command attention, and advanced technology – like standard Ford Co-Pilot360,^{™1} and SYNC[®] 4A² with Enhanced Voice Recognition – that helps you feel confidently in command of the road. Over-the-Air Updates³ help ensure that you have the latest features and minor software enhancements as they become available. And, with 2 EcoBoost[®] engines to choose from, Edge can take you virtually anywhere you need to go.

The 2021 Edge. Powerful, meet empowering.

ST. Lithium Gray. Available ST Performance Brake Package. Available equipment.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. **2.** Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. **3.** FordPass Connect, the Ford Pass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply.

Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment.

In here, you're in control. Starting with the ability to push start and go, thanks to the Intelligent Access key fob that lets you lock and unlock your doors just by touching the door handle, and the push-button start that gets you going without having to use a key. The largest in class¹ center touchscreen measuring 12" comes with standard voice-activated SYNC[®] 4A² with Enhanced Voice Recognition, which responds quickly to your voice or touch prompts so you can easily control available navigation, play your music, or interact with your phone while keeping your eyes on the road and your hands on the wheel.

A finely tuned rotary gear shift dial moves the transmission from Park to Reverse to Drive with a simple turn. And the available B&O[™] Sound System with an 8-channel amplifier pumps digitally processed sound through 12 high-performance speakers to deliver your music your way.

TITANIUM. Medium Soft Ceramic leather-trimmed interior. Available equipment.

1. Class is Midsize Utilities. **2.** Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

COMFORT DOESN'T TAKE A BACK SEAT HERE.

Take a seat in the available power-adjustable driver's seat – available in either unique cloth, ActiveX™ Seating Material or leather-trimmed – or sit in back and enjoy the convenience of the 60/40 split rear seat with fold-down armrest, and you'll quickly discover that Ford Edge® was designed with your comfort in mind. An available power, panoramic Vista Roof® opens with the touch of a button to let natural light flood the cabin. And with space for up to 5 passengers, 8 cupholders, and 4 USB ports to help keep your devices charged and ready to go, in Edge, comfort is front and center.

IN TOUCH WITH YOUR NEEDS AND JUST ABOUT EVERYTHING ELSE.

Staying connected is easier than ever in the 2021 Ford Edge® thanks to SYNC® 4A¹ with Enhanced Voice Recognition. The smartest and most powerful version ever, SYNC 4A displays on a new 12" touchscreen and gives you real-time weather in your area, current traffic on your route, updates on where you're supposed to be and how to get there, and more. And it does it with conversational voice recognition, so you can talk the way you normally talk. SYNC 4A also gives you Apple CarPlay® and Android Auto™ compatibility,² so you can wirelessly connect your compatible smartphone to view and control mobile screens from your center display. It's just one more way Edge helps you stay on track with your daily routine.

Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving.

1. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2. Requires phone with active data service and compatible software. SYNC 4 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. 3. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply.

DIGITAL OWNER'S MANUAL

Maximize your vehicle and its capabilities by viewing your owner's manual right on your center screen. Stream how-to videos. Search important vehicle information using words or visuals. And do it all without pulling out a manual from your glove box.

OVER-THE-AIR-UPDATES³

From our new features to minor software enhancements, we can continuously evolve your driving experience. Over-the-Air Updates are delivered directly to your vehicle with minimal action on your part via standard FordPass™ Connect or Wi-Fi, so you have the very latest without missing a beat.

APPLE CARPLAY AND ANDROID AUTO²

Wireless connectivity from both Apple CarPlay and Android Auto compatibility lets you access your smartphone apps without having to look at your phone.

CONNECTED BUILT-IN NAVIGATION⁴

The available cloud-based navigation system includes real-time traffic updates, conversational navigation searches, and the latest maps. It can also make predictive destination suggestions based on your past behavior.

FORDPASS APP³

Use the FordPass App with FordPass Connect to access complimentary remote features like start/stop, lock/unlock, schedule a start, locate vehicle and vehicle status check.

4. Navigation services requires SYNC 4 and FordPass Connect, complimentary Connected Service and the FordPass App (see FordPass Terms for details). Eligible vehicles receive a complimentary 3-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the connected navigation service will terminate, and the system will revert to embedded offline navigation. Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply.

The image shows the interior of a Ford Edge. The rear seat is folded down, creating a large, flat cargo area. The front seats are black leather. The dashboard and center console are visible. The text "VERSATILITY TO FIT YOUR LIFE AND YOUR STUFF." is overlaid on the right side of the image.

VERSATILITY TO FIT YOUR LIFE AND YOUR STUFF.

