

THE ALL-NEW 2021 FORD F-150 APPEARANCE GUIDE

F-150: THE ALL-NEW LOOK OF AMERICA'S BEST-SELLING TRUCK

One principle about F-150 design is timeless — it's Built Ford Tough®. For 2021, F-150 designers created more variation, offering 11 different grille and 13 wheel designs across the lineup. Each 2021 F-150 model will have an individual look that sets it apart. Every panel on the all-new F-150 pickup has been updated and track width increased by 3/4" for a bolder, more planted stance. This 2021 F-150 Appearance Guide provides all the details to help you understand the visual differences of trim levels and packages.

PREPRODUCTION VEHICLES SHOWN THROUGHOUT. AVAILABLE FALL 2020.

THIS APPEARANCE GUIDE IS INTENDED AS A GENERAL OVERVIEW OF DIFFERENCES BETWEEN STANDARD AND OPTIONAL APPEARANCE PACKAGES AND IS A SUPPLEMENT TO THE F-150 DEALER ORDERING GUIDE. NOT ALL EXTERIOR OR INTERIOR OPTIONS ARE SHOWN HERE.