No matter what your day holds, Ford Edge® is ready for it. An available EasyFold® rear seat back release lets you maximize cargo space¹ with the touch of a button, so you can fold both sides of the seat down to accommodate larger objects, or leave one side up to carry cargo and passengers at the same time. Clever storage spots and an available cargo net help keep things organized and easily accessible. And, when your hands are full, an available hands-free, foot-activated liftgate opens with a simple wave of your foot under the bumper – all while keeping your key fob in your pocket or purse.

There's a lot that goes into your everyday. Fortunately, a lot can go into your Edge, too.

TITANIUM. Medium Soft Ceramic leather-trimmed interior. Available equipment.

1. Cargo and load capacity limited by weight and weight distribution.

COMMANDS ATTENTION AND THE ROAD.

TITANIUM. Desert Gold Metallic. Available Titanium Elite Package. Available equipment.

¹. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. ². Navigation services requires SYNC[®] 4 and FordPass Connect, complimentary Connected Service and the FordPass App (see FordPass Terms for details). Eligible vehicles receive a complimentary 3-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the connected navigation service will terminate, and the system will revert to embedded offline navigation. Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply.

POWER MOVES.

With your choice of 2 available EcoBoost® engines – the 2.0L with a quick-shifting 8-speed automatic transmission, or the 2.7L V6 with an optimized 7-speed transmission that's built for responsiveness, wherever you decide to go – Ford Edge® has the power to get you there. Not to mention the smarts to know what power is needed – and when. On models equipped with available Intelligent all-wheel drive (AWD), AWD disconnect allows for the automatic disconnection of the rear driveline when the system detects that AWD is not needed. And, to help reduce fuel consumption during stop-and-go city driving, standard Auto Start-Stop Technology shuts off the engine when you come to a complete stop, then seamlessly restarts it when you release the brake pedal.

2.0L ECOBOOST

Standard on SE, SEL, Titanium and ST-Line, this twin-scroll turbocharged, direct-injection engine boasts 250 max. horsepower¹ and 280 max. lb.-ft. of low-end torque¹ that delivers a surge of power for a great drive every time.

2.7L ECOBOOST V6

With 335 max. horsepower¹ and 380 max. lb.-ft. of torque¹, the 2.7L twin-turbocharged, direct-injection engine is the most powerful engine available in the Ford Edge. Standard on Edge ST, it features a light, compacted graphite iron engine block and aluminum cylinder heads, and delivers exhilarating V6 horsepower and torque.

ST. Ford Performance Blue Metallic. Available ST Performance Brake Package. Available equipment.

1. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. Horsepower and torque ratings are independent attributes and may not be achieved simultaneously.

SE

DYNAMIC DESIGN

One look at the Ford Edge® SE and you'll know that it was designed just for you. From its athletic stance and front and rear styling to its overall modern sophistication, this Edge is a crowd-pleaser any way you look at it.

CONVENIENT CONNECTION

With Ford Co-Pilot360™ Technology¹ that helps you confidently conquer your day, and a range of smart technology – including Intelligent Access with push-button start – Edge SE has just what you need to get you virtually anywhere you need to go. And, with standard SYNC® 4A² with Enhanced Voice Recognition, FordPass™ Connect³ with 4G LTE Wi-Fi hotspot capability,⁴ and more than 175 channels of SiriusXM® with 360L⁵ to keep you connected on the way, staying in touch and on track is just one of the many things Edge SE does well.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. 2. Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 3. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. 4. Wi-Fi hotspot includes complimentary wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the complimentary subscription period for remote features. To activate, go to www.att.com/ford. 5. Includes 3-month All Access trial subscription. SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly.

SEL

CREATURE COMFORTS

In Ford Edge SEL, comfort and enjoyment come standard. In fact, you'll enjoy a long list of standard features including: LED fog lamps, a leather-wrapped steering wheel, heated front seats, a 10-way power driver's seat, an EasyFold® rear seat, and a SecuriCode™ invisible keypad for convenient entry when your keys are tucked away. And available Ford Co-Pilot360 Assist+ gives you additional features like Adaptive Cruise Control with Stop-and-Go and Lane Centering, and Evasive Steering Assist to help keep you confidently in command.¹

TITANIUM

ELEVATE YOUR DRIVING EXPERIENCE

Inside and out, Ford Edge® Titanium is designed to enhance your driving experience. From the hands-free, foot-activated liftgate that opens with a simple kick of your foot under the bumper – all while keeping your key fob in your pocket or purse – to the heated steering wheel and 10-way power, heated, leather-trimmed driver's seat, Titanium takes your comfort and convenience to heart. A 12-speaker B&O™ Sound System, wireless charging pad¹ and Blue ambient lighting top off the list of convenient features Titanium has to offer.

TITANIUM ELITE PACKAGE

WELL-DISTINGUISHED AND WELL-APPOINTED

It's everything you'd expect from the Titanium – and then some. In fact, every driver-assist feature Edge offers comes in this available package, including: a front 180-Degree Camera with Split View² that provides a cross-traffic view in front of your vehicle; and Enhanced Active Park Assist^{TM2} that helps make parallel parking easier. Choose the available new Medium Soft Ceramic interior. Or select Brunello door-trim inserts with Brick Red stitching, and front and rear floor mats with an embroidered Edge logo and accent stitching in Brick Red to distinguish the interior of this Titanium even more.

1. Qi wireless charging may not be compatible with all mobile phones. 2. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations.

ST-LINE

EYE-CATCHING STYLE

The Ford Edge® ST-Line is just the right amount of go – and show. Inside, a 10-way power, heated driver's seat in ActiveX™ Seating Material with Miko® sueded cloth inserts welcomes you to the sporty interior. And 60/40 EasyFold® rear seats easily accommodate your cargo¹ and passenger needs. The 2.0L EcoBoost® engine with Auto Start-Stop Technology sets the power tone, while 20" premium gloss black-painted aluminum wheels grab attention from any angle.

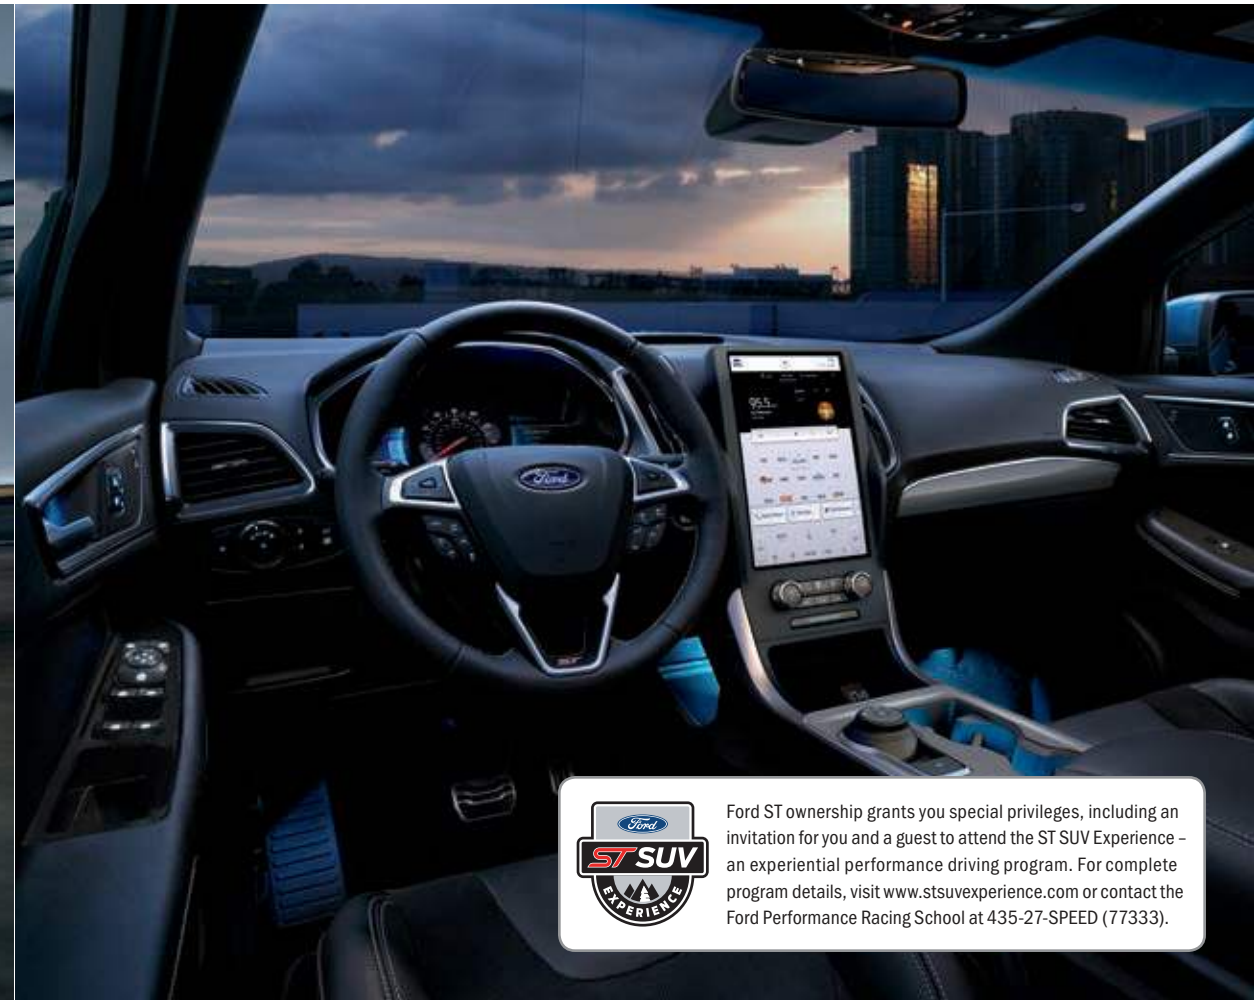

ST

DYNAMIC LOOKS – AND HANDLING

Design cues like a Gloss Black-painted wide-mouth mesh grille, ST badging, available Colorado Red brake calipers, and dual trapezoidal exhaust tips instantly set this dynamic Edge ST apart. Its 2.7L EcoBoost V6 engine – specially tuned by the Ford Performance Team – powers ST with 335 horsepower² and 380 lb.-ft. of torque.² Racing-inspired paddle shifters enhance your control of the optimized 7-speed automatic transmission with SelectShift® capability. A Ford Performance-tuned suspension provides dynamic handling. And standard Intelligent all-wheel drive (AWD) helps give you maximum traction when you need it most. Take things to the next level by tapping the Sport mode button to sharpen the throttle response and program the transmission shift points to a more aggressive setting, and see just how much this ST can deliver.

1. Cargo and load capacity limited by weight and weight distribution. 2. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. Horsepower and torque ratings are independent attributes and may not be achieved simultaneously.

Ford ST ownership grants you special privileges, including an invitation for you and a guest to attend the ST SUV Experience – an experiential performance driving program. For complete program details, visit www.stsuvexperience.com or contact the Ford Performance Racing School at 435-27-SPEED (77333).

New Vehicle Limited Warranty.

We want your Ford Edge® ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Ford Credit.® Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that’s right for you. Ask your Ford Dealer for details or visit us online at ford.com/finance.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, a battery jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Insure. Insurance that lets you earn discounts for safe driving, offering a maximum discount of 40% off your auto insurance. Ford Insure works with your 2021 Edge to gauge driving habits and calculate a discount based on how you drive. Visit www.fordinsure.com to learn more.

American Road Services Company LLC is the licensed insurance agency offering Ford Insure and is underwritten by Nationwide Mutual Insurance Company and affiliates. Home Office: Columbus, OH. Ford Motor and Ford Credit are not insurance companies or agents. Subject to underwriting guidelines, review and approval. Details and availability varies; program criteria differ in California. Discounts do not apply to all coverage elements; actual savings vary by state, coverage selections, rating factors and policy changes.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.

From day one, we had the future in mind. And over 117 years later, we continue that tradition of innovation with Ford Co-Pilot360™ helping push us closer to autonomous driving, the latest generation of SYNC® to communicate untethered and our first fully electric vehicle – Ford Mustang Mach-E®.

We've always had our mind on the future. Now we're building it.

The FordPass™ App

Meet FordPass. The app that puts your ownership experience in the palm of your hand.

Access complimentary remote features like start/stop, lock/unlock, schedule a start, locate vehicle and vehicle status check when your vehicle is equipped with FordPass Connect¹

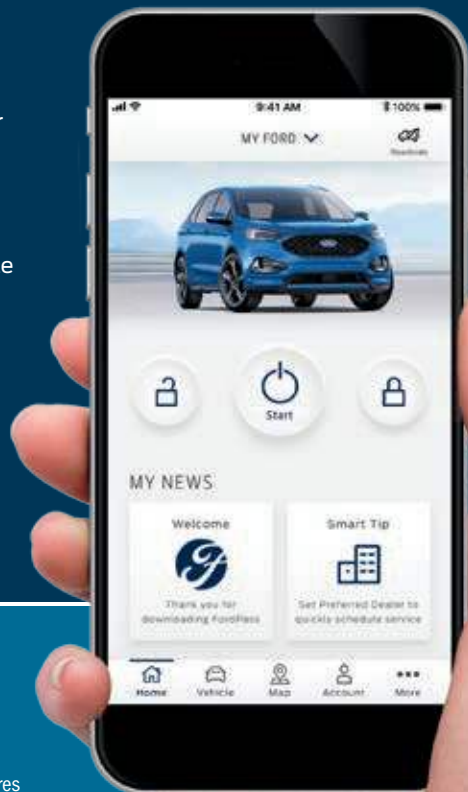

With FordPass Rewards, earn Points to use toward complimentary maintenance² or accessories when you buy or lease a new Ford vehicle

Earn 10 FordPass Rewards Points for every \$1 spent on vehicle service and maintenance

Get help on the road with 24/7 Roadside Assistance³

Download the FordPass App today.

1. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. **2.** Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details or go to [FordPassRewards.com](https://fordpassrewards.com). **3.** Roadside assistance is included for certain owners and available to everyone for a per-service fee.
